ADOPTED OPERATING BUDGET

FISCAL YEAR 2021-22

Serving, enhancing, and transforming our community

Table of Contents

Page left intentionally blank

FROM THE MAYOR

Fellow Residents and Honorable Commissioners:

I am pleased to present the adopted Operating Budget and Multi-Year Capital Plan for the fiscal year 2021-22 beginning October 1, 2021. This budget acknowledges the past year of uncertainty and hardships, prioritizes our residents, and prepares us for the opportunities of the future. This budget does not raise taxes or fees, does not reduce City services and does not balance our costs on our employees or our residents. Instead, it restores government services to pre-COVID levels and adds new public safety and building department positions. It is a budget that we can all support and implement to build a better Miami.

I want to assure our residents and taxpayers that we are not raising the property tax rate or the household waste collection fee. Your families and businesses have sacrificed enough over the past year without your local government adding to your burden. Above all, we are here to help you and to serve you.

For business owners, we continue to move our city services online and to increase the speed at which you can access those city services by simplifying and computerizing our permitting functions to save you time and costs.

For the employees of the City of Miami, we believe that we can build on our new opportunities and we can overcome this past year of hardship together by moving toward a better future.

Our city is the Magic City because of our people, our tenacity, and our dreams. Our city was built by mavericks, immigrants and innovators. They overcame incredible hardships, burdens and challenges; **and now, we will do the same**.

In service,

Francis X. Suarez

FROM THE CITY MANAGER

The past year-plus presented challenges to our community unlike any that we have experienced before. The COVID-19 pandemic left a lasting and painful human toll and it forced both our local and global economies to a near halt in the process. Now, as we slowly begin to regain a sense of normalcy in our lives and the local economy comes back to life, we are cautiously optimistic that brighter days are ahead for our Miami community.

As we look to the City of Miami's adopted budget plan for FY 2021-22, our financial future also appears brighter. The leadership of our Mayor and City Commissioners has been instrumental in navigating us through the challenges of the past 18 months and positioning our organization and the community we serve to recover more quickly. Accordingly, our adopted budget for the coming fiscal year reflects the rebounding economy but is also shaped by the ongoing economic effects of COVID-19 on our residents and on our government's bottom line.

In a welcome change from our previous budget, the City's spending plan for the coming fiscal year does not anticipate any service cuts or city employee layoffs; rather, it includes the restoration of key city services impacted by COVID-19 and the addition of new public safety positions to safeguard our community. Furthermore, this year's budget keeps the property tax rate flat, ensuring the City does not place an undue financial burden on our residents and business owners at a time when so many are still facing financial challenges.

To that end, the City of Miami Adopted FY 2021-22 budget is balanced with:

- No property tax rate increases on our residents and businesses
- No reductions in City services and restoration of impacted services to pre-COVID levels
- Funding for 20 new sworn police officer positions
- Funding for 13 new Fire-Rescue positions and a new station
- Funding for four new Code Enforcement Department positions
- Funding for 41 new Building Department positions
- Funding for eight new Resilience and Public Works Department positions
- Funding for seven new Planning Department positions
- Funding for four new Zoning Department positions
- No layoffs of City employees

For a "big picture" look at the adopted budget, I encourage you to review the graphs on pages 12-23 together with the General Fund Overview on page 56. Also, take a moment to review the Personnel Overview on page 89 to learn about the adopted addition of new personnel in several City departments.

FROM THE CITY MANAGER

Looking beyond the big picture, I'm pleased to share some of the highlights of our spending plan, details of which can be found throughout this document. Our adopted budget includes $2.3 million for an Anti-Litter Program to help curtail illegal dumping and keep our streets clean – including Illegal Dumping Tips Reward money. To keep residents and visitors safe, we have included funding for 20 new sworn police officers, 13 new Fire-Rescue personnel, and four Code Enforcement Department new positions. Our Building Department, which ensures that all structures in our city are properly constructed and maintained, would add 41 new positions under this budget. Additionally, we are funding eight new positions for our Resilience and Public Works Department, seven new positions for our Planning Department, and seven new positions to our Zoning Department, all intended to increase the level of services we are able to provide our residents and businesses.

As in past years, we will continue to invest in forward thinking resilience measures, affordable housing, and assistance for our residents in greatest need. Likewise, we continue to offer financial assistance to residents and local businesses directly affected by the COVID-19 pandemic, including rental assistance, mortgage assistance and small business support.

In the months ahead, I look forward to sharing further details of our budget for FY 2021-22 with our residents, local stakeholders and our elected officials. Together, we will work toward keeping a balanced budget that meets the needs of the residents we serve and keeps our Magic City on a steady path to recovery and prosperity.

Warmest Regards,

\Art Noriega, V

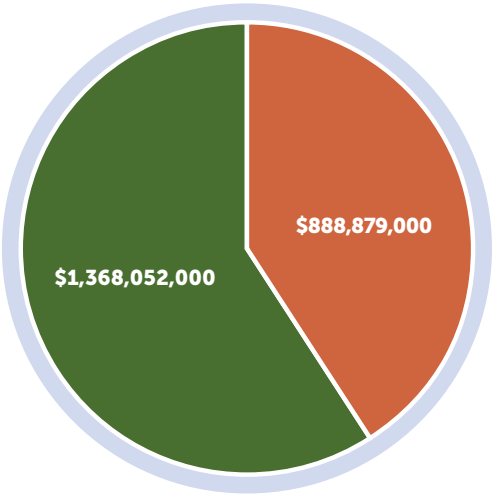
FY 2021-22

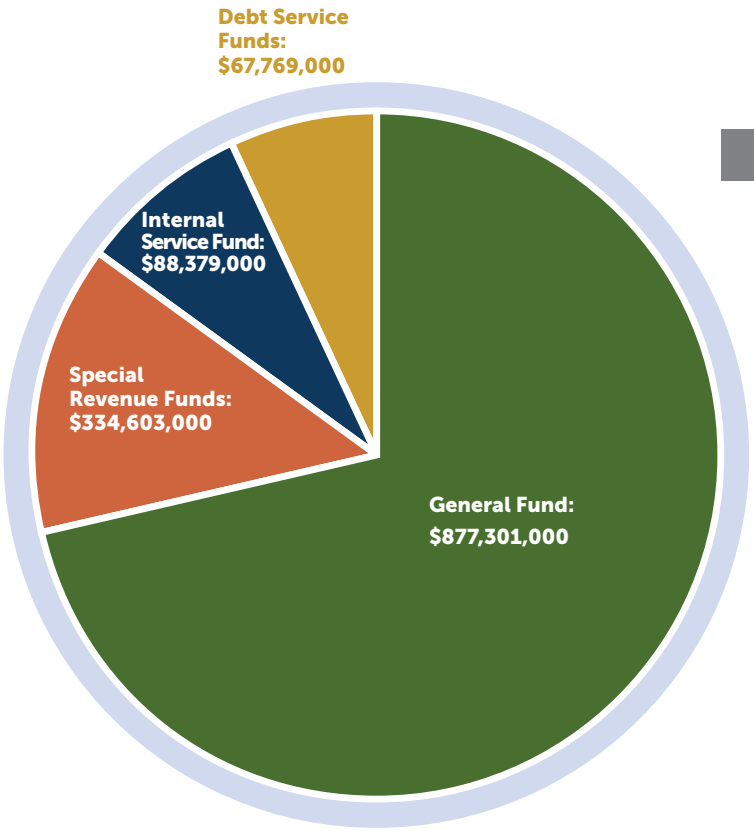
BUDGET OVERVIEW

The City adopts two budgets every year- an Operating Budget and a Capital Budget.

The City's Adopted **Operating** Budget for FY 2021-22: **$1,368,052,000**

The City's Adopted **Capital** Budget for FY 2021-22: **$888,769,000** with **$45,920,000** newly appropriated.





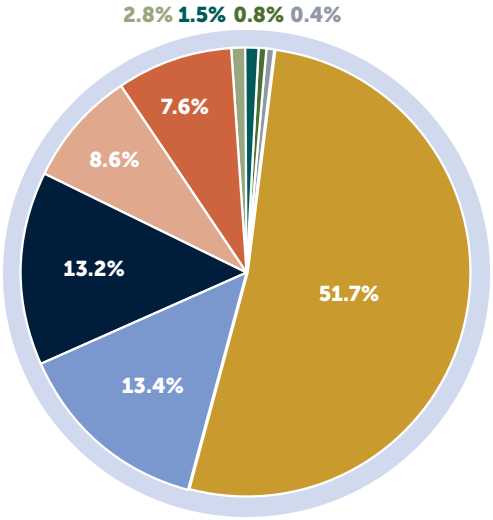
FY 2021-22 Adopted Operating Budget

The City's Operating Budget is comprised of four separate fund groups:

- **General Fund** - City's primary operating fund
- **Special Revenue Funds** - accounts for revenues that are restricted to a specific purpose
- **Internal Service Fund** - accounts for internal cost allocation between various City cost centers
- **Debt Service Funds** - accounts for proceeds of City issued debt and repayment of principal and interest

REVENUES AND EXPENDITURES

ADOPTED BUDGET

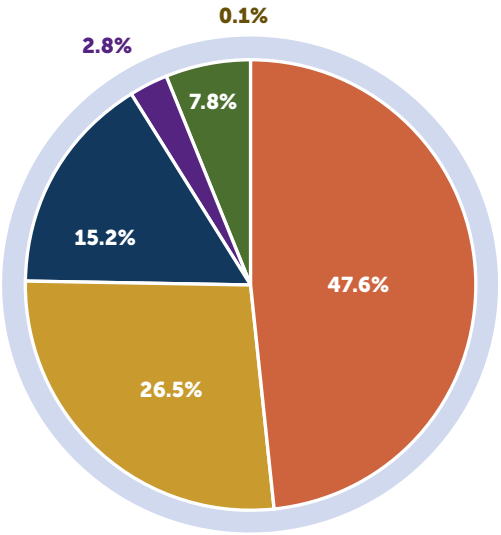


Where the Money Comes From:

General Fund Revenue Sources Total: $877,301,000

- **Property Taxes** • $453.8 million • **51.7%**
- **Franchise Fees and Other Taxes** • $117.8 million • **13.4%**
- **Charges for Services** • $115.8 million • **13.2%**
- **Intergovernmental Revenues** • $75.8 million • **8.6%**
- **Licenses and Permits** • $66.5 million • **7.6%**
- **Transfers-In** • $24.5 million • **2.8%**
- **Other Revenues (Inflows)** • $12.9 million • **1.5%**
- **Fines and Forfeitures** • $7.2 million • **0.8%**
- **Interest** • $3.1 million • **0.4%**

The General Fund includes revenues from a variety of sources, including fees, fines, and state and local taxes. Property tax revenue comprises 51.7% of total General Fund revenues and represents the largest source of funding for general operations.

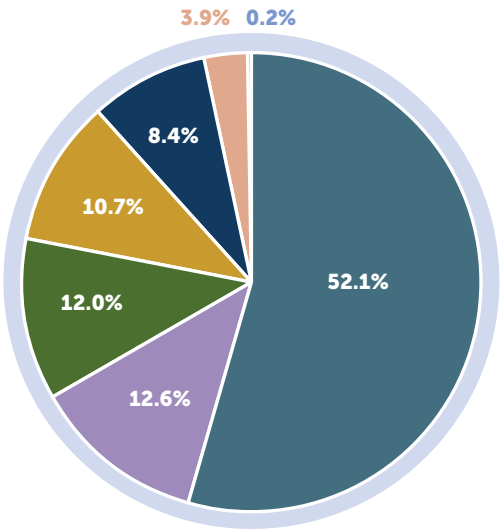


Where the Money Goes:

Expenditures by Category

- **Salaries and Wages** • $418.0 million • **47.6%**
- **Employee Benefits** • $232.1 million • **26.5%**
- **Operating Expenses** • $133.7 million • **15.2%**
- **Non-Operating Expenses** •$24.2 million • **2.8%**
- **Capital Outlay** •$1.1 million • **0.1%**
- **Transfer-Out** • $68.2 million • **7.8%**
  - *Transfer to Capital • $34.7 million*
  - *Transfer to Special Revenue • $4.0 million*
  - *Transfer to Debt Service • $26.4 million*
  - *Transfer to Cost Allocation • $889,000*
  - *Transfer to Transportation Trust Fund • $2.1 million*

Personnel costs, including wages and employee benefits, represent the largest **General Fund expenditure** category. These costs account for almost three quarters of the total General Fund expenditure budget.



Where the Money Goes:

Expenditures by Function

- **Public Safety** • $456.7 million • **52.1%**
- **Non-Departmental Accounts** • $112.6 million • **12.8%**
- **Public Works** • $104.9 million • **12.0%**
- **General Government** • $93.5 million • **10.7%**
- **Other Departments** • $73.9 million • **8.4%**
- **Planning and Development** • $33.9 million • **3.9%**
- **Housing and Community Development** • $1.9 million • **0.2%**

More than half of **General Fund spending** is allocated to the provision of public safety services. The Police Department and the Fire-Rescue Department together comprise 52.1% of the General Fund expenditure budget.

HOW TO USE THIS BOOK

GENERAL

Introductory Section

This section contains general information about the City of Miami, the budget development process, and its financial structure.

Overview Section

This section contains an overview of the Strategic Plan and information about each of the City's Financial funds: the Governmental Funds, the General Fund, the Special Revenue Funds, the Debt Service Funds, the Internal Service Fund, and the Capital Plan. Also included are overviews of the consolidated budget, personnel, collective bargaining units, resilience, and all funds transfers-out schedule.

Department Budgets

This section provides detailed information about the Operating Budgets of each of the City's departments divided into the following sections: General Government, Planning and Development, Public Works, Public Safety, and Other Departments and Other General Fund Budgets. The department budgets include information on staffing allocations, current year strategies, prior year accomplishments, and historical trends in departmental performance.

Appendices

The appendices include multi-year budget projections for all operating funds, information on the City's cost allocation plan, and non-departmental budget considerations. This section also includes summary schedules and graphs for all operating funds, as well as historical property tax, millage rate, economic, demographic statistics, financial health, and reference information.

Table of Contents:

HOW TO USE THIS BOOK

DEPARTMENT PAGES

The Department Budget section provides detailed information about each of the City's departments. Each department's budget description includes the following information:

Mission Statement

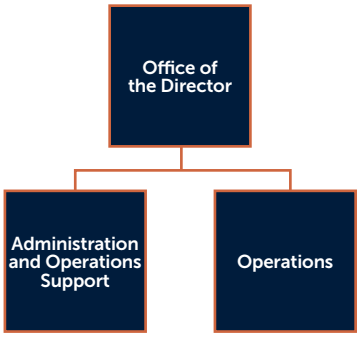
The mission statement defines how the department will work to achieve the vision of the City and addresses why the department is in existence.

Description

Information about the department, its core functions, and its primary customers and stakeholders.

Table of Organization and Staffing Summary

A chart illustrating the organizational structure of the department, and a staffing summary outlining the divisions within the department, the functions each performs, and a comparison of budgeted employees from the prior year to the current year.



Department Expenditure Summary

	FY 2017-18 Actual	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Adopted	FY 2021-22 Proposed
Personnel	8,170,129	8,702,250	9,392,800	9,856,000	10,550,000
Operating Expense	385,796	454,959	505,291	510,000	560,000
Capital Outlay	0	0	11,520	0	0
	8,555,925	**9,157,209**	**9,909,611**	**10,366,000**	**11,110,000**

Department Summary

A summary of historical expenditures and current budget allocations by fund and expenditure category.

Strategies, Accomplishments, and Budget Highlights

A list of key department strategies for the current fiscal year, key accomplishments from the prior year, and major changes made to the department's budget.

Strategic Alignment and Performance Measures

A list of department performance metrics with historical trends and targets.

Measures	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Projections	FY 2021-22 Targets
GOAL Administer policies, contracts and procedures effectively and efficiently, and ensure they remain align with rapidly changing local, state, and federal employees				
Average time to conclude an investigation submitted via Written Complaint to Labor Relations (days)	16	12	21	21
GOAL Seek ways to streamline and expedite various human resources processes, in particular, the hiring process to meet the needs of a changing workforce and City as a whole				
Average time for an Eligibility Register to be established after the closing of a recruitment process (days)	10.2	8.2	8.5	14
Position audits and reclassification completed (number)	178	229	200	200
Average time for the completion of the Personnel Action Form cycle (days)	1.2	1.3	2	2

Expenditure by Object and Fund

A detailed summary of expenditures by account and by fund comparing the current budget to the prior years' budget.

BUDGET CALENDAR

January and February

- Departments develop base budget and enter data into Hyperion.
- Departments develop requests for new funding or enhancements and enter data into Hyperion.
- Departments develop plans to reduce the budget through efficiencies or service cuts and enter data into Hyperion.
- By the end of February, Department Directors submit an e-mail message to OMB Director noting that the data has been entered into Hyperion.

March

- Departments prepare and submit Staffing and Functional Tables of Organization by mid-March.
- Departments prepare and submit capital requests for funding.
- Initial review and revision period is in the month of March.
- Mayor delivers the "State of the City" Address setting priorities for future years by the end of March.

April

- Meetings between departments and OMB to discuss unresolved issues, important items, and capital requests begin in the last week of March through the first week of April.
- Departments prepare and submit preliminary objectives, measures, and targets by the end of April.

May

- Meetings with the City Manager to discuss unresolved issues, important items, and capital requests begin the last week of April and continue through mid-May.
- Community Budget Meetings to seek public input.

June and July

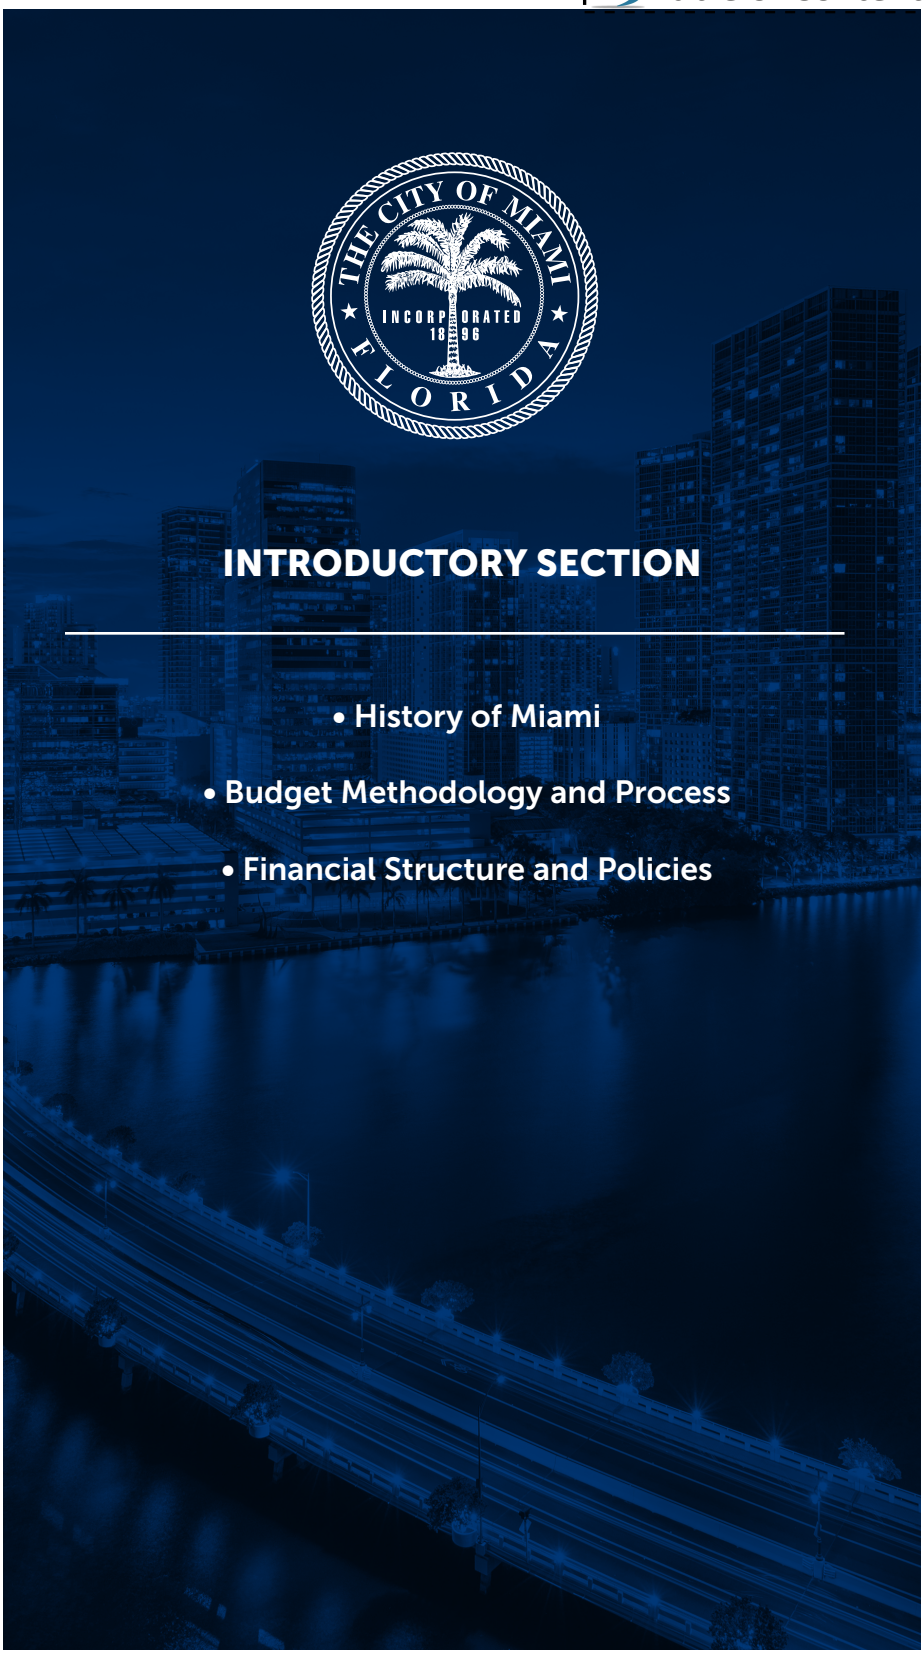
- From mid-May through mid-July, operating and capital budget proposals are finalized, production of the Proposed Budget Books is set in motion, and the Proposed Operating and Capital Budgets are released on or before July 15th.
- The City Commission votes for a proposed millage in late July.
- Community Budget Meetings to explain the Proposed Budget.

September

- Additional budget discussions occur through September when two public budget hearings are held.
- The Final Operating Budget and Capital Plan are adopted in late September.

October

- Line item operating budgets are loaded, capital accounts are updated, and Adopted Budget Books are published.
- Community Budget Meetings to explain the Adopted Budget.



INTRODUCTORY SECTION

- History of Miami
- Budget Methodology and Process
- Financial Structure and Policies

City History

More than a century ago, a city sprung up almost overnight. As a result, one of Miami's many nicknames is the Magic City. Much like her geographical description, Miami's history is colorful, magnetic, and exotic. Ever-evolving, Miami is surging as a major international port and gateway for global industries establishing footholds in the U.S. despite the City's relatively young age.

Early inhabitants depended on the Miami River for food and spoke of their "Mayaimi" with pride. These early Native American settlers were known as the "Tequestas." In the Tequesta language Mayaimi means "Big Water". In 1513, Juan Ponce de León was the first European to visit the Miami area by sailing into Biscayne Bay. He wrote in his journal that he reached Chequescha, which was Miami's first recorded name, but it is unknown whether or not he came ashore or made contact with the natives. Pedro Menéndez de Avilés and his men made the first recorded landing in this area when they visited the Tequesta settlement in 1566. Shortly after the Spanish rule established a mission on the north bank of the river, the Tequestas were targeted for conversion to Christianity. The attempt failed, and a majority of the tribe died, disease-stricken with small pox and other illnesses.

The United States land expansion to displace and relocate American Indians brought large migrations of Native Americans around the late 1700's to South Florida. "Cimmarrones" as the Spanish referred to them became known as the fierce tribe called the Seminoles. After Florida ceded to the United States and was purchased from Spain in 1819, three major wars were waged by the Seminoles against the U.S. Government. Miami was devastated by the Second Seminole War and is attributed for the slow settlement of Miami until 1842.

At the close of the Second Seminole War in 1842, William English charted the "Village of Miami" on the south bank of the Miami River. On the north side of the river, Julia Tuttle, a wealthy widow from Ohio, purchased a large citrus plantation in addition to a plot she inherited. She had envisioned the City as a gateway for international trade. This notion prompted her to persuade the millionaire Henry Flagler to extend his railroad to Miami, but he was hesitant. Aiding in her request, Florida was devastated by two record-breaking freezes in the winters of 1894-1895 which had no effect on her crops. This made Tuttle the sole producer of citrus that year. Tuttle along with William and Mary Brickell persuaded Flagler of the potential of extending his railroad and agreed to give him land in exchange.

By April 1896, the railroad tracks reached Miami, and a meeting was held in July to incorporate the City. The right to vote was restricted to men, and a third of the voters were Bahamian immigrants. The City was incorporated in 1896 with only 502 registered voters under the name of "The City of Miami".

City History

Along with the railroad, Flagler financed and built streets, a water system, power systems, and a resort hotel. Canals were made to drain water from the Everglades that covered a majority of the land. It was no surprise that Miami soon became an instant tourist attraction and a retreat for the rich and famous. This prompted the first of many real estate booms.

Several years later, John Collins and Carl Fisher, two prominent men in the City's history, became promoters of Miami living. They transformed the Miami Beach area into one of the hottest tourist spots in the country. To ensure a steady influx of visitors, Collins built hotels and Fisher built shops, nightclubs, and the Dixie Highway. This boom lasted until 1926, when a hurricane hit the area prior to the Great Depression. The Art Deco District was born out of this era due to post hurricane re-development in the area.

World War II stabilized the economy in Miami due to the hundreds of thousands of servicemen that were trained in South Florida. Once the war ended, post-World War II economic expansion brought a wave of immigrants to South Florida as well as many of the servicemen returned to Miami pushing another development boom in the 1950s. Also during this time, Overtown, an area slated for African-Americans, was a hot spot for the Harlem renaissance elite. Once known as "Little Broadway" headliners such as Duke Ellington, Louis Armstrong, Cab Calloway, Hazel Scott, and Nat "King" Cole frequented the clubs and theaters on Northwest 2nd Avenue. The historic Lyric Theater is the only theater building that has remained intact through the years. It is a testament to this important period of Overtown's history.

In 1959, Cuban dictator Fulgencio Batista was deposed from power by Fidel Castro, another dictator. This caused a series of mass exoduses of people from Cuba to Miami. Hundreds of thousands of Cubans came to Miami thinking it would be a temporary home until their homeland would be freed from its communist regime. The United States planned an invasion of Cuba, and recruited 1,400 Cuban exiles to assist in overthrowing Castro's government in April 1961. This event became known as "The Bay of Pigs". However, this plan failed when Castro became aware of the attacks and placed them immediately under heavy fire. Cuban planes strafed the invaders, sank two escort ships, and destroyed half of the exile's air support.

Since the late 1960's, Miami has become a mix of cultural influences. The City experienced a large population growth in the neighborhood known as Little Havana, which was established with over 85 percent of its population as Cuban-Americans. Prior to this population growth, the African-American and Caribbean population made up approximately one-third of the total population. The late 1970's saw yet another immigration influx when over 100,000 Haitians and Nicaraguans fled their countries' newly overthrown governments.

During the 1980s, on four separate occasions, riots erupted across racial divides. In addition, the City experienced great social upheaval associated with the arrival of 125,000 refugees from the Cuban port of Mariel. The City, its leaders, and its residents worked hard to improve race relations, rebuild the City, and foster a sense of community.

In the 1990s, the City had already bounced back and transformed into a global metropolis bustling with international trade and populated by the largest proportion of foreign-born residents in the United States. No city in the United States, and few in the world, had been as profoundly affected by immigration in such a short period of time as Miami. In 1991 alone, $21.7 billion worth of goods were processed through the Miami

City History

customs district, and the development of a global financial structure in the City was boosted by the presence in Miami-Dade County of the highest concentration of foreign bank agencies in the southeastern United States.

In 2000, Elian Gonzalez, a young boy from Cuba was removed from his family's home in Miami by agents of the Federal Government and returned to his father. Immediately thereafter, tens of thousands of protesters, many of whom were outraged by the raid, poured out into the streets of Little Havana to demonstrate against the seizure. In 2003, the controversial Free Trade Area of the Americas negotiation took place in Downtown Miami. It was a proposed agreement to reduce trade barriers while increasing intellectual property rights. During the 2003 meeting in Miami, the Free Trade Area of the Americas was met by heavy opposition and protests.

Since that time, Miami saw an extensive boom of high rise architecture, dubbed a "Miami Manhattanization" wave. This included the construction of many of the tallest buildings in Miami, with nearly 20 of the City's tallest 25 buildings completed after 2005. This boom transformed the look of Downtown Miami, which is now considered to have one of the largest skylines in the United States, ranked behind New York City and Chicago. This boom slowed after the 2008 global financial crisis, with some projects being put on hold and none of the City's tallest buildings constructed in 2010. In May 2010, construction began on a major Port of Miami infrastructure project known as the Port of Miami Tunnel, with a total estimated cost of $1 billion completed in 2014.

In 2012, the Globalization and World Cities Research Network named Miami an Alpha city. An alpha city is a city generally considered to be an important node in the global economic system. The City of Miami has been experiencing an impressive economic boom since the middle of the current decade. According to the Kauffman Foundation, in 2017, the Miami area ranked No. 1 among the largest metro areas in the U.S. for startup activity. This startup environment is supported by the area's international flavor and Miami's status as the gateway to Latin America and has drawn an influx of immigrants that generate a mixture of innovative ideas from different cultures, which does not happen in most other cities. Favorable to this environment also, are the economic benefits of relocating to Miami, such as the absence of a state income tax and cheaper living costs than in many other startup hubs around the nation. The continued growth and forward thinking by the communities that make up the City of Miami aid in it remaining a major international, financial, and cultural center.

As Miami moves into the next decade, it stands ready to embrace the exciting opportunities and challenges that lie ahead. The United Nations projects that, by the mid-2020s, the world population will surpass eight billion. With beautiful year-round weather few other cities can parallel, a thriving business climate ripe for international expansion, and a steadfast commitment to climate resiliency, Miami is well-positioned to attract a significant share of the economic activity this anticipated population growth will spur and will continue its path of transformation and prominence on the world stage.

The City's residents and leadership are fully vested in its future. This is evidenced by the overwhelming support for and voter approval of a $400 million general obligation bond, dubbed the "Miami Forever Bond", which gives Miami the ability to build a stronger, more resilient future, as well as the City Mayor's participation in the Global Commission on Adaptation led by Ban Ki-moon, former Secretary-General of the United Nations, and other prominent world and business leaders, to accelerate adaptation action and increase political support for building climate resilience.

Budget Methodology and Process

The City's budget is a performance-based tool that is used to link management goals and objectives with the allocation of resources. The performance-based approach to budgeting allows stakeholders to better understand the distribution of available resources among departments and to track performance in utilizing these resources to meet objectives.

The budget is a document that paves the way for the City's future growth and details of how this growth is to be managed and sustained. Budget documents provide sufficient, meaningful, and useful information to elected officials, City staff, and most importantly, the public. It is with this in mind that the budget book has been developed to serve the following four essential functions:

- Policy Document
- Financial Plan
- Operations Guide
- Communications Device

In serving these four functions, the budget document defines for the public what the City of Miami has done, what it plans to do, and how it will accomplish set goals.

Budget Development

The City's budget is developed based on needs and performance, and follows the direction of policy as set by the elected officials. The process begins in January with the Office of Management and Budget (OMB) sending all departments an all-inclusive instructional tool-kit that is used for budget development. Starting early allows the City's Administration time to align its resource allocations with the new and continued objectives set forth by elected officials and the service delivery commitments each department made in developing their goals and objectives. With this framework as the determining factor for resource allocations, each department works with OMB to compile the basic information needed for submission of each department's operating and capital budget requests.

Operating Budget

The process of developing departmental operating budgets includes a review of personnel costs, such as salaries and wages, pension contribution requirements, and anticipated insurance premium increases, as well as other operating costs, such as service contracts and supplies. In late January, OMB compiles a memorandum that provides step-by-step instructions on how to enter operating budget information for the upcoming year into the City's budget development system. This system provides department users with financial information relevant to their current and historical operations. Specifically, the budget development system provides three years of historical actual expenditures as well as the previous year's adopted and revised operating budgets. Upon entry of budget information into the budget development system, departments are required to provide justification for all requested amounts and provide supporting documentation as appropriate.

Departments then update their department descriptions, accomplishments in the current year, and objectives for the upcoming year. These sections represent the business framework for determining each department's operating needs going forward. As part of the budget submission process,

Budget Methodology and Process

departments are encouraged to identify any potential operating efficiencies that can result in reduced spending in the upcoming year.

Once departments have completed their budget submissions, OMB reviews these submissions to ensure that they are void of material errors and that the budget presentation is cohesive and organized. The OMB Director then organizes budget discussion sessions with the departments to review their submissions if it has been determined that further information is needed. This process takes place in March. The allocation needs are then compared to the City's anticipated revenue inflows to determine whether these needs can be satisfied.

Capital Budget

The City's Capital Budget is distinct from the Operating Budget. The Capital Budget represents a legal authorization to spend on larger capital projects and purchases such as roads, parks, buildings, vehicles, information technology systems, etc. During the first year of the plan, funds from federal, state, and various other sources are adopted separately from the operating budget by means of an appropriations resolution. The capital budget authorizes capital expenditures while the operating budget authorizes the expenditure of funds for employee salaries and the purchase of supplies, services, and minor equipment. Capital projects can have an impact on the operating budget through additional costs, revenues, or cost savings. The Multi-Year Capital Plan includes a section detailing future impacts to the operating budget.

Proposing the Budget

While the above noted processes are underway, in March or sooner, the Mayor delivers the State of the City Address setting general guidelines for the future. Goals identified in the City's Strategic Plan are also considered in prioritizing budget allocations. By the end of June, the Mayor, the City Manager, and the OMB Director complete their comprehensive review and initial approval of all budget submissions provided by the City departments. These budget submissions are then compiled and a Proposed Budget is presented in mid-July.

Setting the Millage Rate

Once the proposed budget is presented, the millage rate or the rate to be applied to every $1,000 of taxable property value must be set by law. Florida statute Section 200.065, governs the setting of millage rates, adoption of budgets, and the timeframes to be followed for each. It requires that the City advise the Property Appraiser of its proposed millage rate within 35 days of the July 1st certification of property values so that the information can be included in the property owners Noticed of Proposed Property Taxes or Truth in Millage report (TRIM).

In order for the millage rate to be set, OMB presents a resolution to the City Commission for approval. Once the vote is taken, the City Manager will submit the information along with the dates, time, and location of the first and second budget hearings to the Property Appraiser's office.

Approving the Budget

At the same time, in accordance with the City's Financial Integrity Principals, a Revenue Estimating Conference is assembled to review revenue assumptions and estimates employed at that time by OMB.

Budget Methodology and Process

Once estimating conference suggestions are reviewed and applied to the budget document, it is presented to the Mayor and City Commission for ultimate ratification and approval by the City Commission in September. The City Commission will tentatively approve the recommended budget in the first public budget hearing in September. It may also make changes to the recommended budget during the first and second public budget hearings. The final adoption of the budget occurs in the second public budget hearing in September.

Monitoring the Budget

The City Code includes a Financial Policy section that includes both the Anti-Deficiency Act and the Financial Integrity Principles. These ordinances dictate the managerial oversight that is to be undertaken by the City in its operations to ensure fiscal integrity. The legislation details the following:

- Transfers between City departments must be approved by the City Commission.
- Revisions that alter the total appropriation of expenditures for any City department within a fund must be approved by the City Commission.
- Actual expenditures and operating transfers out may not exceed budget appropriations at the individual department level.
- Transfers that exceed ten percent of appropriated budgets for any one City department must be approved by the City Commission Chair, City Manager, and OMB Director.
- Transfers that exceed $5,000, in any one line item for any City department in the fourth quarter of the fiscal year must be approved by the City Commission Chair, City Manager, and OMB Director.
- The OMB shall present monthly, except during the month of September, a written report on the status of the city budget at a city commission meeting.
- The City's external auditor shall present the Comprehensive Annual Financial Report or status thereof no later than the end of the second quarter of each fiscal year.

In accordance with the City's Financial Integrity Principles, the following applies:

- A contingency reserve must be budgeted annually at five million.
- A Revenue Estimating Conference is to be established each year to review the initially proposed revenues included in the budget before final submission to the City Commission.
- Budgets must be structurally-balanced (i.e. one-time revenues must not be used for recurring expenses).
- The City must maintain General Fund balance reserves of 20 percent of the average of general revenues (excluding transfers) over the prior three years—including both designated and unassigned fund balance reserves.

Budget Methodology and Process

- Appropriations that are not expended, encumbered, nor specifically designated to be carried over, lapse at the end of the fiscal year and are returned to the General Fund with the exception of the following City departments and offices:

    - Mayor
    - Commissioners
    - Real Estate and Asset Management
    - Parks and Recreation
    - Information Technology

Amending the Budget

If, during the course of the year it becomes necessary, the budget may be amended. The OMB Director prepares the required legislation, with the City Manager's approval, to be presented to the City Commission for review and approval.

The legislation includes a proposal for financing the additional expenditures, usually either by appropriating from fund balance or by submitting evidence of an expected surplus in the current year. City Commission approval is required for all budget amendments that alter the budget of any City department.

Community Budget Meetings

Community Budget meetings are held during the budget process. These meetings offer the citizens an opportunity to be informed about the budget process, give input on community needs, and have their questions answered by City staff.

In meetings scheduled in June, City residents are given an overview of the City's budget and the process of building a proposed budget for the next fiscal year. Residents provide feedback to City staff on what they consider priority needs in their communities. After the proposed budget is released in July, meetings are held to present and answer questions on the proposed budget. Community meetings are held again in October to present the adopted budget and answer question and concerns.

Financial Structure and Policies

In accordance with Generally Accepted Accounting Principles (GAAP) as applicable to local governments, the City of Miami prepares its budget on a fund accounting basis. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts, which is comprised of its assets, liabilities, fund balances, revenues, and expenditures. Resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which activities are controlled. The City maintains the minimum number of funds consistent with legal and managerial requirements.

The City reports the following fund groups in its annual budget:

- **General Fund** - This is the general operating fund of the City. General tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs not paid through other funds are paid from this fund.

- **Special Revenue Funds** - These funds receive support from various sources, mainly in the form of grants and other aid, and are restricted to expenditures for particular purposes.

- **Debt Service Funds -** These funds are used to account for the resources allocated to the payment of debt service on general obligation bonds and special obligation bonds.

- **Internal Service Fund** - The chief purpose of this fund is to provide a mechanism that allows for the cost allocation of health insurance, workers' compensation, liability insurance, and certain information technology cost in the operating departments. This fund serves as a centralized account for payment of these expenses.

- **Capital Project Funds** - These funds are used to account for the resources allocated for capital expenditures associated with various capital improvement projects.

Financial Management Principles

The following financial management principles are applied in formulating the City's annual budget, as described in the Financial Integrity Principals (Sections 18-504 through 18-540 of Chapter 18 of the City Code):

(1) Structurally-Balanced Budget. The City shall maintain a structurally-balanced budget. Recurring revenues will fund recurring expenditures.

(2) Revenue Estimating Conference Process. The City shall adopt budgets and develop its long- and short-term financial plan utilizing a professional revenue estimating conference process. Conference principals shall include, but are not limited to: one principal from the budget office, one principal from the Finance Department and two non-staff principals with public finance expertise.

Financial Structure and Policies

(3) Interfund Borrowing. The City shall not borrow or use internal fund transfers to obtain cash from one fund type or reserve to fund activities of another fund type or reserve unless such use is deemed lawful, and unless the Revenue Estimating Conference has determined that (a) the funds to be loaned will not be needed during the lending period, and (b) the funds for repayment will be available within a two-year period. Any actions taken to borrow funds under these conditions must be separately presented to and approved by the City Commission and the term of such borrowing shall not extend beyond the last day of the subsequent fiscal year.

Recognizing that some programs are funded by grants or other entities on a reimbursement basis, the City shall apply for such reimbursements on a timely basis to minimize the period that City funds are used as float or loan. In the event float or loan for these reimbursements extend beyond the end of a fiscal year, such reimbursements shall be reflected as receivables in the Comprehensive Annual Financial Report to the extent allowed under accounting principles generally accepted in the United States of America (GAAP). The Department of Finance shall make a quarterly determination of the amount of expenses incurred which may not be reimbursable under these programs. A quarterly report of expenses incurred but not reimbursable shall be presented to the City Commission, together with the actions needed to avoid project deficits.

(4) For purposes of this section, Citywide surplus for any fiscal year is defined as the increase in unreserved general fund balance as reflected in the City's Comprehensive Annual Financial Report. Citywide deficit for any fiscal year is defined as the decrease in unreserved general fund balance as reflected in Comprehensive Annual Financial Report. Budget surplus of any office, department or elected official is defined as the excess of budgeted expenses over actual expenses in any fiscal year.

Notwithstanding anything to the contrary in this section, the total amount of budget surplus to be added to designated reserves and special revenue funds pursuant to this section (together, the "rollover amounts") is limited to Citywide surplus for any fiscal year. In the event the rollover amounts would result in a Citywide deficit, then each budget surplus within the rollover amounts shall be reduced proportionately so the City's Comprehensive Annual Financial Report will reflect no change in undesignated, unreserved general fund balance. In the event that a Citywide deficit would result before effecting the rollover amounts in any fiscal year, then no rollover amounts shall be available.

a. Budget surpluses in an elected official's budget in any fiscal year shall be reflected as designated reserves at the end of the fiscal year in which such surplus arose and be appropriated for discretionary use of such elected official for the following fiscal year.

b. Budget surpluses of the Parks and Recreation Department shall be allocated, as of the end of the fiscal year in which such surplus arose, to a parks special revenue fund. Allowed expenditures from the parks special revenue fund shall be limited to the purchase of parks recreational and maintenance equipment, capital improvements for the City’s parks, and the direct operations of recreational programs in and for the City's parks, subject to appropriation by the City Commission.

c. Budgeted surpluses of the Department of Real Estate and Asset Management shall be allocated, as of the end of the fiscal year in which such surplus arose, to a public facilities special revenue fund. Allowed expenditures of the public facilities special revenue fund shall be limited to capital improvements for the City's public facilities, subject to appropriation by the City Commission.

d. Budgeted surpluses of the Department of Innovation and Technology (IT) shall be allocated, as of the end of the fiscal year in which such surplus arose, to an IT strategic plan special revenue fund. Allowed expenditures of the IT strategic plan special revenue fund shall be limited to expenditures, excluding those related to permanent City staff, necessary for the implementation of the City's information technology strategic plan, subject to appropriation by the City Commission.

(5) Reserve Policies. The following Reserve policies are established in three categories of the general operating fund of the City:

a. Current fiscal year contingency. A "contingency" reserve level of $5.000 million shall be budgeted annually. Such contingency reserve shall be available for use, with City Commission approval, during the fiscal year, to fund unanticipated budget issues which arise or potential expenditure overruns which cannot be offset through other sources or actions. The unused portion of the budgeted contingency reserve in any fiscal year shall be reflected as unassigned fund balance reserves until such time as the City has funded 50 percent of the liabilities of the long-term liabilities (excluding bonds, loans, and capital lease payables) as reflected in the City's Comprehensive Annual Financial Report. Amounts not needed to satisfy the 50 percent requirement shall be considered general fund unassigned fund balance reserve and be treated in accordance with subsection (5)b.

b. General fund unassigned fund balance reserves. The City shall retain unassigned fund balance reserves equal to a threshold of ten percent of the prior three years average of general revenues (excluding transfers). Amounts designated as "contingency" reserve in subsection 5a. shall be included in the calculation of meeting the ten percent of the prior three years average of general revenues for the unassigned fund balance category. Such reserves may only be used for offsetting an unexpected mid-year revenue shortfall or for funding an emergency such as a natural or man-made disaster, which threatens the health, safety and welfare of the City's residents, businesses or visitors. Any time these reserve funds fall below the ten percent threshold, the City Commission shall adopt a plan to achieve the threshold within two fiscal years and the City Manager shall present an oral report at the second Commission meeting of every month, except during the month of September, regarding: i) the status of the current fiscal year budget and ii) the Proposed Budget for the subsequent fiscal year. Such oral report shall appear on the City Commission agenda as a discussion item under the agenda category titled "Budget." Amounts in excess of the ten percent threshold may be used for capital improvements, unanticipated expenditures necessary to assure compliance with legal commitments, and for expenditures that will result in the reduction of recurring costs or the increase in recurring revenues of the City.

c. General fund designated fund balance reserves. The City shall retain designated fund balance reserves equal to ten percent of the prior three years average of general revenues (excluding transfers). The designated fund balance reserves shall be classified as either restricted, committed, or assigned and such designation shall be based on standards and guidance established, and amended from time to time, by the Governmental Accounting Standards Board (GASB). Such reserves shall be used for funding long-term liabilities and commitments of the City such as:

1. Compensated absences and other employee benefit liabilities, including liabilities related to post-retirement benefits;

2. Self-insurance plan deficits (including workers' compensation, liability claims and health insurance);

3. Anticipated adjustments in pension plan payments resulting from market losses in plan assets and other unanticipated payments necessary to maintain compliance with contractual obligations.

Payment for compensated absences and other employee benefit liabilities and self-insurance plan deficits may be drawn from this reserve during the fiscal year and shall be replenished each year until 50 percent of such the liabilities are funded. Other designated reserves may be drawn upon without the need for replenishment.

(6) Proprietary Funds. The City shall establish proprietary funds only if the costs to provide the service are fully funded from the charges for the service.

(7) Multi-year Financial Plan. The City Commission shall annually adopt a five-year financial plan by September 30th of each year, reflecting as the base year, the current year's budget. Such a plan will include cost estimates of all current city operations and pension obligations, anticipated increases in operations, debt service payments, reserves to maintain the City's officially adopted levels and estimated recurring and non-recurring revenues. This plan will be prepared by fund and reflect forecasted surpluses or deficits and potential budget balancing initiatives, where appropriate.

(8) Multi-year Capital Improvement Plan. The City Commission shall annually adopt a Capital Improvement Plan ("CIP") simultaneously with the adoption of the City's final budget pursuant to Section 200.065, Florida Statutes. The CIP shall address cost estimates for all necessary infrastructure improvements needed to support city services, including information technology, with an adequate repair and replacement ("R&R") component. Funded, partially funded, and unfunded projects shall be clearly delineated. The CIP shall be detailed for the current fiscal year and for five additional years and, if practicable, additional required improvements aggregated for two additional five-year periods. To the extent feasible, department heads shall be required to submit independent needs assessments for their departments for use in preparing the CIP. The CIP will be detailed by fund, include recommended project prioritization rankings, identified revenue sources, planned financing options, and unfunded projects. The CIP shall include estimates of the operational impacts produced for the operation of the

capital improvements upon their completion. The CIP shall include a component reflecting all on-going approved capital projects of the City, the date funded, amount budgeted, amount spent since the start date, remaining budget, fiscal impact of known changes to financial assumptions underlying the project, estimated expenditures by fiscal year for the project, and estimated completion date. Approved projects, with circumstances that arise which change the funding requirements of the project, shall be addressed in the CIP annually.

(9) Debt Management. The City shall manage its debt in a manner consistent with the following principles:

a. Capital projects financed through the issuance of bonded debt shall be financed for a period not to exceed the estimated useful life of the project.

b. The net direct general obligation debt shall not exceed five percent and the net direct and overlapping general obligation debt shall not exceed ten percent of the taxable assessed valuation of property in the City.

c. The weighted average general obligation bond maturity shall be maintained at 15 years or less.

d. Special obligation debt service shall not exceed 20 percent of non-ad valorem general fund revenue.

e. Revenue based debt shall only be issued if the revenue so pledged will fully fund the debt service after operational costs plus a margin based on the volatility of the revenues pledged.

(10) Financial Oversight and Reporting. The City shall provide for the on-going generation and utilization of financial reports on all funds comparing budgeted revenue and expenditure information to actual on a monthly and year-to-date basis. The Finance Department shall be responsible for issuing the monthly reports to departments, the Mayor and City Commission, and provide any information regarding any potentially adverse trends or conditions. These reports should be issued within 30 days after the close of each month.

The City's Finance Department shall prepare the City's Comprehensive Annual Financial Report by March 31st and the Single Audit letter by April 30th of each year. The external auditor shall prepare a Management letter and present the findings and recommendations of the audit to the Mayor and City Commission at a scheduled Commission meeting prior to July 30th of each year.

Financial reports, offering statements and other financial related documents issued to the public, shall provide full and complete disclosure of all material financial matters.

(11) Basic Financial Policies. The City shall endeavor to maintain formal policies, which reflect "best practices" in the areas of:

Financial Structure and Policies

a. Debt: Such policy shall address affordability, capacity, debt issuance and management.

b. Cash management and investments: Such policy shall require 24-month gross and net cash-flow projections by fund and address adequacy, risk, liquidity, and asset allocation issues.

c. Budget development and adjustments: Such policy shall establish proper budgetary preparation procedures and guidelines, calendar of events, planning models by fund, budget adjustment procedures, establishment of rates and fees, indirect costs/interest income and the estimating conference process. The proposed budget should be scheduled to allow sufficient review by the Mayor and City Commission while allowing for sufficient citizen input.

The City budget document reflecting all final actions as adopted by the City Commission on or before September 30th of each year, shall be printed and made available within 30 days of such adoption.

d. Revenue collection: Such policy shall provide for maximum collection and enforcement of existing revenues, monitoring procedures, and the adequacy level of subsidy for user fees, and write-offs of uncollectible accounts.

e. Purchasing policy: Such policy shall establish departmental policies and procedures and provide appropriate checks and balances to ensure the city departments adhere to the City's purchasing policies.

(12) Evaluation Committees.

a. Solicitations: An evaluation committee, consisting of a majority of citizen and/or business appointees from outside City employment, shall be created, to the extent feasible, to review City solicitations ("requests for proposals," "requests for qualifications," etc.). The recommendation(s) of the evaluation committee shall be provided to the Mayor and City Commission on all such solicitations prior to presentation to the City Commission for official action.

b. Collective bargaining agreements: The City's Finance Committee, established pursuant to City Commission resolutions 98-631 and 98-767, and the budget director shall review and provide recommendations to the City Manager regarding all memorandums of understanding (MOUs) entered into between the City and any collective bargaining units that amend, alter, or modify any existing collective bargaining agreement and that may have a fiscal impact of $500,000 or more, and all collective bargaining agreements. The Finance Committee shall provide its recommendations regarding such MOUs and collective bargaining agreements to the City Manager not less than 14 days prior to consideration by the City Commission of any said MOU and collective bargaining agreement for ratification. In the event that the Finance Committee is unable to meet within the timeframes provided herein, then the City Manager shall proceed to the City Commission for ratification.

Financial Structure and Policies

(13) Full Cost of Service. The City shall define its core services and develop financial systems that will determine on an annual basis the full cost of delivering those services. This information shall be presented as part of the annual budget and financial plan.

City of Miami Strategic Plan Overview

The City of Miami Strategic Plan serves as a roadmap to make Miami a modern and diverse city that is a global leader in technology, innovation, and resiliency. The City's first strategic plan was launched in September 2014. The plan, updated annually, was revamped to reflect three priority areas identified as strategic to the City's success. As the administration team adapts to our new leaders and governing body in the coming year, our Priority Areas: *Quality of Life, Resilience, and Pathway to Prosperity* will remain our foundation plan and basis from which each department will align their business.

From these priorities, the Strategic Planning and Performance team is working with staff to further articulate the needs and wants of its residents. To ensure plan fidelity and feasibility, the Strategic Planning and Performance team will be conducting cross-departmental work sessions with department leadership or their designee. As part of these work sessions, staff are contributing to the definition of priorities. After priority areas are clearly defined, the group will articulate success metrics for categories within each priority area and defined how each department contributes. The plan will be refined with direction from City leadership and will be influenced by resident feedback obtained from the City's annual survey.

This process will inform the plan's underlying goals and objectives. The goals and objectives allow the City to be more transparent about its focused efforts. The City's progress toward the plan will be communicated through department strategies and performance measures. Department strategies ensure City business divisions stay connected and on track with the strategic direction. Performance measures improve awareness of our progress toward goals and objectives.

The City's Strategic Plan consist of three priority areas, 15 new goals (five per priority area), and each goal 45 new objectives (three per goal).

Strategic Planning and the Budget

Using this specially tailored Strategic Plan, the City aligns spending to address resident priorities. As part of the City's budget process, each department is aligned to a primary priority area and goal with specific objectives. This alignment defines how each department will advance the City forward. City Administration understands and appreciates that most departments will align across multiple priority areas and goals.

City of Miami Strategic Plan Overview

However, for streamlined reporting, each department has identified one priority and goal to which it aligns with few exceptions.

To underscore the importance of the relationship between strategic planning, performance, and the budget, a strategic assessment accompanies every new budget request.

Strategic Framework

City of Miami Strategic Plan Overview

VISION STATEMENT

Miami is a modern and diverse city that is a global leader in technology, innovation, and resiliency.

MISSION STATEMENT

The City of Miami is committed to elevating the quality of life of its residents by improving public safety, housing, mobility, diverse shared spaces that foster community, and efficient and transparent government.

VALUE STATEMENTS

Innovative

We are progressive problem solvers who are not satisfied with the status quo

Morality

We will act in a way that fosters trust and confidence of the public

Professionalism

We maintain a high standard of quality in our work and the way we treat each other

Accountability

We work diligently to honor our commitment to our residents

Compassionate

We are considerate of all residents and communities when making decisions

Teamwork

We partner with each other and residents and businesses to address their needs

City of Miami Strategic Plan Overview

PRIORITY AREA: 1. QUALITY OF LIFE

Goal: **1.1** Deliver efficient and effective services.
Objectives: **1.1.1** Modernize and streamline City processes.
1.1.2 Strengthen trust through excellent customer service.
1.1.3 Engage all stakeholders with timely and clear communication.

Goal: **1.2** Create and enhance shared civic spaces.
Objectives: **1.2.1** Maintain the look and feel of public spaces to a high standard.
1.2.2 Enhance greenways and green spaces to promote outdoor activity.
1.2.3 Continue to enhance the quality of parks and open spaces.

Goal: **1.3** Enhance mobility and transportation options.
Objectives: **1.3.1** Create a safe and comfortable pedestrian environment.
1.3.2 Facilitate connectivity through affordable multi-modal transportation options.
1.3.3 Improve street paving and pothole repair.

Goal: **1.4** Transform the experience of conducting business with the City.
Objectives: **1.4.1** Minimize the need to visit a City building to conduct business.
1.4.2 Seek feedback to inform improved business practices.
1.4.3 Reduce the amount of time customers wait.

Goal: **1.5** Protect and promote the health and well-being of all residents.
Objectives: **1.5.1** Reduce gun violence.
1.5.2 Continue to strengthen community partnerships.
1.5.3 Maintain low response times and seek out opportunities to optimize emergency operations.

City of Miami Strategic Plan Overview

PRIORITY AREA: 2. RESILIENCE

Goal: **2.1** Ensure decisions are data-driven and take future conditions into account.

Objectives:
2.1.1 Enhance understanding of the City's vulnerability to environmental, social and economic risks with data.
2.1.2 Quantify the City's impact on climate change.
2.1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data.

Goal: **2.2** Inform, engage and prepare residents and businesses for stresses and shocks.

Objectives:
2.2.1 Prepare and empower residents and businesses to anticipate and respond to environmental, social and economic disruptions.
2.2.2 Create avenues to capture and integrate community feedback into all stages of programming.
2.2.3 Improve internal capacity, coordination and communications.

Goal: **2.3** Protect and enhance our waterfront.

Objectives:
2.3.1 Reduce the severity, duration, and impact of coastal and riverine flooding on shorelines and surrounding communities.
2.3.2 Update and implement waterfront design standards.
2.3.3 Accelerate investment in features along waterfront.

Goal: **2.4** Invest in resilient and smart public infrastructure.

Objectives:
2.4.1 Update stormwater management system to meet infrastructure needs through 2060 under varying climate conditions.
2.4.2 Prioritize projects that protect the most critical and vulnerable areas.
2.4.3 Upgrade and retrofit existing infrastructure to improve resilience & sustainability.

Goal: **2.5** Promote adaptive neighborhoods and buildings.

Objectives:
2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability.
2.5.2 Incentivize development that allows residents & businesses to adapt and thrive under changing environmental, economic and social conditions.
2.5.3 Integrate resilience, sustainability and equity considerations into large development projects.

City of Miami Strategic Plan Overview

PRIORITY AREA: 3. PATHWAY TO PROSPERITY

Goal: **3.1** Maintain and grow a diverse and inclusive economy.

Objectives:
- **3.1.1** Foster innovation and sustainable entrepreneurial initiatives.
- **3.1.2** Support policies and practices that enable a diverse and growing economy.
- **3.1.3** Connect at-risk population to opportunities for advancement.

Goal: **3.2** Establish a supportive environment for small businesses.

Objectives:
- **3.2.1** Promote conditions that encourage small business development and growth.
- **3.2.2** Bolster small businesses through supportive programs and incentives.
- **3.2.3** Support local scale-ups.

Goal: **3.3** Foster and promote job training and education.

Objectives:
- **3.3.1** Partner with local entities to connect residents with job opportunities.
- **3.3.2** Invest in youth by providing job opportunities, education, or financial support.
- **3.3.3** Streamline access to social services.

Goal: **3.4** Position all for success by providing access to critical services.

Objectives:
- **3.4.1** Enforce clean and safe housing in neighborhoods where needed most.
- **3.4.2** Connect homeless to resources and assistance.
- **3.4.3** Enhance public services for low income residents.

Goal: **3.5** Increase and enhance housing options.

Objectives:
- **3.5.1** Support single family rehabilitation to sustain existing homeowners.
- **3.5.2** Preserve and increase the supply of housing for all income groups.
- **3.5.3** Attract and deploy capital to increase resident access.

Governmental Funds Overview

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. The General Fund is the chief operating fund of the City.

Fiscal Year 2019-20

At the end of FY 2019-20, the City's total General Fund balance was $196.566 million. Of this amount, the City had approximately $122.702 million retained as designated fund balance, that included $96.364 million as restricted funds, approximately $13.822 million was reported as non-expendable for prepaid expenses and advances, approximately $12.516 million was designated as assigned fund balance, and approximately $73.894 million was unassigned fund balance in accordance with the City's Financial Integrity Ordinance.

The City's General Fund balance had a net decrease of approximately $3.379 million during the current fiscal year. Although expenses saw a decrease of $8.641 million, revenues also decreased by $19.007 million. COVID-19 Pandemic negatively impacted the collection of General Fund Revenues, specifically Intergovernmental Revenues and Charges for Services. Intergovernmental Revenues includes revenues from the Miami Parking Authority, Half Cent Sales Tax and Municipal Revenue Sharing. Charges for Services are derived by charges for the use of certain city services, special events and parking surcharge. The preventive measures mandated by the City, in addition to the State and Miami-Dade County measures, to slow the spread of coronavirus negatively impacted the ability to generate such revenues. These measures included the prohibition of on premise food service in restaurants and retail food facilities, the closure of casinos, cardrooms, frontons, racetracks and parimutuels citywide, and a mandate that all non-essential businesses remain closed until further notice.

The decrease of $32.210 million that occurred in General Government, is due to the restrictive purchasing and budgeting measures implemented as a response to the COVID-19 Pandemic. The measures included a Purchasing Review Committee for all purchases greater than $50,000 and a Hiring Review Committee for the hiring of critical positions. However, the decrease was offset by the significant increase that occurred in Public Safety at $13.419 million, primarily due to wage increases as outlined in Collective Bargaining Agreement between the City and Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20.

Financial highlights of the City's other major governmental funds were as follows:

The Impact Fee Fund had a fund balance of $102.106 million. The increase in fund balance of $12.406 million from the prior year resulted primarily from impact fees associated with an increase in high rise residential units being constructed.

The Other Capital Project Fund had a fund balance of $117.842 million. This represented a decrease of approximately $20.727 million. The decrease could be attributed to an overall increase in capital outlay expenditures.

Governmental Funds Overview

The Emergency Services Fund had a fund balance deficit of approximately $9.243 million. This represented an increase of approximately $5.295 million. The increase was attributed to a significant increase in intergovernmental revenues received in 2020 related to FEMA grant reimbursements.

The Special Obligation Bond Projects Fund had a fund balance deficit of $10.452 million. This represented a decrease of approximately $2.064 million. The decrease could be attributed to capital outlay expenditures incurred during the year.

Consolidated Budget Overview

The consolidated, or total of all operating funds, of the FY 2021-22 Budget for the General Fund, Special Revenue Funds, Debt Service Funds, and Internal Service Fund totals $1.368 billion.

The City of Miami's budget is prepared in accordance with the financial structure of the City and is consistent with the State of Florida Uniform Accounting System. Each fund is a distinct financial entity with its own revenues, inflows, expenditures, and outflows.

Basis of Budgeting

The City uses the modified accrual basis of budgeting for its general fund budget. There are no enterprise funds. Therefore, obligations of the City are budgeted as expenses, but revenues are recorded when the amount is confirmed and the revenues are received within the time needed to make payments for costs incurred within the fiscal year. This differs from "Generally Accepted Accounting Principles" (GAAP), with outstanding purchase orders at the end of the fiscal year, unless there are outstanding encumbrances (commitments to pay for goods and services ordered through the utilization of a purchase order, a formal authorization of the City, or a contract).

The Comprehensive Annual Financial Report presents the City's financial status based on GAAP. In 1999, the Governmental Accounting Standards Board (GASB) published significant changes in state and local government financial reporting. This new reporting standard calls for financial statements to be prepared using full accrual accounting, rather than the modified accrual basis. The method of budgeting continues to be on a modified accrual basis.

General Fund

This is the general operating fund for the City. This fund includes expenditures related to general City government services such as police, fire, public works, building, and parks and recreation services. The FY 2021-22 Budget for the General Fund is $877.301 million. This represents an increase of $60.34 million or 7.4 percent as compared to the FY 2020-21 Adopted Budget. Included in the General Fund are several subfunds such as Solid Waste, Real Estate and Asset Management, Building, Transportation Reserve, General Services Administration, and Risk Management.

Special Revenue Funds

This area includes individual funds which receive support from various outside sources in the form of grants or other aid and are restricted to expenditures for particular purposes. These funds include:

- American Rescue Plan Act
- Bayfront/Riverfront Land Acquisition Rouse Trust
- City Clerk Services
- Community Development
- Departmental Improvement Initiatives
- Emergency Services
- Fire-Rescue Services
- General Special Revenue

Consolidated Budget Overview

- Historic Preservation Trust Fund
- Homeless Programs
- Human Services Fund
- Law Enforcement Trust Fund
- Miami Ballpark Parking Facilities
- Parks and Recreation Services
- Planning Services
- Police Services
- Public Art Fund
- Public Works Services
- Solid Waste Recycling Trust Fund
- Sports Facilities and Activities Fund
- Transportation and Transit
- Tree Trust Fund

The FY 2021-22 Budget for all Special Revenue Funds is $334.603 million. This represents an increase of $137.516 million or 69.8 percent as compared to the FY 2020-21 Adopted Budget. Special Revenue Funds are used to account for resources that are legally restricted to expenditures for particular purposes.

Debt Service Funds

The FY 2021-22 Budget for the Debt Service Fund is $67.769 million. This represents an increase of $1.539 million or 2.3 percent as compared to the FY 2020-21 Adopted Budget. This fund is used to account for resources and expenditures related to voter-approved general obligation and special obligation debt.

Internal Service Fund

The FY 2021-22 Budget for the Internal Service Fund (ISF) is $88.379 million. This represents an increase of $3.141 million or 3.7 percent as compared to the FY 2020-21 Adopted Budget. The City's ISF provides a mechanism that allows for the cost allocation of health insurance, workers' compensation, liability insurance, and certain information technology costs in the operating departments. This fund also serves as a centralized account for payment of these expenditures.

General Fund Overview

The General Fund is the term used to describe the general ledger account where operating revenues and expenditures of the City are recorded. General tax revenues and other receipts that are not allocated by law or contractual agreement to other funds are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are paid from this fund. The FY 2021-22 General Fund Budget total is $877.301 million. This represents an increase of $60.340 million or 7.4 percent over the FY 2020-21 Adopted Budget.

The General Fund consist of eight sub-funds to account for different functions and activities within the General Fund. Each has a different fund number and title: General Fund, Solid Waste, Public Facilities and Convention Centers, Building, Building Sub-Fund, Transportation Reserve, General Services Administration, and Risk Management. For Line item revenues detail, see Appendix D.

General Fund Revenues (Inflows)

The following are descriptions of revenue sources and inflows, as reviewed on May 14, 2021 by the Revenue Estimating Conference members, as required by City Code (see Appendix J). Also, included are the underlying assumptions on which these estimates are based and explanations of material variances from the FY 2021-22 Adopted Budget:

	FY 2020-21 Adopted	FY 2021-22 Adopted	FY 2021-22 Adopted%	Change $ + / (-)	Change % + / (-)
Property Taxes	424,609,000	453,802,000	51.73%	29,193,000	6.88%
Franchise Fees and Other Taxes	117,566,000	117,795,000	13.43%	229,000	0.19%
Interest	4,814,000	3,061,000	0.35%	(1,753,000)	(36.41%)
Transfers-IN	4,211,000	24,541,000	2.80%	20,330,000	482.78%
Fines and Forfeitures	7,644,000	7,189,000	0.82%	(455,000)	(5.95%)
Intergovernmental Revenues	67,210,000	75,757,000	8.64%	8,547,000	12.72%
Licenses and Permits	66,587,000	66,500,000	7.58%	(87,000)	(0.13%)
Other Revenues (Inflows)	7,521,000	12,870,000	1.47%	5,349,000	71.12%
Charges for Services	116,799,000	115,786,000	13.20%	(1,013,000)	(0.87%)
Total Revenue (Inflows)	816,961,000	877,301,000	100.00%	60,340,000	7.39%

Property Taxes consist of ad valorem taxes on real property, delinquent taxes on real property, penalty and interest, personal property, and delinquent taxes on personal property. These five categories of property tax revenues account for 51.7 percent of the FY 2021-22 General Fund revenue budget. Property taxes are levied based on the taxable value of real and personal property in the City of Miami as of January 1st and are payable on November 1st, with discounts of one percent to four percent allowed if paid prior to March 1st of the following calendar year, all in accordance with State Law. All unpaid taxes on real and personal property become delinquent on April 1st and bear interest at 18 percent per year until a tax sale certificate is sold at auction. Miami-Dade County bills and collects all property taxes and tax sale certificates for delinquent taxes for the City. The FY 2021-22 Budget includes $453.802 million in anticipated property tax revenues. This is based on a 2021 gross taxable value of $65.835 billion and represents an increase of $29.193 million or 6.9 percent over the FY 2020-21 Adopted Budget. The increase in revenue is based on 4.5 percent tax roll growth on real and personal property ($17.534 million), an increase in delinquent real property taxes ($11.329 million), an increase in penalties and interest ($51,000), and an increase personal property taxes ($279,000).

General Fund Overview

The operating millage rate of 7.6665 mills at a 95 percent collection rate adjusted by $ 49.640 million (Tax Increment Financing (TIF)-Community Redevelopment Agency (CRA) transfers). All assessments are determined by the Miami-Dade Property Appraiser's Office. The millage rate is proposed in accordance with State of Florida House Bill 1-B passed by the Florida Legislature on June 14, 2007.

Franchise Fees and Other Taxes consist primarily of fees collected from various franchise licenses awarded to businesses or individuals granted permission to construct, maintain, or operate within the City of Miami, and accounts for 13.4 percent of the General Fund resources. This category includes fees such as Gas Franchise Fees, Electrical Franchise Fees, Utility Service Fees, Public Service Taxes (PST), and the Local Option Gas Tax (LOGT). The FY 2021-22 Budget includes $117.795 million in anticipated collections from this category. This represents an increase of $229,000 or .2 percent over the FY 2020-21 Adopted Budget. This increase is primarily due to higher than anticipated collection of Utility Water Service fees based on a historical collection rate.

Interest consists primarily of interest earned on funds invested prudently in U.S. Treasuries and obligations of agencies of the United States, provided that such investments are guaranteed by the United States or by the issuing agency; general obligations of states, municipalities, school districts, or other political subdivisions; revenue and excise tax bonds of the various municipalities of the State of Florida; negotiable certificates of deposit; bankers' acceptance drafts; money market investments; the State Board of Administration Investment Pool; and prime commercial paper. This category also includes gains or losses on such investments. The FY 2021-22 Budget includes $3.061 million in anticipated collections from this category. This represents a decrease of $1.753 million or 36.4 percent lower than the FY 2020-21 Adopted Budget.

Transfer-In consists primarily of inflow or transfer of funds used to: (a) move revenues from the fund that statute or budget requires collecting the revenue to the fund, which statute or budget requires expending them; (b) move revenues restricted to debt service from the funds collecting the revenue to the debt service fund as debt service payments become due; and (c) move unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations. The FY 2021-22 Budget includes $24.541 million in anticipated revenues, of which $10.410 million is budgeted pursuant to the revenue loss provision of the American Rescue Plan Act of 2021 and increased by an additional $1.214 million in Change Memo 1 and a $7.307 million in Change Memo 2. This represents an increase of $20.330 million or 482.8 percent over the FY 2020-21 Adopted Budget. For a more detailed explanation, see the schedule of "All Transfers".

Fines and Forfeitures consist primarily of revenues derived from the collection of penalties for statutory offenses, violation of administrative rules, and neglect of lawful duties. This category also includes revenues from confiscated property and court fees. The FY 2021-22 Budget includes $7.189 million in anticipated revenues, a decrease of $455,000 or 6.0 percent over the FY 2020-21 Adopted Budget due to historical trend.

Intergovernmental Revenues consist of revenues received from federal, state, and other local government sources which are used to (a) support the statute or budget which requires expending them, or (b) represent the City's proportionate share from taxes assessed by the State of Florida and Miami-Dade County. The FY 2021-22 Budget includes $75.757 million in anticipated revenues and accounts for 8.7 percent of the total General Fund revenue budget. This represents an increase of $8.547 million or 12.7 percent over the FY 2020-21 Budget. This is primarily due to increased revenues from the Miami Parking Authority ($8.000 million) and from the PEMT Managed Care Emergency Medical System Supplement Payment Program ($2.000 million).

General Fund Overview

Licenses and Permits consist of revenues generated from the issuance of local licenses and permits. There are three major types of licenses issued by the City: (1) Professional and Occupational Licenses, which are required for the privilege of engaging in certain trades, occupations, and other activities; (2) Building Permits, which are fees for permits issued for the construction of, alterations to, and additions to buildings, roofing, electrical, etc.; and (3) Other Licenses and Permits, which includes permits required for activities not related to those specified above (such as Fireworks Permits and Bench Permits). The FY 2021-22 Budget for Licenses and Permits is $66.500 million. This amount represents a decrease of $87,000 or 0.1 percent as compared to the FY 2020-21 Adopted Budget. This is primarily due to decreased revenues from the building permits ($1.087 million) that have been impacted by the slowdown in the local economy due to the COVID-19 pandemic.

Other Revenues consist of Fund Balance carryover, late charge fees and other revenues and inflows not otherwise specified. The FY 2021-22 Budget for Other Revenues is $12.870 million. This amount represents an increase of $5.349 million or 1.5 percent as compared to the FY 2020-21 Adopted Budget. This is primarily due to $3.300 million of prior year Fund Balance from the Building Reserve Fund. This amount increased by $1.900 million for a transfers to Capital in Change Memo 1 and $750,000 in Change Memo 2.

Charges for Services consist of revenues derived from charges for the use of certain City services and accounts for 13.2 percent of the total General Fund revenue budget. There are five areas of charges for services. They are: (1) General Government, which includes charges for reports, public documents, and photographs; (2) Public Safety, which includes charges for police, fire protection, and emergency services; (3) Physical Environment for cemetery charges; (4) Parks and Recreation, and Special Events for the use of City-owned facilities and participation in related activities; and (5) Other Charges for Services, which includes charges not specifically mentioned such as parking surcharges and building inspections. The FY 2021-22 Budget includes $115.786 million in anticipated Charges for Services, a net decrease of $1.013 million or 0.9 percent as compared to the FY 2020-21 Adopted Budget. This decrease is primarily due to lower than anticipated revenue collections from the James L. Knight Center and Manuel Artime Theater ($500,000).

General Fund Overview

General Fund Expenditures (Outflows)

The FY 2021-22 General Fund Budget total is $877.301 million. This represents an increase of $60.340 million or 7.4 percent over the FY 2020-21 Adopted Budget. For Line item detail of expenditures, see Department Budgets section.

	FY 2020-21 Adopted	FY 2021-22 Adopted	FY 2021-22 Adopted%	Change $ + / (-)	Change % + / (-)
Salaries	385,470,000	418,027,000	47.65%	32,557,000	8.45%

Non-Operating Expense	41,609,000	24,157,000	2.75%	(17,452,000)	(41.94%)
Transfers - OUT	41,664,000	68,229,000	7.78%	26,565,000	63.76%
Total Expenditures (Outflows)	816,961,000	877,301,000	100.00%	60,340,000	7.39%

The following summarizes some of the major changes to General Fund Expenditures (Outflows) anticipated in the FY 2021-22 General Fund Budget:

Salaries increased $32.557 million or 8.5 percent. This increase is primarily due to normal step progression of members of the Miami General Employees, American Federation of State, County and Municipal Employees (AFSCME Local 871) ($134,000); normal step progression of members of the Miami General Employees, American Federation of State, County and Municipal Employees (AFSCME Local 1907) ($1.875 million); normal step progression of the members of the Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP) ($1.649 million); normal step progression of the members of the Miami International Association of Firefighters (AFL-CIO Local 587) ($512,000);and an average of five percent salary increase for all non-bargaining employees ($1.598 million). Also included, is funding from the mid-year amendment that reinstated FY 2020-21 step progression ($7.306 million), funding for 63 filled Police Officer positions ($3.585 million), and funding for 17 vacant firefighter positions to staffthe Heavy Rescue 6 unit ($1.700 million). Additional funding is included for 16 new Police Officer positions ($938,000) and 13 sworn positions for a new fire-rescue unit ($1,036,000). Funding for 23 new positions in Change Memo 1 ($1.214 million) and increase costs due to ratification of a new collective bargaining agreement for members of AFSCME Local 1907 ($5.507 million).

Retirement Contributions increased $2.331 million or 4.2 percent due to the City's actuarial required contribution to the General Employees' and Sanitation Employees' Retirement Trust (GESE), Elected Officers' Retirement Trust (EORT), and Section 401(a) plans.

Police and Fire-FIPO contributions increased by $3.641 million or 5.2 percent due to the City's actuarial required contribution.

General Fund Overview

Life and Health Insurance increased by $2.884 million or 9.3 percent. For a more detailed explanation, see the Internal Service Fund Overview section.

HealthTrust-FOP increased by $728,000 or 4.1 percent primarily due to increases in plan costs.

IAFF Health Insurance Trust Fund increased by $1.464 million or 7.6 percent due to enrollment of new members and increased City contributions to the plan per the AFL-CIO Local 587 Collective Bargaining Unit agreement.

Workers' Compensation increased $717,000 or 4.2 percent. For a more detailed explanation, see the Internal Service Fund Overview section.

Operating Expense increased $7.515 million or 6.0 percent mainly due to legally required settlement payments for the FOP and IAFF Unions ($5.417 million) and estimated cost for elections in November 2021 ($1.291 million).

Non-Operating Expense decreased $17.452 million or 41.9 percent mainly due to decrease in the Reserve for Uncollectable ($16.901 million).

Transfers-Out increased by $26.565 million or 63.8 percent mainly due to an increase in Transfers-Out to Capital. For a more detailed explanation, see the All Transfers-Out Schedule section.

General Fund Balance Overview

The level of fund balance reserves is an important indicator of financial stability for local governments. Maintaining a healthy level of fund balance provides the City with the flexibility to deal with unexpected shortfalls in revenue or increases in expenditures without adversely impacting operations. The City's Financial Integrity Principles (FIP) Ordinance specifies the appropriate level of General Fund balance reserves to be maintained. According to the FIP Ordinance, the City should maintain General Fund balance reserves of 10 percent of the average of general revenues (excluding transfers) over the prior three years for both unassigned and designated fund balances for a total of 20 percent.

> *"The City shall retain **unassigned** fund balance reserves equal to a threshold of ten percent of the prior three years average of general revenues (excluding transfers)…*
>
> *The City shall retain **designated** fund balance reserves equal to ten percent of the prior three years average of general revenues (excluding transfers). The designated fund balance reserves shall be classified as either restricted, committed, or assigned and such designation shall be based on standards and guidance established, and amended from time to time, by the Governmental Accounting Standards Board. Such reserves shall be used for funding long-term liabilities and commitments of the City…"*
>
> - *Code of Ordinances, Sec. 18-542 (5) b-c*

At the end of FY 2019-20, the City's total General Fund balance was approximately $196.600 million. Of this amount, the City has approximately $122.700 million retained as designated fund balance, that includes approximately $96.400 million as restricted funds, approximately $13.800 million as non-expendable for prepaid expenses, approximately $12.500 million is designated as assigned fund balance, and approximately $73.900 million is unassigned fund balance in accordance with the City's Financial Integrity Ordinance.

The General Fund balance had a net decrease of approximately $3.400 million in FY 2019-20. Although expenses saw a decrease of $8.600 million, revenues also decreased by 19.000 million. The COVID-19 pandemic resulted in decreased revenue collections in Intergovernmental Revenues and Charges for Services. The reduction in revenue was offset by a decrease in General Fund expenditures mainly due to a restrictive hiring process that was implemented and a reduction of part-time employees for the summer months. Additionally, operating budget purchases were carefully monitored through a Purchasing Review Committee that resulted in decreased expenditures for the fiscal year.

Special Revenue Funds Overview

Special Revenue Funds are used to account for resources that are legally restricted to expenditures for particular purposes. Many of the Special Revenue Funds have a department component in their funding structure. Below is a list of Special Revenue Funds along with their corresponding department components:

Special Revenue Fund	Department
American Rescue Plan Act SRF	TBD
Bayfront/Riverfront Land Acquisition Rouse Trust	Real Estate and Asset Management
City Clerk Services	City Clerk
Community Development	Housing and Community Development
Departmental Improvement Initiatives	Building, Commissioners, Grants Administration, Innovation and Technology, Management and Budget, Mayor, Parks, and Resilience and Public Works,
Emergency Services	Fire-Rescue
Fire-Rescue Services	Fire-Rescue
General Special Revenues	General Services Administration, Innovation and Technology, and Resilience and Public Works
Historic Preservation Trust Fund	Planning
Homeless Program	Human Services
Human Services	Human Services
Law Enforcement Trust	Police
Miami Ballpark Parking Facilities	Real Estate and Asset Management
Parks and Recreation Services	Parks and Recreation
Planning Services	Planning

Per Resolution No. 21-0268 dated June 24, 2021, a new Special Revenue Fund was created entitled American Rescue Plan Act SRF; the departments responsible for the program delivery under this funding source will be determined in the near future.

A detailed description of each Special Revenue Fund is located in the Five-Year Financial Forecast section of the book under the Special Revenue Funds forecast.

Debt Service Funds Overview

Debt Service Funds are used to account for payments of principal and interest on general obligation bonds, payments of principal and interest on special obligation bonds, repayment of other debt instruments (such as the State Revolving Loan Program or the Vehicle Lease Program), and accumulated resources to fund these debt service payments. The FY 2021-22 Budget for the Debt Service Funds is $67.769 million.

Neither state law nor the City Charter provide limits on the amount of debt that may be incurred. Therefore, the City has a Debt Management Policy that establishes debt ratio targets to provide flexibility to meet future Capital needs and not affect the Operating Budget. The three ratios that have been established are: General Government Debt Service as a percentage of Non-Ad Valorem General Fund revenues of less than or equal to 15 percent, Net Debt per Capita of less than or equal to $2,000 per resident, and Net Debt to Taxable Assessed Value less than or equal to five percent. As an example, in FY 2019-20 the City's total net debt was 1.1 percent of the total debt limit of $9.220 billion using the Net Debt to Taxable Assessed Value ratio, which is below the five percent target.

The City's bond ratings from the three major rating agencies are as follows: Fitch Ratings AA, Moody's Aa2, and Standard and Poor's AA-.

General Obligation Bonds and Limited Ad Valorem Bonds

Payments of debt service on general obligation bonds and limited ad valorem bonds are funded by a tax levy on non-exempt property value. A millage rate is calculated and approved by the City Commission based on the amount of general obligation debt outstanding as of September 30, 2021. All general obligation bonds and limited ad valorem bonds are voter-approved and used for specific projects or purchases. General obligation bonds pledge the full faith and credit of the City. Limited Ad Valorem Bonds are funded by a tax levy on non-exempt property value up to a voter-approved limit.

At this time, the City of Miami does not have any outstanding general obligation bonds; but does have one current and one future limited ad valorem set of bonds (the Homeland Defense Bonds and the Miami Forever Bonds). These limited ad valorem bonds are often referred to as general obligation bonds to differentiate them from special obligation bonds.

The FY 2021-22 Budget for debt service for general obligation bonds (truly, limited ad valorem bonds) is $25.118 million with $20.236 million from property tax revenues at a millage rate of 0.3235 and $4.882 million from prior year fund balance.

Special Obligation Bonds

Payment of debt service on the City's various special obligation bonds are secured by pledges of specific non-ad valorem revenue sources in accordance with their bond indentures. The City's bond resolutions require that sufficient funds be available in reserve accounts to meet the debt service requirements. The FY 2021-22 Budget for debt service on special obligation bonds is $42.651 million, which is comprised of $26.445 million of Transfers-In from General Fund, $5.706 million from Special Revenue Fund, $4.086 million from Omni Community Redevelopment Agency, five million dollars from the Miami-Dade County Convention Development Tax (CDT), and $1.414 million of prior year fund balance.

Internal Service Fund Overview

Internal Service Fund

The City's Internal Service Fund (ISF) provides a mechanism that allows for allocating costs to the operating departments. These cost are: health care, certain information technology costs, and the property casualty insurance program which includes workers' compensation and liability claims. This fund also serves as a centralized account for payment of these expenditures. The FY 2021-22 Budget for the ISF is $88.379 million.

Health Insurance

The FY 2021-22 Budget for Health Insurance is $43.194 million. This represents an approximately 1.8 percent increase over the FY 2020-21 Budget. The increase is primarily due a four percent growth in medical trend as recommended by the actuary.

Workers' Compensation

The FY 2021-22 Budget for Workers' Compensation is $18.369 million. This represents an approximately 5.7 percent increase over the FY 2020-21 Budget. This increase is primarily due to increase claims presented by COVID-19 on the job exposure.

Property Insurance Premiums

The FY 2021-22 Budget for Insurance Premiums is $10.591 million. This represents an approximately 12 percent increase over the FY 2020-21 Budget. The increase is primarily due to higher property premiums charged by insurance carriers in the market place. We anticipate Law Enforcement Liability insurance will continue to see a fairly large premium increases following law enforcement activities across the country.

General Liability

The FY 2021-22 Budget for General Liability is $4.158 million. This represents a net decrease of approximately 12.8 percent over the FY 2020-21 Budget. The net decrease is due in part to an increase in Police Torts and decreases in Vehicle Liability and General Liability Claims. The claims are actuarially projected at a 45 percent confidence level.

Information and Technology Cost Allocation

The FY 2021-22 Budget for Information Technology Repair and Maintenance is $12.067 million. This represents an approximately 7.72 percent increase over the FY 2020-21 Budget. The increase is primarily due in part to increases in application and licensing, and funding for new infrastructure platforms.

Capital Plan Overview

The City of Miami's Multi-Year Capital Plan (the Capital Improvements Plan or CIP) is a comprehensive, six-year plan for enhancing and maintaining public infrastructure by repairing current facility and asset deficiencies and also providing new service delivery infrastructure. The CIP provides the budgeted fund sources available for capital projects and identifies the planned improvement projects and the corresponding estimated costs over the six-year period.

The Purpose of the Capital Improvements Plan

The purpose of the CIP is to systematically plan, schedule, manage, monitor, and finance capital projects to ensure efficiency and compliance with the overall goals and objectives of the City's Strategic Plan. The Office of Management and Budget, with the assistance and support from each City department, develops the Capital Plan to recommend capital project funding to the City Commission. The City Commission makes capital funding decisions based on current year allocations made in the plan.

The Capital Budget

The first year of the six-year CIP also serves as the Annual Capital Budget. The City's Capital Budget, separate from the Annual Operating Budget, presents the funding plans for City construction and repair projects, and purchases of land, buildings, or equipment. The City defines a capital improvement as the acquisition, construction, reconstruction, or installation of a physical public improvement or addition to fixed assets in the form of land, buildings or improvements with a value of $5,000 or more and a "useful life" of at least three years.

The City Manager submits the Capital Budget concurrently with the Operating Budget each year. The Capital Budget authorizes capital project expenditures, while the Operating Budget authorizes the expenditure of funds for such things as employee salaries and the purchase of goods and services. Capital projects can have an impact on the Operating Budget through additional costs to operate new facilities or the expansion of current City assets, potential additional revenues the improvement can bring to the City, or cost savings from acquisition more effective and efficient equipment. The final Capital Budget is adopted by the City Commission each year in September.

Individual capital projects may not exceed the amount appropriated in the Adopted Capital Budget and if a projects requires additional funds, the Capital Plan can be subsequently amended throughout the fiscal year as needed. Any amendments to the CIP are required to be heard and approved by the City Commission.

The FY 2021-22 Adopted Capital Budget includes appropriations totaling $45.920 million which will be used to fund 68 projects as detailed in the Plan.

Legal Authority

The legal requirements for preparing the City's Capital Plan are set forth in the Florida Statutes and the City of Miami Code. A capital improvement programming process to support the Comprehensive Plan is required by the Community Planning Act, specifically Sections 163.3161 and 163.3177, Florida Statutes (2020). Furthermore, pursuant to Chapter 18/Article IX/Divisions 1 and 2 of the Code of the City of Miami, Florida, as amended, entitled "Finance/Financial Policies/Anti-Deficiency Act/Financial Integrity Principles", requires the development and approval of a multi-year capital plan which also delineates specific requirements for inclusion.

Capital Plan Overview

The Capital Plan Framework

The Capital Plan has been developed to align current and projected capital projects, equipment purchases, and major studies with the City's Strategic Initiatives. It also incorporates the Construction Review and Synchronization Process (CRSP) for new projects and the Project Prioritization Matrix.

The City's Strategic Initiatives provide the framework to fulfill the City's goals and objectives. To fulfill this mission, the Capital Plan must include capital projects, equipment purchases, and major studies that meet or align with one or more of the following Strategic Initiatives:

- Improving resident's quality of life
- Strengthening the City's resiliency
- Leading the community into a pathway to prosperity

Project Sources

The intent of the Capital Improvements Plan is to be a comprehensive plan that is based on input from multiple sources from within the City that involves other regional strategies from other agencies and the private sector that will ultimately support the City's strategic goals of Pathway to Prosperity, Quality of Life, and Resilience for the benefit of its residents and the City as a whole.

As part of the CIP preparation, a series of steps are undertaken by City staff to understand and broaden the possible sources for capital construction improvement projects to include:

- Projects and needs are identified by Client Departments
- Projects and needs identified by outside agencies (Downtown Development Authority, Southeast Overtown Park West (SEOPW) Community Redevelopment Agency (CRA), and Omni Community Redevelopment Agency (CRA))
- Projects and needs identified for Local Mitigation Strategy (LMS) for Federal Emergency Management Agency
- Projects and needs to be coordinated with other governmental agencies such as Miami-Dade County, the State of Florida and the Florida Department of Transportation.

Capital Project Prioritization Criteria

The City uses a Project Prioritization Matrix with nine criteria to analyze, rank, and ultimately prioritize projects for funding. Projects with highest ranking are given priority funding and implementation in the Capital Improvements Plan. The criterion used is listed as follows:

- **Life, Health, and Safety** – Projects that are necessary to meet life, health, or safety requirements or eliminate potentially imminent life, health, or safety risks. Examples of these include facility water intrusion, asbestos abatement, and repair of damages caused by natural disasters.
- **Legal and Regulatory Compliance** – Projects that are necessary to attain or maintain compliance with legal and mandated requirements set forth by federal, state, local or other jurisdictions. Also includes projects that may be required to satisfy legal settlements with private individuals, entities or regulatory agencies. Examples of these projects are a federal mandate to comply with Americans with Disabilities requirements, or a regulatory agency's mandate to remediate contaminated soils.

Capital Plan Overview

- **Essential Improvements** – Projects that are necessary for improvements to the functioning, capacity, or preservation of facilities, infrastructure, or historic sites. This criterion measures the extent to which a facility or infrastructure has deteriorated and needs improvements relative to the overall condition of similar facilities or infrastructure. Examples of these projects are roof repairs or replacements, bathroom remodeling, and roadway reconstruction.
- **Strategic Alignment -** Projects that align with Strategic City initiatives. The execution of these projects will align with or more of the strategic goals outlined by City Administration. Examples of these projects are Fire-Rescue station replacements, construction of new parks, public safety and public service facilities, new sidewalks or baywalks, or projects promoting affordable housing.
- **Infrastructure Risk Management and Resilience -** Projects that improve City resilience through the prevention or mitigation of infrastructure damage, reduce recovery time from natural disasters, or provide redundancy to prevent service disruption. Examples of these projects are replacement of seawalls, installing backflow valves, constructing new storm pump stations, or installing new backup generators to avoid service disruption at key and critical infrastructure.
- **Environmental Protection -** Projects intended to conserve, preserve, or increase natural resources (including tree canopy, greenspace, or shorelines) or protect or improve air or water quality. Examples of these projects are canal dredging and shoreline restoration.
- **Coordination and Dependency -** Projects that, if performed in conjunction with other entities or agencies, will provide better integration, reduce commitment of the City's capital resources, and allow a more efficient project execution. Examples of these are projects that involve Joint Participation Agreement with M-DWASD, Local Participation Agreements (LAP) with F-DOT, or City Commissioned approved agreements with private developers.
- **Leverage External Funds** - Projects that can leverage funds from, or that are funded by, external funding sources such as Federal, State, County, private, and other local entities. Example of these projects that can be eligible for external funds such as Florida Inland Navigation District (FIND) grants, Community Development Block Grant (CDBG) Program, or Community Redevelopment Agency (CRA).
- **Revenue Producing or Cost Savings** - Projects that, when completed, will generate additional revenues or increase efficiency resulting in continual cost savings to the City. Examples of these projects are improvements or additions to marinas or cultural and historic venues that will increase marketability or operational revenue. Other examples are retrofitting of existing facilities with more efficient technologies or upgrade to newer materials that will reduce operational cost.

Capital Project Program Funds

The Capital Plan is organized by department and each project is identified by a distinct program fund based on the attributes of the project. This program fund maintains specific financial details of the capital project. The program funds are detailed below:

- **General Government –** This program consists of general governmental capital enhancements and improvements to municipal buildings and operations facilities. This also includes computers and communications equipment.

Capital Plan Overview

- **Public Safety –** The acquisition of equipment or construction of major facilities that support the operations of the Police and Fire-Rescue Departments.
- **Disaster Recovery –** This fund is utilized to account for revenue received from the federal government, insurance, and other agencies resulting from declared disasters.
- **Public Facilities –** The Public Facilities program includes improvements to public use facilities; such as stadiums, auditoriums, and marinas.
- **Parks and Recreation –** This program accounts for the acquisition, rehabilitation, or construction of capital facilities for recreational activities in parks throughout the City.
- **Streets and Sidewalks–** The capital projects in the Streets and Sidewalks program provide reconstruction, major maintenance, and beautification to Miami's street system.
- **Mass Transit –** This program accounts for the acquisition of equipment or construction of capital facilities that support the maintenance and operation of public transportation systems.
- **Sanitary Sewers –** This program includes projects that will improve the City's existing sanitary sewer system.
- **Storm Sewers –** The Storm Sewer program accounts for projects that result in improved drainage and storm water management throughout the City.
- **Solid Waste –** This program includes projects for the acquisition of equipment or construction of facilities for the collection and removal of solid waste.

Office of Capital Improvement's (OCI) Role

The OCI performs an all-inclusive review of on-going and future capital construction improvement projects with Client Departments. The joint review of projects between OCI and the Client Department provides:

- Identification of required managerial and technical roles or expertise to execute projects;
- Integration and optimization of Citywide resources for delivery of projects; and
- Citywide reporting of capital construction improvement projects.

Based on the joint review, the Client Department and OCI will determine OCI's role as follows:

- Management Role: The Client Department relies on the Office of Capital Improvements for the management, execution, and reporting of a Capital Improvement project. In this scenario, OCI's role is to manage the entire project.
- Oversight Role: The Client Department undertakes the management, execution, and reporting of a Capital Improvement project; but requires OCI's technical assistance to carry out the work. In this scenario, OCI's role is "Oversight" of the project.
- Visibility Role: The Client Department fully undertakes the management, execution, and reporting of a Capital Improvement project, without assistance from OCI. In this scenario, OCI's role is "Visibility" of the project.

Capital Plan Overview

Office of Management and Budget's (OMB) Role

OMB plays an important role in determining funding availability for capital construction and non-construction projects, funding those capital projects as funding is available, and ensuring capital projects are funded according to specific requirements of the funding sources that are available.

Throughout the year, OMB liaise with elected officials, stakeholder groups, and all Departments that have capital projects to ensure that the most important projects are funded and prioritized using the CRSP. The prioritized projects are funded by a capital appropriation through the annual Capital Budget or an as needed Capital Amendment which are presented and approved by the City Commission.

As part of the Capital Budgeting process, OMB meets with each department to review their respective capital projects and discusses the status as well as what has been accomplished to meet the City's overall goals and strategies. This information is compiled and presented in the Multi-Year Capital Budget.

Operating Impact of Capital Plan

The City's capital budget is distinct from its operating budget. However, there is an inter-relationship that exists since projects funded and implemented through the capital budget may directly affect the operating budget to address increases or decreases in costs related to supporting and operating those projects. In short, capital projects may impact ongoing expenses on routine operations, repairs, and maintenance, either positively or negatively.

The potential operating impacts of proposed capital projects are carefully considered as part of the City's capital planning process. In many cases, the most important component of a capital spending decision is not the initial acquisition and development cost but rather the cost impact on the operating budget over the life of the capital asset. Projects that represent new or significantly enhanced facilities or technology will impact the operating budget as they are completed and released or transferred back to the pertinent department for operation and maintenance.

Many projects involve the purchase or reconstruction of existing infrastructure to upgrade facilities and equipment to modern standards and, as such, do not carry significant operating impacts. Some of these projects, however, require additional operating expenditures for utilities such as water and electricity, or for landscape and lighting maintenance that exceed current consumption levels. New projects, such as park recreation centers and fire stations, often require the hiring of new personnel, purchase of new furniture and equipment, as well as routine maintenance and payment of increased utility bills.

Each City department works with the Office of Management and Budget to determine the operating impacts of proposed capital projects. Future costs associated with the operation and maintenance of capital assets are estimated and included in the City's capital and operating budgets.

Capital Plan Overview

Program Fund	Operating and Maintenance Cost
General Government	$852,000.00
Public Safety	$146,000.00
Disaster Recovery	$0.00
Public Facilities	$681,000.00
Parks and Recreation	$1,383,000.00
Streets and Sidewalks	$93,000.00
Sanitary Sewers	$0.00
Storm Sewers	$13,000.00
Solid Waste	$0.00
Mass Transit	$0.00
Total	**$3,168,000.00**

Personnel Overview

Introduction

The FY 2021-22 Budget's Full-Time Equivalent (FTE) position count is 4,576. The Budget includes transfers, additions, or reductions of full-time personnel across departments and offices. This section provides details of each personnel change.

Summary

The total change in positions from the FY 2020-21 Adopted Budget to the FY 2021-22 Adopted Budget is a net gain of 195 positions. On January 28, 2021, a reinstatement of 63 filled positions from the Fraternal Order of Police was adopted as per FY 2020-21 Budget Amendment No.1. A net increase of five positions was adopted in the FY 2020-21 Mid-Year Budget Amendment, consisting of six additions, one elimination, and no positions transferred between departments.

The FY 2021-22 Adopted Budget includes 129 additions, two eliminated positions, and no positions transferred between departments for a total increase of 127 positions.

Therefore, the FY 2021-22 Adopted Budget has a net increase of 169 positions from the FY 2020-21 Adopted Budget (63 additions in FY 2020-21 Budget Amendment No.1, five net additions in the Mid-Year Amendment, and 127 net additions in the Adopted Budget).

Agenda Coordination

The Budget for the Office of Agenda Coordination includes no transfers, additions, or reductions of positions.

Building

The Budget for the Building Department includes a net increase of 42 positions resulting from transfers, additions, or reductions.

The Budget includes the addition of one Building Assistant Director position, which was added in the Mid-Year Budget Amendment for FY 2020-21.

The Budget includes the addition of two Building Services Assistant I positions, a Building Services Assistant III position, a Building Services Assistant IV position, a Senior Building Inspector position, an Electrical Inspector position, a Mechanical Inspector position, and a Plumbing Inspector position.

The Budget includes the addition of 33 new positions with no job code defined at this time.

Capital Improvements

The Budget for the Office of Capital Improvements includes a net increase of one position resulting from transfers, additions, or reductions.

The Budget includes the addition of a Capital Planning System Administrator position.

Personnel Overview

City Attorney

The Budget for the Office of the City Attorney includes a net increase of one position resulting from transfers, additions, or reductions.

The Budget for the Office of the City Attorney includes an increase of one Assistant to the City Attorney position.

City Clerk

The Budget for the Office of the City Clerk includes no transfers, additions, or reductions of positions.

City Manager

The Budget for the Office of the City Manager includes a net increase of 11 positions resulting from transfers, additions, or reductions.

The Budget for the Office of the City Manager includes a decrease of one position resulting from the elimination of a vacant, Assistant to the City Manager position, which was eliminated in the Mid-Year Budget Amendment for FY 2020-21.

The Budget for the Office of the City Manager includes an increase of 12 positions (no job code defined at this time) resulting from the addition of the Venture Miami Initiative.

Civil Service

The Budget for the Civil Service Board includes no transfers, additions, or reductions of positions.

Code Compliance

The Budget for the Office of Code Compliance includes a net increase of four positions resulting from transfers, additions, or reductions.

The Budget for the Office of Code Compliance includes the addition of three Code Compliance Inspector positions and a Clerical Aide position.

Commissioners

The Budget for all Commission Offices includes no transfers, additions, or reductions of positions.

Communications

The Budget for the Office of Communications includes no transfers, additions, or reductions of positions.

Equal Opportunity and Diversity Programs

The Budget for the Office of Equal Opportunity and Diversity Programs includes no transfers, additions, or reductions of positions.

Personnel Overview

Finance

The Budget for the Finance Department includes no transfers, additions, or reductions of positions.

Fire-Rescue

The Budget for the Department of Fire-Rescue includes a net increase of 16 positions resulting from transfers, additions, or reductions.

The Budget for the Department of Fire-Rescue includes the addition of two filled Assistant Fire Chief positions, which was added in the Mid-Year Budget Amendment for FY 2020-21.

The Budget includes the addition of nine Firefighter positions, four Fire Lieutenant positions, and one Project Manager (Grant Funded, civilian position).

General Services Administration

The Budget for the General Services Administration includes no transfers, additions, or reductions of positions.

Grants Administration

The Budget for the Grants Administration includes no transfers, additions, or reductions of positions.

Housing and Community Development

The Budget for the Department of Housing and Community Development includes no transfers, additions, or reductions of positions.

Human Resources

The Budget for the Department of Human Resources includes a net increase of five positions resulting from transfers, additions, or reductions.

The Budget includes the addition of one Human Resources Generalist position, which was added in the Mid-Year Budget Amendment for FY 2020-21.

The Budget also includes the addition of four Human Resources Generalist positions.

Human Services

The Budget for the Department of Human Services includes a net decrease of one position resulting from transfers, additions, or reductions.

The Budget includes the elimination of one position to correct a FY 2020-21 scrivener's error.

Personnel Overview

Independent Auditor General

The Budget for the Office of the Independent Auditor General includes no transfers, additions, or reductions of positions.

Innovation and Technology

The Budget for the Department of Innovation and Technology includes no transfers, additions, or reductions of positions.

Management and Budget

The Budget for the Office of Management and Budget includes a net increase of one position resulting from transfers, additions, or reductions.

The Budget includes the addition of a filled Capital Improvements Program Budget/Financial Administrator position to correct a FY 2020-21 scrivener's error.

Mayor

The Budget for the Office of the Mayor includes no transfers, additions, or reductions of positions.

Parks and Recreation

The Budget for the Department of Parks and includes no transfers, additions, or reductions of positions.

Planning

The Budget for the Planning Department includes a net increase of eight positions resulting from transfers, additions, or reductions.

The Budget includes the addition of one Assistant Director position, which was added in the Mid-Year Budget Amendment for FY 2020-21.

The Budget also includes the addition of one GIS Specialist position, one Project Manager position, one Legislative/Policy Coordinator position, three Planner II positions, and one Planner III position.

Police

The Budget for the Police Department includes a net increase of 82 positions resulting from transfers, additions, or reductions.

The Budget includes a reinstatement of 63 Police Officer, filled positions from the Fraternal Order of Police, which was added in the FY 2020-21 Budget Amendment No.1.

The Budget includes the elimination of a filled Deputy Police Chief position.

The Budget also includes the addition of 20 Police Officer sworn positions.

Procurement

The Budget for the Procurement includes no transfers, additions, or reductions of positions.

Real Estate and Asset Management

The Budget for the Department of Real Estate and Asset Management includes no transfers, additions, or reductions of positions.

Resilience and Public Works

The Budget for the Department of Resilience and Public Works includes a net increase of eight positions resulting from transfers, additions, or reductions.

The Budget includes the addition of one Resilience Programs Manager position, two Engineer I positions, one Engineer II position, two Engineering Technician III positions, one Professional Engineer I position, and one Deputy Chief Resilience Officer position.

Risk Management

The Budget for the Department of Risk Management includes no transfers, additions, or reductions of positions.

Solid Waste

The Budget for the Department of Solid Waste includes a net increase of 13 positions resulting from transfers, additions, or reductions.

The Budget includes the addition of one Superintendent position, five Sanitation Inspector positions, one Multimedia Specialist position, and six Video Retrieval Specialist positions.

Zoning

The Budget for the Office of Zoning includes a net increase of four positions resulting from transfers, additions, or reductions.

The Budget includes the addition of two Zoning Information Specialist positions and two Zoning Plans Examiner positions.

Non-Departmental Accounts

The Budget for the Non-Departmental Accounts includes no transfers, additions, or reductions of positions.

Collective Bargaining Overview

The City of Miami has four Collective Bargaining Units (CBUs) as governed by Florida Statute 447.01 and has non-bargaining employees. The CBUs are:

- Miami General Employees American Federation of State, County, and Municipal Employees Local 1907, AFL-CIO (AFSCME 1907)
- Florida Public Employees Council 79, American Federation of State, County, and Municipal Employees, AFL-CIO, Local 871 (AFSCME 871)
- Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP)
- International Association of Fire Fighters, AFL-CIO Local 587 (IAFF)

The AFSCME 1907 covers all non-sworn employees in the administrative, financial, and service occupations of the City. As of May 23, 2021, the AFSCME 1907 covers a total of 1,779 positions and has an estimated annual payroll that includes other pay items of $122.762 million. The current collective bargaining agreement expired on September 30, 2023.

The AFSCME 871 covers all sanitation occupations. As of May 23, 2021, the AFSCME 871 covers a total of 219 positions and has an estimated annual payroll that includes other pay items of $10.365 million. The current collective bargaining agreement expired on September 30, 2020.

The FOP covers all sworn, non-executive Police occupations including Detention Officers. As of May 23, 2021, the FOP covers a total of 1,299 positions and has an estimated annual payroll that includes other pay items of $110.349 million. The current collective bargaining agreement expires on September 30, 2021.

The IAFF covers all sworn, non-executive Fire-Rescue occupations. As of May 23, 2021, the IAFF covers a total of 773 positions and an estimated annual payroll that includes other pay items of $79.363 million. The current collective bargaining agreement expires on September 30, 2022.

The Non-Bargaining Unit consists of all other full-time occupations that are not in a CBU. As of May 23, 2021, there are a total of 363 positions with an estimated annual payroll of $45.696 million.

Resilience Overview

In January 2020, the City of Miami adopted the Miami Forever Climate Ready Strategy to prioritize resilience and tackle the increasing challenges posed by climate change. The strategy identifies five goals and fifteen objectives to reduce the increasing risks of flood, heat, and storm impacts over the next 40 years, while maximizing social, environmental, and economic co-benefits.

The FY 2021-2022 budget highlights accomplishments from the previous year and actions in the upcoming year that will make Miami more resilient. These priorities are reflected throughout the budget narrative by our resilience symbol (), which highlights the projects, programs, and functions within each department and office that supports resilience. These highlights are followed by the specific strategic plan objectives supported in parenthesis (for example, 3.2 refers to the second Objective "Update and implement waterfront design standards", under Goal 3 "Protect and enhance our waterfront").

In FY 2020-21, the City developed a greenhouse gas reduction plan (Miami Forever Carbon Neutral), which details a roadmap for the City to achieve carbon neutrality by 2050. The Plan sets an interim goal of 60% reduction in emissions below 2018 levels by 2035, and outlines actions the City and external parties need to take to reach the interim target and stay on the path to carbon neutrality.

Goal 1: Ensure decisions are data-driven and human centered. To best utilize our limited resources and have the greatest possible impact, Miami needs the best available local and global information. Several data streams, collection methods, and analytical tools can inform decisions that shape the City's future. Adapting to climate threats over time requires understanding the triple bottom line (environmental, social, and economic) impacts of climate change. Potential adaptive solutions must be broad in scope and local in context, including South Florida-specific climate and sea level rise projections, climate impacts on vulnerable populations, and global best practices in urban planning, built environment, green and grey infrastructure, and community engagement. Strategic decisions on investments and how to mitigate our impact on climate change requires a data inventory of assets and developing methods of monitoring and adaptive management. We must continue to partner with stakeholders from public agencies, academic institutions, and individual constituents, to ensure decisions are data-driven and take future conditions into account.

Objectives:

1.1 Enhance understanding of the City's vulnerability to environmental, social, and economic risks with data.

1.2 Quantify the City's impact on climate change.

1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data.

- **Building Department** is procuring software to help manage the Building Efficiency 305 (BE305) energy benchmarking program. The BE305 initiative establishes a program to benchmark and audit energy and water use in buildings greater than 20,000 SF to develop energy performance scores.

Resilience Overview

The program will focus on reducing the waste of energy and water due to inefficiencies and poor operations (1.2 and 1.3).

- **Resilience and Public Works Department** (including the former Office of Resilience and Sustainability) developed a science-based interim greenhouse gas reduction target (60% reduction below 2018 levels by 2035) which is the foundation for the City's carbon mitigation plan, Miami Forever Carbon Neutral (1.2); partnered with Microsoft's Project Eclipse Pilot Program, which is a low cost, hyperlocal environmental sensing platform that will measure air quality, temperature, and humidity (1.1); secured funding to conduct a vulnerability assessment, which considers current and future flood risks, to identify critical facilities, city assets, and people most at risk to flooding from storm surge, precipitation, and sea level rise, which will help the city prioritize capital improvement projects and allocate funding based on exposure, sensitivity, risk, and social needs (1.3); partnered with the Ocean Conservancy and the University of Georgia to holistically evaluate the circular materials management of plastics by collecting data to inform decisions on reducing litter and identifying the potential for plastics to reach waterways or the ocean (1.1); filled all vacancies on the Climate Resilience Committee (1.1).

Goal 2: Inform, prepare, and engage residents and businesses for stresses and shocks. We must prepare for the increasing shocks and stresses of climate change, beginning with our residents, businesses, and City staff. Miami is home to roughly 471,000 people representing a wide variety of cultures and expectations on civic engagement. Enhancing our community's climate resilience and disaster preparedness takes investments in social infrastructure and physical infrastructure. We must amplify and enhance efforts to educate residents and businesses of climate hazards while incorporating existing community social networks and leaders into our emergency response efforts and procedures. Beyond emergencies, we need greater channels of communication and mechanisms to utilize community feedback and integrate their priorities and knowledge into all stages of programming and development. City communications need to meet residents where they are and ensure messages are accessible by interacting in residents' native languages and using plain language. City staff needs greater tools to support resilience focused work through strengthened interdepartmental coordination and interagency collaboration.

Objectives:

2.1 Prepare and empower residents and businesses to anticipate and respond to environmental, social, and economic disruptions.

2.2 Create avenues to capture and integrate community feedback into all stages of programming.

2.3 Improve internal capacity, coordination, and communications.

- **Office of Communications** coordinates and publishes the Resilience Update Newsletter and produces numerous topic-specific video PSAs to increase awareness of climate resilience issues; provides constant flow of information through social media platforms and other news outlets to inform residents of impending severe weather events, King Tides, and other relevant events to allow

Resilience Overview

for community preparation to lessen impacts (2.1 and 2.3); started the Evergreen Miami series, documenting City residents and businesses taking climate action (2.1).

- **Parks and Recreation Department** ensured Charles Hadley Park was funded with $779,000 from CDBG-MIT Critical Facilities grants for storm hardening, adding a new generator, and implementing communications enhancements as part of the Resilience Hubs network initiative (2.1).

- **Resilience and Public Works Department** (including the former Office of Resilience and Sustainability) launched the monthly Mayor's Resilience Action Forum convening community members and City staff virtually to discuss climate change initiatives and concerns in the City (2.1 and 2.2); launched an internal resilience update newsletter keeping staff and City leadership up to date on resilience initiatives (2.3); engaged the public and City staff virtually during the development of Miami Forever Carbon Neutral to ensure community perspectives and staff experience/expertise were integrated into the plan (2.2 and 2.3); launched the discharge@miamigov.com email, for residents to report instances of sedimentation and illegal discharge in City waterways and Biscayne Bay (2.2); worked with the United Nations Global Commission on Adaptation to host a globally viewed, virtual summit on innovative climate adaptation (2.1); in partnership with Miami DDA and FIU's School of Hospitality, facilitated a COVID-safe restaurant training and certification program (2.1).

Goal 3: Protect and enhance our waterfront. The City of Miami has 88 miles of waterfront -- bayside, and riverside combined. Our waterfront is the first line of defense against flooding and, although it is the most vulnerable area, it is ripe for investment and enhancement opportunities. 29 miles of this waterfront are City-owned, while the remaining 59 miles are privately-owned, underscoring the need for government and private property owners to develop and install uniform solutions. A combination of nature-based and structural means can reduce Miami's risk of coastal and riverine flooding and make these areas more resilient. We will develop and implement city-wide waterfront standards to reduce flood impacts from tidal events and storm surge, provide standards for aesthetic cohesion, help us adapt to sea level rise, and enhance waterfront access.

Objectives:
3.1 Reduce the severity, duration, and impact of coastal and riverine flooding on shorelines and surrounding communities.
3.2 Update and implement waterfront design standards.
3.3 Accelerate investment in features along the waterfront.

- **Office of Capital Improvements** advanced progress on the Miami Forever Bond, Tranche 1 capital improvement projects, which includes numerous improvements related to sea level rise and flood prevention (3.1 and 3.2).

- **Parks and Recreation Department** completed the Dinner Key Marina Restoration Project (3.3)

Resilience Overview

- **Planning Department**, working with the Department of Resilience and Public Works, updated, and adopted new Waterfront Design Guidelines that will help to visually unify and brand Miami's Baywalk and Riverwalk, improving public awareness, connectivity, and wayfinding around the public pedestrian promenades, while also addressing tidal flooding and sea level rise concerns/impacts (3.2).

- **Resilience and Public Works Department** (including the former Office of Resilience and Sustainability) introduced a Fertilizer Ordinance creating a Blackout Period (May 15 – Oct 31) wherein fertilizers containing phosphorus cannot be applied to lawns in the City and designating setback distances from waterbodies for fertilizer application, with the goal of improving water quality in Biscayne Bay and its tributaries; updated the section of the city code related to seawalls, bulkheads, and natural shorelines to raise the minimum seawall height and requiring property owners to raise or replace seawalls when overtopped during high tide (3.1 and 3.2); kicked off a major pollution reduction project, in partnership with SOP Technologies, which will install 1,000 curb inlet filters on drainage structures in areas of known littering problems.

Goal 4: Invest in resilient and smart public infrastructure. In late 2017, City residents voted to approve a $400-million General Obligation Bond, known as the "Miami Forever Bond," to fund implementation of five major categories of infrastructure improvements. Not only does this bond provide funding for crucial infrastructure upgrades throughout the City, but it also provides a unique opportunity to create and implement an integrated framework for smart and resilient capital investments. We must leverage our current resources, like the Miami Forever Bond and its project selection process, to ensure infrastructure investments today have a positive, multi-benefit return on investment with significant long-term impact. Our investments need to protect residents from future climate conditions, prioritize critical and highly vulnerable areas and people, and reduce greenhouse gas emissions.

Objectives:
4.1 Update stormwater management system to meet infrastructure needs through 2060 under varying climate conditions.
4.2 Prioritize projects that protect the most critical and vulnerable areas.
4.3 Upgrade and retrofit existing infrastructure to improve resilience and sustainability.

- **Office of Capital Improvements** continues to make progress in implementing key capital improvement projects, which include improvements to seawalls and the stormwater management system (4.1 and 4.3).

- **Resilience and Public Works Department** (including the former Office of Resilience and Sustainability) developed a list of 24 Phase 1 prioritized stormwater improvement projects, following recommendations from the updated (2021) Stormwater Master Plan, to be recommended for placement in the Capital Plan (4.1 and 4.2); partnered with FPL's EVolution program to install Level 2 and DC Fast Chargers for public use on City properties at no capital cost to the City (4.3).

Resilience Overview

Goal 5: Promote adaptive neighborhoods and buildings. Miami's population is expected to grow 4% annually, with billions of dollars in private investment anticipated to grow the City and support new residents. This development brings great opportunities to the City, especially with a clear vision for its future growth. The establishment of Miami 21 in 2008 laid a strong foundation to guide the City's evolution with the tenets of New Urbanism and Smart Growth. City codes and other policies that help shape our diverse neighborhoods need to be updated to reduce environmental impacts and risks to meet current and future changes in how people seek to live, move, work, and play. To thrive in the face of climate change, a growing population, and a rapidly evolving economy, we must proactively regulate and incentivize development that will allow all Miamians to thrive, and to achieve our resilience and sustainability goals effectively and creatively.

Objectives:
5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability.
5.2 Incentivize development that allows residents and businesses to adapt and thrive under changing environmental, economic, and social conditions.
5.3 Integrate resilience, sustainability, and equity considerations into large development projects.

- **Housing and Community Development** launched a Homeownership Preservation Program (HPP) providing up to $70,000 in rehabilitation assistance to qualified City of Miami homeowners to fund exterior repairs consisting of repair or replacement of roofs, replacement of windows or doors, and/or installation of hurricane shutters, necessary to bring the home to decent, safe, and sanitary conditions, and to reinforce the property's exterior to better withstand natural weather occurrences while maximizing the home's energy efficiency (5.2).

- **Planning Department** continued work on the Southwest Streetscape Master Plan, to develop a blueprint for the City's use in the implementation to enhance the Urban Tree Forest (tree canopy) within the Southwest portion of the City (5.3); continued work on Wynwood Streetscape + Street Tree Master Plan to develop of a "living street" consisting of street trees and other streetscape improvements to the Wynwood neighborhood in order to strengthen neighborhood identity, foster resiliency, and improve the pedestrian experience (5.3); passed an ordinance allowing solar by right in all major zoning transects and excluding solar infrastructure as part of a building's footprint (5.2); passed an ordinance requiring 20% of new parking spaces constructed in the City to be able to accommodate electric vehicle charging stations (5.1); facilitated the development of Miami21 updates via steering a Commission-appointed task force and subsequent report (5.1).

- **Resilience and Public Works Department** (including the former Office of Resilience and Sustainability) worked with Housing and Community Development to launch the Keep Safe Miami program, which is an initiative to equip affordable housing owners and operators with tools to assess their buildings' resilience to climate change and natural disasters and provides them with actionable strategies and guidance on financing to address these vulnerabilities (5.2).

Mayor

Department Head: Francis X. Suarez Phone: (305) 250-5300
www.miamigov.com/Government/City-Officials/Mayor-Francis-Suarez

Description

In the City of Miami's "Mayor-Commission" form of government, the Mayor works with the members of the City Commission, the City's Administration, residents, leaders in the private and public sectors, and other Elected Officials in order to determine policy direction for the City of Miami. The Mayor maintains contact with other governments to foster mutual cooperation and is the official head of the City. Voters elect the Mayor at-large (Citywide) to a four-year term. The next election for the Office of the Mayor will be in November 2021.

The Mayor appoints the City Manager who serves as the City's Chief Administrative Officer. During a public danger or emergency, the Mayor may declare a state of emergency and with the consent of the City Commission, take command of the Police Department.

The Mayor is the presiding officer of the City Commission and can designate a Chairperson from among the members of the Commission. The Mayor can veto any legislative, quasi-judicial, zoning, master plan, or land use decision adopted by the City Commission, including the budget or any particular component of it.

The Mayor prepares and delivers an annual report on the State of the City and prepares and delivers the Proposed Budget.

Budget Highlights for FY 2021-22

The Budget includes the following considerations:

The Mayor's Office has 18 full-time positions included in the FY 2021-22 Budget; this includes the Mayor.
The increase in Regular Salaries and Wages is due in part to an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCMELocal 1907, not including the Mayor (GF $61,000).
The Promotional Activities Line item reflects funds for the Mayor's International Council (GF $30,000), Protocol (GF $20,000), and the Arts and Entertainment Council (GF $20,000).
The contribution from the General Fund to the Mayor's Special Revenue Fund for Festivals and Events remains the same as the previous fiscal year (SR $50,000).
The contribution from the General Fund to the Mayor's Special Revenue Fund for the Citywide Anti-Poverty Initiative will remain the same as the previous fiscal year (SR $450,000).

Commissioners

Description

The City Commission consists of five citizens who are qualified voters of the City and elected from each of the City's five districts. Commissioners serve four-year terms and elections are held every four years on the first Tuesday after the first Monday in November in odd-numbered years. The next election for Districts 3 and 5 is to be held in November 2021. The next election for Districts 1, 2, and 4 is to be held in November 2023.

The City Commission is the governing body of the City and passes ordinances and adopts regulations. The City Commission elects the City Clerk, City Attorney, and Independent Auditor General. The City Commission approves the appointment of the City Manager by the Mayor. The City Commission may create new departments or discontinue any department. The City Commission may override a mayoral veto by a four-fifths vote of those present.

The Chairperson is selected by the Mayor. Regular meetings of the City Commission are held on the second and fourth Thursday of each month except for the months of August, November, and December and all meetings are open to the public.

The City Commission may designate an individual to serve as Mayor during the temporary absence or disability of the Mayor by a four-fifths vote of those Commissioners then in office.

Budget Highlights for FY 2021-22

The Budget includes the following considerations:

There are 89 full-time positions in all District offices combined; this includes the five Commissioners.
The increase in Regular Salaries and Wages is due in part to an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, not including the City Commissioners (GF $225,000). This amounts to $45,000 for each office budget.
Each City Commission Office has a General Fund budget (GF $661,000). The Commission Chairperson's budget remains the same as the previous fiscal year (GF $100,000). This totals (GF $3.405 million) for all five Commission districts and the Chairperson.
The allocation of $1.000 million to Districts 1, 3, and 4 to cover personnel and operating costs at their respective District Offices will remain the same as the previous fiscal year.
The contribution from the General Fund to each District's Special Revenue Fund for Festivals and Special Events remains the same as the previous fiscal year (SR $250,000).
The total funding for the Citywide Anti-Poverty Initiative is (SR $2.700 million), the same as the previous fiscal year Adopted Budget. The City Commission's portion of the Anti-Poverty Initiative funding is (SR $2.250 million). The percentage allocated to each district has changed from the previous fiscal year due to updated statistical data from the U.S. Census Bureau.
District 1 is allocated approximately 22 percent of the Anti-Poverty Initiative funds (SR $495,000).
District 2 is allocated approximately 11 percent of the Anti-Poverty Initiative funds (SR $248,000).
District 3 is allocated approximately 20 percent of the Anti-Poverty Initiative funds (SR $450,000).
District 4 is allocated approximately 15 percent of the Anti-Poverty Initiative funds (SR $338,000).
District 5 is allocated approximately 32 percent of the Anti-Poverty Initiative funds (SR $720,000).

Mission Statement

To efficiently serve the community and continuously enhance the quality of life in the City of Miami.

Description

The City Manager is the Chief Administrative Officer responsible for the implementation and enforcement of the policies, directives, and legislation adopted by the City Commission. The City Manager also assists in planning for the development of the City, oversees the budget preparation, and supervises the daily operations of the City.

To execute the above functions, one Deputy City Manager, two Assistant City Managers, and associated staff provide support to the City Manager in the areas of infrastructure, operations, and finance.

Stakeholders include Elected Officials, City employees, residents, businesses, and visitors to the City of Miami.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

As approved in the FY 2020-21 Mid-Year Amendment, the budget reflects the reduction of one Assistant to the City Manager position $86,000 (GF).

The Budget includes the following additions:

The Travel and Per Diem Line item reflects an increase of $25,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Aids to Private Organizations Line item reflects an increase of $3,000,000 (GF) to fund the Venture Miami project.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $1,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the City Manager (GF $76,000).

City Manager

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $2,000).

Agenda Coordination

Department Head: Miriam M. Santana Phone: (305) 416-2070
www.miamigov.com/Government/Commission-Agendas

Mission Statement

The mission of the Office of Agenda Coordination is to efficiently and effectively oversee and coordinate the preparation of the City Commission agendas as established by the Code of the City of Miami.

Description

The Office of Agenda Coordination is responsible for overseeing the preparation of the City Commission agenda. This Office ensures that the agenda is available at least five full business days prior to the scheduled City Commission meeting in both paper and digital formats. Agenda packets provide the City's decision-making body and the public at large the opportunity to review proposed legislative matters and supporting documents.

Contributing to the Administration's Priority of *Quality of Life*, the Office of Agenda Coordination, at the direction of the City Manager, sets the deadlines for placement of items and ensures communication throughout the process between all respective parties. Additionally, this Office is responsible for providing guidance and assistance to both internal and external customers with the placement of agenda items. Through the use of the IQM2 legislative system, this Office is able to generate and make the City Commission agenda available to the public at large.

Stakeholders include Elected Officials, residents, businesses, City administration and departments, as well as visitors to the City of Miami.

Department Strategies for FY 2021-22

Continue efforts to go paperless with the City Commission Agenda Process.
Continue to electronically notify City Staff and City Residents on upcoming City Commission Meeting Agendas.
Continue to track and monitor the progress of City Commission directives that are assigned to various departments.

Agenda Coordination

Accomplishments in FY 2020-21

Successfully moved forward in Department's paperless efforts by eliminating the hard copy requirements of the Agenda Items and eliminated half of the Agenda Packet printing copies distributed.
Ensured that each draft agenda was released at least seven calendar days prior to the distribution of the final agenda.
Successfully tracked the progress of the City Commission Directives
Successfully distributed agenda packets to the Mayor and members of the City Commission in compliance with City Code Sec. 2-33 (e), at least five full business days before each City Commission meeting, for a total of 23 meetings in FY 2020-21.
Completed training on the Accela legislative system for Agenda Liaisons and their respective Department Directors and Assistant Directors.

Budget Highlights for FY 2021-22

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) (GF $4,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $5,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $5,000).

City Attorney

Department Head: Victoria Méndez, City Attorney Phone: (305) 416-1800
www.miamigov.com/Government/Departments-Organizations/City-Attorneys-Office

Mission Statement

To provide the highest quality legal services while ethically and zealously representing all stakeholders in the City of Miami in a timely, efficient, and cost-effective manner.

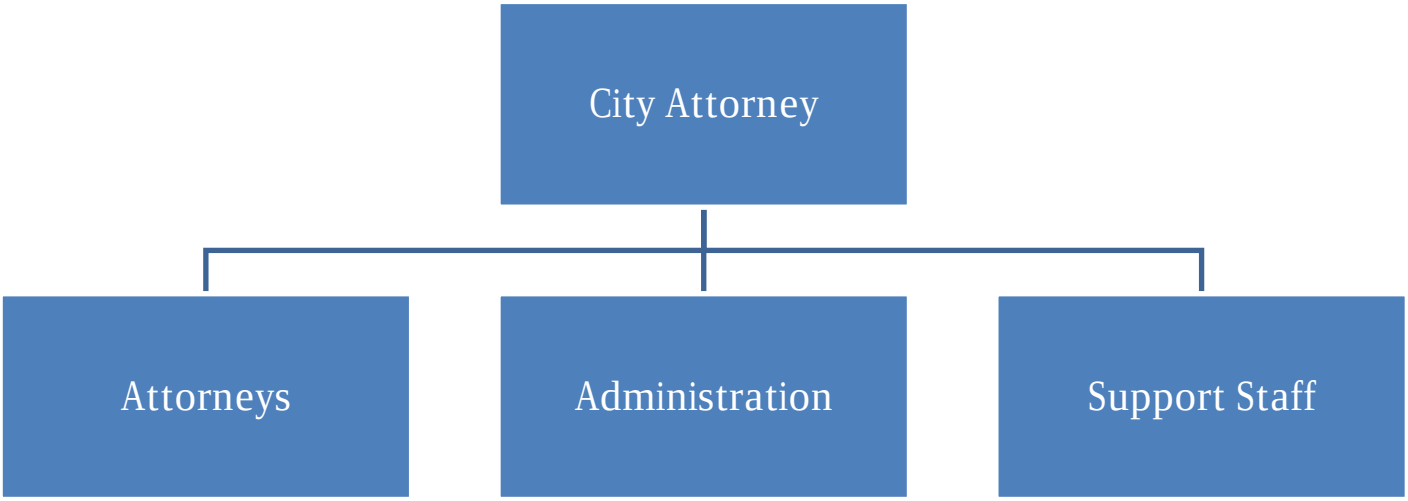
Description

The Office of the City Attorney (OCA) provides legal counsel to the City of Miami's Elected Officials and Administration. The City Attorney is the Charter Officer of the City responsible for all legal matters related to the City's municipal government and corporate affairs. The Office of the City Attorney is responsible for the prosecution and defense of all lawsuits brought by or against the City.

Contributing to the Administration's Priority of *Quality of Life*, the Office of the City Attorney performs all legal services essential to support the operations and functions of all City departments; handles all commercial and financial legal transactions; prepares all contracts, bonds, and legal instruments; and represents the City, its officers, and employees in all litigation. Additionally, staff drafts and reviews all ordinances and resolutions enacted by the City Commission. The City Attorney issues written legal opinions to inform, advise, and update the City Commission and the Administration on federal, state, and local laws impacting the conduct of municipal affairs.

Stakeholders include Elected Officials, the Administration, City departments, residents, and approximately 44 City authorities, boards, and committees.

City Attorney



Departmental Function/Unit	FY 2020-21	FY 2021-22
CITY ATTORNEY Directs, coordinates, and administers all legal matters concerning the City of Miami; handles all legal issues concerning City government; provides legal advice and direction to the Mayor, City Commission, City Manager, and department heads.	1	1
ATTORNEYS Assists the City Attorney by overseeing and administering all legal matters concerning the City of Miami; represents the City in court and before quasi-judicial or administrative agencies of government; performs other legal or administrative duties designated by local laws and the City Charter; serves as the City of Miami's Public Records Coordinator.	28	29
ADMINISTRATION Performs diversified managerial duties; develops, implements, and manages the office budget; implements and enforces office policies and procedures; provides personnel training; processes payroll; provides budget, finance, and procurement services; provides information technology systems support; administers the ProLaw database, coordinates upgrades of personal computers and computer systems; coordinates the City's legislative process with all departments within the City of Miami's organization.	5	5
SUPPORT STAFF Assists legal staff in the Office of the City Attorney; performs technical and complex clerical legal tasks; records legal documents with the court system; serves as courier for the Office.	26	26

Department Strategies for FY 2021-22

Continue to train the Administration to utilize "Next Request" in fulfilling and complying with all public records requests and legal requirements.

Continue responding to Legal Services Requests (LSRs) in a timely manner.

Continue improving the electronic office environment on-line tools and the office's electronic signature workflow.

Continue to expand collection efforts.

Collaborate with the City's Administration to develop an on-line payment portal for payments of Public Records Request to improve and minimize the delay in the receipt of payments and to allow a faster release of documents to the Requester.

Accomplishments in FY 2020-21

Successfully trained new members of the Administration to utilize "Next Request" to fulfill and comply with all public records requests.

Responded to all Legal Services Requests (LSRs) in a timely manner by establishing an office policy wherein all in-coming LSRs are reviewed and assigned to an Attorney within one business day.

Minimized the cost of outside counsel fees by only acquiring services that was absolutely needed.

Increased publications and trainings regarding current topics of law in legal journals. Continued to improve professionalism and customer service standards by hosting six trainingsincluding "Affordable Housing, On-going Compliance: The Miami Forever Bonds"; "Submerged Lands"; "The Evolution of Florida Summary Judgments Standard"; "Accela/The Legislative Process"; "General Procurement Code Training"; and "How to Process a Public Records Request".

Improved the internship and clerkship program to enhance law students' legal knowledge for future growth potential including potential recruitment. During the COVID-19 Pandemic, the Internship program swiftly transitioned to a virtual platform and the office successfully mentored twenty (20) students from various law schools and universities throughout the country.
Developed a fully electronic office environment by utilizing the above-mentioned on-line tools for internal and external meetings to be a more efficient virtual office. Implemented an electronic signature workflow. During the COVID-19 Pandemic, successfully transitioned to a series of processes, i.e. request for leave, approval of legal documents, correspondence, etc., to electronic format by utilizing Adobe Pro and other programs available to the City.
Recovered $1.510 million in collections during the pandemic.

Budget Highlights for FY 2021-22

The Budget includes the following addition:

The Travel and Per Diem Line item reflects an increase of $18,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $3,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the City Attorney (GF $230,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $8,000).
The addition of one Assistant City Attorney position budgeted at $163,000 (Year Salary plus Benefits: $205,000; FICA: $11,000; Attrition: -$53,000). This is funded from the budget allocation transfer from the Police Department.

City Clerk

Department Head: Todd B. Hannon Phone: (305) 250-5360
www.miamigov.com/Government/Departments-Organizations/City-Clerks-Office

Mission Statement

To capture and archive public records accurately while making them available to the public as quickly and broadly as possible, and to safeguard the integrity of the election process by applying technology and improved business processes.

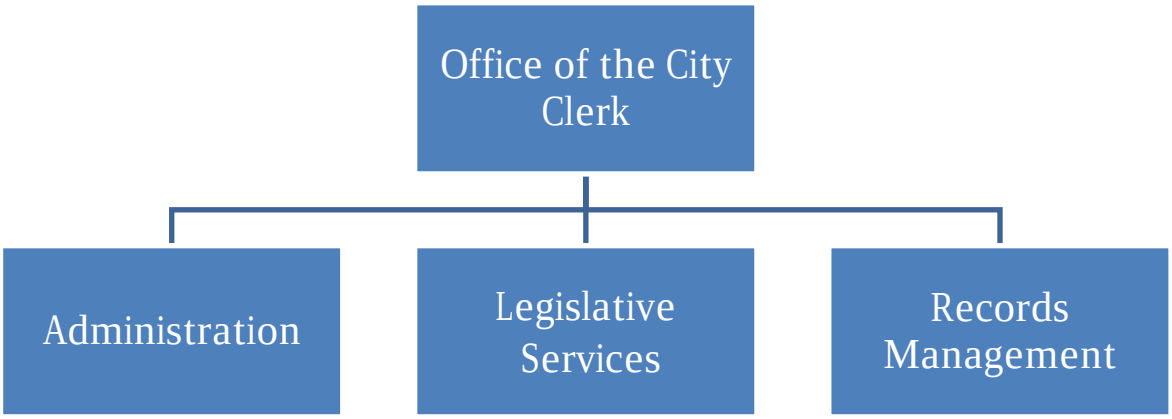
Description

The City Clerk's Office serves as the Clerk of the Board for the Miami City Commission. Duties and responsibilities are derived from the Florida Statutes, City Charter, and City Code, or are defined administratively. Staff records and maintains City Commission minutes, legislation, lobbyist registration, bid openings, meeting schedules, minutes and attendance records of all City boards, committees, agencies and trusts, and bond validation proceedings. Additionally, the Clerk's Office administers, supervises, and certifies municipal elections, including those for elected officials, advisory boards, charter amendments, City referenda, and straw ballot issues.

Contributing to the Administration's Priority of *Quality of Life*, the Clerk's staff prepares public notices and attends meetings of the City Commission, advisory boards, elections, and others as required. Staff ensures compliance of City records, as mandated by Florida Department of State, Division of Library and Information Services. Additionally, the Clerk's Office researches and implements records management best practices and technologies according to industry standards, and maintains a searchable repository of active, inactive, and historical records. The Clerk's Office also works on collaborative projects and cost sharing approaches for the preservation of the City's archives.

Stakeholders include Elected Officials, City residents, visitors, and City departments.

City Clerk



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE CITY CLERK Performs the constitutional and statutory responsibilities of the City Clerk; attends and records City Commission, Southeast Overtown Park West, Omni and Midtown Community Redevelopment Agency (CRA) meetings: prepares and administers oaths of office; maintains official calendars of the City Commission, Boards, and Committee meetings; attests documents as Secretary of the Municipal Corporation for the City of Miami and CRAs.	1	1
ADMINISTRATION Prepares the annual budget and archives contracts and agreements; oversees all matters relating to personnel and expenditures; tracks office metrics used for strategic planning; coordinates the implementation and installation of new programs and operating systems for the enhancement of the legislative process; provides administrative support services, as mandated by the Miami City Code to boards and committees; supervises and administers all municipal elections (charter amendments, candidates, bond, referenda, etc.), including the City of Miami's Civil Service Board election; certifies and declares election results.	4	4
LEGISLATIVE SERVICES Records City Commission and CRA actions; numbers and records resolutions and ordinances; prepares and distributes official City Commission after-action reports; transcribes minutes verbatim and distributes same; attends and participates in bond validation proceedings; advertises official notices as mandated by state and local laws; registers and maintains lobbyist files; coordinates the routing of bids and proposals for appropriate tabulation; reproduces, certifies, notarizes, and researches official City records; provides passport application services; notifies board and committee appointees upon being selected by the City Commission.	5	5
RECORDS MANAGEMENT Archives on-site digitized official records from 1896 to the present; develops, updates, and maintains the City of Miami Records Management Procedures Manual for on-site and off-site destruction, filing, and retention schedule; oversees compliance with State of Florida General Records Schedules; digitally archives agenda, minutes, ordinances, resolutions, background memoranda, and other related documents.	2	2

Department Strategies for FY 2021-22

Upgrade the For the Record (FTR) recording software program used at Miami City Hall for City Commission and Board meetings from an analog signal to a digital signal by programming the Q-Sys platform to interface with the latest version of FTR using a Dante virtual sound card.

Launch Weblink function of the Laserfiche Document Management System to allow internal and external customers access to Miami Commission documents from 2003-present (legislation, agendas, and minutes).

Accomplishments in FY 2020-21

Collaborated with the Innovation and Technology Department on developing a user interface for the Weblink function of the Laserfiche Document Management System so that the program can be launched to allow internal and external customers access to Miami Commission documents from 2003-present (legislation, agendas, and minutes).

Updated and redesigned the City Clerk's Office election webpage by the Elections Coordinator to provide step-by-step instructions on the numerous requirements to run for elected office. The website now entails a comprehensive landing page containing various subject matters associated with elections that users can select, taking them to extensive subpages containing important and invaluable information.

Administered the Civil Service Board Election held on April 15, 2021 and April 16, 2021 for seat numbers one and two of the Civil Service Board.

Removed approximately 1,074.2 cubic feet of off-site storage documents that either met their retention value per the Florida Department of State's GS1-SL and GS2 Records Schedules or were digitized and the paper copies were no longer needed resulting in a significant savings to the City through reduced off-site storage costs.

City Clerk

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Repair and Maintenance Services Line item reflects a reduction of $5,000 (GF)to align the budget with actual trend of expenditures.
The decrease in Advertising and Related Costs Line item reflects a reduction of $23,000 (GF) to align the budget with actual trend of expenditures.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) (GF $5,000; SR $3,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $1,000); including the City Clerk and Assistant City Clerk (GF $10,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $36,000).

Civil Service Board

Department Head: Tishria L. Mindingall Phone: (305) 416-2020
www.miamigov.com/Government/Departments-Organizations/Civil-Service-Board-Office

Mission Statement

To ensure that City employees in the Classified service are hired, promoted, and retained based upon merit, efficiency, character, and industry and not political patronage. The Civil Service Board will enforce the principles of a merit-based system of employment.

Description

The City Charter provides for a Civil Service Board consisting of five members to adopt, amend, and enforce a code of rules and regulations, subject to the approval of the City Commission, providing for appointment and employment in all positions in the classified service. The Board is responsible for the enforcement of Section 36 of the City of Miami Charter and Chapter 40 of the Code of Laws, and executes legislative, administrative, and quasi-judicial functions that serve to protect and defend the merit system. The Board also ensures that established rules, regulations, policies, and procedures are utilized in the hiring, promoting and retaining of capable people into the City's workforce. It considers complaints made by and against City of Miami employees and departments, as well as appeals of disciplinary action. The Board has an advisory and reporting function to the City of Miami Commission and at times reports findings and recommendations to Department Directors and the City Manager.

Contributing to the Administration's Priority of *Quality of Life*, the staff prepares and maintains the agendas and minutes, meets with and guides employees and residents in the civil service process and methods, conducts research and prepares regular and special reports, and performs all administrative functions for the members.

The Board and staff perform their duties for the benefit of employees, applicants, and residents of the City of Miami, who have the ability to address the Board via Rules 2.7, 14.1, and 16.1.

Department Strategies for FY 2021-22

Continue to update Civil Service Rules and Regulations and Procedures as needed and produce Reports and related documents
Continue to provide information, including departmental newsletters and informational bulletins.
Continue to conduct Appeal, Whistleblower, Grievance, Investigation, and Unsatisfactory Service Rating hearings, rendering Findings of Fact, Memoranda and Reports.
Continue to train and orient employees via new employee orientation, new supervisor orientation and Civil Service Board workshops, regarding employment policies and procedures.

Accomplishments in FY 2020-21

Provided Memoranda and Reports regarding formulating personnel hiring and employment policies to the Manager and departments.
Held 12 Civil Service Board meetings, ruled on hearings (appeals, whistleblower, grievance, investigation, and unsatisfactory service rating matters), and rendered Reports, Findings and Recommendations.
Conducted eight Civil Service Rules Workshops and New Employee and Supervisor Orientations. Published eight Informational Bulletins and Departmental Newsletters.

Budget Highlights for FY 2021-22

The Budget includes the following addition:

The Travel and Per Diem Line item reflects an increase of $3,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $9,000) .

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $3,000).

Code Compliance

Department Head: Eric D. Nemons, JD, MBA, Interim Director Phone: (305) 416-2087
www.miamigov.com/Government/Departments-Organizations/Code-Compliance

Mission Statement

The mission of the Department of Code Compliance is to work in partnership with our community to promote health and safety, safeguard civic and community assets, and elevate quality of life and aesthetics in the City of Miami by educating the public about and fairly enforcing our City's codes.

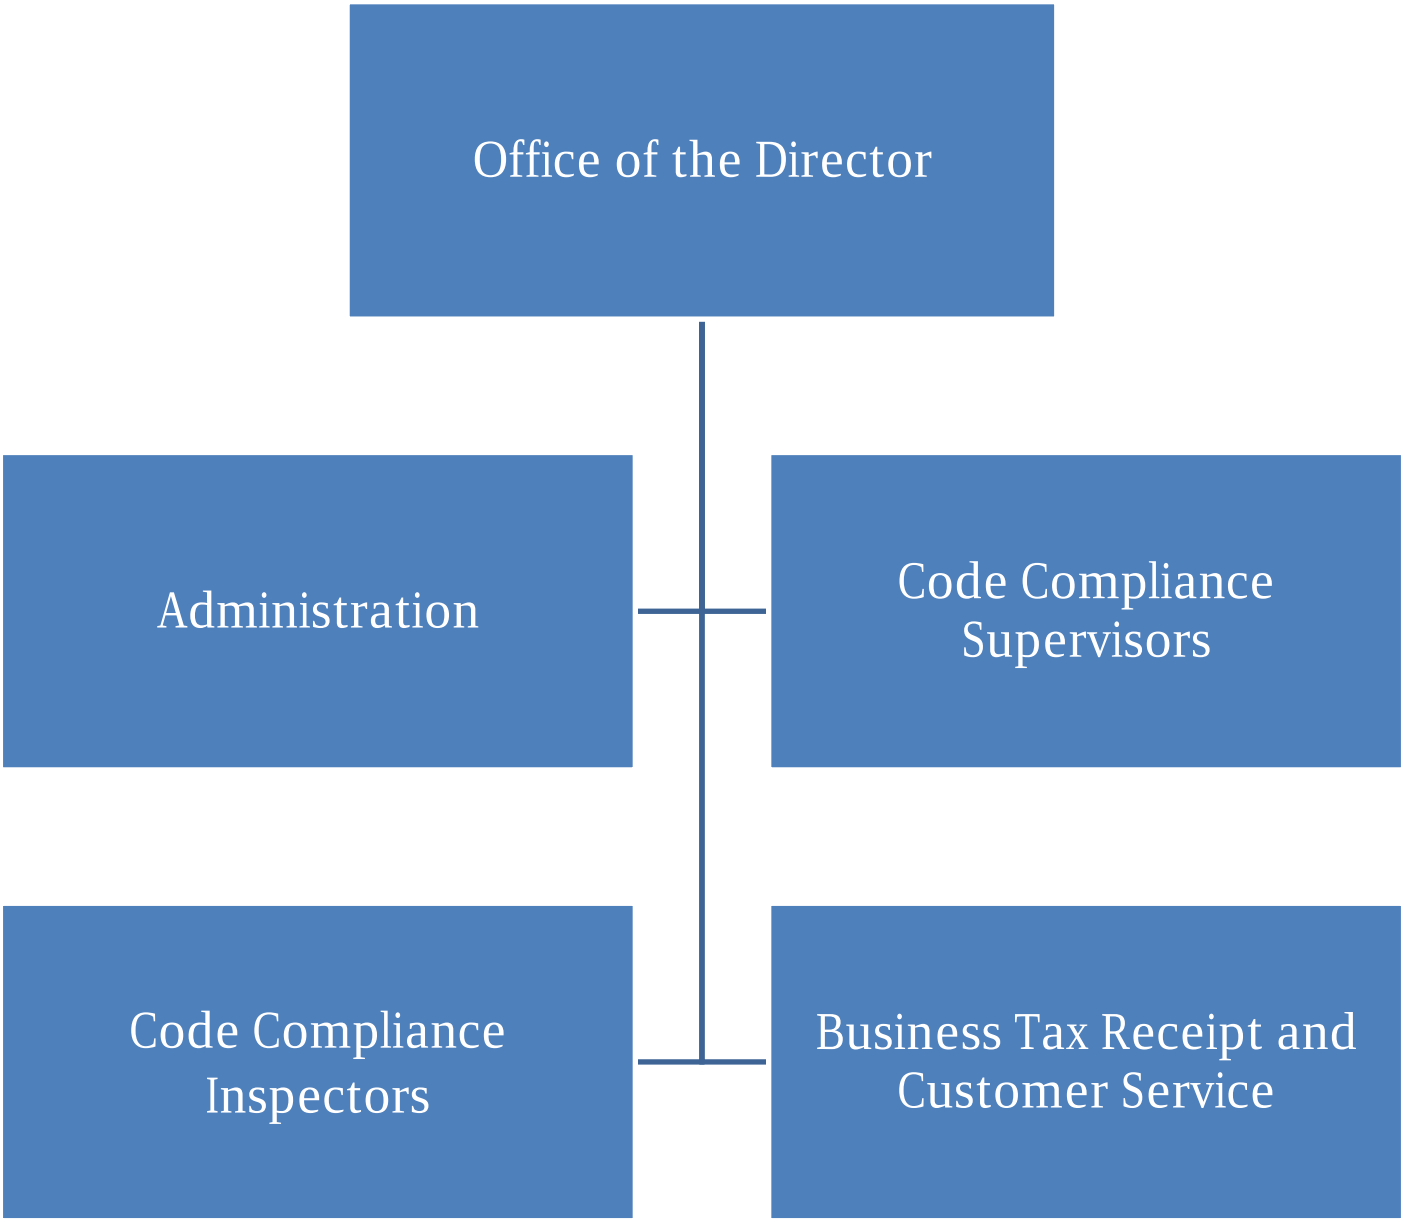
Description

The Department of Code Compliance is responsible for educating residents about and ensuring compliance with an environment of more than 300 civil infractions of our City code, approximately 470,000 residents, 56 square miles, and 69,000 single-family residences.

Contributing to the Administration's Priority of *Quality of Life*, the Department of Code Compliance is responsible for promoting effective service delivery and quality customer service, empowering residents and businesses to beautify their communities, and maintain streets and public spaces to a high standard using the City's Codes and Ordinances. Code Compliance proactively educates the community in the field and through community meetings. Code Compliance inspectors respond to complaints from the community, receive referrals from other departments, perform Certificate of Use inspections, participate in joint inspections with Fire-Rescue and Police Departments, address issues of community concern, and educate the property owners about the violation and assist in guiding them through the process of compliance.

Stakeholders include City of Miami residents, businesses, visitors, civic groups, fellow City Departments, and other government entities.

Code Compliance



Code Compliance

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Provides leadership, guidance, and accountability for the Department; assists other City departments and agencies with Code Compliance issues, ordinances, policies, procedures and protocols and the City Charter.	2	2
ADMINISTRATION Provides administrative support for budgeting, billing, collections, lien processing, human resources, payroll and Kronos management, information technology, and procurement.	3	4
BUSINESS TAX RECEIPT AND CUSTOMER SERVICE Provides customer service via phone and in person; assists with clerical duties such as mailing correspondence regarding Code Compliance matters to residents, accepts and processes all Business Tax Receipt applications for the City of Miami.	3	3
CODE COMPLIANCE SUPERVISORS Supervises the daily functions of Code Compliance Inspectors; patrols neighborhoods in search of violations of the City's code; maintains records and correspondence pertaining to violations; works with the Solid Waste Department to achieve waste disposal in accordance with sanitation ordinances; enlists support from other Departments as needed to correct Code Compliance violations and refer violations to appropriate colleagues, works with the community to resolve code violations; processes Certificates of Use (CU) and Business Tax Receipts (BTR) for businesses found non-compliant in the field; collects outstanding fees.	6	6
CODE COMPLIANCE INSPECTORS Responds to community complaints, referrals from other Departments, and the results of assigned inspections; patrols neighborhoods in search of violations of the City's code; maintains records and correspondence pertaining to violations; works with the Solid Waste Department to achieve waste disposal in accordance with sanitation ordinances; works with the community to resolve code violations; ensures compliance with CUs and BTRs processes; brings all cases and testifies at the Code Enforcement Board or Ticket Appeals hearings.	57	60

Department Strategies for FY 2021-22

Continue to attend and actively engage civic, community, and professional groups interested in Code Compliance matters and quality of life issues generally.

Continue to train the staff through regular internal trainings on at least a monthly basis to ensure all team members are current on legislative and administrative developments, as well as best practices generally.

Continue to enhance the educational materials available online and in print in English, Spanish, and Creole for our residents to better understand commonly occurring Code Compliance violations and how to achieve compliance with relevant City codes.

Continue to implement the new technology platform, Code Check.

Improve procedures and processes regarding City Wide compliance of Certificate of Use and Business Tax Receipts, continue to work in conjunction with Solid Waste to address illegal dumping, and systemically work to review and close pre-2019 cases in preparation for our new tracking system.

Continue to implement quality control measures to evaluate compliance regularly by Code Compliance staff with internal department protocols reflected in the Code Compliance Process Manual and Standard Operating Procedures.

Code Compliance

Accomplishments in FY 2020-2021

Attended 20 homeowners and neighborhood association meetings to educate residents on Code Compliance issues and listen to community concerns.

Provided ongoing virtual training to Code Compliance staff through Human Resources regarding active listening, conflict de-escalation, managing difficult conversations, and other aspects of quality customer service to reinforce skill set.

Continued to update Code Compliance educational materials (English, Creole, Spanish) available on the City's website to include infographics. Continued to publicize and disseminate the After-Hours Code Compliance Hotline information publicly through community meetings and website.

Continued the implementation of the technology platform, Code Check. Due to COVID-19, the service provider had to be changed. Therefore, alpha testing the new technological platform that will replace City Viewshould be completed by the end of calendar year 2021.

Implemented additional quality control measures by creating a Code Compliance call center to improve end-user experience with contacting the Department to ensure fewer lost calls. Created a voicemail system in English, Spanish, and Creole that is regularly monitored. Implemented dedicated lines for each Code Compliance inspector and publicized those direct numbers on the website and in all correspondence sent to property owners to improve ease of contact with individual inspectors who have information on how to bring a particular property into compliance.

Improved response times to 311 requests and customer service experience by making the Department and its inspectors more accessible through individual contact information and by improving the accuracy. Responses to 311 requests from the first and second quarters of FY 2020-2021 to the third and fourth quarters of FY 2020-2021 improved from 70 percent to 88 percent.

Continued the Task Force to help ensure Citywide compliance with the Certificate of Use and Business Tax Receipts in order to increase efficiency and better track interactions with local businesses. Move to fully process online Business Tax Receipt Application so that the public may apply online without having to visit the City administration building.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Office Supplies Line item reflects a reduction of $6,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Professional Services Line item to reflect an increase in Lot Clearing expenses (GF $30,000).

Additional funding was added to the Professional Services-Legal Line item (GF $2,000).

Additional funding was added to the Communication and Related Services Line item for Citywide phones (GF $29,000).
Additional funding was added to the Postage Line item (GF $5,000).
Additional funding was added to the Printing and Binding Line item (GF $3,000).
Additional funding was added to the Office Supplies Line item (GF $3,000).
Additional funding was added to the Clothing and Uniform Line item to maintain the union contract (GF $3,000).
Additional funding was added to the Subscriptions and Membership Line item to maintain all F.A.C.E. Certifications (GF $14,000).
The Regular Salaries and Wages Line item reflects the addition of three Code Compliance Inspector positions for the Dry-Hour 305 Task Force, and a Clerical Aide position $179,000 (GF).
The Machinery and Equipment Line item reflects an increase of $20,000 (GF) for the Dry-Hour 305 Task Force.

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $83,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $21,000).
The Budget reflects a General Fund contribution to Capital for the Dry-Hour 305 Task Force (GF $81,000).
The Budget reflects a General Services Administration Impact Fee contribution to Capital for the Code Compliance Body Cameras project ($150,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $223,000).

Communications

Department Head: Stephanie Severino Phone: (305) 416-1439
www.miamigov.com/Government/Departments-Organizations/Communications

Mission Statement

The Office of Communications strives to achieve the highest standards in providing public access to the governmental process, disseminating official information for the City of Miami. The Office creates original content and shares it through a variety of platforms, including local media, to inform and engage residents, businesses, visitors, and global stakeholders.

Description

The Office of Communications is responsible for disseminating official information for the City of Miami, responding to requests from the media, and promoting City events, resources, and services using a full range of platforms. It plays a vital role in engaging community members by keeping them informed about what is happening Citywide and at district and local levels.

Contributing to the Administration's Priority of *Quality of Life*, the Office of Communications develops and executes internal and external communications campaigns, produces original video content including public service announcements, broadcasts and livestreams Commission meetings and other events, and provides audio and visual services to City departments and elected officials for events and presentations. To engage directly with residents, the Office creates original multi-platform content that explains City services and aligns with City priorities. The Office of Communications manages the City's official social media accounts on Twitter, Facebook, YouTube, Instagram, and Nextdoor, and creates content for City websites.

The Office of Communications serves the Elected Officials, the City Administration, City Departments, City residents, and visitors.

Department Strategies for FY 2021-22

Continue to assist the City Administration, City Departments, and Elected Officials with the dissemination of information via original content and traditional media outreach about City meetings and events using the website, Facebook, Twitter, Instagram, Next-door, Periscope, YouTube, Miami TV, and news releases.

Continue to focus on engaging residents directly via social media platforms, and on strategically growing each platform's follower base.

Continue to produce Resilience Update Newsletter, as well as social media video series.

Continue to digitize DVDs to facilitate an easier and faster way to fulfill public records requests.

Publish timely news, and information on the City's website.

Create original content that directly aligns with the Administration's priorities.

Accomplishments in FY 2020-21

Assisted the City Administration, City Departments, and Elected Officials with the dissemination of information via original content, traditional media, and digital media outreach. Regularly posted new content on the News and Events section of the City's website to keep the community informed and up to date on the City's news and initiatives.

Engaged and placed a strategic focus on engaging residents directly via social media platforms while simultaneously growing each platform's follower base. Replied directly to follower messages when appropriate and reached more than 39,000 residents Citywide using Nextdoor.com, and geo-targeted messaging to specific neighborhoods and districts. Created original content that directly aligned with the Administrations priorities.

Communications

- Successfully completed the Census 2020 #MakeMiamiCount campaign with social media impressions. Continued to produce the Resilience Update Newsletter, as well as seasonal video segments named Miami Eats, Miami Made and Miami Evergreen among others.
  Digitized DVDs to facilitate an easier and faster way to fulfill public records requests.
  Produced 164 videos regarding COVID-19. Additionally, the department updated residents with 32 COVID-19 updates and over 400 COVID-19 related press releases.
  Consistently posted advance notice of public meetings on the City's website home page and social media.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The reduction in Other Salaries and Wages - Part-Time Line item is due to the removal of a Part-Time Staff Services Assistant position (GF $12,000).

The Budget includes the following addition:

Additional funding was added to the Other Contractual Services Line item due to the streaming service Live U (GF $3,000).

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $14,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $12,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $28,000).

Equal Opportunity and Diversity Programs

Department Head: Asseline Hyppolite Phone: (305) 416-1990
www.archive.miamigov.com/eodp

Mission Statement

To make certain that the City of Miami is an equal opportunity employer that maintains a work environment free from all forms of unlawful discrimination.

Description

The Office of Equal Opportunity and Diversity Programs (EODP) was established under Chapter 2, Article IV, Division 15, Section 2-581 of the City Code. The Office oversees and manages the City's equal employment opportunity function and overall compliance with laws and administrative policies prohibiting employment discrimination.

Contributing to the Administration's Priority of *Quality of Life*, the Office is committed to improving the work environment at the City of Miami for employees and applicants, as well as citizens doing business with the City. EODP investigates internal complaints involving employment discrimination and also handles charges of discrimination filed with the Equal Employment Opportunity Commission (EEOC), the Florida Commission on Human Relations, and the Miami-Dade County Commission on Human Rights. EODP acts to prevent or decrease instances of discrimination by developing and implementing instructional programs emphasizing the City's prohibition of discrimination in employment and highlighting the importance of diversity in the workforce. Additionally, EODP monitors various employment recruiting, selection, and promotional procedures, and is responsible for theCity's fulfillment of certain federal reporting requirements. It provides support to the City's Equal Opportunity Advisory Board. EODP is independent from any City department, reporting directly to the City Manager. This independence provides employees with a comfortable and neutral setting to report instances of perceived discrimination, which are often extremely sensitive in nature.

Stakeholders include City of Miami employees, applicants, as well as citizens doing business with a City of Miami entity.

Equal Opportunity and Diversity Programs

Department Strategies for FY 2021-22

Continue to ensure the City's compliance with Equal Employment Opportunity (EEO) laws by implementing tools for prevention, promptly investigating claims of discrimination, scrutinizing employee selection procedures, and providing up-to-date, accessible guidance and training to City leadership, staff, and relevant stakeholders.
Continue to update and enrich equal employment, diversity and sexual harassment training programs and services to position the City as a proactive entity to minimize the potential for employment discrimination claims, such as implementing specialized training for sworn Police personnel in leadership roles to help prevent, recognize, and address these issues.
Continue to advance the professional development of EODP staff by attending at least four pertinent webinars, seminars, and conferences that regulate or amend state, local, and federal EEO laws.
Continue to provide quality assistance to advisory board by supplying administrative materials and technical guidance.
Continue to expand the Nursing Mother's Program Citywide.

Accomplishments in FY 2020-21

Aligned the internal investigation timeline and reports to more closely mirror those of the Equal Employment Opportunity Commission (EEOC). Projected to complete 50 investigations formally filed with EODP or the EEOC.
Completed over 60 trainings to employees on equal employment, diversity, and discrimination issues, which eliminates the City's need to allocate funding for outsourced employee training courses. Coordinated with the Police Department to developed specialized training for sworn Police personnel in leadership roles to help prevent, recognize, and address issues of equal opportunity, diversity, and sexual harassment.
Attended over ten pertinent webinars, seminars, and conferences that regulate or amend state, local, and federal EEO laws.
Provided quality assistance advisory board by supplying administrative materials and technical guidance during organized meetings of the Equal Opportunity Advisory Board.
Worked towards the expansion of the Nursing Mother's Program Citywide by procuring services to establish a Nursing station at City hall.
Changes made to the Department's operations due to COVID delayed the development of the EODP newsletter. Staff is currently working on it, and the Department expects to have the first draft before the end of this fiscal year.
Planned and coordinated "Women's History Month" event to recognize trailblazer female employees and community leaders.
Planned and coordinated "World Diversity Day" event for employees, as well as the community, to inspire dialogue and to promote the understanding and value of diversity.

Equal Opportunity and Diversity Programs

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Other Contractual Services Line item reflects the reduction of $4,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Travel and Per Diem Line item for the EODP Administrator and new Senior EODP Specialist to attend the Internal Investigations Program (GF $4,500).
The Training Line item reflects an increase of $3,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $9,000).

Department Head: Erica Paschal-Darling, CPA Phone: (305) 416-1328
www.miamigov.com/Government/Departments-Organizations/Finance-Department

Mission Statement

To provide timely, accurate, and clear financial information to key stakeholders in support of other City departments, citizens, and the community at large, while providing first class customer service through the efforts and dedication of our employees.

Description

The Finance Department establishes a robust financial and internal control structure. It delivers financial services to stakeholders and policy makers so they can make informed decisions to achieve results that align with the City's strategic plan.

The Department provides fiscal and accounting controls over City resources in support of the Administration's priority of *Quality of Life*. The Finance Department is responsible for processing accounts payable (vendor payments), employee payroll and related remittances, maintaining the City's general ledger system, monitoring capital assets, providing centralized customer service, centralizing billing and invoicing, tracking accounts receivable, collecting on delinquent accounts, maintaining oversight of the Citywide Point of Sale (POS) system, renewing Business Tax Receipts (BTRs), monitoring capital projects and grants, investing responsively while optimizing pool cash, and administering debt service. The Department also conducts financial system training, coordinates the annual financial audit, the State of Florida Audit, the Federal Single Audit, and prepares routine financial reports, the City's Comprehensive Annual Financial Report, the City's Popular Annual Financial Report (PAFR), the Single Audit Report, the City's Annual Report to Bondholders, and the State of Florida Annual Financial Report.

The Finance Department serves all City departments, as well as those entities conducting financial transactions with the City of Miami. The financial data it generates is used by citizens, Elected Officials, and investors.

Department Strategies for FY 2021-22

Maintain a high-tier bond rating by applying sound asset management internal controls and enhanced investment strategies.

Achieve optimal operational efficiency regarding the payment of City vendors by reducing the average number of days to process invoices Citywide and ensuring that all Departments have their respective invoices processed within the State of Florida mandate of 45 days.

Streamline the grant reimbursement process to ensure timely receipt of City funds.

Prepare the City's Cost Allocation Plan, Supplemental Report to Bondholders, Monthly Financial Reports, Popular Annual Financial Report (PAFR), Comprehensive Annual Financial Report, and any other mandated financial reports accurately and timely.

Refinance outstanding bonds to reduce interest costs and create savings when appropriate.

Maintain a continuous focus on modernizing and streamlining the City's financial systems.

Finance

Accomplishments in FY 2020-21

Simplified the process for suppliers to receive payment from the City by updating the direct deposit (ACH) set up form online and encouraging suppliers to enroll in ACH payments. Improved the ACH verification process to protect the City against fraudulent requests. Ensured timely payments to suppliers during the COVID-19 pandemic with a primarily remote working staff.

In October of 2020, Fitch Ratings affirmed the City of Miami's 'AA' Issuer Default Rating (IDR) and the 'AA-' rating on outstanding special obligation non-ad valorem revenue bonds. The rating outlook is stable.

Facilitated the City's Federal Emergency Management Agency (FEMA) Public Assistance recovery efforts for expenditures related to Hurricane Irma, resulting in reimbursements to date of $25 million for the City and four successful appeals to FEMA for reimbursement of damage claims.

Published the 2020 Comprehensive Annual Financial Report with an unqualified audit opinion by March 31, 2021 utilizing the Hyperion Financial Management (HFM) system. Successfully completed the 2020 Single Audit and Management Letter by April 30, 2021, in accordance with the City's Financial Integrity Principles. The Management Letter reflected no findings for the Finance Department. Preparation of the Cost Allocation Plan is ongoing and is expected to be completed in September 2021.

Refunded Special Obligation Non-Ad Valorem Revenue Refunding Bonds, Series 2012 (Port of Miami Tunnel Project) resulting in a savings of $1.256 million Net Present Value. Issued Special Obligation Revenue Bonds, Series 2021 for the purpose of financing the FP&L Undergrounding project for an amount not to exceed $27 million.

Participated in the following virtual trainings: The FICPA State and Local Government Accounting Conference; Investment Seminars offered by PFM Asset Management; and Public Sector CPE offered by RSM US, LLP.

Implemented a treasury management software (Sympro) to improve processes related to cash, investments, and debt management, and integrated it with the Oracle financial system. Implemented the Point-of-Sale (POS) system at the Virginia Key Beach toll booth to allow for more efficient and secure cash management and credit card transaction processing. Managed the upgrade of KRONOS Timekeeper software to the cloud-based version of 8.1.1, which allows for the efficient use of city resources and generates cost savings by eliminating the need for an on-site support team and on-premises upgrades. Kronos is now used Citywide. Assisted the Police Department to implement Kronos Telestaff – Integrated Telestaff Police with Kronos Workforce central to allow better scheduling and time management for the Police Department. Telestaff implementation for the Fire Department is in progress.

Awarded a Certificate of Achievement for Excellence in Financial Reporting by The Government Finance Officers Association of the United States and Canada (GFOA) for the City's Comprehensive Annual Financial Report in the fiscal year ended September 30, 2019. The Certificate of Achievement is the highest form of recognitionin governmental accounting and financial reporting. The attainment of this award represents a significant accomplishment by a government and its financial management team.

Transitioned the Finance Department's staff and teams to working remotely due to the COVID-19 pandemic, while ensuring timely mailing of all renewal invoices to maintain revenue from billings. Also, ensured continuous, timely, and accurate payroll of all City employees and submission of all statutory reports during the COVID-19 pandemic. Achieved greater efficiency and security of payouts by providing information and encouragement to employees to enroll in direct deposit, with a significant improvement in the number of physical checks being issued each check run.

Finance

Budget Highlights for FY 2021-22

The Budget includes the following additions:

The Other Contractual Services Line item reflects an increase of $19,000 (GF) to fund a contractual increase to Vertex $4,000 (GF) and moving funding for the maintenance of Kronos Clocks from the Innovation and Technology Department to the Finance Department $15,000 (GF).
The Travel and Per Diem Line item reflects an increase of $16,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $11,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employeescollective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $69,000) and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $46,000).
The budget reflects General Fund contributions to Capital for the following projects: the Point-of-Sale (POS) System Replacement ($475,000) and SplashBI Software (EiS) ($95,000).
The budget reflects funding to the City from the federal government pursuant to the passage of the American Rescue Plan Act of 2021. The first half of the allocation was accepted by the City Commission and placed in a Special Revenue Fund pursuant to Miami City Commission Resolution R-21-0268. The City expects to receive a second allocation in FY 2021-22. The total amount is reflected in the Budget Reserve Line item (SR $137.640 million).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $222,000).

Grants Administration

Department Head: Lillian P. Blondet Phone: (305) 416-1536
www.miamigov.com/Government/Departments-Organizations/Grants-Administration

Mission Statement

To assist City departments and staff in securing grants and external funding opportunities to implement, expand, and enhance services and activities that advance key priority areas identified in the Strategic Plan.

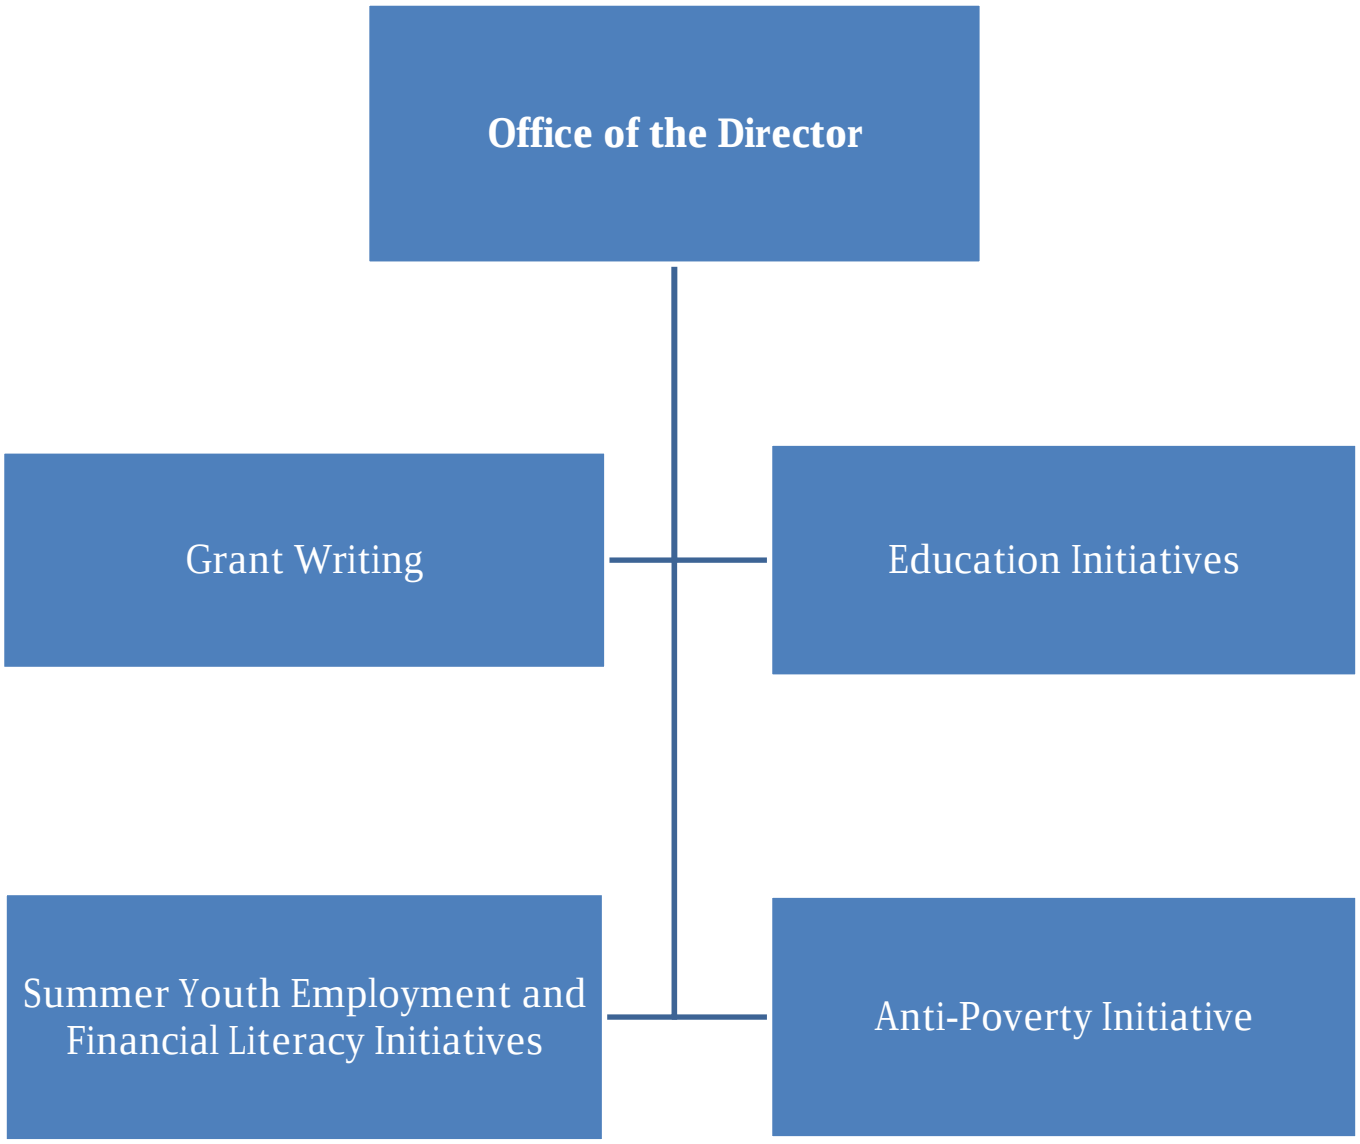
Description

The Office of Grants Administration (OGA) identifies funding and partnership opportunities for all City departments from federal, state, local governments, foundations, and private funding sources to maximize revenue-generating opportunities. Additionally, OGA manages and administers grants and programs for Citywide initiatives, including the Summer Youth Employment and Financial Empowerment Initiatives, Education Initiatives, and the Anti-Poverty Initiative (API) Program.

Contributing to the Administration's Priority of *Quality of Life*, OGA coordinates and oversees all aspects related to the writing, preparation, and submission of grant applications and funding applications for all City departments. In addition, OGA provides technical support to City Departments to ensure the implementation of policies and practices in compliance with applicable federal, state, and local laws, regulations, and contract stipulations. OGA also provides expertise in assessing changes, regulatory compliance, and grant management that may impact funding.It also administers and implements the Miami Summer Jobs Connect Program, the Families First Parenting Program, and the Anti-Poverty Initiative.

The stakeholders include the Mayor, the Commissioners, the City Manager, City departments, and residents, as well as private donors and public-sector grantors at the federal, state, and local levels of government.

Grants Administration



Grants Administration

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Coordinates and oversees all aspects of the development of grant proposals to maximize revenue generating opportunities; provides technical assistance to ensure that the City maintains compliance with applicable programmatic and administrative federal, state, and local grant requirements; offers leadership and direction to departmental staff; prepares and manages the departmental budget; performs administrative functions as required; directs the implementation of Citywide initiatives.	2	2
GRANT WRITING Identifies grant opportunities, distributes information, and processes grant applications; assists all City departments in the development, submission, and oversight of grants as per grantor guidelines; provides technical support and expertise in assessing program and funder requirements, regulatory compliance, and grant management that may impact current and future funding.	4	4
EDUCATION INITIATIVES Pursues funding for programs advancing the City's education needs and priorities; manages education- related programs funded by federal, state, and local agencies.	1	1
SUMMER YOUTH EMPLOYMENT and FINANCIAL LITERACY INITIATIVES Manages and implement the Summer Youth Employment and Financial Literacy Initiatives, oversees the AmeriCorps VISTA (Volunteers in Service to America) year-round and summer program. Pursue funding for programs advancing the City's youth employment and financial literacy needs and priorities.	1	1
ANTI – POVERTY INITIATIVE Oversees the contract execution process of Anti-Poverty Initiative funds allocated by elected officials to entities providing services that improve residents' self-sufficiency; ensures that entities conform to API's program guidelines and requirements.	1	1

Department Strategies for FY 2021-22

Work with departments and City staff to identify projects and funding needs to develop a strategy and timeline for the submittal of grant applications.

Continue to offer the Families First Parenting Program to at least 112 families and caregivers.

Re-establish the Miami-Dade County Public School Internship Program.

Continue to provide employment and financial literacy education to Miami's disadvantage youth through the Summer Jobs Connect Miami program.

Process and route Anti-Poverty agreements in a timely manner to facilitate implementation of programs and services.

Accomplishments in FY 2020-21

Submitted 35 grants totaling over $31.7 million in potential grant awards; and have been awarded 20 grants totaling over $32 million exceeding the goal of 50 percent awarded.

Offered a virtual Families First Parenting Program to 70 families and caregivers in four-cohorts. Staff completed the Incredible Years Evidence Based Training.

Suspended the Miami-Dade County Public Schools internship program for high school students due to COVID-19.

Restructured Summer Jobs Connect Miami Program to offer financial literacy education through three virtual or face-to-face experiences – Civic engagement, Entrepreneurship Summer Accelerator and Hands-on Work

Experience - to approximately 300 disadvantaged Miami youth in adherence to COVID-19 social distancing protocols for the 8th year.
Suspended the VISTA program and closed the grant in 2021. However, the application for 2022 has been submitted for renewal and awaiting to be awarded.
Completed updates to the Empower App to incorporate application process, document upload and availability of all financial literacy lessons.
Processed 22 Anti-Poverty Agreements resulting in $1.582 million allocated to assist 33,367 residents through various programs.
Received a $200,000 grant from the Cities of Financial Empowerment Fund to continue offering the Summer Youth Program.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Other Contractual Services Line item reflects the reduction of $87,000 (SR) due in part to the CFE Grant expiring and the Summer Youth Program reducing funds.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract(s) between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employeescollective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $11,000); and an average of five percent salary increase and a two percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $10,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $25,000).

Human Resources

Department Head: Angela Roberts Phone: (305) 416-2110
www.miamigov.com/Government/Departments-Organizations/Human-Resources

Mission Statement

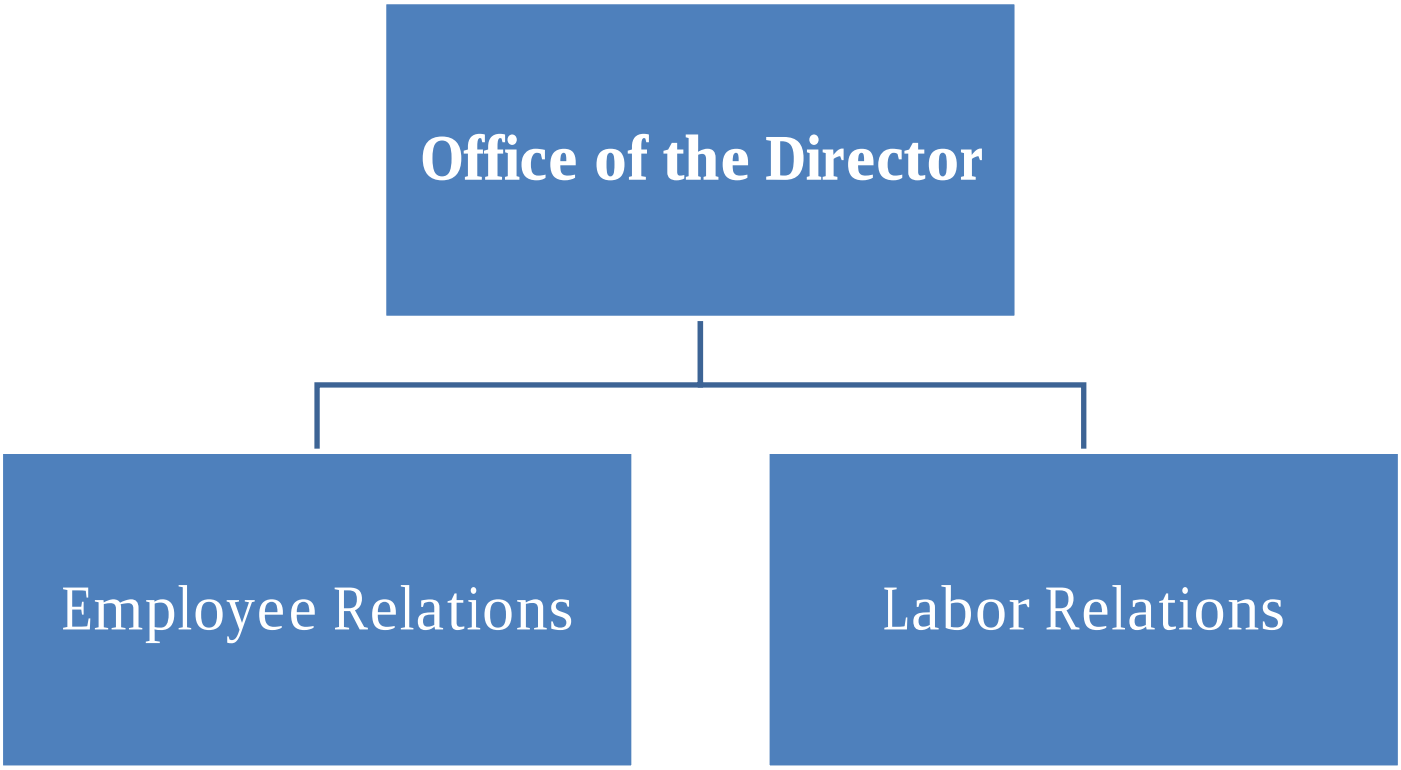
Providing excellent human resources services in a positive, professional, and proactive manner.

Description

The Department of Human Resources plans, organizes, leads, and administers the various personnel services for civil service, unclassified, and temporary employees. The responsibilities of the Department include participating in all aspects of securing and administering collective bargaining agreements; interpreting City policies and procedures, and promoting Citywide adherence to applicable laws and regulations related to management-employee relations; supporting Citywide staffing needs of operating departments; investigating alleged violations of administrative policies and non-criminal laws related to the workforce that are not related to Equal Employment Opportunity (EEO); providing Citywide training, internal communications, and other developmental programs.

Contributing to the Administration's Priority of *Quality of Life*, the Department provides services through several divisions and sections: Employment, Labor Relations, Records Management, Compensation, Testing and Validation, Pre-employment, Medical, and Organizational Development and Training. All personnel activities are managed based on policies and procedures developed in accordance with City Commission mandates; labor agreements; Civil Service Rules and Regulations; and federal, state, and local laws.

Stakeholders include the City Manager, the Administration, Department Directors, unions, all City employees, the Mayor, the Commissioners, and all job applicants interested in becoming part of the City of Miami team.



Office of the Director
Employee Relations
Labor Relations

Human Resources

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Originates and leads Human Resources (HR) practices and objectives in accordance with the City Charter, Civil Service Rules, and City policies to provide an employee-oriented, high-performance culture; oversees and manages salary and performance, labor contracts, labor grievances, workplace investigations, medical and background screenings, recordkeeping compliance, and labor reporting requirements; partners with the executive management team to provide leadership, expertise, advice, and guidance on HR issues as they relate to the overall strategic goals of the City.	8	8
EMPLOYEE RELATIONS Conducts proactive recruitment for City positions; tests and conducts skills screening of applicants to determine eligibility for a position and validity of each testing process, in accordance with the Federal Uniform Guidelines for Employee Selection Procedures; maintains all official employment records in accordance with the State of Florida Retention Schedule pursuant to Florida State Statutes 119.07 and 257; administers the compensation system in accordance with Administrative Policy Manual (APM) 5-78; maintains the job classification structure in accordance with the Fair Labor Standards Act (FLSA), applicable state laws, collective bargaining agreements, City Code, and Civil Service Rules; processes all employee personnel actions, generates certification lists, and terminates eligible registers in accordance with Civil Service Rules; processes tuition reimbursements, provides employment verifications, and conducts exit interviews; provides professional and mandatory training; provides organizational development services.	23	28
LABOR RELATIONS Provides City Department Directors with guidelines on how to manage human resources effectively and efficiently; documents, develops, and implements policies, procedures, and mandates that support the City's mission; administers grievances, discipline, and contractual benefits; monitors compliance with federal, state, and local laws, and conducts investigations including violations of the City's APMs; assists the Chief Negotiator designated by the City Manager and the City Attorney in negotiations with collective bargaining units; implements the City's collective bargaining agreements (CBAs) with the appropriate unions: the American Federation of State, County and Municipal Employee (AFSCME) Local 1907, the AFSCME Council 79 Local 871, the Fraternal Order of Police (FOP), and the International Association of Fire Fighters (IAFF); coordinates and implements federally mandated acts; assists the City Attorney's Office by acting in the capacity of agency representative on behalf of the Administration for hearings, mediations, and court appearances.	3	3

Department Strategies for FY 2021-22

Continue to conduct Mandatory and Professional Development courses throughout the year focusing on conflict management, team building, and customer service and employee skills development, and work on developing a more streamlined virtual training process for all employees. Design and implement coaching academies and skills trainings as requested by department directors.

Continue to meet hiring departments' needs to fill initial and secondary job openings by working with all City Departments to develop, administer, score customized and job-relatedstructured interviews, and to share the results.

Continue to create and revise various City administrative policies to remain in line with changes in the law and the City's overall strategic objectives and participate in negotiating collective bargaining agreements.

Work with the Office of the City Attorney to successfully resolve high-stakes promotional testing-related challenges from candidates.

Participate in negotiating a collective bargaining agreement with the International Association of Firefighters (IAFF).

Research pay ranges on a priority basis and adjust accordingly to attract and retain talent.

Human Resources

Accomplishments in FY 2020-21

Developed, implemented, and conducted Professional Development programs including Professional E-Mail and Written Communication, Personality Styles at Work and Business Communication, Performance Management Training under the new City APM 1-20, and Department of Human Resources Services Training for City Executives and Staff. Hosted at least two E-learning programs each month; developed and implemented Management and Leadership Development programs including Progressive Discipline for City Commission staff, as well as updated the Supervisor Orientation Program 2021.

Continued the creation and revision to various City administrative policies to remain in line with changes in the law and the City's overall strategic objectives; and continued to participate in negotiating collective bargaining agreements with the American Federation of State, County, and Municipal Employees (AFSCME 1907), the American Federation of State, County, and Municipal Employees, AFL-CIO, Local 871 (AFSCME 871), and the Fraternal Order of Police (FOP).

Conducted 85 structured interviews between October 2020 and June 2021, staffed solely with Human Resource personnel, to meet the City's needs to fill initial and secondary job vacancies during the Covid-19 pandemic and worked successfully with the Office of the City Attorney to address candidate legal challenges to high-stakes entry-level promotional testing such as court litigation, grievances, and civil service cases.

Marketed vacancies via the City of Miami's LinkedIn feed; contacted Cities, Municipalities and private sector specific companies via email inviting all interested to apply and advertise recruitments in specific or specialized job boards: Parks National Association, Engineering Associations, Policing organizations, Fire prevention, in order to attract and retain qualified candidates.

Cancelled the Summer Youth Program due to COVID-19. The department will revisit opening the Worker Trainee recruitment for summer 2022.

Continued completion of the salary schedule book. The Oracle report that serves as the basis to the salary schedule book has been verified but needs to be updated to include recent changes to existing salary schedules (e.g. FOP and Executives). The salary schedule book will exist as an online resource allowing for continuous updates.

Implemented additional changes in programs and trainings to promote the City's strategic plan and standard of excellence in the mandatory Customer Service Champions, Professionalism and Ethics, and New Employee Orientation Programs for 2021. Continued and updated virtual trainings for the following classes: Mandatory Customer Service Champions; Mandatory Professionalism and Ethics; Delivering Service Excellence; Labor Relations APM Overview; Public Records Training; Dale Carnegie's Golden Rules; Change Management: Who Moved My Cheese?; Time Management; and Live Wellness Programs through CIGNA. Created and implemented new programs for: Supervisor Orientation 2021. Provided training and logistics assistance for the following citywide virtual trainings: Public Records Requests, Active Shooter Preparedness, Equal Employment Opportunity, Sexual Harassment and Diversity, Cyber Security Series (five trainings), Innovation and Technology Skills Trainings, Procurement, and Risk Management.

Successfully converted the City's 40+ year face-to-face structured interview process into a video-based format in under 12 weeks while maintaining compliance with the City's Labor Management Policy on Interview Procedures (LMP-3-92). Researched and developed expertise in several software packages to develop best practices for video-based interviewing (e.g., Microsoft Teams, Adobe Acrobat, Google Forms). Developed standardized procedures and learned various techniques to deliver a video-based interview as free as possible from technological delays.

Human Resources

Budget Highlights for FY 2021-22

The Budget includes the following addition:

As approved in the FY 2020-21 Mid-Year Amendment, the personnel count reflects the addition of one Human Resources Generalist position to be funded by the Building Fund. The position will be dedicated to assisting the Building Department with human resources related processes.

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $17,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $64,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

The budget was revised to include funding for four Human Resources Generalists. The total cost of $165,000 includes computer cost ($5,000), and four months of attrition (-$80,000).

An increase in Regular Salaries and Wages LIne item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $42,000).

Human Services

Department Head: William Porro Phone: (305) 416-2181
www.miamigov.com/Government/Departments-Organizations/Human-Services

Mission Statement

To be a gateway to self-sufficiency that aims to improve the delivery of human services to economically disadvantaged families and individuals and to streamline communications efforts in order to promote citizen awareness of all available programs and improve the overall delivery of services.

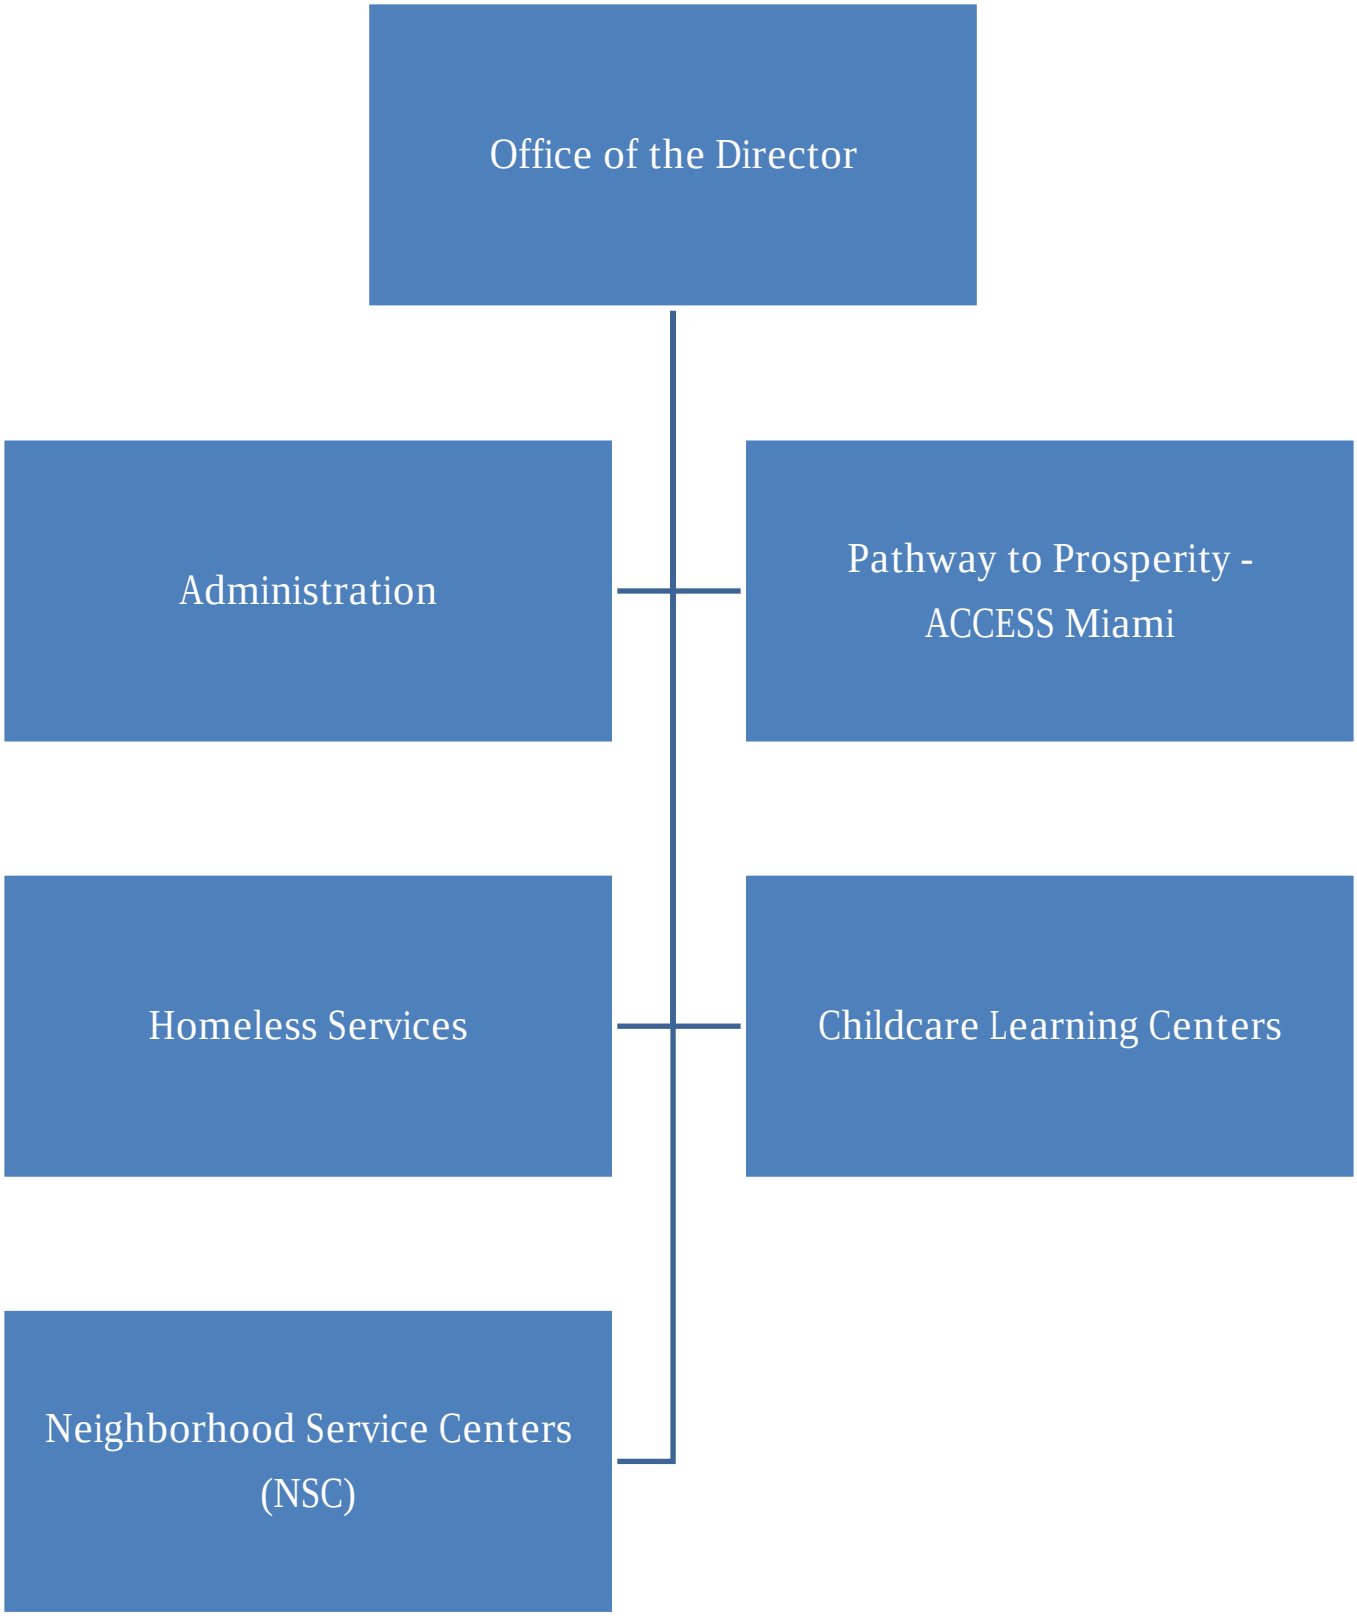
Description

The Department of Human Services partners with organizations to address all areas relating to poverty. This is inclusive of health, education, crime and police community relations, economic development and placement, homelessness, physical and environmental enhancements, and access to government services.

Contributing to the Administration's Priority of *Pathway to Prosperity*, the Department researches and develops programs that will have an impact on the neediest City of Miami residents through the introduction of existing programs and the administration of activities that will enhance the quality of life and self-sufficiency. The Department identifies the most cost-effective means of service delivery to the City's most underserved.

Stakeholders include Elected Officials, City Departments, residents, and those below the poverty level including: seniors, young adults, teens, and adolescents, homeless individuals, the unemployed, veterans, the Miami-Dade Homeless Trust, and shelter providers.

Human Services



Human Services

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department. Supervises all divisions and their operations, including implementation of Citywide Initiatives, Workforce Initiatives, Homeless Services, Childcare Services, Health Initiatives, and the Neighborhood Service Centers.	1	1
ADMINISTRATION Performs diversified managerial duties; develops, implements, and manages the department budget; implements and enforces office policies and procedures; provides personnel training; processes payroll; provides procurement services; develops service contracts for homeless shelter providers and other contract agreements. Manages multi-year all-inclusive partnerships with city stakeholders, aimed at making the City healthier; develop partnerships with local health providers and community-based organizations, homeowners associations, and civic organizations.	4	7
PATHWAY TO PROSPERITY – ACCESS MIAMI Implements programs for financial self-sufficiency for City residents and businesses; coordinates programs for ACCESS benefits, capital, wealth accumulation, and financial literacy; manages tax preparation sites; manages savings, financial education, and business assistance programs; manages the AmeriCorps VISTA (Volunteers In Service To America), and a Summer Youth Employment Program.	6	6
HOMELESS SERVICES Assists walk-in clients and callers with the coordination of available benefits and services; evaluates and assesses clients to develop a course of action to meet their needs; refers clients to other agencies or offices when appropriate; provides accurate and current information on veterans' rights, benefits, and all available services; coordinates placements in emergency shelters, treatment facilities, and permanent housing and referral services for employment; provides outreach, assessment, placement, referral, and transportation services to the homeless individuals and families of the City of Miami and all of Miami-Dade County.	44	43
CHILDCARE LEARNING CENTERS Focuses on the developmental, educational, and recreational daycare services for infants through age five, and provides the administration of the child subsidy and enrollment activity.	10	11
NEIGHBORHOOD SERVICE CENTERS Manages and monitors the daily activities of NSC areas; serves as a liaison between the community and the City Administration; coordinates and attends outreach efforts and community meetings as required, and processes garage sale permits, warrants, waiver notices, and notifications pertaining to demolitions and special events; support staff serves as the technical and customer service liaisons between the City and residents; maintains and tracks daily tasks in conjunction with the Miami-Dade County 311 Call Center; prepares reports as necessary and assists community with tax preparations and other services at each NSC Office; works closely with each District Commissioner in daily activities under the supervision of a NSC Administrator.	23	19

Department Strategies for FY 2021-22

Continue to provide residents and small businesses access to benefits, capital, and financial education.
Continue to expand our workforce development, placement, and training services for job seekers and local business through the City of Miami Opportunity Center.
Continue to engage community partners to connect residents to free services, promote a healthy City, communicate available programs, and increase overall delivery of human services.
Continue to connect homeless individuals and veterans to resources and assistance.
Continue to promote health and well-being for children and provide quality childcare.
Serve as a liaison between the community and the City while coordinating and attending outreach efforts and community meetings and functions.

Accomplishments in FY 2020-21

Completed over 770 tax returns generating over $1.1 million in refunds, registered 262 students in Future Bound Miami, conducted 2,293 sites visits via Florida Entrepreneur Center, registered over 200 business via BuyMiami, facilitated 1,678 personal connections with businesses for resources, funding, and proper business set-up.
Placed 143 residents into employment through the City of Miami's Opportunity Center.

Coordinated the City's pediatric testing sites and provided free COVID-19 testing to over 1,300 children ages 0-20.
Placed 6,844 homeless individuals and 109 veterans into shelters, conducted 263 emergency weather placements, facilitated 225 clean-ups, and initiated over 30,000 contacts.
Increased security measures at child learning centers by installing security cameras and offering Childview services to parents, prepared a response plan to Coronavirus Disease for Childcare Administrators, increased enrollment to 58 between all three centers, and enrolled 41 families in a Tuition-Free Childcare program.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Other Contractual Services Line item reflects the reduction of $123,000 (GF) to align the budget with the actual trend of expenditures.
The Rental and Leases Line item reflects the reduction of $30,000 (GF) to align the budget with the actual trend of expenditures.
The personnel count reflects one less position to correct FY 2020-21 scrupulous error.

The Budget includes the following additions:

The Travel and Per Diem Line item reflects an increase of $14,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $3,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.
The Postage Line item reflects an increase of $1,000 (GF) to cover mailing costs for the NSC centers.
The Repair and Maintenance reflects an increase of $9,000 (GF) to cover repair expenses for the NSC centers.
The Promotional Activities Line item reflects an increase of $18,000 (GF) to cover promotional items for community events.
The Advertising and Related Costs Line item reflects an increase of $51,000 (GF) to cover radio and newspaper advertisements for community events.
The Office Supplies Line item reflects an increase of $6,000 (GF) to cover additional supplies for the NSC centers.
The Operating Supplies Line item reflects an increase of $47,000 (GF) to cover additional operating expenses for the NSC centers.
The Clothing and Uniform Line item reflects an increase of $4,000 (GF) for the NSC centers' employees.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $62,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $44,000).

Human Services

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $164,000).

Independent Auditor General

Department Head: Theodore Guba, CPA Phone: (305) 416-2044
www.miamigov.com/Government/Departments-Organizations/Auditor-General

Mission Statement

To provide objective oversight through audits of all City departments, agencies, and programs. The activities of the Office of the Independent Auditor General add value, enhance performance, provide accountability, and improve the City's financial operational effectiveness and efficiency.

Description

The Office of the Independent Auditor General (OIAG) was created pursuant to Section 48 of the City of Miami Charter and is responsible for performing independent audits, reviews, and analytical functions as stipulated in the Charter. The OIAG reports directly to the City Commission.

Contributing to the Administration's Priority of *Quality of Life*, OIAG prepares an annual risk-based audit plan, and conducts audits in order to determine whether financial transactions are fairly presented in compliance with Generally Accepted Accounting Principles (GAAP), City Code, Charter provisions, State Statutes, and federal regulations. The OIAG also determines whether a system of internal controls, which would promote and encourage the accomplishment of management objectives, has been established and implemented. It reviews business processes and operationsin order to determine if they are executed in an economic, effective, and efficient manner. The OIAG also verifies that prior audit recommendations have been implemented. The primary objective is to assist the City Commission in ensuring that taxpayers' assets are properly safeguarded. As such, the OIAG is critical to determining what risks exist and how to best handle them. It provides checks and balances and proffers recommendations to management for enhancing performance, accountability, and the City's overall financial and operational efficiency.

The stakeholders include City Commissioners, City departments, and residents.

Independent Auditor General

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE INDEPENDENT AUDITOR GENERAL Provides oversight of the City's financial transactions by investigating, auditing, and reviewing City programs, projects, and contracts to detect and prevent fraud and mismanagement; provides all professional support to these functions including publicly reporting findings; initiates civil, administrative, and criminal legal processes.	9	9

Independent Auditor General

Department Strategies for FY 2021-22

Continue to prepare a risk-based annual audit plan and identify high-risk types of audit engagements relative to business and service delivery processes prior to the start of FY 2021-22. Audits will focus on recoveries of monies owed to the City, including leasing and solid waste activities and other areas.
Continue to determine the status of significant prior audit findings, related recommendations, and management action plans pertaining to overall operations of the City throughout the fiscal year.
Continue to conduct investigations of complaints in accordance with the implemented investigative procedures prepared for staff use.

Accomplishments in FY 2020-21

Prepared a risk-based annual audit plan prior to the start of the new fiscal year and identified high-risk types of audit engagements relative to business and service delivery processes.
Followed-up on the status of a sample of prior audit findings and related recommendations.
Initiated several investigations that are currently ongoing.
Identified internal control deficiencies and a lack of compliance with certain programs and contracts. Made recommendations for improvements in areas of Solid Waste billings and leasing contract collections.
Recommendations for recoveries of monies totaled $285,434.

Budget Highlights for FY 2021-22

The Budget includes the following addition:

The Travel and Per Diem Line item reflects an increase of $8,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to an average five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the Independent Auditor General (GF $17,000).

Innovation and Technology

Department Head: Michael Sarasti Phone: (305) 416-1659
www.miamigov.com/Government/Departments-Organizations/Innovation-and-Technology-DoIT

Mission Statement

To continuously improve constituent services, ensure data-driven decision-making, and deliver innovative, user-friendly technology that empowers City departments and improves the quality of our community.

Description

The Department of Innovation and Technology (DoIT) enables City operations through device and software support, connectivity, and server maintenance. Additionally, DoIT seeks to deliver the best possible user experience for residents and City employees. Teams focus on people, process, and data-driven decision making to enable exceptional digital services and a secure, resilient infrastructure.

Contributing to the Administration's Priority of *Quality of Life*, the Department advocates for and enables data sharing to improve transparency to the residents and the business community; collaborates with our civic technology partners to address challenges facing the City; empowers City employees through capacity building in lean techniques anddata-driven decision making. DoIT takes a human-centered approach to digital transformation, ensuring new technology is appropriately matched to constituent needs Continuous improvement, ongoing learning, and collaboration are central themes as the Department strives to enable streamlined City operations andthe user-friendly civic services of the future.

Stakeholders include all City departments, Elected Officials, residents, businesses, visitors, and all who visit the City's website.

Department Strategies for FY 2021-22

Advance digital service delivery with end-to-end online solutions that support 24/7 digital access to government (eCityHall) - including neighborhood, business licensing, and critical human services.

Continue to bolster security posture with improved infrastructure and automated processes.

Empower City of Miami residents, business owners, City management and employees by enabling “smart”, citizen-informed, data-driven decision-making through easy access to City data, an API-first mindset, and customer engagement.

Build a set of standards, processes, habits, and practices that help provide continuous delivery and higher quality results to internal and external customers.

Continue to maintain an information technology program and project portfolio that lines up to the City's greatest needs.

Accomplishments in FY 2020-21

Launched several public-facing digital services including eStart (business licensing), solid waste schedule search, permit history quick search, and new forms for 311 (illegal dumping, pothole, zoning inquiries). Additionally, established a new governance model for Citywide Digital Services: UX/UI Governance, Digital Service Inventory, eCityHall Strategy (2021 service-driven miamigov.com refresh), and API Governance documentation.

Implemented Cyber Security enhancements and governance standards including new malicious email detection and auto-response mechanisms, multi-factor authentication, new process workflows for risk assessment and gap analysis, awareness training, and new Security intra site for knowledge-sharing.
Finalized software development of CodeCheck application, CityView replacement (expected to be completed by August 2021), and continued development on Parks Reservation System (expected codebase completion on October 2021).
Completed Phase 2 of Google Big Query (Data Warehouse) implementation, incorporating operational business licensing data, and other key data sets supporting Citywide Recovery efforts. This phase included the documentation of Citywide data governance framework.
Maintained and enhanced City infrastructure; projects included Microsoft Tenant migration, refreshed old Oracle hardwares, and implemented wireless network at the following locations: Fire Station 14, OMNI CRA, Fire Admin, added Network connectivity to SEOPW CRA and Simpson Park and refreshed Network infrastructure equipment in Fire Stations 5, 6, 7, and 9.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Professional Services Line item reflects a net decrease of $71,000 (GF) due in part to a decrease of $136,000 (GF) for the transfer of the Strategic Planning Division to the Office of Management and Budget and an increase of $65,000 (GF) to cover the cost for virtual meetings support.
The Subscriptions and Memberships Line item reflects a decrease due in part to a budget reduction for Clearpoint ($25,000 GF), which was previously budgeted in the Internal Service Fund, and a reduction for the budget overage difference for the SendGrid software ($18,000 GF).
The Machinery and Equipment Line item reflects a reduction of non-recurring operating expenditures funded in the previous fiscal year (GF $38,000).

The Budget includes the following additions:

The Travel and Per Diem Line item reflects an increase of GF $50,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $25,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.
The Professional Services Line item reflects an increase due to the creation of a new award to allocate rollover fund balances from the prior year ($12,000 SR).
The Other Contractual Services Line item reflects an increase due in part to allocate $50,000 (SR) of new funding from the Knight Foundation Digital Community Engagement grant and to allocate prior year fund balances for the IT Blomberg Mayor Challenge award ($45,000 SR).
The Budget Reserve Line item reflects an adjustment of $18,000 (SR) due to the rollover fund balance from prior year for the IT Strategic award.

Innovation and Technology

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $134,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $20,000).
A General Fund contribution to capital projects for the Networking Enterprise Backup Expansion ($158,000); the Cyber Recovery Unit ($470,000); and for the Citywide Computer Replacement ($500,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $416,000).

Management and Budget

Department Head: Marie Gouin Phone: (305) 416-1500
www.miamigov.com/Government/Departments-Organizations/Management-Budget

Mission Statement

To efficiently and effectively develop, monitor, and communicate an Operating Budget and Capital Plan that manages resources responsive to the needs of all stakeholders.

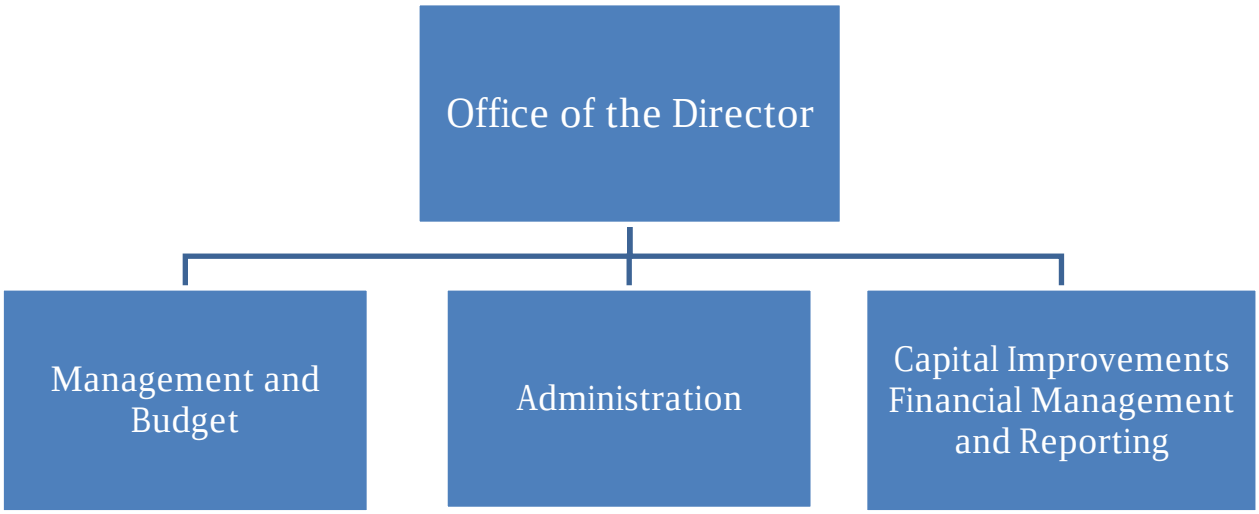
Description

The Office of Management and Budget (OMB) was established under Chapter 2, Article IV, Division 12, Section 2-491 of the City Code. Duties and responsibilities are derived from the Florida Statutes, City Charter, and City Code, or are defined administratively. The Office supports the City's results-oriented government activities to maximize the use of the City's annual operating and capital resources. OMB activities focus on allocating resources toward stakeholder priorities and promoting the efficient and effective use of those resources.

Contributing to the Administration's Priority of *Quality of Life*, the Office is committed to strengthening trust through excellent customer service and allocation of resources. OMB develops the City's annual Operating Budget and Multi-Year Capital Plan, facilitates performance reporting mechanisms, conducts organizational business process reviews, reviews agenda submissions for all City-sponsored items, and coordinates and monitors payments of funded discretionary allocations and purchases. OMB works to facilitate funding transactions and recruitment as it monitors departmental financial performance throughout the City's operations. The Office provides financial oversight to projects managed by the Office of Capital Improvements (OCI), processes and reports on the financial activity of capital projects, ensures the timely issuance of purchase orders and payments for projects, and works with OCI and user departments to prepare the Annual Capital Plan. Additionally, OMB prepares monthly reports on the year-to-date revenues and expenditures of the City's operations and is responsible for developing the Five-Year Financial Plan and presenting them to the City Commission. OMB monitors and coordinates the Miami Forever Bond Program, supports the Miami Forever Bond Oversight Board, maintains and updates the City's Strategic Plan, and encourages performance management and use of performance measures throughout the organization.

Stakeholders include the Mayor, City Commissioners, the City Administration, City offices and departments, other independent instrumentalities of the City, residents, and businesses of the City of Miami, and bond rating agencies.

Management and Budget



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Implements policy enacted by the City Commission and Mayor; promotes the efficient allocation of resources in accordance with the needs and priorities of the citizens, Elected Officials, and the Administration; establishes and implements departmental policy; conducts Office retreats; reviews and coordinates agenda submissions; manages office personnel.	2	2
MANAGEMENT AND BUDGET AND STRATEGIC MANAGEMENT Monitors departmental budgets; processes transfer of funds requests, position authorization requests, and requests to fill; reviews departmental items for approval; participates in the review and formulation of the fiscal year operating budget; prepares the Five-Year Financial Plan; prepares monthly budgetary projections; completes special projects; provides financial and management analyses and reviews; reviews departmental processes and makes recommendations for improvement; prepares the Capital Budget; facilitates the development of the City's Strategic Plan, coordinates across departments to identify and determine appropriate measures for performance management.	9	9
CAPITAL IMPROVEMENTS FINANCIAL MANAGEMENT AND REPORTING Provides financial oversight to projects managed by the Office of Capital Improvements; processes and reports on the financial activity of capital projects; ensures the timely issuance of purchase orders and payments for project expenditures; assists in the preparation of the Annual Capital Plan; conducts the Construction Review and Synchronization Process (CSRP); manages the Miami Forever Bond Program; provides staff support for the Miami Forever Bond Oversight Board.	5	6
ADMINISTRATION Assists the Director and Assistant Director with special projects; coordinates and monitors payment of all procurement for Elected Officials and the City Manager's office; serves as Office Manager; maintains official records; processes payroll and all personnel actions; processes and tracks all public records requests.	3	3

Department Strategies for FY 2021-22

Continue to present the Prior-year and current Mid-Year Budget Amendments no later than the last City Commission meeting in November and April, respectively,

Complete the Operating and Capital Budgets for the coming year in July, and load all changes within one week of Commission approval.

Continue to provide advice and recommendations on other aspects of the administration and operations of the City, as requested.

Continue to assist City offices and departments with labor negotiations.

Maintain and update the current City of Miami Strategic Plan and encourage monthly departmental Performance Management Meetings.

Hold at least four meetings of the Miami Forever Oversight Board to ensure that the most important projects are prioritized, and all projects updates are reported.

Accomplishments in FY 2020-21

Completed the Year-end Budget Amendment for FY 2019-20 on November 19, 2020 and four Budget Amendments to the FY 2020-21 Adopted Budget.

Provided City administration with recommendations to reduce budgeted expenditures due to revenue losses from the COVID-19 Pandemic.
Updated OMB's website with the current budget books that are hyperlinked for easy access.
Provided financial analysis on various collective bargaining proposals to City administration.
Maintained and updated the current City of Miami Strategic Plan and conducted monthly departmental Performance Management Meetings individually with each department.
Projected to conduct four meetings of the Miami Forever Oversight Board. Three have been held and one is pending to be held in September 2021.
Received the Government Finance Officers Association Distinguished Budget Presentation Award for excellence in governmental budgeting for the FY 2020-21 Adopted Budget.
Conducted the FY 2020-21 budget book process remotely and electronically to ensure social distancing during the COVID-19 pandemic.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Professional Services Line item reflects a reduction of $98,000 (GF) to align the budget with actual trend of expenditures.
The Office Supplies Line item reflects a reduction of $10,000 (GF) to align the budget with actual trend of expenditures.
The Machinery and Equipment Line item reflects a reduction of non-recurring operating expenditures funded in the previous fiscal year $10,000 (GF)

The Budget includes the following additions:

As approved in the FY 2020-21 Amendment, the budget reflects the addition of a Capital Improvement Program Budget and Financial Administrator unclassified position due to a scrivener's error $115,000 (GF).
The Regular Salaries and Wages reflects an increase from the base salary level of the vacant Director of The Office of Management and Budget position $87,000 (GF)
The Travel and Per Diem Line item reflects an increase of $2,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $5,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $37,000).

Management and Budget

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $22,000).

Procurement

Department Head: Annie Perez, CPPO Phone: (305) 416-1910
www.miamigov.com/Government/Departments-Organizations/Procurement

Mission Statement

The Department of Procurement's mission is to ethically procure quality goods and services, design, construction, and construction management services at the best value for the City, while providing excellent customer service, process efficiency, transparency, fairness, competition, accountability, and maintaining public trust.

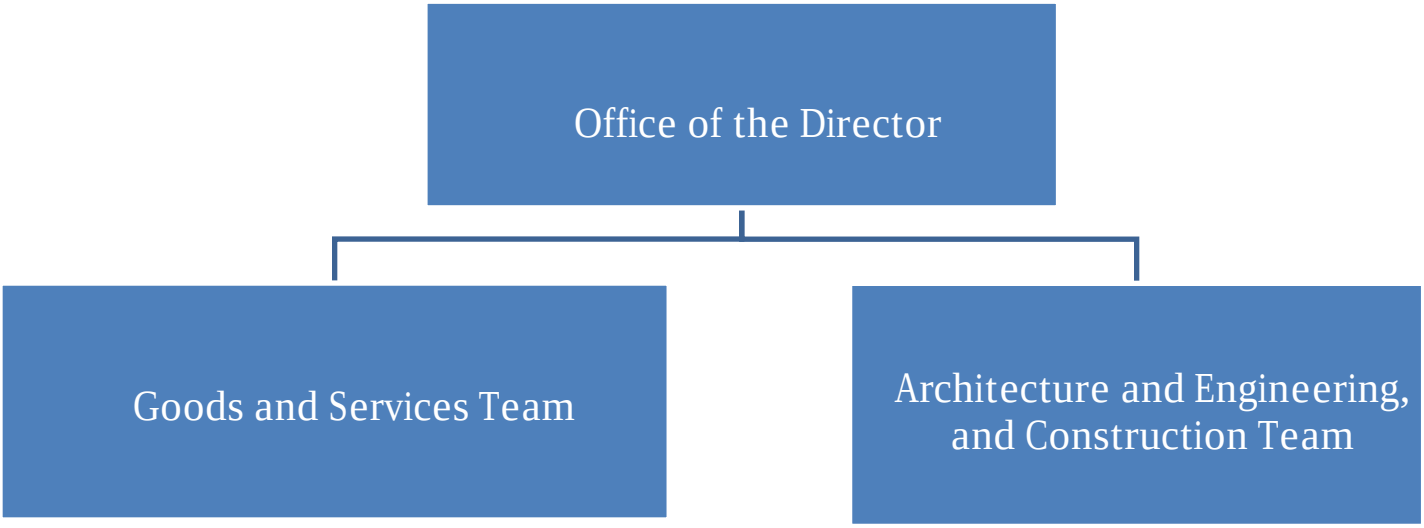
Description

The Department of Procurement administers the purchase of all materials, supplies, equipment, goods, and services needed by the various departments of the City of Miami. Additionally, the Department procures and maintains the City's construction, architectural, and engineering services contracts, public works, and transportation contracts.

Contributing to the Administration's Priority of *Quality of Life*, the Department conducts all purchases in an open and fair competitive manner, as established by the informal and formal methods of source selection, pursuant to the City Procurement Code. The primary methods of source selection consist of: Invitation for Quotations (IFQs) for purchases between $5,001 and $25,000, and Invitation for Bids (IFBs), Request for Proposals (RFPs), Request for Qualifications (RFQs), and Request for Letters of Interest for purchases exceeding $25,000. Procurement also manages the Purchasing Card (P-card) Program and administers the disposition of Citywide surplus and personal property. Other services provided by Procurement are specification refinement, market research, contract negotiations, processing, and management of expert consultant agreements for the City Manager, contract administration, and the handling of vendor non-performance. All functions are performed in compliance with federal, state, and local laws.

Procurement's customers include, but are not limited to, vendors registered to do business with the City, Elected Officials, all City departments, the OMNI Community Redevelopment Agency, and other independent instrumentalities of the City of Miami.

Procurement



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Manages the daily operations and supervision of the Procurement Department; oversees centralized procurement functions such as contract negotiations and execution; reviews and approves agenda items; attends City Commission briefings and City Commission meetings; oversees all contract management functions; manages vendor services, outreach and performance; coordinates training of staff and external and internal clients; and handles complex RFPs and RFQs.	5	5
GOODS AND SERVICES TEAM Procures goods and services Citywide, in addition to public works and transportation procurements; drafts, advertises, and administers the procurement process for IFQs, IFBs, RFPs, RFQs, Sole Sources, and Piggy-Back contracts; negotiates contracts, reviews and approves all Oracle purchase requisitions and purchase orders; contract award and amendments; tracking insurance and bonds, renewal processing and tracking; administers the Purchasing Card (P-Card) Program Citywide; administers the disposition of surplus personal property Citywide; handles procurements for independent instrumentalities of the City of Miami; and handles complex Real Estate lease procurements.	11	10
ARCHITECTURE AND ENGINEERING, AND CONSTRUCTION TEAM Procures architecture and engineering, and construction services Citywide; drafts, advertises, and administers the procurement process for Invitation to Bid (ITB), RFPs, and RFQs; negotiates contracts, reviews and approves all Oracle purchase requisitions and purchase orders; contract award and amendments; tracking of bonds; renewal processing and tracking; administers and manages the Prequalification Pool of Contractors for City Construction Projects Pilot Program.	4	5

Department Strategies for FY 2021-22

Continue to update the City's Procurement Ordinance to include increases in delegated authority, up to date processes, bid protest procedure, and other substantive improvements.
Continue to increase the City's vendor database and ensure healthy competition through vendor workshops and outreach programs.
Continue to update and revamp Procurement's internal and external websites to be more user friendly.
Continue to train Procurement staff and end-user departments on the RFP and RFQ processes, negotiations, City Procurement Code, FEMA procurement requirements, and Florida Statutes that govern procurement.
Continue vendor outreach in an effort to further increase competition and decrease costs as well as assist with the economic recovery of the City.
Continue to innovate and implement systems to streamline procurement processes, improve performance metrics, and automate reporting.

Accomplishments in FY 2020-21

Updated the City's Procurement Ordinance to include electronic bidding and receipt of bidsand proposals through BidSync, eliminated the requirement for advertising in newspapers, and other substantive improvements.
Worked to streamline the RFP processes for Goods and Services and started mapping its processes and issued solicitations for needed services during and after a disaster that will meet federal guidelines
Implemented electronic systems and programs to increase competition for City business, including hosting pre-bid and pre-proposal meetings virtually, moving forward, allowing more vendors to attend and potentially

competitively participate in the solicitation. Worked to develop processes and procedures for its vendor database to grow its inclusion of LGBTQ and minority-owned businesses; monitored and tracked usages from said businesses.
Updated department's website to include the option to view Bidsync bids, and Eventbrite listings for trainings and events. Began the process of developing an internal SharePoint site to better serve end-user departments.
Conducted a Virtual Procurement Code, and Emergency Preparedness and FEMA training. Scheduled several webinars devoted to requisitions via the Amazon punch-out site, additional end-user department trainings devoted to the procurement process, as well as various vendor outreach programs.
Awarded the National Procurement Institute's 2020 Achievement of Excellence in Procurement Award.
Reduced paper usage by 82 percent compared to the previous fiscal year.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Advertising and Related Costs Line item reflects the reduction of $45,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Other Contractual Service Line item for the "Pathways to Prosperity Procurement Summit" to continue the "POP-UP Shops" outreach program for small businesses (GF $10,000).
The Travel and Per Diem Line item reflects a total increase of $15,000 (GF) due in part of $10,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account and $5,000 (GF) to attend the NIGP Annual conference.
The Training Line item reflects a total increase of $16,000 (GF) due in part of $6,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account and $10,000 (GF) for UPCC Professional Certifications for department staff.
Additional funding was added to the Subscriptions, Memberships, Licenses, Permits and Others Line Item for application costs for the NIGP Pareto Award (GF $20,000).

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) (GF $18,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $27,000).

Procurement

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $54,000).

Building

Department Head: Asael Ace Marrero, RA, RID, AIA, ICC Phone: (305) 416-1102
www.miamigov.com/Government/Departments-Organizations/Building

Mission Statement

To promote life safety, protect the public, and improve the quality of life by providing prompt and efficient review of plans, issuances of permits, and timely inspections; and by interpreting and enforcing the Florida Building Code (FBC) and all other applicable regulations governing construction and land uses while ensuring expeditious access to public records and providing excellent customer service through enhanced technology.

Description

The Building Department protects the health, safety, and welfare of the public, and enhances the general quality of life by interpreting and enforcing the FBC and other applicable regulations governing construction and land use.

Contributing to the Administration's Priority of *Quality of Life*, the Building Department provides records, issues permits, and performs building inspections. The Department also ensures that commercial and residential buildings and structures comply with the FBC and all other applicable laws and ordinances.

The primary stakeholders of the Building Department are property owners, homeowners' associations, private and charter schools, City departments, and the building construction industry at large.

Department Strategies for FY 2021-22

Create a new review group in Projectdox for Microfilm records.

Implement a digital Lobby Management system to simplify visitors check-in.

Implement a "Professional Day and Customer Service Day" by setting aside time each week for each Building trade to interact with consumers.

Continue to assist the Public Works Department with the Building Efficiency 305 program (BE305) legislation.

Amend the Chapter 17 of the City Code, which is commonly referred to as the Tree Ordinance.

Complete the draft of Flood Ordinance re-write to meet or exceed the minimum National Flood Insurance Program (NFIP) requirements.

Accomplishments in FY 2020-21

Continued to work on the Phase II of the Electronic Plan Review (EPR) system, which will include Laserfiche integration, DocuSign integration, and the configuration of pending workflow, reports, and dashboards. The completion date is not yet determined.

Continued to work with the Innovation and Technology Department (DoIT) on necessary enhancements to iBuild, which was upgraded as part of the Electronic Plan Review Implementation. The completion date is not yet determined.
Continued to collaborate with other City Departments involved in the permitting and development process to improve the turnaround of plan reviews, issuance of permits, and inspections. This is an on-going effort.
Continued to aggressively pursue abandoned and unsafe structures throughout the City and demolish structures that pose hazards to neighborhoods. This is an on-going effort.
Created "Virtual Inspections" for easy permits and converted all legacy plans into digitized format. This process will continue until there are no more legacy plans remaining.
Continued to work to establish a comprehensive standard operating procedures and policies for teleworking. This is a work in progress document that is expected to be completed by the end of fiscal year 2020-21.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Office Supplies Line item reflects a decrease of $15,000 (GF) to align the budget with the actual trend of expenditures.
The Printer and Binding-Paper Stock Line item reflects a decrease of $15,000 (GF) to align the budget with the actual trend of expenditures.
The Other Contractual Services Line item reflects a net decrease of $1.235 million (GF) due in part to an increase of $348,000 (GF) for structural review and inspection services based on construction needs, and a decrease of $1.583 million (GF) in consideration for hiring 33 full-time employees.

The Budget includes the following additions:

As approved in the FY 2020-21 Mid-Year Amendment, the budget includes the addition of one Building Assistant Director position $108,000 (GF).
The Regular Salaries and Wages Line item reflects the addition of four positions as a result of the implementation of the Building Department Task Force approved by City Commission on May 13, 2021, pursuant to Resolution Number R-21-0190. The Task force was created in a joint effort with the Code Compliance Department to address building code and special events compliance during nights and weekend shifts. The program requires two Building Services Assistant I positions $86,000 (GF), a Building Services Assistant III position $50,000 (GF), and a Building Services Assistant IV position ($55,000 GF).
The Regular Salaries and Wages Line item reflects the addition of four new positions as a result of the implementation of the Building Efficiency 305 Program approved by City Commission on June 10, 2021, pursuant to Ordinance Number 14005. The Ordinance requires annual energy and water benchmarking on private and City of Miami-owned properties over 20,000 square feet. The program requires a Senior Building Inspector position $79,000 (GF), an Electrical Inspector position $72,000 (GF), a Mechanical Inspector position $72,000 (GF), and a Plumbing Inspector position $72,000 (GF).
The Regular Salaries and Wages Line item reflects the addition of 33 new positions in consideration for the reduction the Other Contractual Services line item $2.500 million (GF).

The Other Salaries and Wages Line item reflects an increase of $177,000 (GF) to fund nine full-time temporary positions that were converted from the part-time classification.
The Travel and Per Diem Line item reflects an increase of $25,000 (GF) to restore the travel and training allocation that was previously budgeted in the Non-Departmental Account.
The Overtime Line item reflects an increase of $50,000 (GF) to fund the overtime costs by full-time temporary staff.
The Special Pay Line item reflects an increase of $50,000 (GF) costs related to the Afterhours inspection services.
The Postage Line item reflects an increase of $20,000 (GF) for mailing of flood brochures to residents, which is required by the Federal Emergency Management Agency (FEMA).
The Advertising and Related Costs Line item reflects an increase of $10,000 (GF) for costs related to the Demolition Panel meetings which is scheduled three times per month.
The Clothing and Uniform Line item reflects an increase of $3,000 (GF) for costs associated with eight new positions.
The Budget Reserve Line item reflects an increase due in part to an increased in fund balances from the prior fiscal year and projected new revenues from unsafe structure fees ($3.774 million SR).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $130,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $32,000).
The transfer of the Tree Trust Fund from the Department of Planning resulted in the increase to the following line items: Professional Services ($130,000 SR), Interfund Transfer ($600,00 SR), Improvement Other Than Building Line item ($50,000 SR), and Budget Reserve ($2.659 million SR).
A General Fund contribution (Building Reserves) to Capital for Citywide Fleet Replacement ($420,000), Computer Upgrades ($200,000), Building Task Force Vehicles ($120,000), Computer equipment for the Building Task Force, and the Building Efficiency 305 Program ($28,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $394,000).
A General Fund contribution (Building Reserves) to Capital for the Building Efficiency 305 Program ($750,000).
A General Fund contribution (Building Reserves) to Capital for the Enterprise Permitting Solution ($1.900 million).

Mission Statement

To create a sustainable and resilient City through the promotion of timely and sound planning principles by leveraging geospatial technology, streamlining land use processes, and implementing a forward-thinking regulatory framework, and encouraging dynamic community engagement in support of the City's vision.

Description

The Planning Department, in collaboration with the Office of Zoning, manages and implements regulations, guidelines, and policies which direct the growth and redevelopment of the City of Miami. The Department drafts development regulations, district plans, and neighborhood plans to guide future growth, spur development, and preserve the City's residential and historic areas.

Contributing to the Administration's Priority of *Quality of Life*, staff analyzes the adopted growth for concurrency concerns and researches the constraints experienced by underdeveloped areas of the City to better understand the need for changes. The Planning Department is responsible for the review of large scale development projects to ensure compliance with Zoning Ordinances, review of urban design and preservation, and other state and local requirements that govern growth. The Department processes and handles applications, petitions, advertisings, signs of posting, notifications to property owners and neighborhood associations, open violation cases and liens, and schedules public hearings and meetings to be held by the Planning and Zoning portion of the City Commission, the Planning, Zoning, and Appeals Board (PZAB), the Historic and Environmental Preservation Board (HEPB), the Urban Development Review Board (UDRB), the Code Enforcement Board, the Ticketing Appellate Board, the Nuisance Abatement Board, and the Waterfront Advisory Board.

Stakeholders include City residents, Elected Officials, the business and development communities, City departments, and other governmental agencies.

Department Strategies for FY 2021-22

Secure the City's built form through land development regulations.
Activate and improve the public realm experience through harmonization with the built environment.
Continue to implement long range planning that considers population trends impact on residential quality of life and housing affordability.
Socialize the goals, policies, and objectives of the City's Miami Neighborhood Comprehensive Plan.
Digitize 33 percent of historical and current planning records to improve public access to information.
Reduce the number of review cycles and time issuance of administrative entitlements by revamping the pre-application meeting process.
Leverage technology to improve community engagement with project stakeholders.

Accomplishments in FY 2020-21

Adopted text changes establishing the Wynwood Norte Neighborhood Revitalization 2 (NRD-2) on March 25, 2021

Planning

- Improved the public realm experience in the built environment by the adoption of the Wynwood Streetscape Master Plan.
  Drafted the City Commission District Planning Study, and implemented annual monitoring and evaluation of various goals, objectives and policies as required by the Miami Comprehensive NeighborhoodPlan.
  Digitized 28 boxes of Code Enforcement Board matters, representing approximately 1,260 unique case hearing files, and preserved approximately 1,148 board resolutions from the Hearing Boards Division and the Historic Preservation Division.
- Collaborated on the Jose Marti Park Climate Adaptive Redesign – Phase I Waterfront Design.
  Committed five private development projects to install an artistic treatment as part of the overall development project. The City of Miami has nine upcoming public art installations for public developmentprojects.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Operating Supplies Line item reflects a reduction of $7,000 (GF) to align the budget with the actual trend of expenditures.
The Machinery and Equipment Line item reflects a reduction of non-recurring operating expenditures funded in the previous fiscal year (GF $14,000).
The Professional Services Line item reflects a decrease due to the reallocation of fund balances to the Budget Reserve line item ($1.150 million SR).
The Other Contractual Services Line item reflects a decrease due to the reallocation of the Tree Trust Fund balances to the Budget Reserve line item ($148,000 SR).

The Budget includes the following additions:

The Professional Services Line item reflects an increase of $23,000 (GF) for translation services as required by City Code and State Statute for public hearings.
The Professional Services-Legal Services Line item reflects an increase for the reinstatement of Special Magistrates approved by the City Commission (GF $9,000).
As approved in the FY 2020-21 Mid-Year Amendment, the budget includes the addition of one Assistant Director position (GF $144,000).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $48,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $23,000).
A General Fund contribution to capital projects for the Public Benefit Database ($150,000);Records Digitization ($216,000); Gridic Land Development Study ($20,000); expansion of the Accessory Dwelling Unit (ADU) Program ($125,000) and for the DeepBlock licensing purchase ($20,000).
A Special Revenue Fund contribution to capital projects for the Tree Master Plan ($600,000).

Planning

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

The budget was revised to include seven new positions (GIS Specialist, Project Manager, Legislative/Policy Coordinator, (3) Planner II, and Planner III). The total cost of $404,000 includes communications and computer cost ($43,000), and four months of attrition (-$181,000).

An increase in the Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $94,000).

A new appropriation for the "I-395 Heritage Trail" capital project number 40-B193621 funded by SEOPW DRI fees ($85,000).

Zoning

Department Head: Daniel S. Goldberg, Esq. Phone: (305) 416-1499
https://www.miamigov.com/Government/Departments-Organizations/Zoning

Mission Statement

To promote a regulated pattern of development as set forth in the City Code and Miami 21, while providing a safe and healthy environment for living, working, and recreation.

Description

The Office of Zoning ("Zoning") is responsible for the administration and enforcement of the Miami 21 Zoning Code ("Code"), with two primary functions and duties: permitting and business licensing. More specifically, Zoning determines whether applications for building permits, as required by the Building Code, and administrative Waivers, Warrants, Exceptions, and Variances are in accord with the requirements of the Code. In addition, Zoning determines whether the Use of any Structure or premises is in accordance with the Code and issues a Certificate of Use if the application and supporting documents conform to applicable regulations.

Contributing to the Administration's Priority of *Quality of Life,* the Office of Zoning includes the administration of temporary uses through the issuance of Interim Parking Permits, Temporary Event Permits, Temporary Occupancy Permits, and Temporary Uses on Vacant Land Permits; the issuance of Zoning Dry Runs, Zoning Verification Letters, Alcohol Reservation Letters, Waiver Extensions, Zoning Interpretations, Certificates of Eligibility, and Certificates of Transfer; the processing of State Extensions of Time, AHCA Local Zoning Forms, Alcohol and Tobacco Applications, and Florida Housing Finance Corporation Local Government Verification Forms; the creation and issuance of addresses; the calculation of impact fees; the administration and processing of Unities of Title/Covenants in Lieu and Declarations of Restrictive Covenants; and assists the Code Enforcement Department in vigorously enforcing the provisions of the Code.

Stakeholders include City residents, Elected Officials, the business and development communities, City departments, and other governmental agencies.

Department Strategies for FY 2021-22

Continue to participate in the enhancement of eStart web application system to process Certificates of Use applications and allow interactions with additional system platforms.
Collaborate with required reviewing Departments to improve the issuance of Certificates of Use at a successful rate.
Collaborate with the Building Department to streamline building permit reviews and re-evaluate application types for Zoning review.
Create automated (standard) Zoning Verification Letters.
Collaborate with required reviewing Departments to establish a Temporary Permit Task Force to regulate and monitor existing applications.
Create legislation to improve Temporary Use on Vacant Land permit requirements.

Accomplishments in FY 2020-21

Revised the Preliminary Zoning Review templates, modified affordable housing priorities, and implemented an address application system. This enhancement is a result of the departments continued participation in the implementation of Electronic Plan Review.
Collaborated with the Department of Innovation and Technology (DoIT) to facilitate eStart web application to facilitate Certificate of Use Information.
Developed a high priority status for the review of Special permits through ePlan and reduced the review time.
Collaborated with Miami-Dade County's Department of Environmental Resources Management (DERM) for the review of Certificates of Use and Temporary Use Permits on Vacant Land applications. This is to be reviewed through MiamiBiz and ePlan respectively. The expected date of completion will be April 2022.
Scheduled weekly meetings with the Code Compliance Department regarding the process relating to permits, inspections and issuance of Certificates of Use, and the training of Miami 21 Code.
Completed weekly trainings with staff regarding implementation of all Articles of the Miami21 Code.
Established the Chapter 62 Planning and Zoning Fee Amendment, which was adopted March 25, 2021.

Budget Highlights for FY 2021-22

The Budget includes the following additions:

The Training and Per Diem Line item reflects an increase of $3,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Subscriptions and Memberships Line item reflects an increase of $2,000 (GF) for the subscriptions of the American Planning Association.
The Other Salaries and Wages Line items reflects an increase of $30,000 (GF) to fund one filled temporary Information Clerk I position.

Zoning

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $47,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $16,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

The budget was revised to include four new positions: (2) Zoning Information Specialist, and (2) Zoning Plans Examiner. The total cost of $180,000 includes computer cost ($3,000), and four months of attrition (-$89,000). An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $88,000).

Zoning

Strategic Alignment and Performance Measures

Capital Improvements

Department Head: Angel R. Carrasquillo Phone: (305) 416-1280
www.miamigov.com/Government/Departments-Organizations/Office-of-Capital-Improvements

Mission Statement

The Office of Capital Improvements (OCI) manages and delivers the City of Miami's capital improvements program. Proudly, building the City of Miami's roadways, parks, facilities, and infrastructure to enhance the quality of life, resilience, and pathway to prosperity for those who experience Miami.

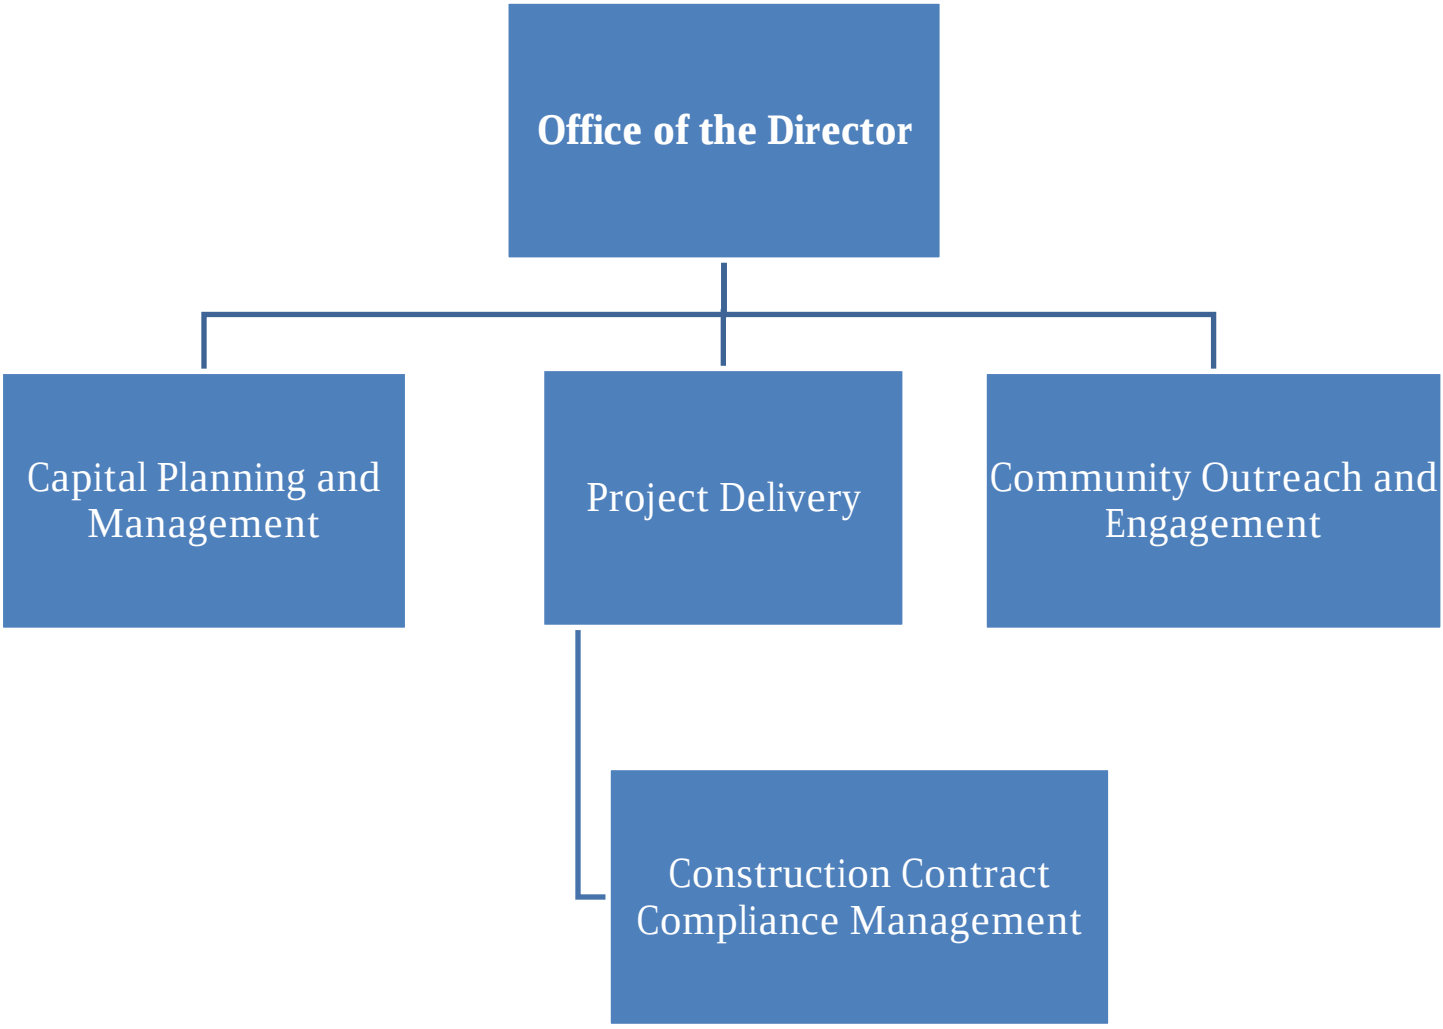
Description

OCI is staffed with professional project managers, architects, engineers, and construction managers. Capital Improvements administers all phases of programming, design, and construction of the City's Capital Improvements Program.

Contributing to the Administration's Priority of *Quality of Life*, the Department of Capital Improvements is passionate about serving the residents and making meaningful capital improvements to the City's facilities and infrastructure. OCI provides construction programs and project management for Miami's residents and the City's client departments and agencies to enhance mobility, advance public safety, improve shared spaces, enable governmental services, improve resiliency, and support a pathway to prosperity. Through the Department's capital construction program, the department aspires to be a catalyst to encourage stakeholders to be proud of and invest in their community to build better neighborhoods and Miami's future.

Stakeholders include the community, City departments, other governmental agencies, and Elected Officials.

Capital Improvements



Capital Improvements

Department Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Directs, plans, and implements the City's Capital Improvements Program; provides leadership and guides the resources to successfully deliver projects for clients. Develops and monitors the OCI's budget and manages cost controls.	2	2
CAPITAL PLANNING AND MANAGEMENT Supports the City's Capital Improvements Program by managing the 5-Year Capital Improvement Plan, administering requirements-based project initiation process, controlling project change management, monitoring program-level performance, managing project portfolios, developing best practices and standards, aligning the program with budget requirements, and ensuring program visibility and reporting.	6	7
PROJECT DELIVERY Manages and coordinates the planning, design, and construction of the City's infrastructure and facility projects. Empowering professionally trained project and construction managers, delivers planning, design, and construction management services to clients; coordinates project requirements across all collaborators; and ensures that the projects meet quality, cost, and time requirements.	37	37
CONSTRUCTION CONTRACT COMPLIANCE MANAGEMENT Monitor's design and construction contracts for compliance as it relates to Small Business Enterprise Participation, Local Workforce Participation, and Responsible Wages requirements.	4	4
COMMUNITY OUTREACH AND ENGAGEMENT Communicates the Capital Improvements Program and projects with residents, elected officials, City Leadership, and client departments. Focuses effort on community outreach by developing and implementing proactive engagement strategies and supporting tactics; develops and builds OCI's brand and messaging by aligning with the City's vision, communications strategy, and OCI director's goals; and manages key leaders and agency engagement plan.	3	3

Department Strategies for FY 2021-22

Finalize the integration of all construction management processes within the e-Builder Project Management Platform and increase user adoption (December 2021).
Continue to streamline and accelerate construction contract acquisition by working with the Department of Procurement to implement the Construction Contractors Pool and optimize the entire construction management process.
Continue to build a stronger team by ensuring employees are equipped with the necessary training to better oversee contractors and review construction contract language, enforce contractors' quality assurance and quality control programs, as well as ensure that they are recognized for their efforts and success.
Effectively communicate and engage with all stakeholders to ensure project scopes are clearly articulated and project updates shared throughout the project life cycle.

Accomplishments for FY 2020-21

Continued the implementation of the e-Builder technology solution; underway with Phase 2 financial and accounting integration, then follows Phase 3 compliance monitoring and lastly, Phase 4 dash boards and increase user adoption follows, overall expected completion December 2021.
Enhanced capital solicitation visibility and access using BidSync as implemented by the Department of Procurement. Enforced timely contract close-out of 47 projects (September 2021), established mandatory evaluations for consultants and contractors.

Monitored, on a continuous basis, the effectiveness of existing environmental controls as required to obtain No Further Action with Conditions (NFAC) for the remaining six environmental remediation projects.
Optimized the entire construction management process within the integration of e-builder process mapping.
Upgraded workstations to mobile laptops (June 2021), continuing to ensure employees are equipped with the necessary training to better oversee contractors and review construction contract language and aligning with new city code and polices established by the Department of Procurement that enforces contractors' quality assurance and quality control programs.

- Began the Integration of the Miami Forever Bond with the Miami Climate Ready Strategy, Stormwater Master Plan, and the infrastructure portion of the local mitigation strategy.
- Finalized the Citywide Stormwater Master Plan (SWMP) comprehensive process and conducted community workshops to prioritize capital projects considering public input. Organized 77 Miami Forever Bond community engagement and industry events for the City's Miami Forever Bond program.

Partnered with Miami-Dade County, the Flagler BID and the Miami Development Authority and kicked-off the $20.5 million construction of the Downtown Flagler Street Beautification project. The project will transform Flagler Street into an iconic, festival-style boulevard with patterned pavers, curb-less drains, wider sidewalks and enhanced landscaping, inspiring engagement, and action.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Machinery and Equipment Line item reflects a reduction of $73,000 (GF) to align the budget with the actual trend of expenditures.
The Office Supplies Line item reflects a reduction of $2,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

The Regular Salaries and Wages Line item reflects the addition of a Capital Planning System Administrator to provide support for e-Builder (GF $89,000).
The Travel and Per Diem Line item reflects an increase of $6,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) (GF $71,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $14,000).
The Budget reflects General Fund contributions to capital projects for the Flagler Street Beautification ($1.500 million), Citywide Streets Milling and Resurfacing ($1.066 million).

Capital Improvements

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $181,000).

General Services Administration

Department Head: Jennifer Ramirez Phone: (305) 329-4854
http://citynet/GSA/pages/

Mission Statement

To provide effective and efficient services with exceptional quality in the areas of property maintenance, fleet maintenance and management, public safety communication systems maintenance, and graphic design and print shop service for all General Services Administration (GSA) customers.

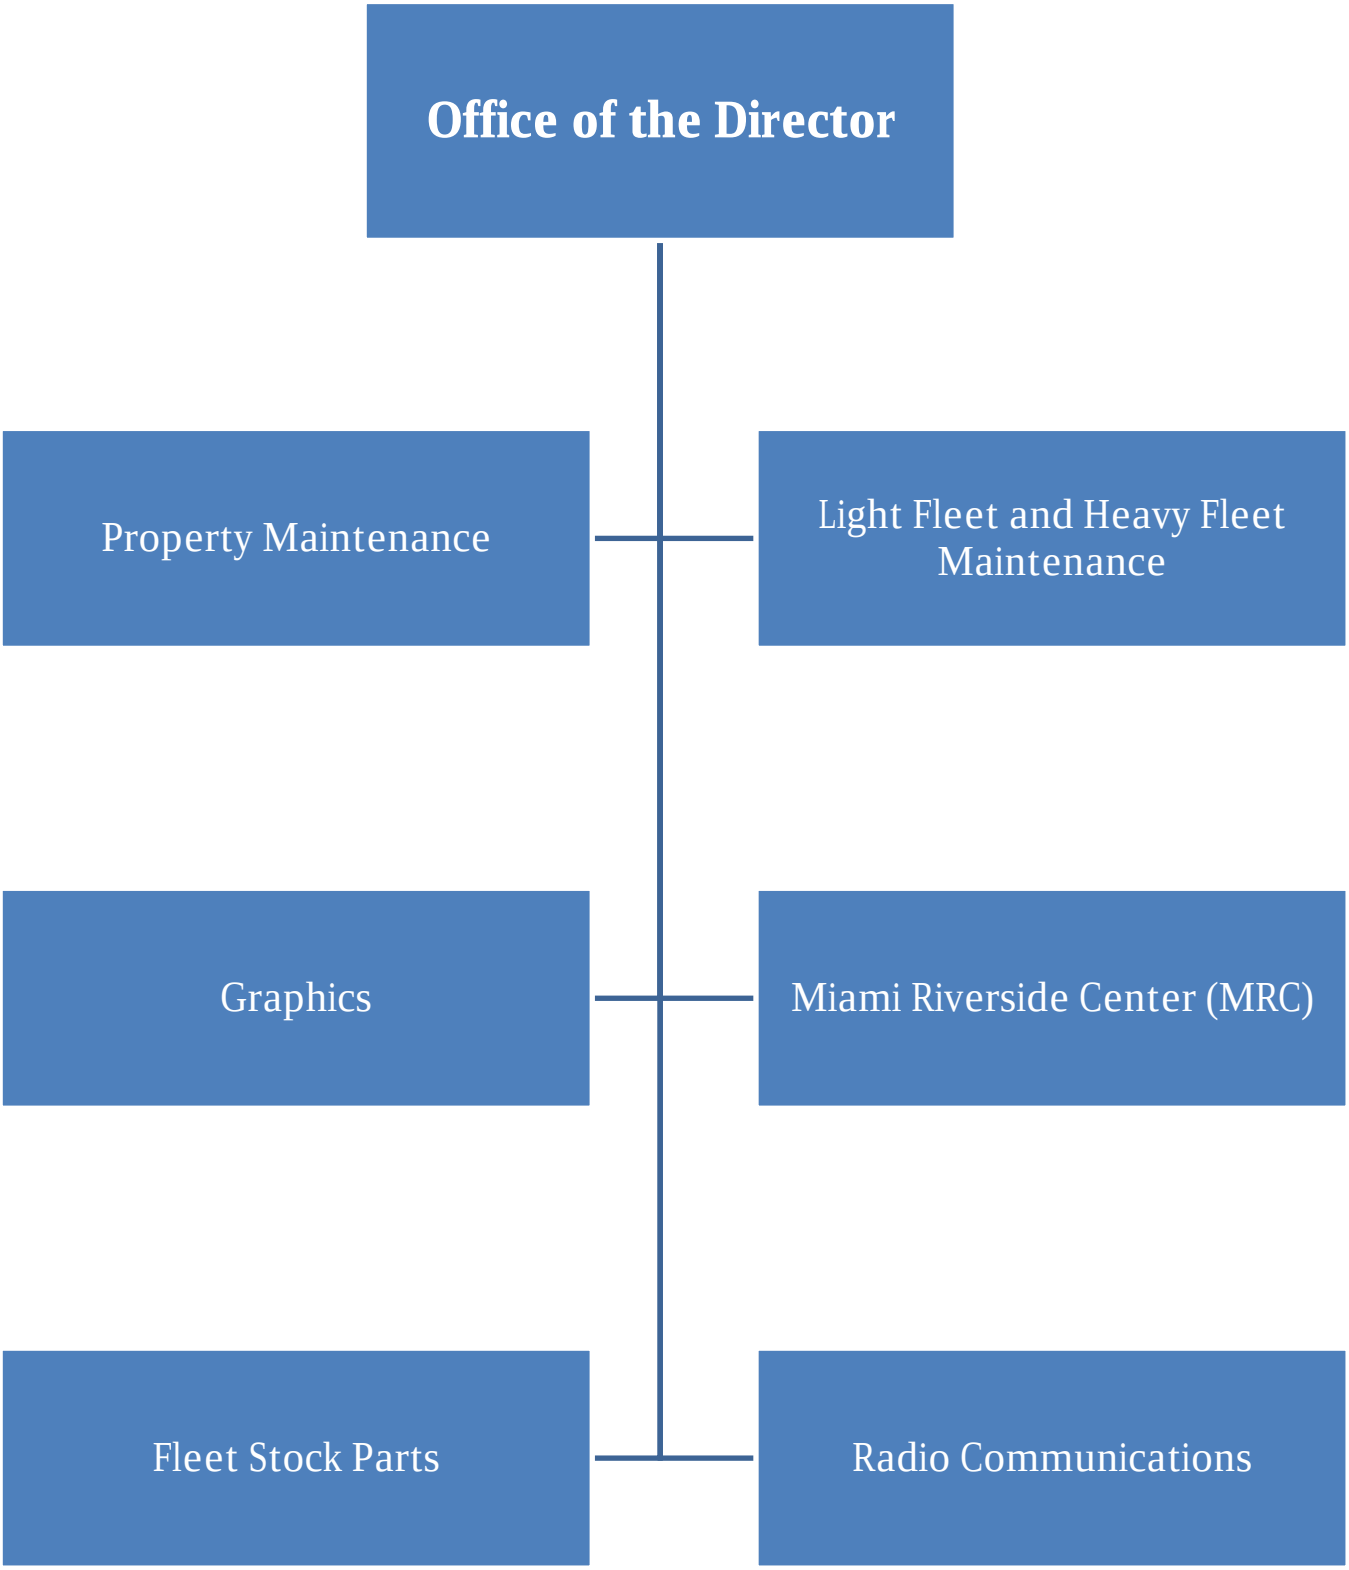
Description

The GSA Department provides internal service support to City departments in the areas of fleet management, graphic reproductions, property maintenance, radio communication, and Citywide inter-office mail delivery.

Contributing to the Administration's Priority of *Quality of Life*, the department inventories, maintains, and repairs City property and equipment. Support services are provided throughout the City, including at the Miami Riverside Center (MRC) Building and Garage, City Hall, GSA Administrative Building and Fleet Maintenance Garage, Property Maintenance Building, Communications Warehouse, radio wave broadcasting and receiving antenna towers, and other departments located at the 20th Street facility. GSA maintains and repairs vehicles for the Police Department, the General Fleet, Solid Waste, Parks, and Public Works. GSA also provides fueling and truck washing services to user Departments. Additionally, all small equipment used Citywide for lawn and maintenance needs are serviced and repaired by the GSA operation. Furthermore, the Department maintains the City's 800 MHz radio and E-911 emergency communication systems including portable radios. GSA produces graphic illustrations and prints City Commission agenda packages, forms, business cards, the Proposed and Adopted Budget Books, flyers, and banners.

GSA's primary stakeholders are comprised of City of Miami employees and City departments.

General Services Administration



General Services Administration

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Responsible for the administrative functions of the Department, including accounting, payroll, personnel, Citywide utility management, operational statistics, and contract administration; develops and monitors the Department's budget and manages cost controls.	7	7
PROPERTY MAINTENANCE Repairs and maintains most City facilities; secures facilities when threatened by hurricanes or other natural disasters; provides in-house expertise on plumbing, electrical, heating ventilation and air conditioning, and other disciplines as required; administers small construction contracts.	39	39
LIGHT AND HEAVY FLEET MAINTENANCE Manages, directs, and supervises fleet maintenance; procures vendor services for both mechanical and body-related repairs; procures and coordinates the purchase and replacement of fleet vehicles; manages fleet parts and fuel inventories.	68	68
GRAPHICS Prepares designs, layout, and typeset for all graphic and related materials produced by the section; manages leases of low-to mid-volume copiers; designs and publishes forms; prints City Commission meeting agendas.	5	5
MIAMI RIVERSIDE CENTER Maintains the MRC building, grounds, pool vehicles, mechanical equipment, and security equipment; distributes inter-office and US mail; administers contracts for supplies and services.	8	8
FLEET STOCK PARTS Purchases, warehouses, and maintains an inventory of parts needed for repairs.	4	4
RADIO COMMUNICATIONS Repairs and maintains the City's 800 MHz radio system; provides communication support to the E-911 service; provides 24-hour on-call emergency repair service to the communication system.	9	9

Department Strategies for FY 2021-22

Continue to partner with Risk Management to implement specialized safety trainings for employees.
Assess roofing structures for buildings managed by GSA.

Accomplishments in FY 2020-21

Partnered with Risk Management to implement specialized safety trainings for employees to reduce workers compensation claims and GSA's effort to reduce absences in the shop as a result. Trainings take place approximately every six to eight weeks in the fleet garage and property maintenance divisions.
Completed the full implementation of the Cartegraph management system in March 2021.
Managed and completed construction and renovation projects of multiple offices and work areas at the Miami City Hall Facility.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Operating Supplies Line item reflects a reduction of $15,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Utilities Electricity Line item due to an increase in FPL pricing (GF $22,000).

Additional funding was added to the Other Contractual Services Line item for an increase in Custodial Services (GF $43,000).
Additional funding was added to the Utilities Water Line item for anincrease to the Miami Dade Water and Sewer Department (GF $18,000).
Additional funding was added to the Repair and Maintenance Services Line item (GF $16,000).
The Travel and Per Diem Line item reflects an increase of $1,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $109,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $6,000).
The Budget reflects a General Fund contribution to Capital for: P25 Professional Services ($50,000) and MRC Riverside Walkway Lighting projects ($30,000).
The Budget reflects a General Services Administration Impact Fees contribution to Capital for the General Services Administration Expansion project ($174,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $464,000).

Resilience and Public Works

Department Head: Juvenal Santana, P.E., C.F.M. Phone: (305) 416-1200
www.miamigov.com/Government/Departments-Organizations/Resilience-and-Public-Works

Mission Statement

To maintain, improve, and modernize our City's Right-of-Way (ROW) infrastructure, environment, and transportation capacity through the best professional, technical, engineering, transportation, and construction inspection services;and to develop and implement strategies to strengthen the resilience and sustainability of Miami's residents, infrastructure, economy and natural systems through internal and external partnerships.

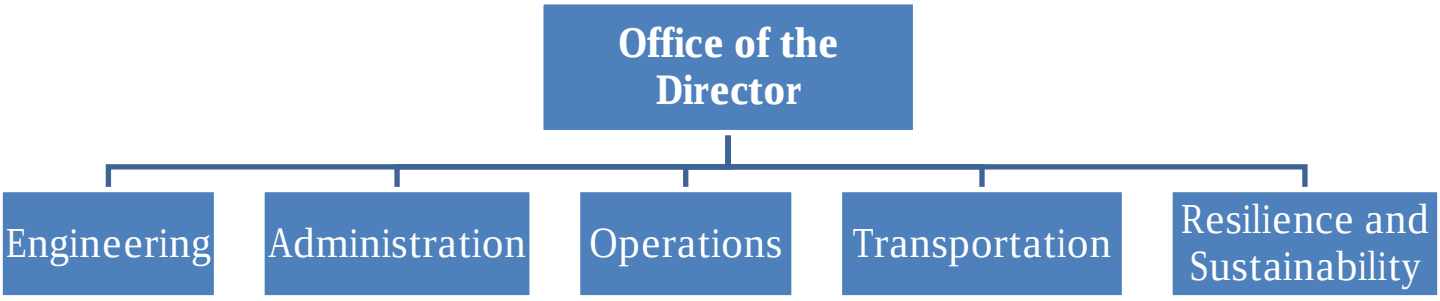
Description

The Department of Resilience and Public Works (RPW) is responsible for engineering design and technical standards, permitting and regulation of construction of public improvements, and the repair and maintenance of City-maintained streets, alleys, sidewalks, curbs, drainage, bridges, and canals within the public right-of-way and integrating sustainable practices and climate resilience into daily operations.

Contributing to the Administration's priority of *Quality of Life*, the Department processes plat applications for the division of land and manages the City's street lighting system, the stormwater collection system within the City's roadways, 13 stormwater pump stations, various tree plantings and landscaping improvement projects, the bus benches and shelters contract, public payphones, news racks, sidewalk cafes, and certain franchise agreements with public utility owners. As a Stormwater Utility, Resilience and Public Works promotes storm water management implemented under the City's National Pollution Discharge Elimination System (NPDES) permit. The Department is organized along five functional lines: Administration, Maintenance Operations, Engineering, Transportation, and Resilience and Sustainability. The Administration Division provides administrative and support services, conducts project reconciliations, performs personnel and payroll functions, enters, and oversees purchasing requisitions, drafts solicitations and contract documents, and executes and tracks contracts for compliance. The Maintenance Operations Division performs routine maintenance of the roadways under the City's jurisdiction, receives and processes resident complaints related to any of the public ROW components under its jurisdiction, dispatches work crews to perform maintenance or repairs to address complaints, and ensures that the City has a safe and usable road system. The Engineering Division reviews various permit requests, including Special Area Plans (SAPs); coordinates right-of-way development, right-of-way dedications and deeds, plats, and easements; conducts traffic analysis and coordination of traffic impact studies; processes maintenance agreements with the County and State; inspects public and private facilities; and enforces environmental regulations considering current and future climate impacts into infrastructure planning and community projects. The Transportation Operations Division plans, coordinates, and implements the City's Trolley service, On-Demand transportation service for the elderly, and the Scooter and Citi Bike programs. The City's Trolley and On-Demand services are Special Revenue funded programs that provide additional mobility options for residents and visitors to explore Miami and serve as first and last mile for transit users. The Resilience and Sustainability Division develops and implements the Resilience and Sustainability Strategy and program planning across all City of Miami departments.

Stakeholders include residents, visitors, businesses, business improvement districts, community redevelopment agencies, developers, the Downtown Development Authority, and contractors.

Resilience and Public Works



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department.	2	2
ENGINEERING Reviews Major Use Special Permits (MUSP), SAPs, Development Orders (DO), and miscellaneous major developments; coordinates all ROW developments; reviews all ROWs and related building projects; inspects public and private facilities and enforces environmental compliance regulations; maintains the NPDES permit and prepares required reports; designs and installs replacement of new storm drainage systems; administers various ROW programs; coordinates the platting and subdivision process; maintains City survey benchmarks and underground utility information; and attends meetings such as homeowners' associations (HOAs), the Plat and Street Committee, and the Planning and Zoning Advisory Board (PZAB).	61	67
ADMINISTRATION Provides administrative and support services; conducts project reconciliations; performs personnel and payroll functions; enters and oversees purchasing requisitions; drafts solicitations and contract documents; executes and tracks contracts for compliance.	6	6
OPERATIONS Receives and addresses complaints about right-of-way issues; verifies illumination coverage; performs repairs of damaged street surfaces, sidewalks, curbs, gutters, swales, and trash holes; performs mowing of street medians, swales fronting City facilities, and traffic control areas; landscapes the ROW; cleans the storm sewer system, and outfalls Citywide; and conducts tree maintenance in ROWs, City owned or maintained properties, and alleys.	74	74
TRANSPORTATION Manages the operations and responds to constituent's inquiries regarding the City's Trolley system and On-Demand Transportation services for the elderly. Secures grant funding for transportation and transit projects; seeks projects and means to improve the efficiency of the transportation programs provided to the community; and provides oversight on projects including planning and coordinating all activities related to transportation projects.	8	8
RESILIENCE AND SUSTAINABILITY Develops and implements the Resilience and Sustainability Strategy and program planning across all City of Miami departments.	3	5

Department Strategies for FY 2021-22

Continue to improve customer service capabilities through continued enhancements of existing online permitting systems and web based coordination systems while working toward implementing a new enterprise permitting system that is adaptable, expandable, and GIS-based while being fully integrated into other existing software platforms being used by other City departments that are integral for right-of-way (ROW) permitting and inspection.

Continue to improve the City's Stormwater Management System with drainage enhancements and system investments, implementation of a comprehensive stormwater pump station SCADA system, and enhanced compliance with the Municipal Separate Storm Sewer System (MS4) permit to meet National Pollutant Discharge Elimination System (NPDES) responsibilities and reduce the number of areas impacted by chronic flooding.

Continue to systematically improve the City's right-of-way (ROW) and roadways by requiring compliance with revised construction standard details, specifications, and bulletins, while implementing a GIS-based asset management system to track, plan, and manage all ROW improvements. Roadway improvements will be recommended utilizing industry standard methodologies that allow RPW to objectively select roadway segments for improvement based on the recently assessed roadway conditions and anticipated future degradation.

Roadway lighting will also continue to be improved through the various, on-going Light Emitting Diode (LED) lighting upgrades projects.

Continue to maintain and continue improving the newly acquired Citywide GIS asset management database to manage, track, and report on existing ROW and roadway asset conditions and implement a more cohesive approach to capital planning for future ROW enhancement programs, permit approvals and tracking, and maintenance and operations work. This will improve efficiency by guiding all future maintenance and capital improvement plans and budgets for the Department as well as provide a public and internal-only view of all ROW permit applications, MOT applications, Special Event applications, and Capital Improvement projects.

Continue to execute the Citywide Beautification Program to enhance and beautify medians, traffic circles, and the Right of Way and improve quality of life for our residents.

Continue to strategically review and improve the Trolley Program to complement other major transportation options through route optimization and continued engagement to meet rider needs; and continue to implement the vehicle replacement plan of aged out vehicles and improve transit service.

Continue to finalize a carbon mitigation plan for achieving carbon neutrality by 2050, including developing a strategy around 100 percent renewable use. Oversee the Climate Resilience Committee and assist in producing legislative recommendations. Ensure climate and urban resilience are citywide priorities, integrating the climate awareness and action into all department operations. Incorporate community engagement within all strategies and prioritizing Miami's most underserved populations. Continue to support work to improve the water quality of the Biscayne Bay watershed and Miami River.

Accomplishments in FY 2020-21

Worked with the Department of Innovation and Technology (DoIT) to fast-track various needed improvements in the interim permitting system (iPW). All technical concerns have been addressed and are expected to be sent to production in June 2021.

Completed 22 stormwater drainage projects Citywide; submitted the NPDES Annual Report cycle 4 year 4 of the MS4 permit with the Florida Department of Environmental Protection (FDEP); cleaned and maintained approximately 3,673 inlets and manholes; approximately 156,360 linear feet of stormwater pipeline; and 28 miles of canal banks; maintained 13 stormwater pump stations; and removed approximately 85.01 tons of debris from the canals, one ton of floatables and debris from City of Miami waterways, and 201.32 tons of debris from the stormwater systems. Developed and implemented changes to City ordinances related to seawall and shoreline protection standards to mitigate the impacts of sea level rise and make our waterfront neighborhoods more resilient. The city was presented with the 2021 Florida Stormwater Association's Excellence Award for RPW's management, maintenance, and continuous improvements of the city's stormwater management program.

Updated the City's right-of-way (ROW) construction standards with an engineering consultant, APCTE, by reviewing and updating Department Bulletins by staff to address the Department's needs and concerns with respect to construction activities within the ROW. In addition to informing the City's Five-Year Capital Plan with respect to what streets should be maintained or reconstructed each year, RPW has begun using the PCI indexing and predictive modeling software within Cartegraph to help prioritize and select additional roads to be reconstructed using Miami Forever Bond funds and grant funds that the City may acquire in the future. The Department also continued its coordination efforts with Florida Power and Light (FPL) for on-going upgrades to

existing lighting systems to Light Emitting Diodes (LED) fixtures. A total of 17,276 high pressure sodium (HPS) streetlights having been converted to LED in fiscal year 2021.

Began the implementation of an asset management software system that has been procured through a General Services Administration (GSA) contract with assistance from DoIT. This contract is for a program provided by Cartegraph and will allow RPW to input and track the city' s right-of-way assets to allow for an enhanced level of tracking of asset conditions and all work efforts associated with maintaining those assets. All 620 miles of the city' s roads have been driven and scanned for existing assets, such as trees, benches, curbing, sidewalks, speed humps, and more, as the first step in populating the asset management system. RPW has begun to use this system to track when assets are added, removed, repaired, and replaced in real time and in a GIS mapped system.

Replenished and enhanced 74 traffic circles, planted 236 trees, and completed the Brickell Bay Drive landscape irrigation project through the Citywide Beautification Program. The design phase of several additional beautification projects has also been completed.

Completed a Trolley System Efficiency Assessment and working to enter into an agreement with Kimley-Horn to look at the recommendations from the study to optimize our routes. The trolley fleet is being continuously modernized as older vehicles are being phased out of operation while new vehicles are being acquired. In 2020, three new trolleys were brought into operation and an additional three are expected in summer 2021.

- Developed the City of Miami's Carbon Reduction Plan to achieve carbon neutrality by 2050. The plan includes goals to increase the use of renewable and clean energy, improve building efficiency, reduce use of single use vehicles, and increase the use of electric vehicles. A draft of the Miami Forever Carbon Neutral Greenhouse Gas Reduction Plan was released in April 2021.
- Increased community engagement efforts as a key component of the development of both the City's Greenhouse Gas Plan (GHG) and the Stormwater Master Plan. The GHG Plan had an initial public engagement period that included a general survey (150 responses) and then a series of virtual workshops (50 participants). The Mayor's Resilience Action Forum was established to provide a monthly venue for resilience topics in addition to the Climate Resilience Committee.
- Initiated several steps to improve the health of Biscayne Bay by initiating a Circularity Assessment Protocol (plastics audit) that was launched in May 2021 and completing a field audit; updated the city's Fertilizer Ordinance; implemented an illicit-discharge ordinance; and installed more than 30 curb inlet protection grates with a contract to install an additional 1,000 screens.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Professional Services Line item reflects a reduction of $1.388 million (SR) primarily due to the expiration of trolley operations grants from the Florida Department of Transportation.

The Budget includes the following additions:

Additional funding was added to the Other Contractual Services Line Item for the maintenance of the City's Stormwater pump stations (GF $250,000) and for anticipated contractual increases to various right-of-way landscaping projects (SR $100,000).

The Travel and Per Diem Line item reflects an increase of $12,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $13,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.
Additional funding was added to the Operating Supplies Line Item to align the budget with the actual trend of expenditures (GF $61,000).

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employeescollective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent)(GF $137,000) (SR $5,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $50,000).
The budget reflects a General Fund contribution to Capital for: the Citywide Storm Sewer Repair Project ($1.822 million), heavy fleet vehicle acquisition ($1.765 million), and light fleet vehicle acquisition ($194,000).
The budget reflects a Local Option Gas Tax contribution to Capital for Citywide Pavement Resurfacing ($686,000).
The FY 2021-22 Transportation and Transit Special Revenue Fund budget includes a Transfer-Out to Debt Service Fund of $5.706 million for payment of the Street Bonds.
The FY 2021-22 Transportation and Transit Special Revenue Fund budget includes a Transfer-Out to Capital for the following projects: $1.180 million Trolley Acquisition, $409,000 for Citywide Trolley Signage, $450,000 for Transportation Studies, and $150,000 for Mass Transit Studies.
The budget reflects a repurposing of existing funding in the Resilience and Sustainability section for a Vulnerability Analysis to establish the baseline condition of critical City infrastructure and assets, determine the impacts of current and future climate risks on the City's infrastructure, understand community needs for new infrastructure, and develop a process for ensuring that retrofitted and new infrastructurecan withstand future climate impacts ($150,000).
Pursuant to Resolution R-19-0179, funds are allocated in the Professional Services line-item per agreement between the City and the Miami River Commission for compliance with educational requirements of the National Pollutant Discharge Elimination System (NPDES) Permit (GF $50,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

The budget was revised to include eight new positions: Resilience Programs Manager, (2) Engineer I, Engineer II, (2) Engineering Technician III, a Professional Engineer I, and a Deputy Chief Resilience Officer. The total cost of $465,000 includes computers and equipment cost ($74,000), and four months of attrition (-$195,000).
An increase in Regular Salaries and Wages Line item is due the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $427,000).

Resilience and Public Works

Strategic Alignment and Performance Measures

Priority Areas	Objectives
1. Quality of Life	1.3.1 Create a safe and comfortable pedestrian environment City of Miami Strategic Plan
	1.3.2 Facilitate connectivity through affordable multi-modal transportation options City of Miami Strategic Plan
	1.3.3 Improve street paving and pothole repair City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
2. Resilience	2.1.1 Enhance understanding of the City's vulnerability to environmental, social and economic risks with data City of Miami Strategic Plan
	2.1.2 Quantify the City's impact on climate change City of Miami Strategic Plan
	2.1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data City of Miami Strategic Plan
	2.2.1 Prepare and empower residents and businesses to anticipate and respond to environmental, social and economic disruptions City of Miami Strategic Plan
	2.2.3 Improve internal capacity, coordination and communications City of Miami Strategic Plan
	2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability City of Miami Strategic Plan

Resilience and Public Works

Strategic Alignment and Performance Measures **Continued**

Measures	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Actual	FY 2021-22 Targets
GOAL Maintain pavement and reduce liability claims				
Pot holes repaired (number)	3,506	2,503	2,890	1,750
Pot holes repaired with-in 20 days of being reported (percent)	91	79	85	45
GOAL Involve as many residents as possible in education and the development of the City strategy				
Residents engaged through community meetings, presentations, focus groups, interviews and social media (number)	3,294	6,575	8,616	5,000
GOAL Improve walkability and ADA Compliance				
Sidewalk repaired (square feet)	475,805	384,950	115,327	388,000
GOAL Maintain aesthetic of swales				
Trash holes filled (number)	2,963	1,036	382	1,000
GOAL Properly maintain tree canopy				
Trees trimmed (number)	6,817	2,317	1,105	2,500
GOAL Reduce flooding complaints and FDEP compliance				
Storm sewer pipes cleaned (linear feet)	202,818	252,420	258,926	200,000
GOAL Provide expeditious customer service				
Line & Grade Inspections completed within a day of scheduling (percent)	98	100	100	98
GOAL Increase Trolley Ridership by 5%				
Trolley System Trips (number)	5,289,096	3,529,236	1,913,272	4,000,000
GOAL Increase CitiBike Participation by 3%				
CitiBike Participation Total Ridership (number)	209,217	81,740	159,785	88,000

Solid Waste

Department Head: Wade Sanders Phone: (305) 960-2804
www.miamigov.com/Government/Departments-Organizations/Solid-Waste

Mission Statement

To promote a clean and healthy environment through the delivery of a comprehensive, safe, cost-effective, and environmentally sound solid waste management system; to support sustainable community programs and civic engagement; and to enforce sanitation code compliance rules and policies that assure public welfare, safety, and health.

Description

The Department of Solid Waste is defined under Chapter 22, Article I, Section 22-1 of the City Code. The Department provides courteous, dependable, and efficient waste and recycling collection services to over 69,000 residences within the City. As one of the leading municipal providers of waste management services in South Florida, the Department is a six-day-a-week (seven-night) operation offering a comprehensive collection service including twice-a-week residential pick-up of garbage, weekly pick-up of trash and bulky waste, and every-other-week pick-up of comingled recyclable materials.

Contributing to the Administration's Priority of *Quality of Life*, the Department is committed to improving Miami's communities. The Department is responsible for cleaning the City's rights-of-way by mechanically sweeping major commercial corridors, servicing over 1,200 litter containers on sidewalks, removing and disposing of dead animals, handling clean-up operations for special events, responding to sanitary nuisances, coordinating the Keep Miami Beautiful campaign which involves weekly litter collection from the public right-of-way, educating the public about recycling awareness, and compliance with the Code. Further, the Solid Waste Code Enforcement Division handles all sanitary matters related to refuse as mandated by Chapter 22 of the City Code. Finally, the Department administers the Commercial Solid Waste Franchise Agreements between the City and private hauling companies and regulates more than 10,500 commercial solid waste accounts within the City limits.

The stakeholders include residents and businesses of the City of Miami.

Department Strategies for FY 2021-22

Continue to provide reliable and exceptional service on garbage collection, recycling, bulky trash, dead animal removal, and other crucial sanitation functions for the City of Miami residents while adapting to changing circumstances and unprecedented emergencies.

Continue to expand current safety measures by maintaining the number of accidents below the national average.

Continue to enhance sanitation code enforcement efforts to have a stronger presence in the communities, catching and deterring illegal dumping.

Continue to actively engage with community residents to aid in the education of the City's sustainability efforts.

Improve the illegal dumping special collection service delivery process with the enhancement of 311 reporting and tracking procedures.

Partner with the Human Services Department to launch the Graffiti Mitigation Program which provides graffiti removal assistance to private property owners and businesses in eligible low-and moderate-income areas of the city whose properties have been a victim of graffiti vandalism.

Solid Waste

Accomplishments in FY 2020-21

Established safety measures to ensure the continuity of operations and delivered essentials services throughout the unprecedented times of COVID-19 pandemic.

Utilized data to steer departmental decisions by utilizing an app to capture filed data such as conditions of litter containers and extract reports from findings.

Worked closely with the Risk Management's Safety Officer on an aggressive collaborative program to narrow the behavior and empower the employee as the essential part of the program. Fostered a sense of culture and responsibility around personal safety, dedicated to ensuring "everyone got home safe". Action was taken by the department's Safety Specialists working side-by-side with crews to understand and experience the day-to-day interactions. In turn, that feedback was brought back and discussed to find solutions to lower our accident rates each year. Since the Safety Office's inception of the program in 2018, the department had anine percent decrease in accidents in 2019 and a three percent decrease in 2020.

Continued the automation of current garbage and recycling cart deliveries. This is an ongoing operational improvement project.

Made manual adjustments on several routes to ensure optimal efficiency. A more in-depth process is being sought out by incorporating GIS data.

Worked closely with the Police Department to assist with illegal dumping in various areas and hotspots throughout the City of Miami.

- Increased surveillance efforts in collaboration with the Police Department with the purchase of additional surveillance cameras in prior years for locations throughout the City of Miami to deter illegal dumping on the public right-of-way. Currently there are 104 Cameras throughout the municipality that led us to seven arrest and over 471 documented illegal dumping cases.
- Worked in conjunction with the Neighborhood Service Centers, Public Works, Police Department, 311, Dade County Inspectors and hazardous waste collectors and addressed all types of solid waste matters which produced 20 Civil Hauler Violations, 650 Violations and 152 Warnings from the Sanitation Code Enforcement Section. In addition, the department hired four new Sanitation Inspectors to enhance illegal dumping surveillance and compliance efforts.
- Conducted cleanup events which covered over 1,593 households with educational material.

Reached 207 individuals through community events, door to door outreach, and volunteer cleanups and continues to engage the community on recycling and environmental sustainability.

Partnered with the Departments of Fire-Rescue and Risk Management and followed the Centers for Disease Control and Prevention (CDC) mandates, the department implemented and set forth a stringent policy on enforcing mask-wearing and social distancing. In addition, continual screening and COVID-19 reporting protocols were established for the department with over 230 employees.

Solid Waste

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Promotional Activities Line item reflects a reduction of $17,000 (GF) to align the budget with the actual trend of expenditures.
The Operating Supplies Line item reflects a reduction of $53,000 (GF) to align the budget with the actual trend of expenditures, which includes $43,000 (GF) for the Anti-Litter Plan.

The Budget includes the following additions:

The Regular Salaries and Wages Line item reflects the addition of 13 positions: one Superintendent position, five Sanitation Inspector positions, one Multimedia Specialist position, and six Video Retrieval Specialist positions $615,000 (GF).
The Professional Service Line item shows a net zero increase due to the reopening of the City's mini dump.
The Other Contractual Services Line item reflects an increase of $285,000 (GF) which includes $95,000 to cover additional equipment and upgraded services provided by Lytx, Inc, and $190,000 for the Anti-Litter Plan.
The Travel and Per Diem Line item reflects an increase of $11,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $10,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.
The Repair and Maintenance Line item reflects an increase of $90,000 (GF) to cover additional repair expenses.
The Advertising and Related Costs Line item reflects an increase of $104,000 (GF) to cover advertising and signage expense for the Anti-Litter Plan.
The Other Charges and Obligations Line item reflects an increase of $920,000 (GF) which includes $300,000 for the Graffiti Mitigation project and $620,000 to cover the uprising cost in disposal fees.
The Public Safety Supplies Line item reflects an increase of $9,000 (GF) to align the budget with the actual trend of expenditures.
The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects an increase of $6,000 (GF) to align the budget with the actual trend of expenditures.
The cost for the FY 2021-22 Anti-Litter Plan is $2.344 million and it is included in the following Line Items:

- The Regular Salaries and Wages (GF $615,000); Fringe Benefits (GF $1,000); FICA (GF $48,000); Other Contractual Services (GF $190,000) to cover the cost of the Mini Dump Facility extended weekend hours and tipping fees; Advertising and Related Costs (GF $104,000); Operating Supplies (GF $43,000); Clothing and Uniform (GF $2,000); and Machinery and Equipment for one-time computers and 100 surveillance cameras purchase (GF $627,000).
- The Proposed plan included additional dollars for cost allocations and capital items that are budgeted in the following accounts.

  Retirement Contributions is budgeted in the Non-Departmental cost allocation ($294,000).
  Life and Health Insurance is budgeted in the Internal Services Fund cost allocation ($249,000).
  Worker's Compensation is budgeted in the Internal Services Fund cost allocation ($9,000).
  Vehicles are budgeted in Capital Project Number 40-B183900 ($164,000).

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contractsbetween the City of Miami and the American Federation of State , County, and Municipal Employees, AFL-CIO, Local 871 (AFSCME 871), reflecting normal step increases (generally 5 percent) (GF $135,000); the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $34,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $19,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $129,000).

Mission Statement

To serve the community with the highest level of professionalism, customer service, and responsiveness by providing effective and efficient fire prevention, fire suppression, disaster management, emergency medical care, and other essential services to save lives and protect property.

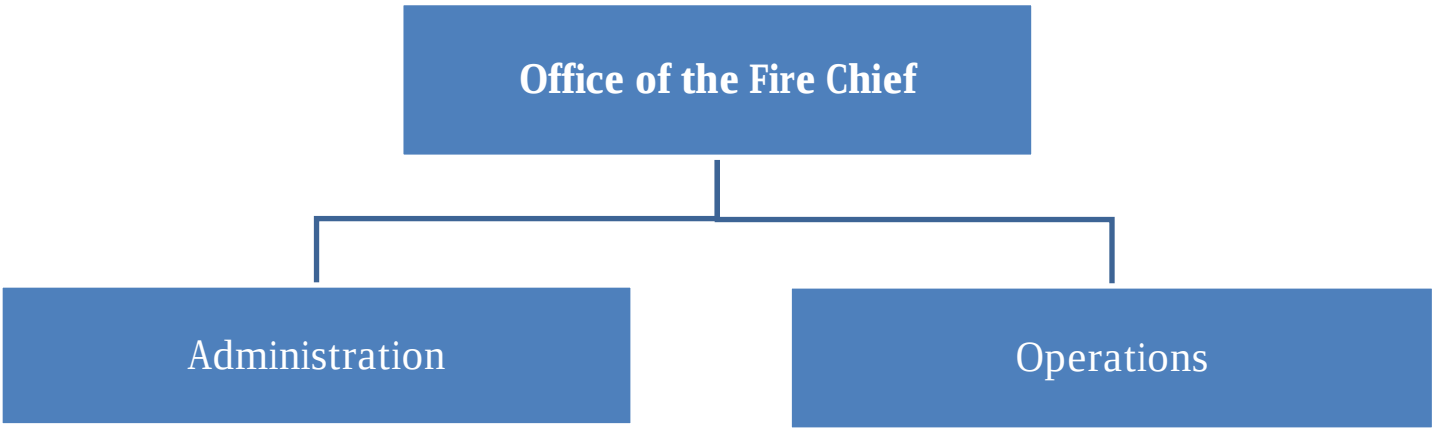
Description

The Fire-Rescue Department's primary responsibilities are the protection of life and the preservation of property through prevention, control, fire suppression, special operations, and the provision of emergency medical and rescue services.

Contributing to the Administration's Priority of *Quality of Life*, the Department responds to fires, public safety incidents, and medical emergencies. The Department advances prevention efforts through the inspection of residential,industrial, and commercial structures, as well as the review and inspection of construction plans consistent with Florida Fire Prevention Codes. Officers conduct fire investigations to assist law enforcement agencies in cases of suspected fires. The Department maintains specialty teams uniquely trained in the areas of hazardous materials, weapons of mass destruction and decontamination, dive rescue, marine services, and technical rescue. Additionally, the Department provides training through various public safety programs to both residents and employees of the City.

Stakeholders include residents, businesses, and visitors to the City of Miami.

Fire-Rescue



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE FIRE CHIEF Provides leadership and direction; manages and coordinates; develops and implements policies, procedures, rules and regulations, plans, programs, and budgets; and develops standards and methods to improve fire and life safety.	14	16
ADMINISTRATION Provides human resource management; coordinates information technology needs; provides repair and maintenance of departmental facilities, equipment, apparatus, and vehicle fleet; develops uniform and equipment specifications; manages fiscal operations including capital and grants management; provides payroll, procurement, legislation, and quality management of all technical services; conducts permit inspection and plans review for construction; performs water flow tests, and monitors the hydrant and water supply system; conducts annual life safety inspections in all commercial occupancies including specialty inspections of hazardous material occupancies, hospitals, and institutional properties; conducts arson investigations; and provides health and wellness and emergency medical support to sworn personnel.	105	106
OPERATIONS Provides fire response, suppression, emergency medical services, and special operations; performs specialized protection services such as hazardous materials, weapons of mass destruction mitigation, water rescue, marine services, technical rescue, and Special Weapons and Tactics (SWAT) medical teams; coordinates Citywide disaster preparedness, response, recovery, and mitigation; creates, updates, and participates in the City's Comprehensive Emergency Management Plan; manages the Emergency Operations Center; improves firefighting and rescue capability through recruitment, physical fitness, and in-service and specialized training in the areas of fire suppression, firefighting, and other related functions; maintains a library of training materials; provides recruit and in-service training; and answers, processes, and dispatches all emergency and non-emergency Fire-Rescue E-911 calls.	765	778

Department Strategies for FY 2021-22

Continue to reduce response times as per Fire Rescue's Strategic Plan by placing into service Rescue 31 that will primarily service the areas of Flagami and the City's western boundaries.

Continue working toward building and renovating Fire-Rescue stations and facilities by completing the roof at Fire Station 8, the bathrooms at Fire Stations 2, 6, and 8, the hardening of Fire Station 2, 9, and 12, attaining a Certificate of Occupancy for the Department's Health and Wellness Center, and a Fire-Rescue unit for the temporary Fire Station at Brickell City Center.

Continue to implement the Department's Strategic Plan in collaboration with the City's Strategic Planning Team to ensure that the Fire-Rescue Department is equipped to deal with the anticipated growth of the City. The Department is expecting to receive six new fire engines with dual stage pumps (designed for high-rise firefighting), one Aerial apparatus to be placed into service in the Little Haiti area, and three specialty apparatus that will operate as city-wide special operations in Hazardous Materials, Technical Rescue, and Air Program.

Continue investment in proactive technology solutions by collaborating with the Police Department and the Department of Innovation and Technology to procure, implement, and install a new Computer-Aided Dispatch system to facilitate greater efficiency in E-911 call management, and the processing of calls for emergency services.

Continue the implementation of initiatives outlined in the Department's Comprehensive Cancer Prevention Program with the opening of a Health and Wellness Center in early 2022 for sworn personnel and the

implementation of the Personal Protective Equipment Program to monitor, clean, repair, and replace protective firefighting equipment.

Process 25 candidates for the Fire Chief Maurice L. Kemp EMS Cadet Program (EMS Cadet) that is projected to start in October 2021 as part of the Department's continuing work with the community and public partnerships to positively impact at-risk youth through educational programs such as the Fire Explorers Program and the EMS Cadet Program. These programs strengthen the community's relationship with public safety personnel and provide a pathway to prosperity for at-risk youth.

Conduct Executive and Command Staff Development Programs, Fire Officer Development classes for all ranks, In-Service Training of Live Burns, complete departmental Paramedic Renewal, and Critical Incident training for mental health emergencies.

Accomplishments in FY 2020-21

Placed into service the Heavy Rescue 6 unit as part of our Technical Rescue Team to enhance our Special Operations in the disciplines of High Angle Rescue, Confined Space Rescue, Structural Collapse Rescue, Trench Rescue, and Vehicle and Machinery Rescue consistent with National Fire Protection Association standards.

Completed the construction and received a Certificate of Occupancy for Fire Station #14 located at 3171 SW 22 Terrace.

Completed the on-boarding process for 35 firefighter cadets to fill budgeted vacant positions in the Department.

Graduated 13 students in the Fire Chief Maurice L. Kemp EMS Cadets as Emergency Medical Technicians from Miami Dade College and funded four graduates with a paramedic certification opportunity through the Michael S. Gordon Scholarship Fund.

Deployed USAR Type III team of 45 members to the earthquake in Puerto Rico and Hurricanes Sally and Delta in Tallahassee and Louisiana respectively.

Responded to the COVID-19 pandemic with the Divisions of Emergency Management, Emergency Response, Logistics, and Health and Emergency Medical Services serving as the front-line defense against the COVID-19 public health emergency in the City of Miami by:

- issuing city-wide personal protective equipment
- initiating emergency response to Emergent Infectious Disease alarms
- staffing a citizen's Covid-19 hotline
- staffing a mobile testing and vaccination call center
- activating mobile testing and vaccination units
- activating mobile points of distribution for vaccinations
- command and control of community-wide testing at Marlin's Park
- conducting city-wide employee testing and contact tracing
- activating and participating in the Phased Comeback Task Force
- establishing and operating the FEMA Cost Recovery Task Force
- providing staffing of paramedics in Miami Dade Public Schools within the jurisdiction of the City of Miami.

Received a new 34–foot Emergency Command Vehicle to be used as a field command center post for major emergency incidents and large-scale special events. This vehicle was incorporated to serve as a Mobile Point of Distribution of vaccines during the COVID-19 pandemic.

Implemented the Mobile Eyes software program to conduct Certificate of Use fire inspections as an investment in proactive technology solutions.
Employed one Fire Protection Engineer for our Fire Engineering section in the Fire Prevention Bureau to conduct plans review and new construction inspections of high-rise and complex structures.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Professional Services Line item reflects a reduction of $205,000 (GF) to align the budget with actual trend of expenditures. This amount is based on a proposed budget of $805,000 that reflects an increase of $65,000 over the FY 2020-21 Adopted Budget of $740,000 for this Line item.
The Utilities Electricity Line item reflects a reduction of $24,000 (GF) to align the budget with actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Regular Salaries and Wages, Special Pay, and FICA Taxes Line items for 13 sworn positions to staff one rescue unit (Rescue 31) to enhance EMS coverage in the Flagami area (GF $1.036 million).
As approved in the FY 2020-21 Mid-Year Amendment, the budget reflects the addition of two filled Assistant Fire Chief positions $387,000 (GF).
The Regular Salaries and Wages Line item reflects the addition of one Grant Funded Project Manager position funded by the Securing the Cities Grant Program due to a scrivener's error $83,000 (SR).
The Professional Services-Medical Line item reflects an increase of $133,000 (GF) to align the budget with actual trend of expenditures.
The Training Line item reflects an increase of $301,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account. An additional increase of $101,000(GF) has been added due to increased need for required specialized training; and an increase of $50,000 (GF) to fund the Fire Chief Maurice L. Kemp EMS Cadet Program.
The Utilities Water Line item reflects an increase of $24,000 (GF) to align the budget with actual trend of expenditures.
The Repair and Maintenance Services Line item reflects an increase of $9,000 (GF) to fund increased cost of the fire station alert system.
The Office Supplies Line item reflects an increase of $30,000 (GF) to align the budget with actual trend of expenditures.

Fire-Rescue

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contracts between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent),(GF $71,000; SR $12,000); the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF) reflecting normal step increases (generally five percent) (GF $508,000; SR $4,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $10,000; SR $1,000);and a salary increases according to the Fire Executive Pay Scale (GF $5,000).

The Regular Salaries and Wages includes funding for the shared portion of revenues associated with medical transport. Of the total $13.747 million of revenues associated with medical transportation ($10.335 million of fees, $2.312 million of Public Emergency Medical Transport (PEMT) Medicaid Fee for Service supplement (FFS), and $1.100 million of PEMT Medicaid Managed Care (MMC), $3.234 million will be used to fund medical transportation and $3.234 million will be shared with employees per the current IAFF collective bargaining agreement (GF $3.234 million).

Section 175 state pass-through revenues and expenses for Firefighter Secondary Pensions are included in the Department's budget (GF $4.300 million).

Funding is included for the IAFF Health Trust per the current IAFF collective bargaining agreement (GF$20.798 million; SR $68,000). This Health Trust provides health insurance for 733 members of the IAFF, 16 executives, and their associated dependents.

The Budget includes funding for the advance payment of the City's state share portion of revenues received for the medical transport of Medicaid Managed Care patients. The City will send the advance to the Florida Agency for Health Care Administration (AHCA) that will intern use these funds to drawdown an additional $1.100 million from the Federal Government. The City will then receive both Federal and state share advance from AHCA through the various Medicaid Managed Care organizations that have a contract with the Fire-Rescue Department (GF $900,000).

The Department's Special Revenue funds include projected grant budgets for USAR Cooperative Agreement 2021, State Homeland Security Grant Program 2020 and 2021, 2019 Securing the Cities Program, and Urban Area Security Initiative 2020 and 2021 (SR $31.441 million).

The Budget for Fire-Rescue includes annual payment for the settlement agreement($2.500 million) required by the Collective Bargaining Labor Agreement with the IAFF. The settlement is funded in the Non-Departmental Account.

The Budget reflects Fire Impact Fees contribution to Capital for Fire-Rescue Hardening of Training Center Facilities - Grant Match ($268,500), Fire-Rescue Cardiac Monitors – Grant Match($200,000), and Fire-Rescue Facility Enhancements ($128,500).

The Budget reflects a General Fund contribution to Capital for Fire-Rescue Hardening of Training Center Facilities - Grant Match ($482,000), General Firefighter and EMS ($1.500 million), and Fire Fleet Acquisition ($618,000).

The Department's personnel budget includes 786 regular sworn personnel and 16 sworn executives for a total of 802 sworn positions, and 98 civilians.

Fire-Rescue

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in the General Fund contribution to the Fire Fighters' and Police Officers' Retirement Trust due to a reduction in the actuarial rate (GF $444,000).

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $306,000).

Fire Rescue

Strategic Alignment and Performance Measures

Priority Areas	Objectives
1. Quality of Life	1.1.2. Strengthen trust through excellent customer service City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
	1.5.3 Maintain low response times and seek out opportunities to optimize emergency operations City of Miami Strategic Plan

Measures	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Actual	FY 2021-22 Targets
GOAL Expeditiously and safely respond to all emergencies to save lives and protect property				
Response time from initial call to first unit on scene (minutes)	5.4	5.5	5.5	5.3
GOAL Collaboratively work with the public in reducing the amount of false alarms generated in accordance with the City Ordinance				
False alarm incidents by automatic fire detection systems (number)	7,712	7,951	8,754	7,148
GOAL Continue to respond to the increasing number of calls for service to save lives and protect property				
Fire and rescue alarm calls (number)	101,670	107,981	108,226	110,500
GOAL Replace an aging fleet with the technological advancements of modern apparatus to continue to safely and effectively mitigate incidents				
Average age of firefighting units (years)	10.7	11.0	11.8	12.3
GOAL Assure apparatus have the ability to safely respond and render care in all emergency medical incidents, and provide rapid transport to hospital facilities for further care				
Average age of rescue units (years)	8.0	8.2	8.7	5.9
GOAL Assure non-emergency vehicles are available to support emergency services functions and other essential services required for the protection of property and the saving of lives				
Average age of light fleet support vehicles (years)	5.3	6.3	6.8	5.9
GOAL To sustain above – average satisfaction on our survey results				
Customer Satisfaction Survey: satisfied responses (percent)	99	99	99	100

Mission Statement

To work together with Miami's diverse residents, visitors, and businesses to constitutionally, transparently, and accountably reduce crime and enhance public safety.

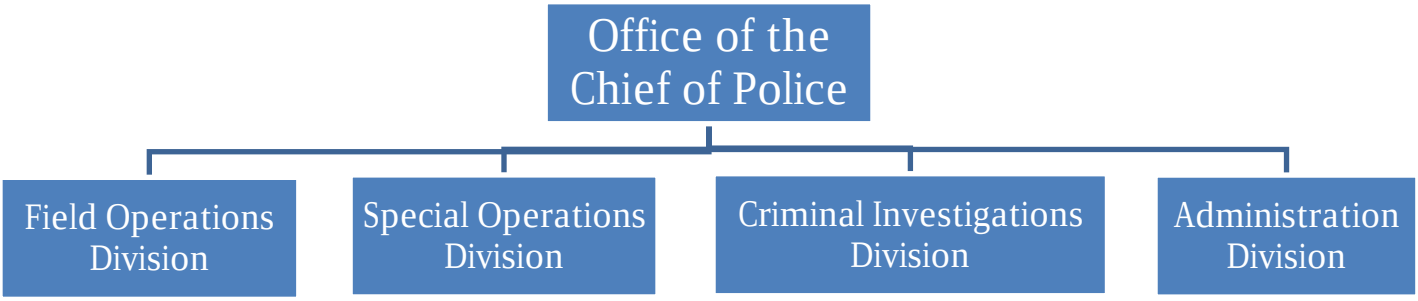
Description

The City of Miami Police Department (MPD) is a modern, full-service law enforcement agency that serves a large and diverse population. The Department is committed to proactive crime prevention efforts, timely responses to calls, unrelenting follow-up, and criminal investigation efforts.

Contributing to the Administration's Priority of *Quality of Life*, the Department is structured to provide world-class law enforcement services to residents, visitors, and businesses. MPD services include uniform patrol and patrol support, criminal investigations, and specialized operations, each of which are optimized to enhance the safety of the public. Utilizing evidence-based practices and innovative new strategies to fight crime, MPD personnel identify safety issues and tailor solutions to provide the best possible quality of life to the public.

Stakeholders include residents, businesses, and visitors to the City of Miami.

Police



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE CHIEF OF POLICE Establishes, directs, and ensures a policy of achieving the delivery of the highest-quality law enforcement services; provides administration for departmental operations; provides legal counsel; responsible for investigations of Departmental and City employees; provides information to the media and community; promotes community outreach; oversees inter-agency narcotics and Homeland Security investigations; and coordinates interaction with other City departments.	86	85

Police

Department Strategies for FY 2021-22

Expand investigative assets in the Real Time Crime Center.
Expand Crime Gun Intelligence Center/ATF Task Force staffing.
Continue to work to eliminate paper-based forms and processes.
Continue to work to transition major applications to cloud services.
Integrate Police and Fire CAD systems.

Accomplishments in FY 2020-21

Initiated the transition from laptop computers to cellular phones as the primary data entry device. This will be accomplished through Windows Virtual Desktop which is a Microsoft Azure-based system for virtualizing its Windows Operating Systems, providing virtualized desktops and applications in the cloud. Through the Coronavirus Emergency Supplemental Funding Program 1,300 Verizon Cell phones have been purchased. ITSS Unit has completed a proof-of-concept exercise scope of work, and is proceeding to implement the necessary cloud-based infrastructure, which will support the forthcoming transition.

Deployed the BriefCam video content analytics platform in the Real Time Crime Center. BriefCam is a complete video content analytics platform which drives exponential value from surveillance system investments by making video searchable, actionable, and quantifiable; delivers accurate, flexible, and comprehensive solutions; and provides valuable insights for accelerating investigations, increasing situational awareness, and enhancing operational intelligence.

Implemented the following comprehensive performance dashboards:

ArcGIS - web based software for the following:

Calls for Service – tracking and mapping trends over time.

Active Calls for Service – maps response, hold time and vehicle location for calls being actioned by dispatch.

Tactical Operations Planning – manage and deployment of Tactical Units during incidence response.

Homeless - mapping of locations and crime activity.

Initiated the elimination of paper-based forms and processes. The ITSS Unit is in the process of evaluating the necessary steps to implement forms on the Microsoft Power App platform whose licenses were purchased in December 2020. The initial goal is to pilot test several identified forms.

Transitioned the following major applications to cloud services.

CrimeView Web services has been procured and will transition from on premise tocloud-based.

Eliminated on premise SharePoint and migrated it to a cloud-based environment for Special Investigative Services.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Overtime Line Item reflects the reduction of $76,000 (SR) of non-recurring grant funding.

The Professional Services-Medical Line Item reflects a reduction in the number of pre-employment medical assessments to align the budget with actual trend of expenditures and future hiring needs totaling $135,000 (GF).

The Rentals and Leases Line Item reflects the reduction of $117,000 (GF) due to a reduction of the number of rental car services, offset with the Capital Vehicle Acquisition Program.

The Repair and Maintenance Services Line Item reflects the reduction of $662,000 (GF) to align the budget with actual trend of expenditures.

The Printing and Binding-Paper Stock Line Item reflects the reduction of $35,000 (GF) due to the elimination of paper-based forms and processes.

The Other Current Charges and Obligations Line Item reflects the reduction of $53,000 (GF) to align the budget with actual trend of expenditures and $364,000 (SR) primarily due to non-recurring grant funds in the Police Services Special Revenue Fund.

The Office Supplies Line Item reflects a reduction of $6,000 (GF) and $1,000 (SR) with no service impact.

The Operating Supplies Line Item reflects a reduction of $28,000 (SR) of non-recurring grant funding.

The Motor Fuel Line Item reflects a reduction of $50,000 (GF) to align the budget with actual trend of expenditures.

The Public Safety Supplies Line Item reflects a reduction of $62,000 (GF) to align the budget with actual trend of expenditures.

The Clothing and Uniform Supplies Line Item reflects a reduction of $337,000 (GF) to align the budget with actual trend of expenditures.

The Subscriptions, Memberships, Licenses, Permits and Others Line Item reflects a reduction of $11,000 (SR) to align the budget with actual trend of expenditures in the Police E911 Special Revenue Funds.

The Weapons and Ammunitions Line Item reflects a reduction of $47,000 (GF) to align the budget with actual trend of expenditures.

The Machinery and Equipment Line Item reflects a reduction of $715,000 (GF), non-recurring operating expenditures, funded in the previous fiscal year.

The Budget includes the following additions:

As approved in the FY 2020-21 Budget Amendment No. 1, the budget reflects the reinstatement of 63 filled Police Officer positions (GF $3.585 million).

The Regular Salaries and Wages Line item reflects the addition of one Constitutional Policing Advisor civilian position to provides advice to executive management on a wide variety of issues which significantly impact departmental operations (GF $200,000) and 16 Police Officer sworn positions (GF $938,000) to increase the MPD Field Operation Division's capacity for a total increase of $1.138 million.

Additional funding was added to the Professional Services Line Item to align the budget to the current level of computer support services in Police IT section, including the Emergency Call Center (GF $511,000; SR $72,000).

Additional funding was added to the Other Contractual Services Line Item to align the budget to the current level of janitorial services and services to the Emergency Call Center (GF $253,000; SR $135,000).

The Travel and Per Diem Line item reflects an increase of $50,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.

The Training Line item reflects an increase of $63,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.

Additional funding was added to the Communications and Related Services Line Item to align the budget to the current level of services provided by UNICOM and services to the Emergency Call Center (GF $104,000; SR $227,000).
Additional funding was added to the Subscriptions, Memberships, Licenses, Permits and Others Line Item to align the budget to the current level of expenditures (GF $752,000).

The Budget includes the following additional considerations:

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $381,000); the Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP) reflecting normal step increases (generally 5 percent) (GF $1.649 million); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including Police Executive Staff (GF $375,000).
  The Budget includes funding of "Do the Right Thing" (GF $125,000) and the "Police Athletic League" (GF $415,000) in NDA.
  The Budget reflects a General Fund contribution to Police Services, special revenue fund to set up a reward program of five hundred dollars per case and a hotline for members of the general public who provide tips on illegal dumpers that lead to either a civil or criminal prosecution and conviction (SR $10,000).
  The Department will continue with the intent of hiring a company to provide School Crossing Guard services to ensure coverage at all times.
  The Budget reflects Police Impact Fees contribution to Capital for the following projects: Aero Computer Mapping ($134,000), Police Fiber Optics ($143,000), and Police Milestone Conversion ($90,000).
  The Budget reflects a General Fund contribution to Capital for Police Body Worn Cameras and Tasers ($1.000 million), Surveillance Platform ($155,000), CCTV Mobile Trailers ($180,000), Computer Aided Dispatch (CAD) System ($1.426 million), and Police Vehicles ($9.760 million).
  The differences in amount of personnel between divisions are due to the reassignment of existing staff to best suit the needs of the Department.
  In FY 2019-20, the Department requested assistance from the U.S. Department of Justice, COPS Hiring Program (CHP) award, FY 2020 to increase in 15 its number of sworn officers. The acceptance of the grant was postponed until June 10, 2021, where the City Commission approved it by Resolution number R-21-0225. A grant contract agreement is routing for signatures. The change of the Department FTEs number is contingency upon the execution of a grant agreement contract.
  In FY 2020-21, the Department requested assistance from the U.S. Department of Justice, COPS Hiring Program (CHP) award, FY 2021 to increase in 15 its number of sworn officers. The change of the Department FTEs number is contingency upon the execution of a grant agreement contract.

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

Police

An increase in the General Fund contribution to the Fire Fighters' and Police Officers' Retirement Trust fund due to a reduction in the actuarial rate (GF $771,000).

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $1.107 million).

The reduction of one filled Deputy Police Chief position and the use of the allocated salary dollar amount for this position to fund four new Police Officer positions with a net fiscal impact of zero dollar.

The denial of an enhancement request for the addition of one Constitutional Policing Advisor civilian position budgeted at $163,000 (Year Salary plus Benefits: $205,000; FICA: $11,000; Attrition: -$53,000) and the transfer of this budget allocation to the Office of the City Attorney to fund the addition of one Assistant City Attorney position.

The FY 2021-22 Operating Budget includes 1,305 regular sworn Police Officers and 40 sworn executives for a total of 1,345 sworn personnel, as well as 409 civilian positions.

Police

Strategic Alignment and Performance Measures

Priority Areas	Objectives
1. Quality of Life	1.5.1 Reduce gun violence City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
	1.5.3 Maintain low response times and seek out opportunities to optimize emergency operations City of Miami Strategic Plan

Measures	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Actual	FY 2021-22 Targets
GOAL Answer 911 calls as quickly as possible				
911 calls answered within ten seconds of call initiation (percent)	87	94	94	98
GOAL Minimize response times for emergency calls for service				
Average response time to Priority 3 calls that are life-threatening and / or where serious injury has occurred or is imminent (minutes)	3.6	3.4	3.3	3.9
GOAL Reduce crime				
Uniform Crime Reporting Part 1 Crimes which includes criminal homicide, forcible rape, robbery, burglary, theft, motor vehicle theft, and arson (number)	20,182	21,538	13,909	18,500
GOAL Focus on recidivist offenders and reduce the overall number of arrests				
Uniform Crime Reporting Arrests (number)	18,396	11,102	11,553	17,000
GOAL Maintain Commission of Accreditation for Law Enforcement Agencies (CALEA) accreditation				
Obtained Commission on Accreditation for Law Enforcement Agencies (CALEA) accreditation (Yes-1/No-0)	1	1	1	1
GOAL Enter 100% of recover ballistic into the National integrated Ballistic Information Network within 24 hours of recovery				
Percentage of recovered ballistics entered into the NIBIN system within 24 hours of recovery (percent)			157.10%	100
GOAL Increase number of non-adversarial community contacts				
Number of signal "13C" community contacts (number)			13,709.00	10,000

Housing and Community Development

Department Head: George Mensah Phone: (305) 416-1978
www.miamigov.com/Government/Departments-Organizations/Housing-Community-Development

Mission Statement

The Department of Housing and Community Development assists in creating a viable urban community for the neediest persons in our city while reducing poverty, embracing diversity, assisting with economic development, and improving the overall quality of life.

Description

The Department of Housing and Community Development (HCD) utilizes grant funds it receives from federal, state, and local government sources to aid in the development of a viable urban community. The essence of this objective is to provide quality housing, suitable living environments, and expansion of economic opportunities for the neediest of the community. HCD performs a wide range of community and economic development activities directed toward neighborhood revitalization, economic development, improved community facilities and services, and assisting those least likely to benefit from the economic growth and prosperity projected for the Cityof Miami.

Contributing to the Administration's Priority of *Pathway to Prosperity,* HCD focuses on serving as an advocate for disenfranchised and economically disadvantaged residents. It utilizes federal, state, and local sources to implement programs that contribute to the health and well-being of its residents and creates cooperative partnerships with the public, not-for-profit agencies, and the private sector to offer public assistance programs that help stabilize residents lives.

Our stakeholders include City residents, businesses, local community-based organizations, and elected officials.

Department Strategies for FY 2021-22

Serve at least 461 households through the Section 8 Program and at least 850 households through the Housing Opportunities for Persons With AIDS (HOPWA) Program.

Provide single-family rehabilitation assistance to 13 low-to moderate-income households and down payment assistance to approximately 13 low-to moderate-income households.

Continue to promote economic development through the provision of technical assistance to approximately ten for-profit businesses.

Assist approximately 50 businesses to improve the exterior look of their establishment through the department's Commercial Façade Renovation and Code Compliance Program.

Provide funding for daycare and after-school services to approximately 200 youth and meal services to approximately 442 senior citizens.

Provide rental assistance to approximately 830 elderly residents spending more than 50 percent of their income on housing.

Accomplishments in FY 2020-21

This section reflects the Department's achievements through program year FY 2020-21 which runs from October 1, 2020 through September 30, 2021. As FY 2020-21 is still underway, final accomplishments will be gathered and reported to the U.S. Department of Housing and Urban Development (HUD) by December 29, 2021. The accomplishments listed below show progress as of May 14, 2021.

The Section 8 Housing Choice Voucher and Moderate Rehabilitation Programs are assisting 391 households. The Housing Opportunities for Persons With AIDS (HOPWA) Tenant-Based Rental Assistance Program has assisted 816 households with HIV/AIDS.

The Single-Family Rehabilitation Program was on pause due to the COVID-19 pandemic and the Department has recently restarted the program. The Down Payment Assistance Program has assisted four low-to moderate-income households become new homeowners.

Provided Technical Assistance to 30 businesses.

City Commission did not allocate funding for the Commercial Façade Renovation Program in FY 2020-21.

The Department has provided 80 children with childcare services that provide learning and enrichment activities while maintaining the children in a safe environment so parents can work or look for employment and 117 youth with recreational and challenging programs that maintain them active and off the streets.

Assisted 50 percent of the agencies in the process of submitting reimbursement packages on a monthly basis, processed all reimbursement requests within ten days, and executed the contracts within 45 days.

The Department has provided 426 elderly residents with daily nutritional meals.

The City of Miami Senior Rental Assistance Program was on pause due to the effect of COVID-19 on elderly residents and the Department is looking to restart the program in FY 2021-22.

The Department is currently working on ten projects to bring 1,189 affordable housing units to residents. This is significantly higher than previously published amounts.

Project Name	Status	Amount Funded	Affordable Housing Units
Gallery @ Smathers Plaza	Underway	$2,135,000	139
Brisas del Este Phase II	Underway	$1,500,000	120

	TOTALS:	**$14,775,000**	**1,189**

Budget Highlights for FY 2021-22

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent)(GF $40,000); and an average of

five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $33,000).

A General Fund Transfer-Out to Special Revenue fund to cover the Social Services Gap Funding ($743,000) and the Social Services Gap, Administration of the contracts ($135,000).

The contribution from the General Fund in a total amount of $1.661 million for the following items: lease expenditures including utility services and janitorial services ($350,000); grant's non-reimbursable personnel expenditures: Regular Salaries and Wages ($103,000), Fica Taxes ($8,000), Retirement Contributions ($676,000), Life and Health Insurance ($363,000), Workers' Compensation ($57,000), Insurance – General Liability ($1,000) and IT Repair and Maintenance Services ($97,000), Office Supplies ($1,000), and Operating Supplies($5,000).

The Budget includes one million for the continuance of the Miami Senior Rental Assistance Program.

Adopted Budget Highlight for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $113,000).

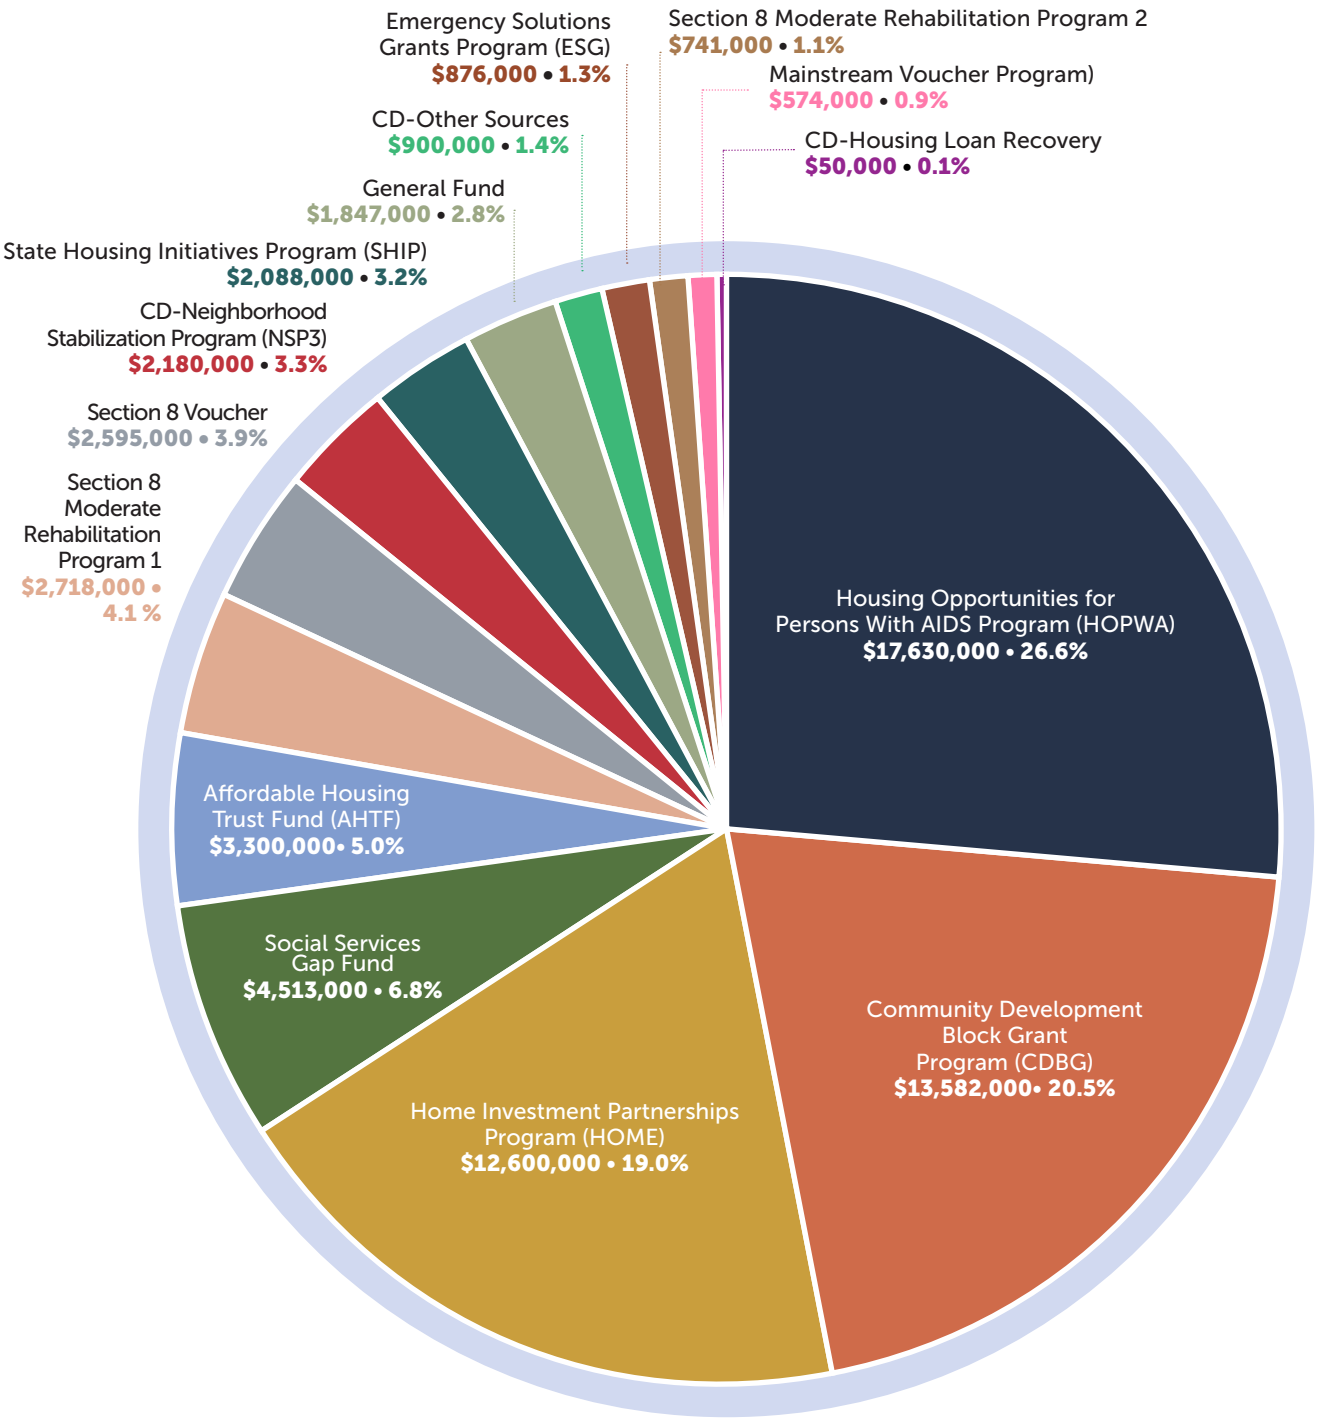
HOUSING AND COMMUNITY DEVELOPMENT

FUNDING SOURCES FY 2021-22



Parks and Recreation

Department Head: Barbara Hernandez Phone: (305) 416-1320
www.miamigov.com/Government/Departments-Organizations/Parks-and-Recreation

Mission Statement

To enrich and inspire the community by delivering a world-class park system that is safe, accessible, and facilitates a healthy and happy quality of life.

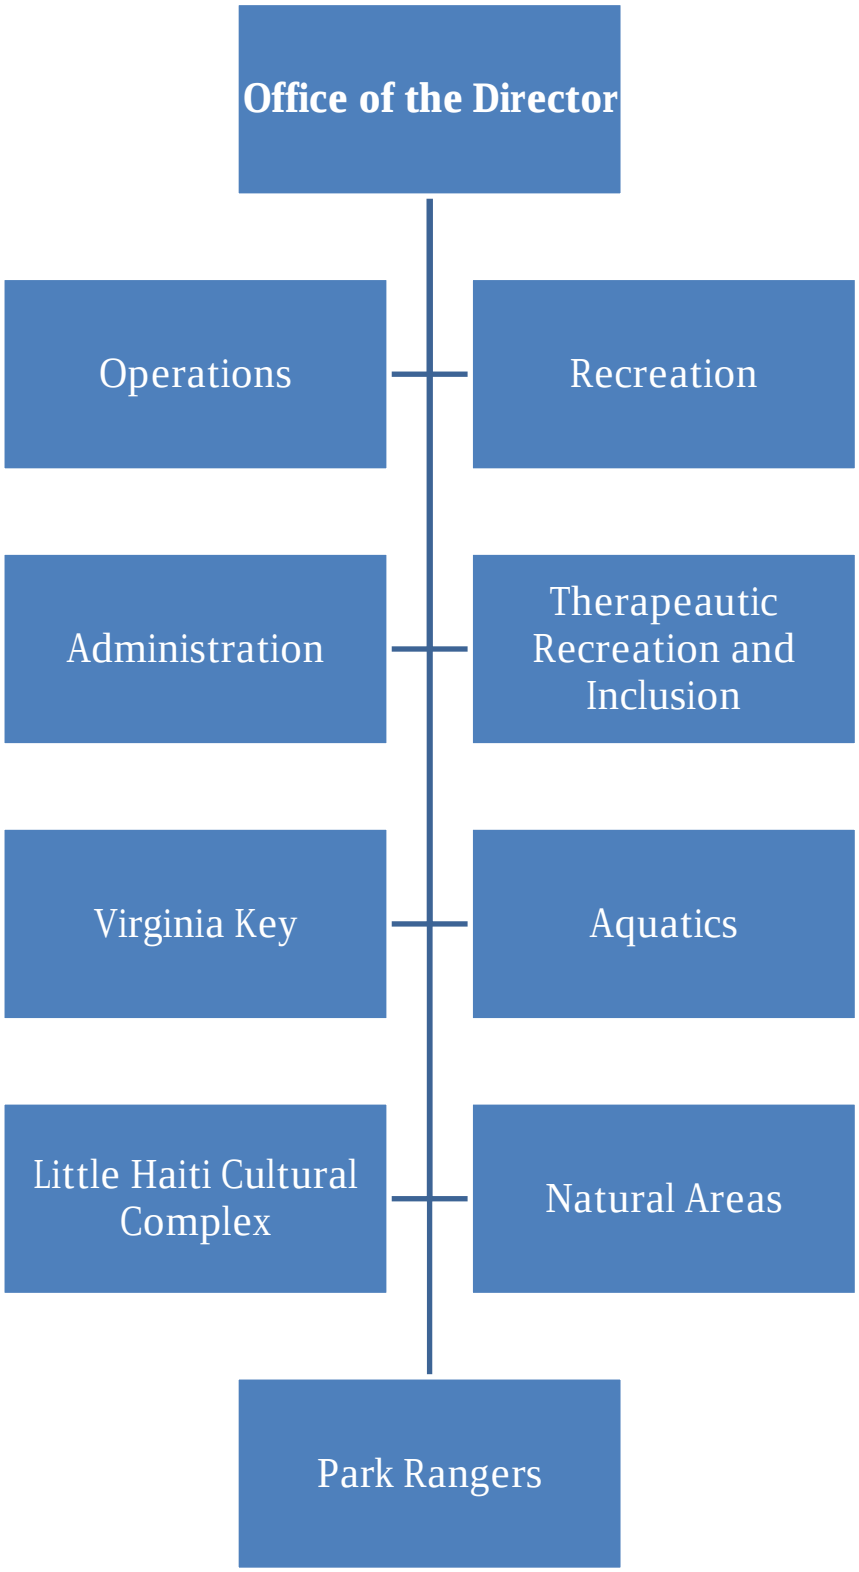
Description

The Parks and Recreation Department is nationally accredited by the Commission for Accreditation of Park and Recreation Agencies (CAPRA). The Department delivers quality of life services to all ages through active senior programs, teen engagement programs, services for persons with disabilities, and youth-serving programs through seasonal camps, sports, learn-to-swim, and Science Technology Recreation Engineering Arts and Math (STREAM) programming. The Department continues to initiate health, wellness, and obesity prevention campaigns for City of Miami residents of all ages.

Contributing to the Administration's Priority of *Quality of Life*, the Department provides 147 parks totaling more than 1,400 acres, 12 swimming pool facilities, 43 community centers, four gymnasiums, the Sandra DeLucca Developmental Center, the Little Haiti Cultural Center and Caribbean Marketplace, the Ichimura Japanese Garden, the Grapeland Water Park, and the Melreese Golf Course. The Department also offers services at the Virginia Key mountain bike trails, walking trails, and beaches, as well as three natural areas designated as Natural Forest Communities that include a Visitor's Center at Simpson Hammock Park, the Virginia Key 32-acre hammock restoration and interpretive trail, and the hammock at Alice Wainwright Park. The Department offers recreation and leisure opportunities that appeal to all interests and abilities and encourage a connection with the outdoors as well as an active and healthy lifestyle.

Stakeholders include City residents and visitors to the City of Miami.

Parks and Recreation



Parks and Recreation

Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department; oversees all divisions and their operations; manages the budget, program development, and Capital Improvements and repair and maintenance projects; and coordinates internal and external government communications and community outreach, legislation, code revisions, and contract management.	11	9
OPERATIONS Provides ground maintenance, turf management, landscaping, tree trimming, sports field renovations, irrigation services, carpentry, and repair functions through the entire park system.	146	116
RECREATION Provides for the development, implementation, and supervision of recreation, cultural, and educational programs; supervises and staffs 43 park facilities; offers year-round senior, teen engagement programs; after-school, seasonal camp, and recreation programs for youth; and provides enhanced programs through partnerships.	68	65
ADMINISTRATION Provides administrative and support services to all divisions and sections; develops, implements, and manages the department's budget; performs payroll, personnel, procurement, and finance functions. Manages internal Parks IT functions and liaison with Risk Management on safety issues in parks. Processes permit applications for park-level and citywide events that utilize parks.	9	15
THERAPEAUTIC RECREATION AND INCLUSION Provides individuals with disabilities inclusive access to community-based educational, recreational, leisure and cultural activities including Special Events that enhance quality of life and inspire confidence. Advocates in local, state, and national forums for the rights of individuals with disabilities.	17	16
VIRGINIA KEY Manages the operation and maintenance activities of all waterfront areas on Virginia Key. Facilitates public access through tree trimming, brush removal, mowing and trash management to the mountain bike trail, Arthur Lamb Road, North Point Beach and Miami Rowing Center. Manages toll booth for parking fee collection.	13	14
AQUATICS Operates and programs 11 aquatic facilities, one water park, the Ocean Rescue section in Virginia Key Beach North Point Park, Miami Marine Stadium Flex Park, Miami Rowing Center and Basin Trail along with four splash parks and three fountains. Also, provides emergency services response and safety surveillance along with Learn to Swim, Water Aerobics, and Swim Teams programming.	13	13

Parks and Recreation

LITTLE HAITI CULTURAL COMPLEX Facilitates programs and special events that promote, showcase and support Afro-Caribbean culture in South Florida for all ages to participate.	6	7
NATURAL AREAS Provides natural resource management for environmental areas and the National Community Forests, Simpson Hammock Park, Alice Wainwright Park and Virginia Key Beach North Point Park. Public engagement to promote stewardship and adoption of conservation efforts.	5	6
PARK RANGERS Assists with community safety measures as Park Ambassadors. Operates Park Ranger Dispatch call center and serve as active liaisons with other city departments to ensure safety while providing operational accessibility of parks on a continuous basis (including all holidays); conducts security and safety patrols (vehicle and foot), promotes voluntary compliance by educating the public about park regulations to deter undesirable activity; assists with crowd and access control; and coordinates homeless outreach initiatives.	0	27

Parks and Recreation

Department Strategies for FY 2021-22

Continue to position the Department as a community health option through the Health, Wellness, and Obesity Prevention Programs, and to pursue grant opportunities to fund recreation programming and site amenity improvements.
Continue to replace, renovate, and repair aging playground structures and resurface basketball, tennis, and racquetball courts throughout the system to keep grounds beautiful and safe.
Continue to expand Active Adult 55+ programming and increase volunteer opportunities and participation in the preservation of our natural areas.
Continue to develop the Caribbean Marketplace's role within the Little Haiti Community to provide entrepreneurial, quality of life, and recreation services.
Continue to integrate a recreation software application for enhanced customer service and seamless registration for programs and park permits and establish best practices and implement standardized operating procedures to ensure a standard level of service by all divisions of the department to ensure consistent delivery.
Continue to develop newly acquired park properties in collaboration with the Office of Capital Improvements.
Enhance park security to ensure safety and enforcement throughout the park system for all park visitors, staff, and residents.

Accomplishments in FY 2020-21

Served more than 13,000 lap-swimming participants at our five year-round aquatic facilities.Served more than 110,000 beach goers at Virginia Key Beach North Point Park.Worked with Program Partner Agencies and opened after school programming in select park locations where with all COVID-19 safety requirements at reduced capacity where a total of 261 children participated.Started a 5-session series of events in each commission district called "Bike Rodeo" with Miami Police, PAL (Police Athletic League), and the University of Miami BikeSafe Program to bring children in the community together for a safe outdoor community bike ride activity that provides them with bike safety in a fun and engaging manner. Provided programming via Zoom during the COVID-19 Pandemic to individuals with disabilities its three main programs: Project Search Miami – 69 sessions to an average of six students a day; Life Skills Development: Adult Day Training – 114 sessions to an average of 13 participants twice a day; and VIP S.T.A2.R.S. Senior Fitness Program – 16 sessions to an average of three participants.
Completed over a million dollars of capital improvements such as two roof replacement projects, 16 roof repair projects, 13 concrete and asphalt walkway renovations and connectivity projects, eight fencing renovation and repair projects (including five ADA compliance projects), and three outdoor fitness zones. Held our first virtual community input meeting to showcase two different playground design options for Eaton Park where residents participated and voted for their preferred design. A second virtual community meeting to receive input for two different playground designs at Morningside Park is forthcoming.
Hosted a variety of virtual classes for active adults in fitness, nutrition, art, cooking, social engagement, and health and wellness with regular attendance of approximately ten participants per session. Parks also hosted approximately 20 classes per week that have brought opportunities for socialization and connections to all our registered active adult participants. Hosted four times a week monthly a variety of technology classes for active

adults in English and Spanish that are planned with different topics to help bridge the digital divide in different relevant areas of interest that promote the use of technology in meaningful ways.

Participated in translating and distributing information about the census in Haitian Creole through the Little Haiti Cultural Center (LHCC). Participated on the Census Complete Count Committee and spoke on Haitian radio stations. Produced four short children friendly videos about cooking and Haitian historical figures to keep students engaged at the LHCC and aired them on social media. Hosted virtual programming for a total of 250 people. The LHCC participated in Miami Art week by having an outdoor display of art that celebrated the 10th anniversary of "Global Caribbean", an annual exhibition produced by the Haitian Cultural Arts Alliance and the LHCC. More than 260 individuals came to see the exhibit and the event was covered by the news. The LHCC produced a virtual event to commemorate the 11th Anniversary of the earthquake in Haiti. Over 70,000 people viewed the presentation featuring local and international artists.

Partnered with Innovation and Technology Department (DoIT) to design a recreation software. Completed the Discovery Phase of the implementation with the Salesforce Team to establish requirements needed for the software and developed the core functions and foundation of the software platform. Created user stories to ensure that each required function is designed and tested before release. Currently finalizing the design phase of the platform's look and feel to ensure a seamless transition for the community users.

Continued the development of newly acquired park properties in collaboration with the Office of Capital Improvements. The following projects are currently in design phase: Fairlawn, Gold Star Family Memorial Mini Park, Silver Bluff Park, 3701/3699 SW 1st Avenue, Coral Way Expansion, and 2200 SW 9th Avenue Mini Park.

Worked with the elected official offices and local communities to organize and carry out over 105 Food Distributions events at Antonio Maceo Park, Charles Hadley Park, Domino Park, Dorsey Park, Esther Mae Armbrister Park, Gerry Curtis Park, Jose Marti Park, Little Haiti Soccer Park, Moore Park, and Theodore Gibson Park. Hosted more than 35 Gift Card Giveaways at Antonio Maceo Park, Charles Hadley Park, Elizabeth Virrick Park, Gerry Curtis Park, Jose Marti Park, Juan Pablo Duarte Park, Little Haiti Soccer Park, and West End Park.

Hosted COVID-19 testing and vaccination sites at several park locations in collaboration with the City of Miami Fire-Rescue Department. The testing locations were hosted at Charles Hadley Park and Gerry Curtis Park and the vaccination locations were hosted at Antonio Maceo Park, Charles Hadley Park, Jose Marti Park, Juan Pablo Duarte Park, Legion Memorial Park, the Little Haiti Cultural Center, Theodore Gibson Park, and West End Park.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Professional Services Line Item reflects the reduction of $27,000 (GF) to align the budget with the actual trend of expenditures.

The Other Contractual Services Line Item reflects the reduction of $107,000 (SR) primarily due to a reduction of expenditures from the Miami Marlins Contribution for Heart of our Parks contribution to the City.

The Communications and Related Services Line Item reflects the reduction of $74,000 (GF) to align the budget with the actual trend of expenditures.

The Repair and Maintenance Line Item reflects the reduction of $63,000 (GF) to align the budget with the actual trend of expenditures.

The Printing and Binding Line Item reflects the reduction of $4,000 (GF) to align the budget with the actual trend of expenditures.
The Advertising and Related Costs Line Item reflects the reduction of $21,000 (GF) to align the budget with the actual trend of expenditures.
The Other Current Charges and Obligations Line Item reflects the reduction of $32,200 (GF) to align the budget with the actual trend of expenditures.
The Public Safety Supplies Line Item reflects the reduction of $55,000 (GF) to align the budget with the actual trend of expenditures.
The Machinery and Equipment Line Item reflects a reduction of non-recurring operating expenditures funded in the previous fiscal year (GF $41,000).

The Budget includes the following additions:

The Other Salaries and Wages – Part Time Seasonal Line Item reflects an increase of $300,000 (GF) to restore temporary and part-time staff funding to the Grapeland Water Park.
The Travel and Per Diem Line item reflects an increase of $34,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Training Line item reflects an increase of $10,000 (GF) to restore the training allocation that was previously budgeted in the Non-Departmental Account.
Additional funding was added to the Other Contractual Services Line Item to restore funding for Afterschool and Youth Sports Transportation (GF $144,000), to restore funding for police services in City parks (GF $40,000), to restore funding for off duty security at Grapeland Water Park (GF $20,000), and to provide funding for Shoreline Cleanup (GF $65,000).
Additional funding was added to the Utilities Water Line Item to restore funding to the Grapeland Water Park (GF $26,000).
Additional funding was added to the Utilities Electricity Line Item to restore funding to the Grapeland Water Park (GF $25,000).
Additional funding was added to the Operating Supplies Line Item torestore funding to the Grapeland Water Park (GF $27,000).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally 5 percent) (GF $292,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $19,000).
The budget reflects Parks Impact Fee contributions to the following projects: the Park System Master Plan ($500,000), Citywide Park Equipment and Site Improvements ($600,000), Citywide Park Safety Enhancements ($500,000), the Kirk Munroe Tennis Court Reconstruction Project ($400,000), Simpson Park General Enhancements ($300,000), the Jose Marti Pool Sand Filtration System ($150,000), Plaza de Cubanidad Enhancements ($364,000), Robert King High Park General Enhancements ($300,000), Silver Bluff Park

Improvements and Enhancements ($200,000), Shoreline Stabilization at Legion Park ($196,000), the Charles Hadley Pool Sand Filtration System ($200,000), and Buena Vista Park Court Reconstruction ($300,000).
The differences in the amount of personnel between divisions are due to the reassignment of existing staff to best suit the needs of the Department.
The department is creating a new division called Park Rangers. The Park Rangers previously resided in the Operations Division but have been relocated to their own unit to enhance park security and ensure safety for park visitors, staff, and city residents. No additional funding is associated with this move.

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $776,000).
The increase of the hourly pay rate of all part-time positions to at least $15.00 per hour. Although this change will apply to all city departments, it is expected that the fiscal impact will be overwhelmingly concentrated in the Parks and Recreation Department.

Real Estate and Asset Management

Department Head: Suzanne Hollander Phone: (305) 416-1458
www.miamigov.com/Government/Departments-Organizations/Real-Estate-Asset-Management-DREAM

Mission Statement:

To preserve, protect, and enhance the quality of life for Miami residents and visitors by ensuring the optimal use of all City-owned properties and assets. The Department of Real Estate and Asset Management's focus is to set a high standard in governmental asset management by applying sound real estate principles and property management expertise to optimize returns for all stakeholders.

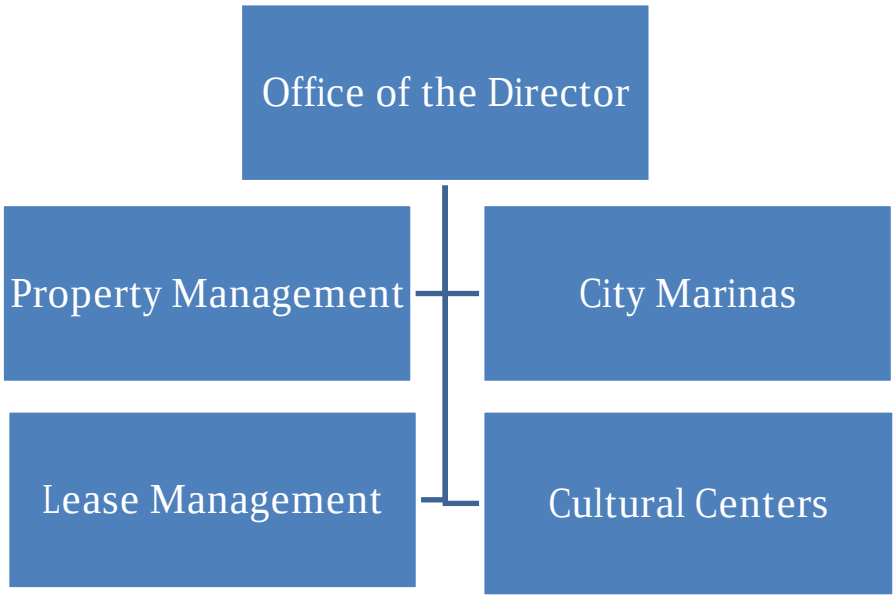
Description

The Department of Real Estate and Asset Management (DREAM) manages and provides facilities for stakeholders use in sporting, recreational, cultural, and entertainment events. The Department oversees the City's three municipal marinas, the James L. Knight Center, Parking Garage 4, the Manuel Artime Cultural Center, Marlin's Stadium Garages and Retail, the Olympia Theater and Tower, and other City-owned property.

Contributing to the Administration's Priority of *Quality of Life*, the Department serves as the asset manager for the City's real estate including the leasing, acquisition, and disposition of the City's real estate portfolio. To do so, the Department categorizes City-owned properties according to highest and best use, determines whether to use for City operations, to lease to third parties, or to dispose of those properties. The Department also identifies and acquires properties according to the City's needs. In addition to proposing, negotiating, and monitoring complex real estate transactions, the Department manages 96 leases throughout the City. The Department maintains an inventory of the City's properties, consisting of approximately 528 parcels, inclusive of parks, fire-rescue stations, City administrative buildings, public facilities, vacant lots, and housing sites. Additionally, the Department manages the day-to-day operations of the City's three municipal marinas and two mooring fields: MiamiMarina, Marine Stadium Marina, Watson Island Mooring Field, and Dinner Key Mooring Field, and the Dinner Key Marina, the City's flagship marina which has the distinction of being the largest wet slip marina on the East Coast with 582 berths.

Stakeholders are City residents, tourists, businesses, and employees.

Real Estate and Asset Management



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Directs all the administrative and operational functions of the Department; facilitates budgeting, accounting, capital improvements, grant administration, property acquisition, and disposition of City-owned property; maximizes revenue potential and the use of City-owned assets; oversees the operation of all City-owned Marinas, convention centers, stadiums, and theaters.	4	4
PROPERTY MANAGEMENT Negotiates agreements, researches properties, maintains the property inventory, performs requests for proposals, obtains surveys and appraisals, negotiates development agreements and purchase and sales agreements, monitors property, monitors development projects, and monitors property tax compliance in accordance with lease terms.	3	3
CITY MARINAS Oversees the day-to-day operation and maintenance of the three City marinas; manages monthly dockage billings; collects and processes dockage fees; plans and implements facility capital repairs and improvements.	31	31
LEASE MANAGEMENT Prepares, negotiates, and manages compliance with leases and other agreements; monitors monthly rents and fee collection of all leases and other agreements; performs request for proposals; conducts yearly leased property inspections; issues permits for use of City-owned properties.	5	5
CULTURAL CENTERS Manages, operates, and maintains four multi-story buildings; books events; prepares, negotiates, and manages theater rental agreements; leases available office space; collects and process theater rental fees.	7	7

Department Strategies for FY 2021-22

Verify compliance of tenants lease obligations and collections of rents from all tenants, licensees, and marina customers to ensure that all revenues are properly collected.

Verify compliance of marina customers with terms of moorage and dockage agreements.

Verify marinas compliance with laws and regulations.

Work closely with the Office of the City Attorney, Procurement, Risk, and other City Departments to verify that new and existing responsibilities are in compliance with State and Local laws, rules and codes.

Continue to develop and manage plans for the renovation and repair of City of Miami properties that are managed by DREAM.

Continue to execute lease agreements of City-owned properties to maximize their revenue potential.

Continue to acquire park land to the extent that funding is available throughout the City to benefit residents within underserved areas.

Continue to develop new projects using City-owned property to enhance the current asset portfolio through conveyances, disposition, and land exchanges.
Enter into lease agreements for the remaining retail spaces at the Marlin's Park Garages.

Accomplishments in FY 2020-21

Started the implementation of marina management software to better track revenues and expenditures and produce more accurate financial reports. This implementation is projected to be completed in the fourth quarter of FY 2021-22.
Completed a series of repairs and improvements to the Manuel Artime Theater and Office building that included: dressing room renovations, new loading dock, the addition of a lobby concession area, interior painting, exterior lighting, windows, and exterior patching and painting.
Entered into a lease agreement with Rivercow, LLC to improve and rent the Little River Commerce Park which was formally a condemned property.
Oversaw the Invitation to Bid for new contractors for the Virginia Key boat launch and trailer parking lot and Watson Island Mooring Field projects.
Worked with the Finance Department on the implementation of new lease accounting standards.
Executed an amendment to the agreement with Bayside Marketplace, LLC, that added revenues from Ferris Wheel at Bayside and a lease agreement with Opera Atelier, Inc. for the use of office space at the Manuel Artime Center.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Rental and Leases Line item reflects the reduction of $9,000 (GF) due to savings derived from replacing the current forklift lease contract at Marine Stadium Marina.
The Interfund Transfer Line item reflects a reduction as there will be no transfers out to Capital and payments to debt from Marlins Stadium due to reduced revenues caused by the COVID-19 pandemic (SR $4.781 million).

The Budget includes the following additions:

The Other Salaries and Wages Line item reflects the addition of two temporary Maintenance Mechanic positions at the Olympia Theater and Tower due to transfer of facility maintenance to the City of Miami (GF $64,000).
The Other Contractual Services Line item reflects increases of $1.734 million (GF) mainly due to the addition of security for City marinas, management cost for the Olympia Theater and Tower, and the James L. Knight Center.
The Operating Supplies Line item reflects an increase of $45,000 (GF) mainly due to the alignment of the budget with the actual trend of expenditures at Dinner Key Marina.
The Saleable Fuel Line item reflects an increase of $30,000 (GF) due to projected increase in boat fuel sales at Marine Stadium Marina.

The Subscriptions, Membership, Licenses, Permits and Others Line item reflects an increase of $9,000 (GF) mainly due to the purchase of Pacsoft Marina Management software license for Dinner Key Marina.

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $50,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $32,000).
The Budget reflects General Fund contribution to Capital for Olympia Theater and Tower fire safety improvements ($2.050 million); Knight Center vessel dockage ($1.250 million); and various property upgrades and repairs ($850,000).
The Budget reflects General Fund contribution to Capital from ten percent of marina revenues for the Dinner Key Marina Fuel Dock Phase II project ($600,000); and repairs of pilings and pier project ($35,000).
The Budget reflects General Fund contribution to Capital from the Miamarina ticket surcharge ($301,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following changes:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $108,000).

Risk Management

Department Head: Ann-Marie Sharpe, ARMP, CPPT Phone: (305) 416-1381
www.miamigov.com/Government/Departments-Organizations/Risk-Management

Mission Statement

To effectively manage the City's exposure to losses by applying efficient loss control strategies and well-being initiatives with integrity, accountability, commitment, and teamwork.

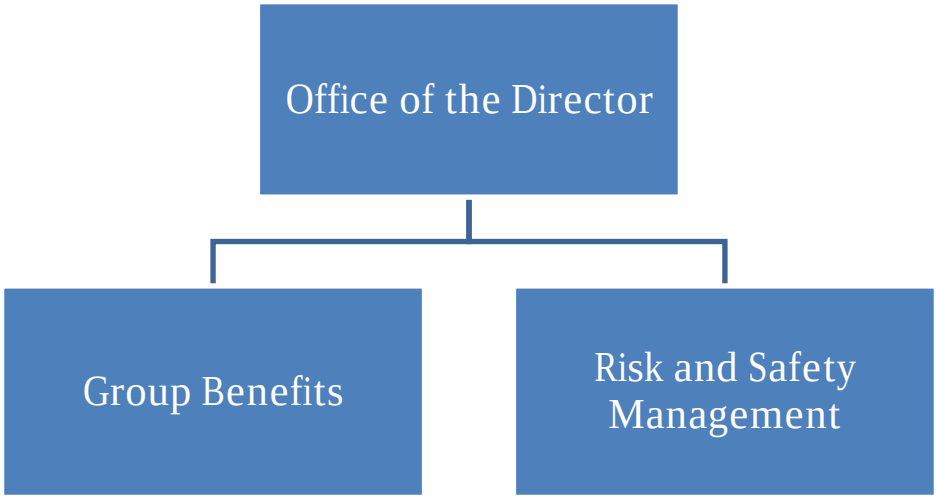
Description

The Department of Risk Management is an internal service provider that works closely with all departments within the City in an effort to protect the City's human, financial, and physical assets.

Contributing to the City's Strategic Priority of *Quality of Life*, Risk Management Department is primarily responsible for ensuring all City assets are adequately insured, oversees first and third party claims management, implements comprehensive programs targeted at reducing accidents, and complying with State and Federal occupational health and safety laws. The Department is also responsible for managing voluntary and involuntary group benefits products with an overall focus on the well-being of employees and their families.

The Department of Risk Management works closely with all operating departments and their employees, third party administrators, and the public in the effort to manage financial risk and liability.

Risk Management



Departmental Function/Unit	FY 2020-21	FY 2021-22
OFFICE OF THE DIRECTOR Recommends and implements effective enterprise risk management procedures and practices; implements a systematic process for continuously identifying, analyzing, and managing actual and potential losses; establishes a collaborative relationship with all of the City's departments to minimize adverse financial losses and to promote a safe environment.	3	3
GROUP BENEFITS Manages and coordinates all functions related to the provision and administration of the City's self-insured and fully-insured group benefits programs; provides technical support; orients, educates, and assists employees with enrollment of benefits; processes claims; notifies and assists former employees in regard to their qualification for continued benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA); coordinates the management of unemployment benefits for qualified former employees; reconciles monthly billing invoices associated with group benefit-related payments.	4	4
RISK AND SAFETY MANAGEMENT Manages and coordinates all functions related to risk, claims, and safety management; ensures the effective identification, analysis, control, and financing of all major risks; structures and procures risk financing and risk transfer mechanisms through self-insured, commercially-insured programs, and contractual risk transfers; completes and processes the required regulatory filings for establishing and maintaining self-insured programs; manages the claims adjudication process; implements safety management; assists with ensuring that the City is compliant and responsive to federal requirements involving the Americans with Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPAA), and the Affordable Care Act (ACA).	17	17

Department Strategies for FY 2021-22

Conduct an assessment of the MRC workspaces to ensure CDC compliance of COVID-19 protocol.
Obtain an average of 14 days for average loss work-days on workers compensation claims.
Obtain motor vehicle incident rate of 12 percent.

Accomplishments in FY 2020-21

Obtained a minimum of a 65 percent completion rate of high priority corrective actions taken within 60 days by working collaboratively with departments to implement a process and procedure for corrective actions.
Maintained an average of less than 16 days for average lost workdays for worker's compensation claims.
Achieved a motor vehicle incident rate below 15 percent.
Implemented the buildout of the Onsite Healthcare Clinic for city employees and family members that are covered under the healthcare insurance. The on-site clinic includes treating employees for illnesses and minor accidents and performing lab and blood tests and pre-employment exams at no cost to patients.

Budget Highlights for FY 2021-22

The Budget includes the following reductions:

The Postage Line item reflects a reduction of $2,000 (GF) to align the budget with the actual trend of expenditures.

The Office Supplies Line item reflects a reduction of $2,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

The Professional Services Line item reflects an increase of $55,000 (GF) for Insurance Brokerage and Property Appraisals services.
The Training and Per Diem Line item reflects an increase of $10,000 (GF) to restore the travel allocation that was previously budgeted in the Non-Departmental Account.
The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects an increase of $5,000 (GF) to cover the cost of maintaining licenses for Claims Adjustors, as required by the State of Florida.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent)(GF $16,000); and an average of five percent salary increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF $19,000).

Adopted Budget Highlights for FY 2021-22

Pursuant to Resolution R-21-0402 (see Appendix J), adopted September 23, 2021, the Budget includes the following change:

An increase in Regular Salaries and Wages Line item is due to the contract between the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting a two percent across the board (GF $57,000).

Non-Departmental Accounts

Description

The Non-Departmental Accounts (NDA) provides the fiscal resources necessary for governmental operations that are considered multi-departmental or otherwise do not fit into an individual department. Expenditures in this account include items such as contingency reserves, outside legal services, and lobbying services.

Budget Highlights for FY 2021-22

The Budget includes the following reduction:

The Training and Per Diem Line item reflects a reduction of $250,000 (GF) due to the travel allocation which was restored to departments.

Pension and Retirement Plans Overview

The City of Miami sponsors three separate single-employer defined benefit pension plans under the administration and management of separate Boards of Trustees: The City of Miami Firefighters' and Police Officers' Retirement Trust (FIPO), the City of Miami General Employees' and Sanitation Employees' Retirement Trust (GESE), and the City of Miami Elected Officers' Retirement Trust (EORT). Additionally, the City sponsors a defined contribution plan administered by the International City/County Management Association (ICMA). The City's FY 2021-22 Budget for each pension plan is based on its current year contribution requirements as determined by the most recent actuarial valuation. Most of the City's contribution is made from the General Fund, with a portion coming from the Special Revenue funds.

In compliance with the Governmental Accounting Standard Board (GASB), Generally Accepted Accounting Principles (GAAP), and recommendation by the outside auditors, the City's Pension cost is budgeted in each department. The FY 2021-22 Budget for Pension payments is $132.872 million. This represents an increase of $3.768 million or three percent as compared to the FY 2020-21 Budget.

The following is a summary of the contribution requirement for each retirement plan in FY 2021-22:

Firefighters' and Police Officers' Retirement Trust (FIPO)

The FIPO pension plan is a single-employer defined benefit plan established by the City pursuant to the provisions and requirements of Chapter 40 of the City of Miami code, as amended, and related law such as the Amended Final Judgement in the matter of Gates v. City of Miami. Contributing participants are the City of Miami police officers and firefighters with full-time status in the City. As of October 1, 2020, membership in the FIPO Pension Plan consisted of 2,215 retirees and beneficiaries receiving benefits, and 1,924 active contributing members. The City of Miami is required to contribute annual amounts necessary to maintain the actuarial soundness of the plan and to provide FIPO with assets sufficient to meet the benefits to be paid to participants. Police officer members of the FIPO pension plan hired after October 1, 2012, are required to contribute ten percent of their salary on a bi-weekly basis. Police Officers hired prior to October 1, 2012, are required to contribute seven percent of their salary on a bi-weekly basis. Firefighter members of the FIPO pension plan are required to contribute ten percent of their salary on a bi-weekly basis.

Contributions to FIPO are authorized pursuant to the City of Miami Code Sections 40.196 (a) and (b). Contributions to the FIPO Cost of Living Adjustment are authorized pursuant to Section 40.204 of the City of Miami Code. The yield on investments made by the FIPO Board is intended to reduce annual cash contributions that would otherwise be provided by the City. The current actuarially expected rate of return is 7.3 percent. The City's contribution to FIPO provides for non-investment, amortization of unfunded liability, expenses, and normal costs.

The City's FY 2021-22 required contribution based on the actuarial valuation report dated October 1, 2020, is $65.890 million, which includes $2.138 million of administrative cost. Additionally, the City is required to contribute $7.497 million for the Cost of Living Adjustment.

Pension and Retirement Plans Overview

General Employees' and Sanitation Employees' Retirement Trust (GESE)

The Board of Trustees of the City of Miami GESE Retirement Trust administers four defined benefit pension plans: (1) GESE Retirement Trust ("GESE Trust"), (2) an Excess Benefit Plan, and (3) GESE Retirement Trust Staff Pension ("Staff Trust") and (4) a Staff Excess Benefit Plan. Each plan's assets may be used only for payment of benefits to the members of that plan in accordance with the terms of that plan.

GESE Trust

The GESE Trust is a single-employer defined benefit plan established pursuant to the City of Miami Ordinance No. 10002, as amended and subsequently revised under the City of Miami Ordinance No. 12111. The GESE Trust covers all regular and permanent employees other than firefighters, police officers, and those eligible to decline membership as defined by the Ordinance. As of October 1, 2020, membership in the GESE Trust was 1,891 retirees, disabled, vested, and beneficiaries currently receiving benefits and 1,967 current employees. The City is required to contribute an actuarially determined amount that, when combined with the participant contributions, willfully provide benefits as they become payable. Members of the GESE Trust are required to contribute ten percent of their salary on a bi-weekly basis.

Contributions to the GESE Trust are authorized pursuant to the City of Miami Code Section 40-241 (a) and (b). The yield on investments made by the GESE Trust is intended to reduce annual cash contributions that would otherwise be provided by the City. The City's contribution to the GESE Trust provides for non-investment expenses, amortization of unfunded liability, expenses, and normal costs. The valuation is based on a series of actuarial assumptions, including an interest (actuarial asset return) rate of 7.4 percent per year.

The City's FY 2021-22 required contribution based on the actuarial valuation report dated October 1, 2020, is expected to be $54.250 million, which includes $7.241 million of normal cost. The administration cost for GESE is $3.202 million.

GESE Excess Benefit Plan

The City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions, established a qualified governmental excess benefit plan to continue to cover the difference between the allowable pension to be paid and the amount of the defined benefit, so the benefits for eligible members are not diminished by changes in the Internal Revenue Code. Plan members are not required to contribute to this plan.

Pension and Retirement Plans Overview

The City's FY 2021-22 required contribution based on the actuarial valuation report dated October 1, 2020, is estimated at $375,000. This contribution is separate and apart from the accounts established to receive the City's normal pension contributions for the GESE Trust.

GESE Staff Trust

The GESE Staff Trust is a single-employer defined benefit plan. The Staff Trust was established by the rule-making authority of the GESE Retirement Trust, pursuant to Chapter 40 of the Miami City Code. It covers all full-time administrative employees and other positions, as approved by the GESE Board of Trustees. Participation in the Staff Trust is mandatory for all full-time employees, other than those eligible to decline membership, as defined by the Plan document.

As of October 1, 2020, membership in the Staff Trust included seven retirees currently receiving benefits, and six active members. The City is required to contribute an actuarially determined amount that, when combined with participant contributions, willfully provide benefits as they become payable. Members of the Staff Trust are required to contribute ten percent of their salary on a bi-weekly basis.

Staff Excess Benefit Plan

The City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions, established a qualified governmental excess benefit plan to continue to cover the difference between the allowable pension to be paid and the amount of the defined benefit so the benefits for eligible members are not diminished by changes in the Internal Revenue Code. Plan members are not required to contribute to this plan.

The City's FY 2021-22 contribution determined through actuarial valuation is $277,952 for the Staff Pension Staff Plan, and $40,127 is the Staff Excess Benefit Plan. The total actuarial determined contribution for these two plans is $278,000, which is included in GESE's administrative cost.

Elected Officers' Retirement Trust (EORT)

The EORT, administered by the Finance Director, is a single-employer defined benefit pension plan under the administration and management of the Board of Trustees and the City of Miami Elected Officers' Retirement Trust (EORT). The EORT plan is available to the City of Miami elected officials with seven years of total service as an elected official of the City. The required service does not have to be continuous. This plan does not require members to contribute.

EORT was established by the City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions. On October 22, 2010, the Commission adopted Ordinance 13111 to limit the eligibility of future elected officers and including a termination provision for existing trust.

Pension and Retirement Plans Overview

As of March 29, 2021, membership in the EORT consisted of six retirees, two active participants not receiving benefits, and two vested participants with deferred benefit payable at age 55.

The City's FY 2021-22 contribution determined through actuarial valuation is $793,000 . The Elected Officers' Retirement Trust is budgeted in the Non-Departmental Account.

Contributory Section 401(a) Plan

Section 401(a) Plan is a defined contribution plan offered to executive-level City employees. This defined contribution plan covers governmental employees throughout the United States and is governed by the Board of Directors responsible for carrying out the overall management of the organization, including investment administration and regulatory compliance.

Membership for City employees is limited by the City Code to specific members in the City Clerk, City Manager, and City Attorney's Offices, as well as Department Directors, Assistant Directors, and other executives. To participate in the plan, a written trust agreement must be executed, which generally requires the City to contribute ten percent of the individual's earnable compensation, and the employees to contribute ten percent of their salary. Additionally, the 401(a) plan is optional for City elected officials that are not eligible under EORT.

On March 28, 2021, there were approximately 49 members in the ICMA 401(a) plan. Based on this membership, the City's FY 2021-22 contributions are anticipated at $700,000.

Note: Property in the City of Miami is reassessed each year. State law requires the County Property Appraiser to appraise property at 100% of market value. The Florida Constitution, amended 1/1/95, limited annual increases in assessed value of homestead property to 3% per year or the amount of the Consumer Price Index, whichever is lower. This increase is not automatic since no assessed value shall exceed market value.

APPENDIX B:
FIVE-YEAR FINANCIAL FORECAST

- General Fund Forecast
- Special Revenue Funds Forecast
- Debt Service Funds Forecast
- Internal Service Fund Forecast

Page left intentionally blank

General Fund Forecast

Overview

Planning for the future is critical to the effective management of any organization. As such, the City of Miami utilizes a five-year financial forecast to assist with the strategic decision-making process and to identify and prepare for future challenges. A dynamic planning model is used to develop the baseline financial forecast. Revenue forecasts are developed based on historical trends, current revenue policy, assumptions on future economic impacts, and known future occurrences. Similarly, expenditure forecasts are developed based on historical trends, current service levels, existing commitments, and other known future obligations. The projected surpluses or deficits are the combined result of these revenue and expenditure forecasts. The outcome of this forecasting exercise serves to guide decision-making in the interest of long-term financial stability.

Economic Assumptions

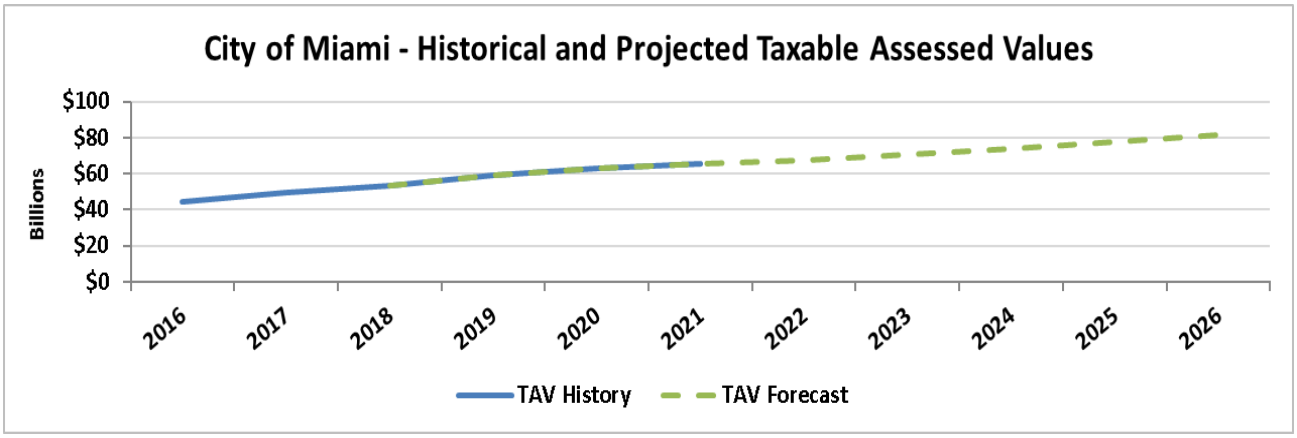
The financial resources available to the City in the coming years will be largely impacted by the local and regional economy. The following economic assumptions are factored into the development of the five-year financial forecast:

Population

The most recent available data from the U.S. Census Bureau data indicates that Miami's population in 2020 was 442,241. Based on this data and historical trends, the five-year forecast assumes continued growth in the City's resident population and revenue base.

Property Values

Property tax revenue comprises the largest source of revenue for the City, accounting for 51.7 percent of total General Fund revenues. As such, assumptions on the future growth or decline in the property tax base largely drive the five-year revenue forecast. The City has seen taxable assessed values grow 11.8 percent in 2016, 11.3 percent in 2017, 7.5 percent in 2018, 10.5 percent in 2019, and 6.9 percent in 2020. However, taxable assessed values grew by only 4.5 percent in 2021.

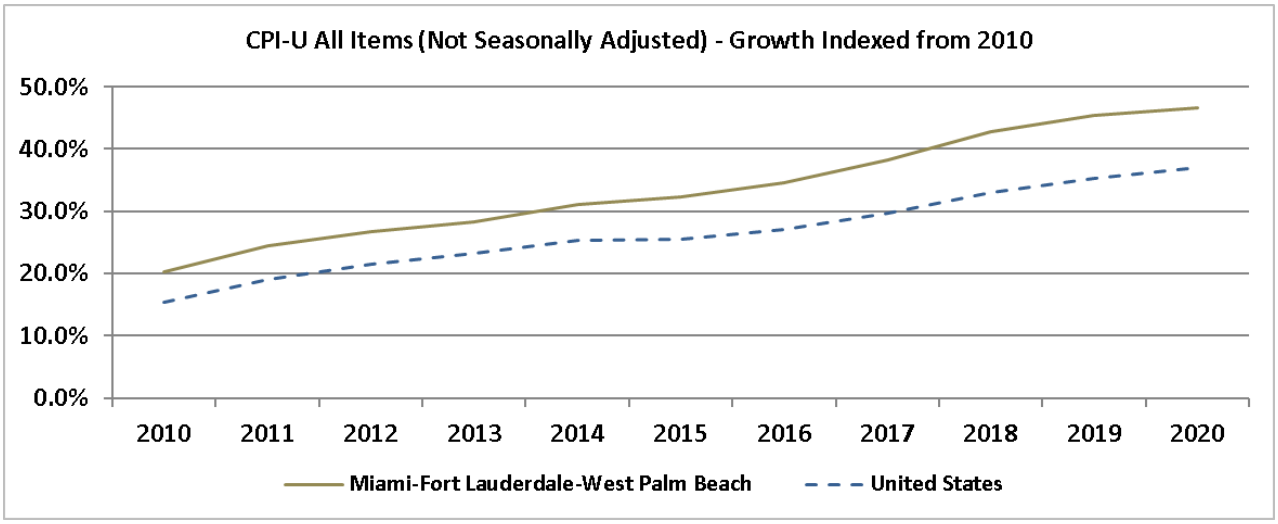


The five-year forecast assumes that the growth in taxable assessed value (TAV) will increase by three percent in tax year 2022 and increase by five percent annually through the remainder of the forecast.

General Fund Forecast

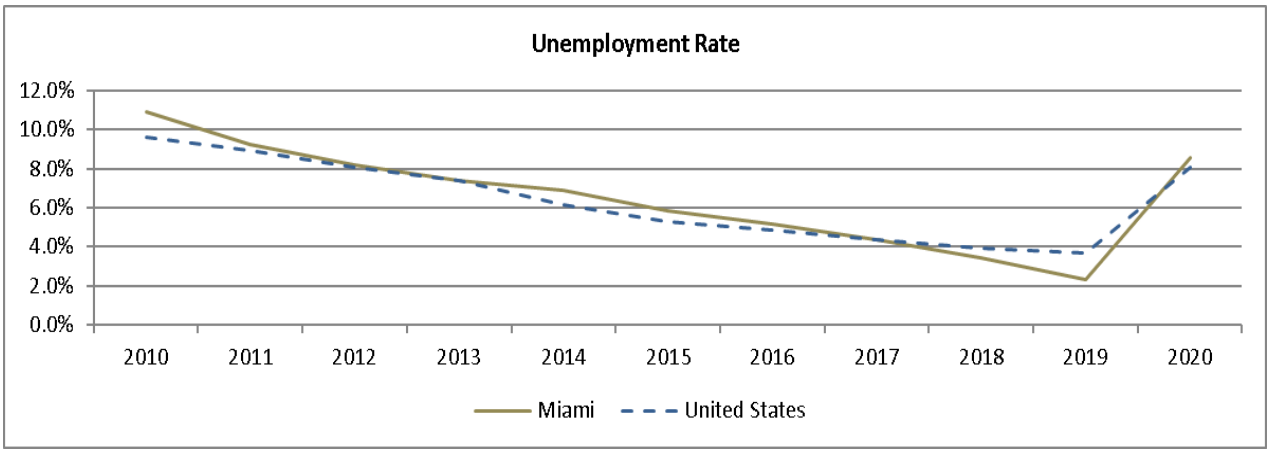
							Projected				
Tax Year	**2016**	**2017**	**2018**	**2019**	**2020**	**2021**	**2022**	**2023**	**2024**	**2025**	**2026**
TAV (Billions)	$44.60	$49.63	$53.36	$58.96	$63.01	$65.84	$67.81	$71.20	$74.76	$78.49	$82.42
% Change	11.8%	11.3%	7.5%	10.5%	6.9%	4.5%	3.0%	5.0%	5.0%	5.0%	5.0%

Inflation



Data from the U.S. Bureau of Labor Statistics indicates that since 2008, the Consumer Price Index (CPI) has grown more rapidly in the Miami-Fort Lauderdale-West Palm Beach area than the average rate of growth for the rest of the country. The Miami metro area Consumer Price Index saw prices in the Miami-Fort Lauderdale area increase each year since 2010. The last three years have shown average growth of two percent annually.

Unemployment



General Fund Forecast

Based on the most recent available data from the U.S. Bureau of Labor Statistics, the nationwide unemployment rate declined from a high of ten percent in 2010 to four percent in 2019. Similarly, the unemployment rate in the City of Miami declined from a high of 11 percent in 2010 to two percent in 2019. However, unemployment rates locally and nationally increased sharply in 2020 due to the impacts of the COVID-19 Pandemic. The unemployment rate reached a peak of 14 percent nationally and the local unemployment rate reached a peak of nearly 16 percent at the height of the pandemic. The annual unemployment rates locally and nationally were nine percent and eight percent respectively by the end of 2020 as the effects of the pandemic receded.

As the economic outlook following the COVID-19 pandemic continues to improve, unemployment rates have declined to 3.7 percent locally and 4.3 percent nationally as of October 2021. While revenue forecasts are not based on unemployment directly, assumed growth or decline in employment and local economic activity is taken into consideration when developing growth rates for economically sensitive revenues.

General Fund Five-Year Forecast Summary

The Five-Year Financial Forecast projects that revenues will not grow as fast as anticipated expenditures. Overall, General Fund revenues are projected to grow by 11.3 percent over the next five years. However, General Fund expenditures are projected to grow by 13.4 percent over the same period.

Employee salaries and wages represent the largest General Fund expenditure category. The baseline assumption used in the five-year forecast is that the cost of salaries and wages Citywide will grow from FY 2021-22 to FY 2025-26 as normal step progression is included for all collective bargaining units and similar salary increases for non-bargaining employees.

General Fund Forecast

Major Revenue Assumptions

Between FY 2021-22 and FY 2025-26, General Fund revenues are forecasted to grow by a total of 11.3 percent. The largest components of General Fund revenues are Property Taxes (51.7 percent of FY 2021-22 General Fund revenues), Franchise Fees and Other Taxes (13.4 percent), Charges for Services (13.2 percent), Licenses and Permits (7.5 percent), and Intergovernmental Revenues (8.6 percent). Interest, Fines and Forfeitures, Other Revenues, and Transfers-In comprise the remaining 5.6 percent.

Property Taxes

The FY 2021-22 Budget for General Fund property tax revenue is $453.802 million. This budget is based on an assessed valuation of $65.835 billion and a General Fund operating millage rate of 7.6665. The millage rate is assumed to remain flat over the five-year period. Taxable property values are projected to increase by three percent in FY 2021-22 and by five percent annually through FY 2025-26. This assumption is based on the expectation that the development activity in the City has leveled out and will remain flat through the end of the five-year period.

Franchise Fees and Other Taxes

The FY 2021-22 Budget for Franchise Fees and Other Taxes is $117.795 million. This category includes revenue from franchise fees charged to electricity, gas, and other utility service providers for the right to construct, maintain, and operate facilities within the City of Miami. This category also includes revenue from the Public Service Tax (PST) and the Local Option Gas Tax (LOGT). PST and LOGT revenues were accounted for in special revenue funds until FY 2011-12, when these funds were consolidated with the General Fund in compliance with GASB 54. All revenues in this category are projected to grow by three percent annually through the entirety of the forecast due to an improved economic outlook for the City.

Interest

The FY 2021-22 Budget for Interest is $3.061 million. This category includes interest earnings on investments. The five-year forecast assumes that the City's interest earnings will decline by ten percent in FY 2022-23 and by five percent each year through the entirety of the forecast.

Transfers-In

The FY 2021-22 Budget for Transfers-In is $24.541 million. This category includes revenues transferred into the General Fund from other City funds. The FY 2021-22 Budget includes a contribution in the amount of $18.931 million from the American Rescue Plan Act of 2021, pursuant to revenue loss provisions of the law. The FY 2022-23 Forecast anticipates a contribution of $4.783 million of funding from the American Rescue Plan Act for a total contribution to the General Fund of $23.714 million. A contribution of funding to the General Fund from the American Rescue Plan Act is not reflected in FY 2023-24 or through the remainder of the forecast.

Fines and Forfeitures

The FY 2021-22 Budget for Fines and Forfeitures is $7.189 million. This category includes revenues derived from penalties for violation of statutory offenses and administrative rules. This category also includes revenue generated through court fees and confiscated property. Revenues in this category are projected to remain flat over the course of the forecast period.

Intergovernmental Revenues

The FY 2021-22 Budget for Intergovernmental Revenues is $75.757 million. This category includes revenues from the State of Florida, such as the Half-Cent Sales Tax, as well as revenues from other local

units, such as the Miami Parking Authority and the Village of Key Biscayne. Intergovernmental revenues are projected to increase by three percent through FY 2025-26 with one notable exception. The State Pension Payments are projected to increase by five percent through FY 2025-26. Shared Revenues from the Miami Parking Authority (MPA) were significantly impacted by the COVID-19 pandemic. In FY 2018-19, the City received $13.893 million in revenue from the MPA but received only $2.473 million in FY 2019-20 and $3.000 million in FY 2020-21. The FY 2021-22 Budget anticipates $10 million in revenue from the MPA. The FY 2022-23 Forecast also anticipates $10 million from the MPA but projects an increase of revenue by $2.000 million in FY 2023-24, $4.000 million in FY 2024-25, and $6.000 million in FY 2025-26.

Licenses and Permits

The FY 2021-22 Budget for Licenses and Permits is $66.500 million. This category includes revenue from building permits, mural permits, occupational licenses, and other licenses and permits. In recent years, the City has seen an increase in building permits associated with growth in development activity. The five-year forecast assumes that building permit revenues will remain flat over the course of the next five years.

Other Revenues

The FY 2021-22 Budget for Other Revenues is $12.870 million. This category includes revenues from miscellaneous sources not included in any of the other categories. Examples include revenue from the sale of confiscated items, miscellaneous reimbursements, providing police service at special events, etc. No growth is assumed for this category through FY 2025-26.

Charges for Services

The FY 2021-22 Budget for Charges for Services is $115.786 million. This category is comprised of revenue derived from a variety of City fees. The major revenues in this category include Parking Surcharge revenue, Rents and Royalties (primarily in the Department of Real Estate and Asset Management), revenue from casinos, Emergency Services fees, Solid Waste revenue, Charges for Police Services, and other miscellaneous charges. All Charges for Service revenues are projected to increase by three percent annually except for Building Inspections. Building Inspections are expected to remain flat through the five-year period.

General Fund Forecast

Major Expenditure Assumptions

General Fund expenditures are projected to grow by a total of 13.4 percent between FY 2021-22 and FY 2025-26. Personnel costs are the largest drivers of General Fund spending, comprising 72.1 percent of all FY 2021-22 General Fund expenditures. Personnel costs include salaries and wages, employee benefits, health benefits, pension costs, and worker's compensation. The remaining 27.9 percent is comprised of operating expenditures (17.3 percent), transfers-out (7.8 percent), Capital Outlay (0.1 percent), and other non-operating expenses (2.7 percent).

Salaries and Wages

Employee salaries and wages represent the largest General Fund expenditure category. The baseline assumption used in the five-year forecast is that the cost of salaries and wages Citywide will grow by five percent annually through FY 2025-26 as normal step progression is assumed for each bargaining unit and similar salary increases are assumed for non-bargaining employees.

Employee Benefits

While employee wages comprise the largest portion of General Fund spending, employee benefits are another primary driver of expenditure growth.

Health Benefits

The cost of employee life and health insurance is projected to grow by 1.8 percent in FY 2021-22 and six percent annually through the remainder of the forecast.

Pension Costs

Growth in the cost of the City's retirement plans is forecasted at five percent annually through the forecast.

Workers' Compensation

Workers' compensation costs are projected to grow by 2.9 percent annually based on estimates developed by the City's casualty actuary.

Operating Expenses

Operating expenses such as professional services, utility costs, and materials and supplies, are projected to grow by two percent. Notable exceptions in this category include Utility Services and Motor Fuel: all are projected to grow at five percent annually through the forecast.

Capital Outlay

General Fund capital outlay costs inside the operating budget, not associated with Transfers to Capital, include costs for machinery, equipment, and capital leases are projected to remain constant over the five-year period. A notable exception is Machinery and Equipment as it is projected to grow by two percent annually through the forecast.

Non-Operating Expense

The Non-Operating Expense category is comprised of budgeted reserves, aid to private organizations, and transfers out of the General Fund. This category is forecasted to remain nearly flat at two percent through FY 2025-26.

General Fund Forecast

The FY 2021-22 Budget includes several reserves: a $8.848 million budget reserve for uncollectable revenues, a $280,000 budget reserve for Internal Service Functions, a $5.000 million Contingency Reserve per the City's Financial Integrity Principles to fund unanticipated budget issues, a $1.800 million reserve to account for adjustments to part-time employee wages, and a $983,000 budget reserve for the 2022 COPS Grant.

Key Long-Term Considerations

Collective Bargaining

The five-year forecast period includes normal step progression for all collective bargaining units. On September 23,2021 the City Commission ratified a new three-year collective bargaining agreement with AFSCME 1907 to last from October 1, 2020 to September 30, 2023. The fiscal impacts of the first two years of the contract were absorbed in FY 2020-21 and budgeted in FY 2021-22. The FY 2022-23 Forecast includes the projected costs of the final year of the contract. Labor negotiations with AFSCME 871 are ongoing and the labor contract for the Fraternal Order of Police (FOP) expired in September 2021. The labor contract for the International Association of Fire Fighters (IAFF) is set to expire in September 2022. The results of negotiations with the AFSCME 871, the FOP, and eventually the IAFF will have an impact on the forecasted personnel costs and result in a different five-year outcome.

Pension Costs

The five-year forecast incorporates an expected increase of $18.274 million in FY 2022-23 due to settlement agreement between the City, the IAFF, and the FOP and the resulting changes to the City of Miami Fire Fighters' and Police Officers' Retirement Trust (FIPO). Per the settlement agreement, effective September 30, 2021, the FIPO pension plan benefits that were in effect prior to September 27, 2010 were restored for all bargaining unit members that were non-vested as of September 27,2010 and the cap on benefits would be $120,000.

Minimum Wage Increase

The five-year forecast incorporates partial funding for the impacts of increasing the City's minimum wage to $15 per hour for all employees. The city will continue to monitor the impacts of this policy decision on personnel costs and the resulting effects of salary compression on existing employee wages.

Changes to Service Levels

Policy decisions on future changes in service levels have the potential to impact forecasted personnel costs as well as operating expenditures.

Special Revenue Funds Forecast

Special Revenue Funds:

These funds receive support from various sources, mainly in the form of grants and other aids and are restricted to expenditures for particular purposes. Below is the summary data of each Special Revenue Fund, as well as the outlook for the next five years.

Funds Name and Numbers	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Forecast	FY 2023-24 Forecast	FY 2024-25 Forecast	FY 2025-26 Forecast

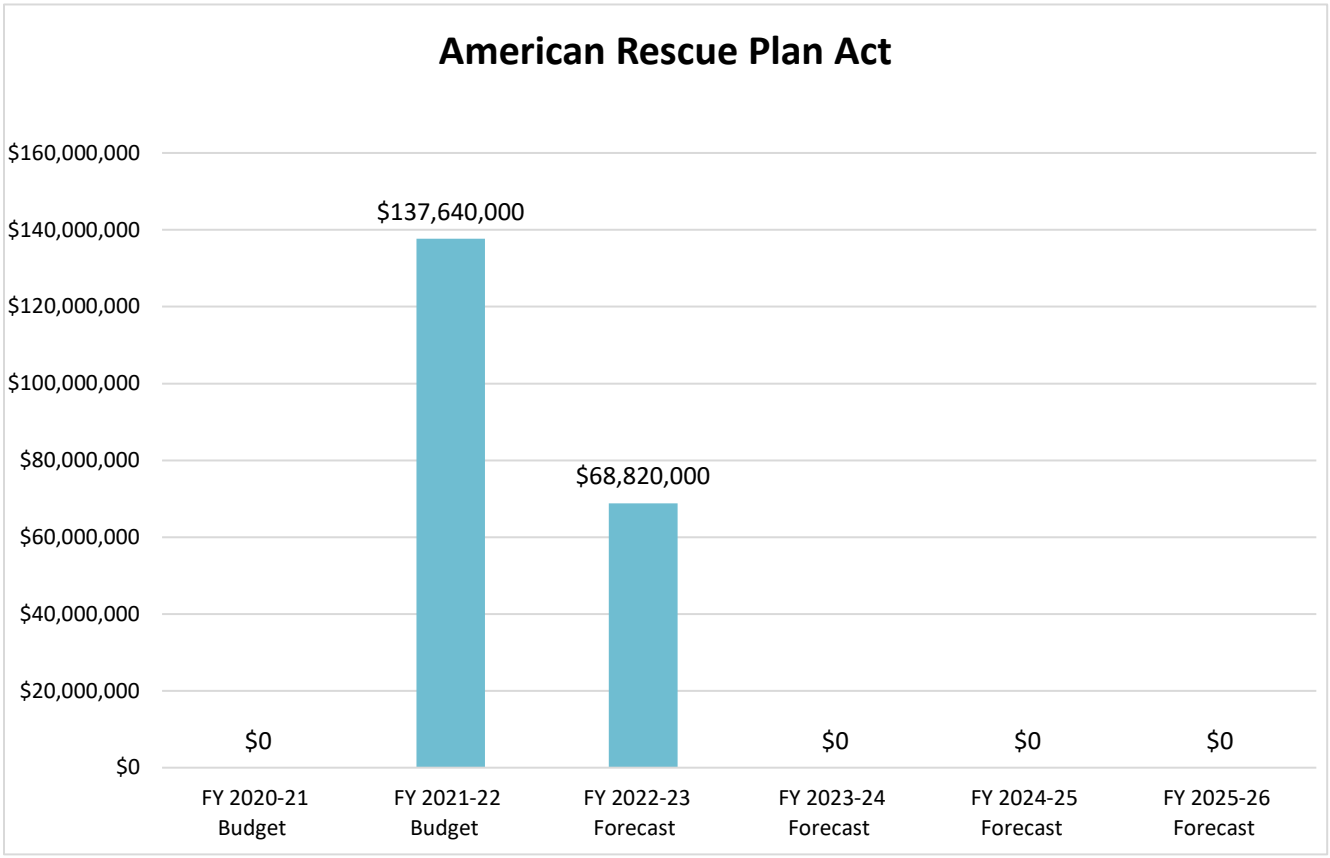
The following pages are the descriptions for each Special Revenue Fund, as well as the five-year financial forecast. It includes assumptions for the five-year outlook for each fund.

Special Revenue Funds Forecast

American Rescue Plan Act. - Fund 97100

The American Rescue Plan Act fund's purpose is to receive the emergency funding from U.S. Treasury Department allocated to local government to continue to support the public health response and lay the foundation for a strong and equitable economic recovery, to address the revenue losses experienced as a result of the crisis, and to invest in infrastructure, including water, sewer, and broadband services.

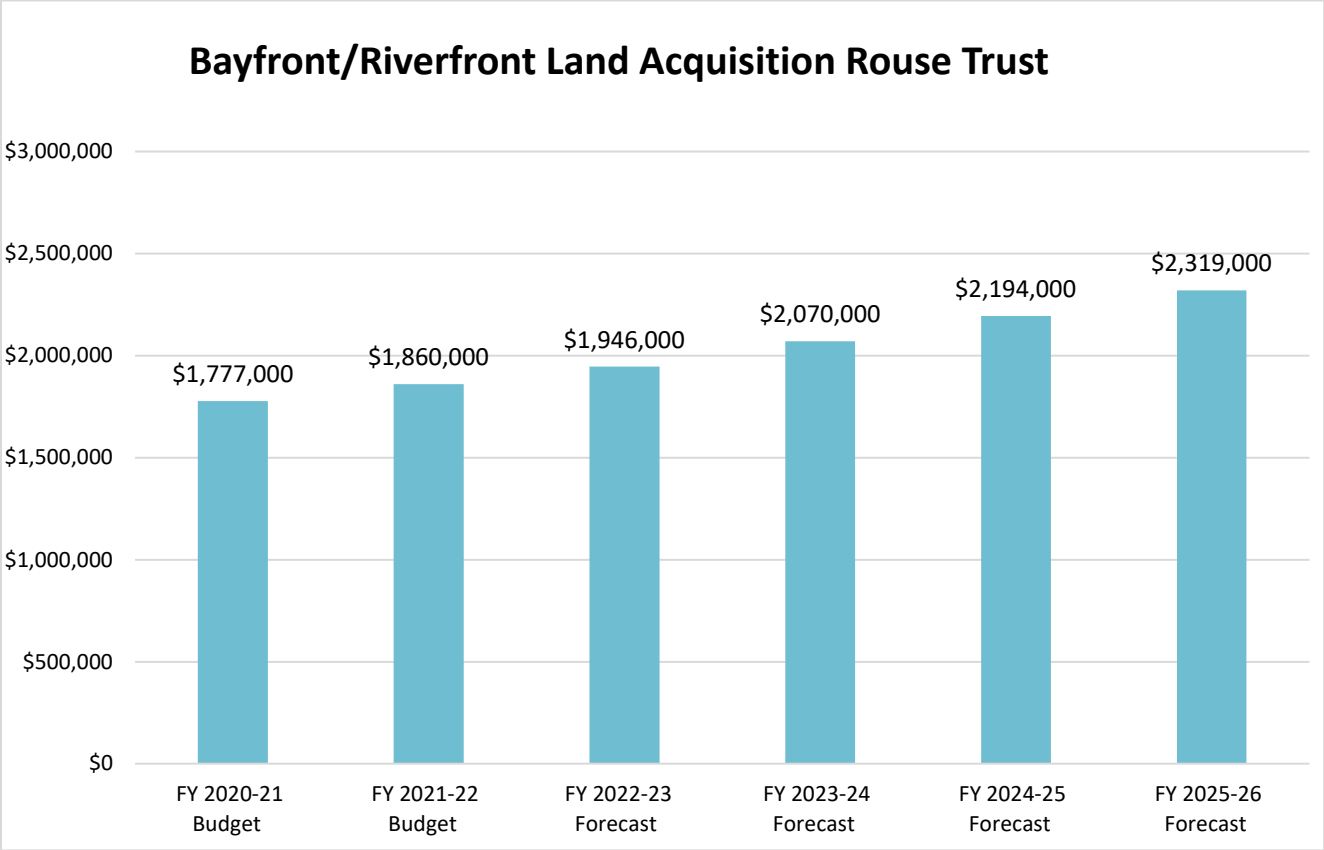


The FY 2020-21 reflects the first tranche of the fund allocated to the City of Miami by U.S. Treasury Department. The second tranche will be allocated in FY 2021-22 and funds are expected to be fully spent in FY 2022-23, the third year of the American Rescue Plan Act grant.

Special Revenue Funds Forecast

Bayfront/Riverfront Land Acquisition Rouse Trust - Fund 15100

The Bayfront/Riverfront Land Acquisition Rouse Trust Fund is used for the acquisition of real property, adjacent to the Miami River and Biscayne Bay, in order to provide public access and public enjoyment of those waterbodies.

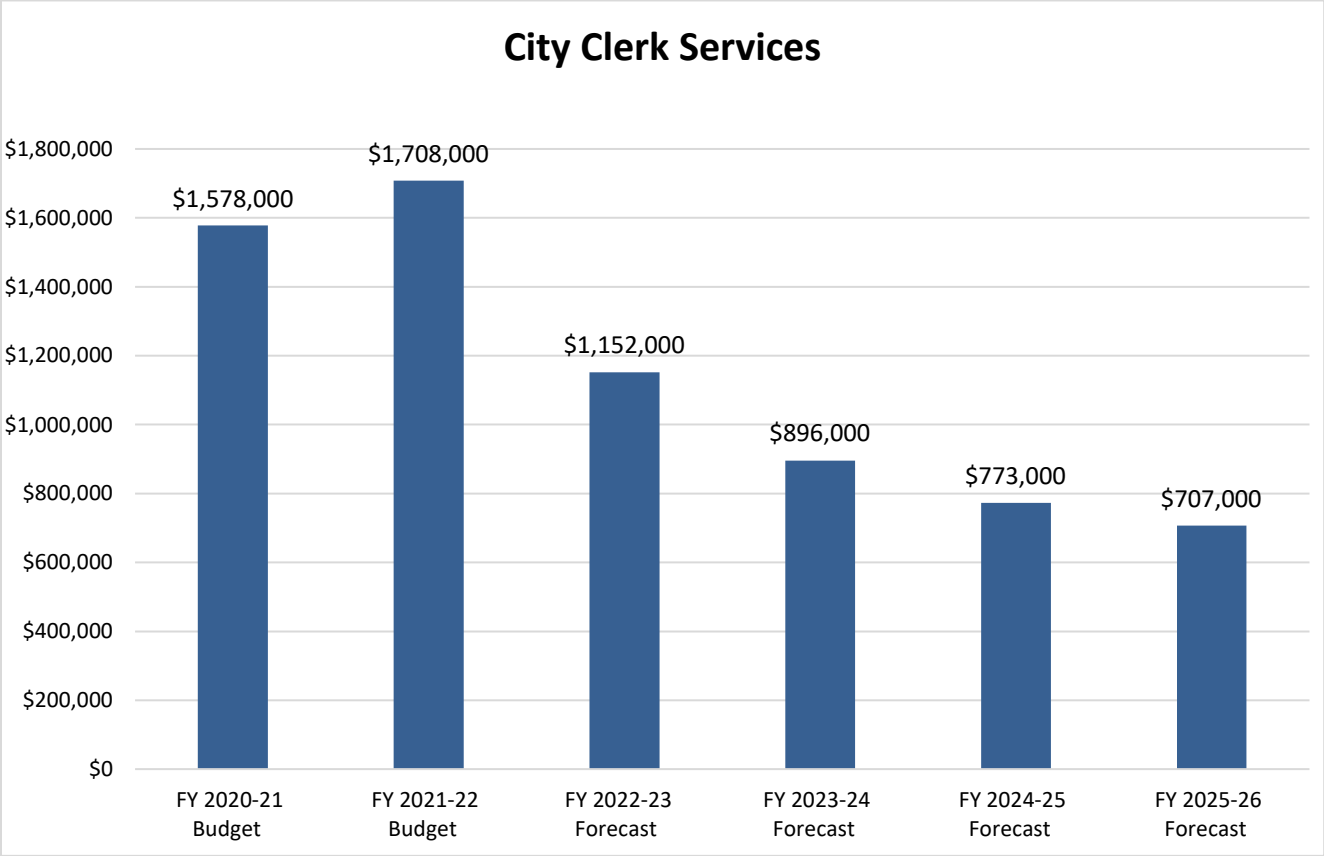


The five-year forecast assumes a stable pattern of revenues as a portion of rents received by the City pursuant to the retail parcel lease.

Special Revenue Funds Forecast

City Clerk Services - Fund 13500

The City Clerk Services Special Revenue Fund is used for the operation of the Passport Acceptance Facility, Municipal Archives and Records, and other City Clerk-related programs.

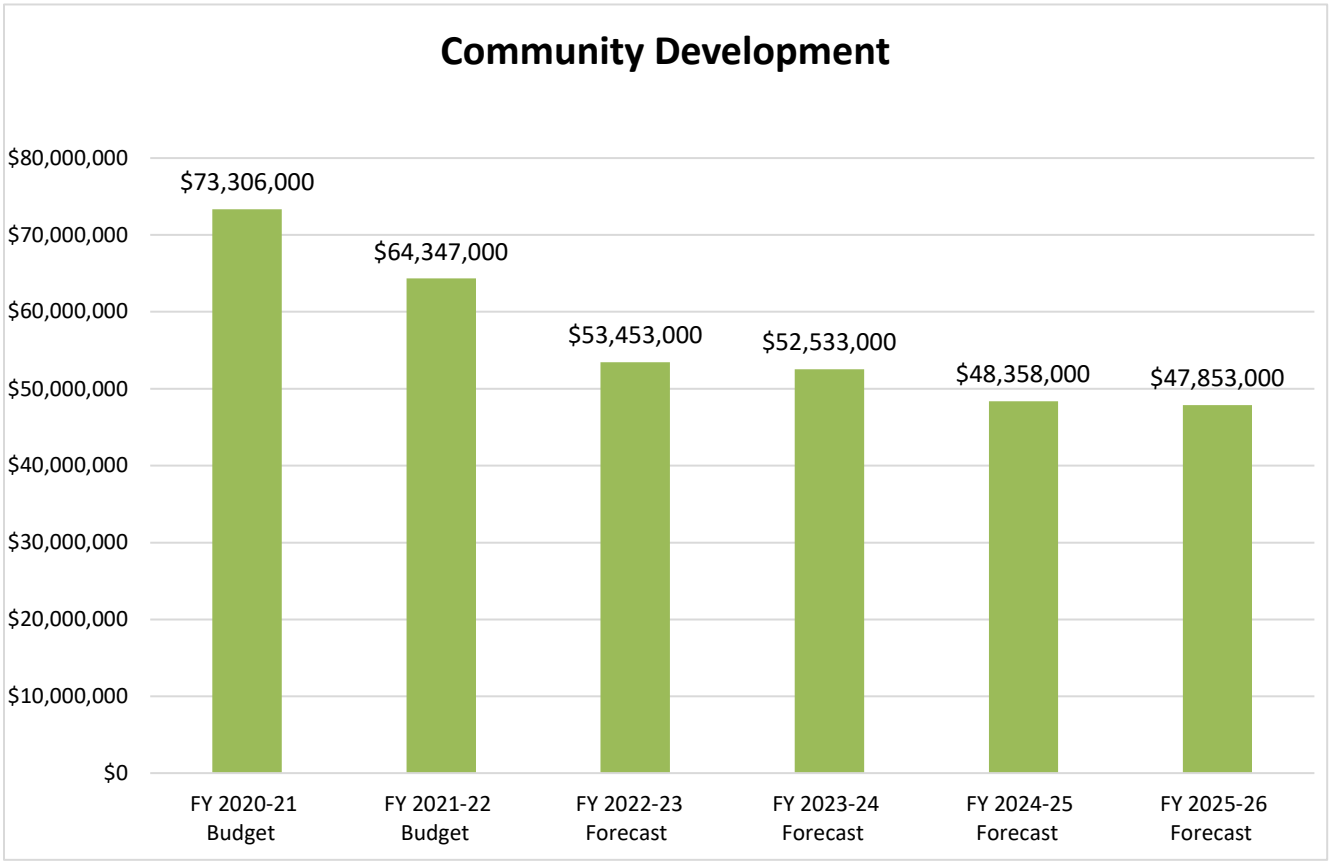


The five-year forecast assumes the annual Community Redevelopment Agencies' contribution for the funding of one Legislative Service Representative I position to remain consistent during the five-year period. The forecast assumes an increase of revenues and expenditures from the Lobbyists' Registration and U.S. Passport Acceptance Programs as well as an increase in expenditures in the Fund Balance of both programs.

Special Revenue Funds Forecast

Community Development - Funds 14001 to 14018

The Community Development Fund accounts for the proceeds from local, state, and federal agencies, which aid in the development of a viable urban community in the City of Miami.

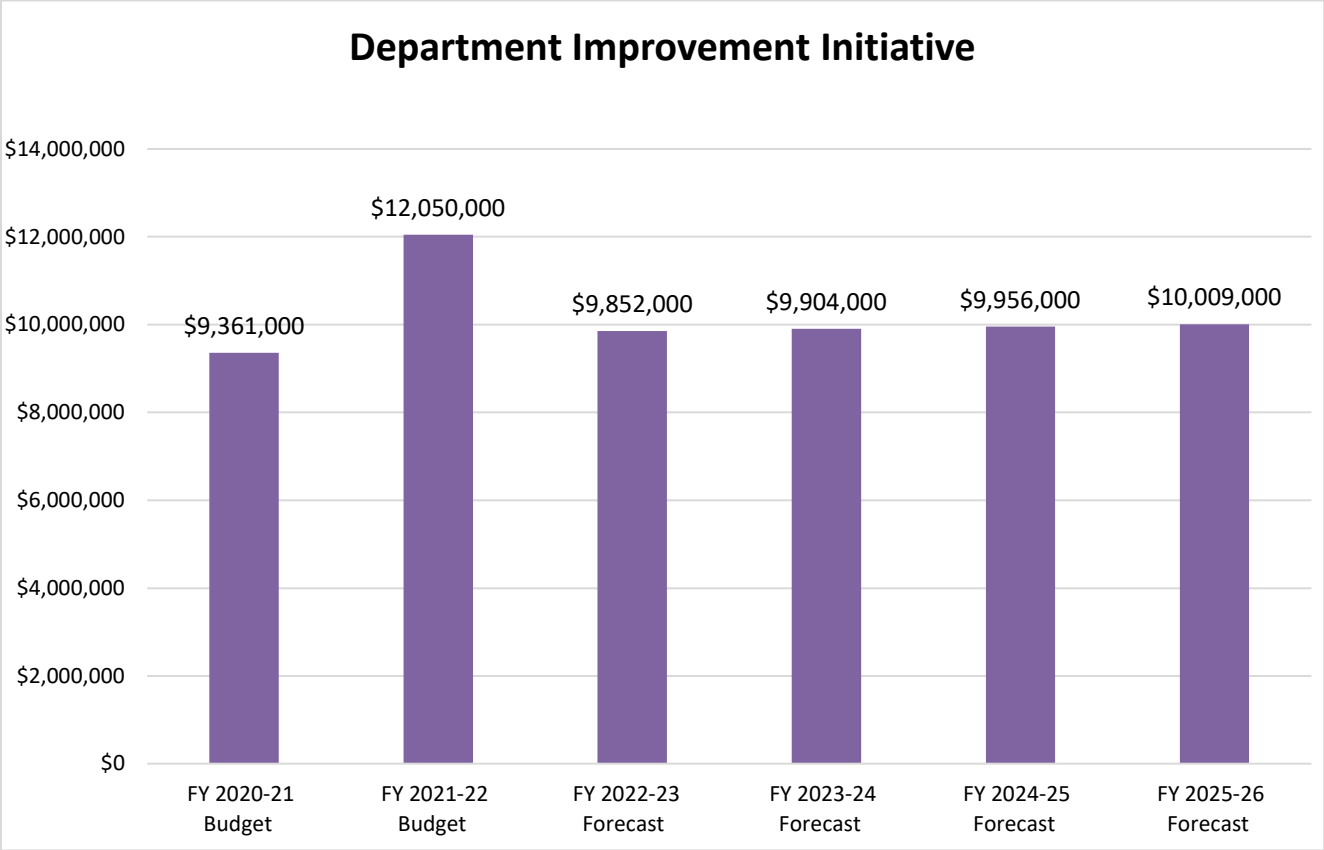


The five-year forecast assumes a sizable depletion of prior year grant balances with stable funding from federal and local grantors.

Special Revenue Funds Forecast

Department Improvement Initiative - Funds 15500 to 15502

The Department Improvement Initiative Fund accounts for the activity designated for City of Miami initiatives related to quality of life and technology.

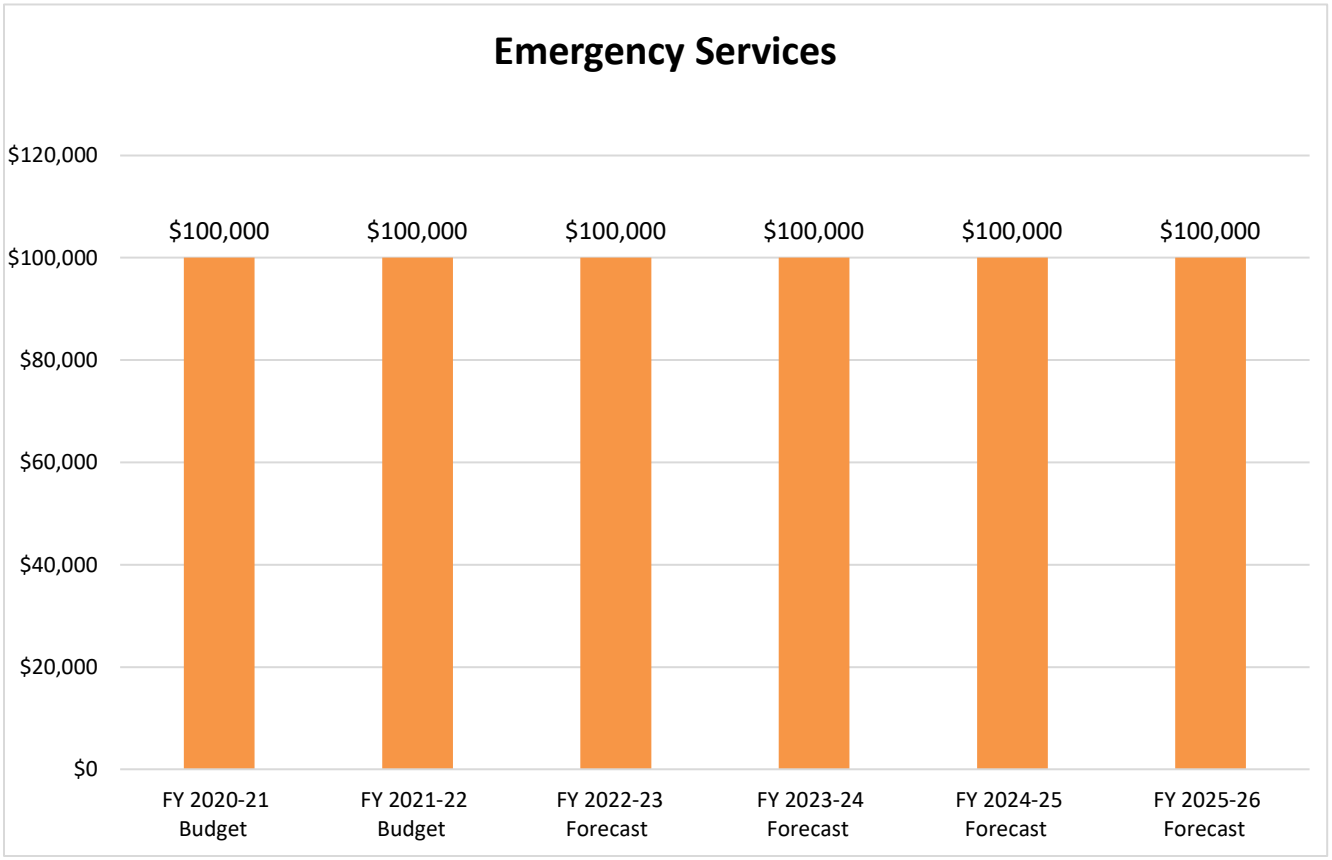


The five-year forecast assumes a constant annual General Fund contribution for the Citywide Anti-Poverty Initiative Program and for Festival and Events. Additionally, zero prior year carryovers are projected for the Department of Real Estate and Asset Management, Innovation and Technology, and Parks and Recreation, as well as for the Offices of the Elected Officials. Furthermore, a steady pattern of revenues related to the Unsafe Structure program is forecasted.

Special Revenue Funds Forecast

Emergency Services - Fund 80000

To account for grants and Federal Emergency Management Agency reimbursements related to disasters. Additionally, this fund accounts for non-disaster related reimbursable expenditures.

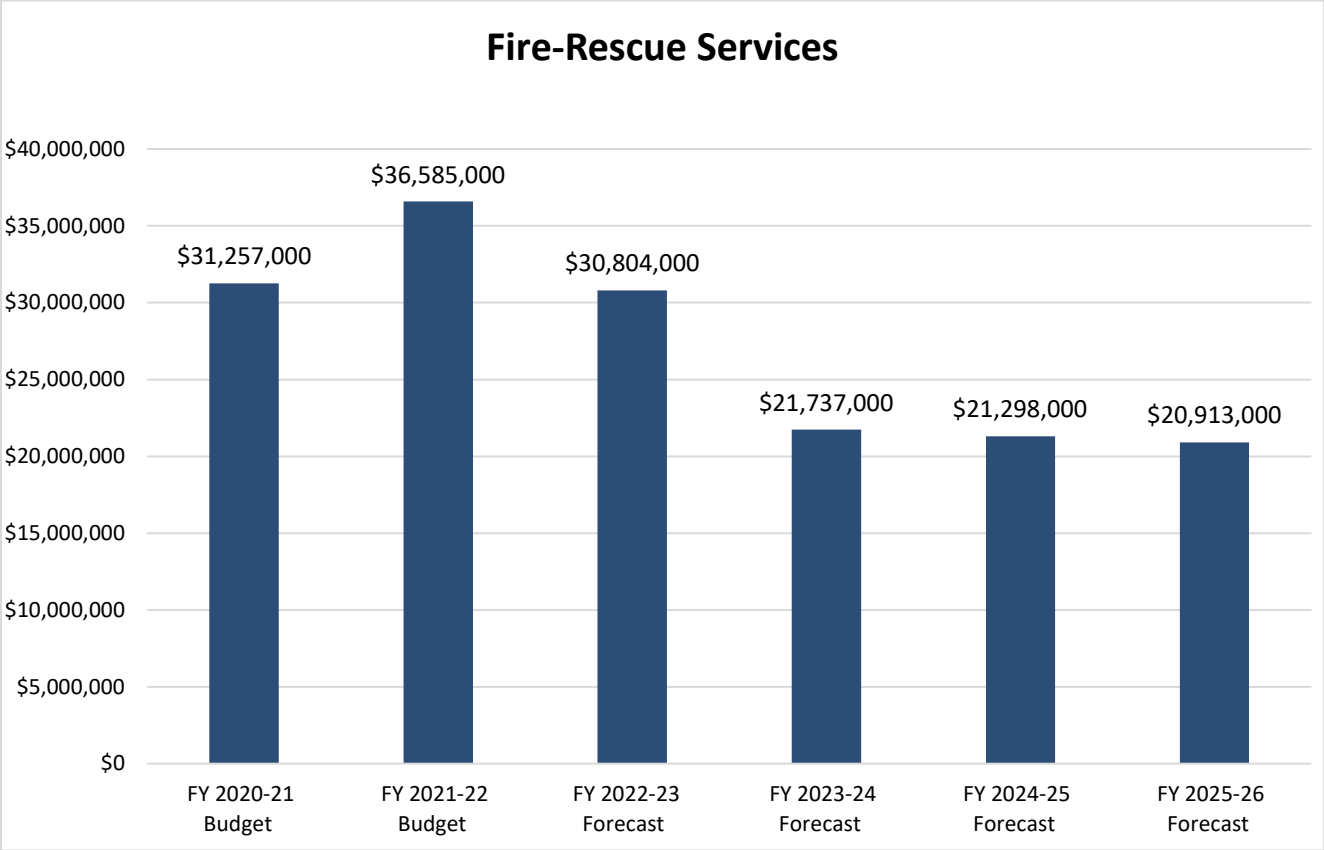


The five-year forecast assumes a steady allocation of fund balance to cover possible deployments by Fire-Rescue personnel to disaster areas.

Special Revenue Funds Forecast

Fire-Rescue Services - Funds 11000 and 11100

The Fire-Rescue Special Revenue Fund is restricted to expenditures that supplement the City's Fire-Rescue operations. This fund accounts for grants and programs from local, state, and federal agencies.

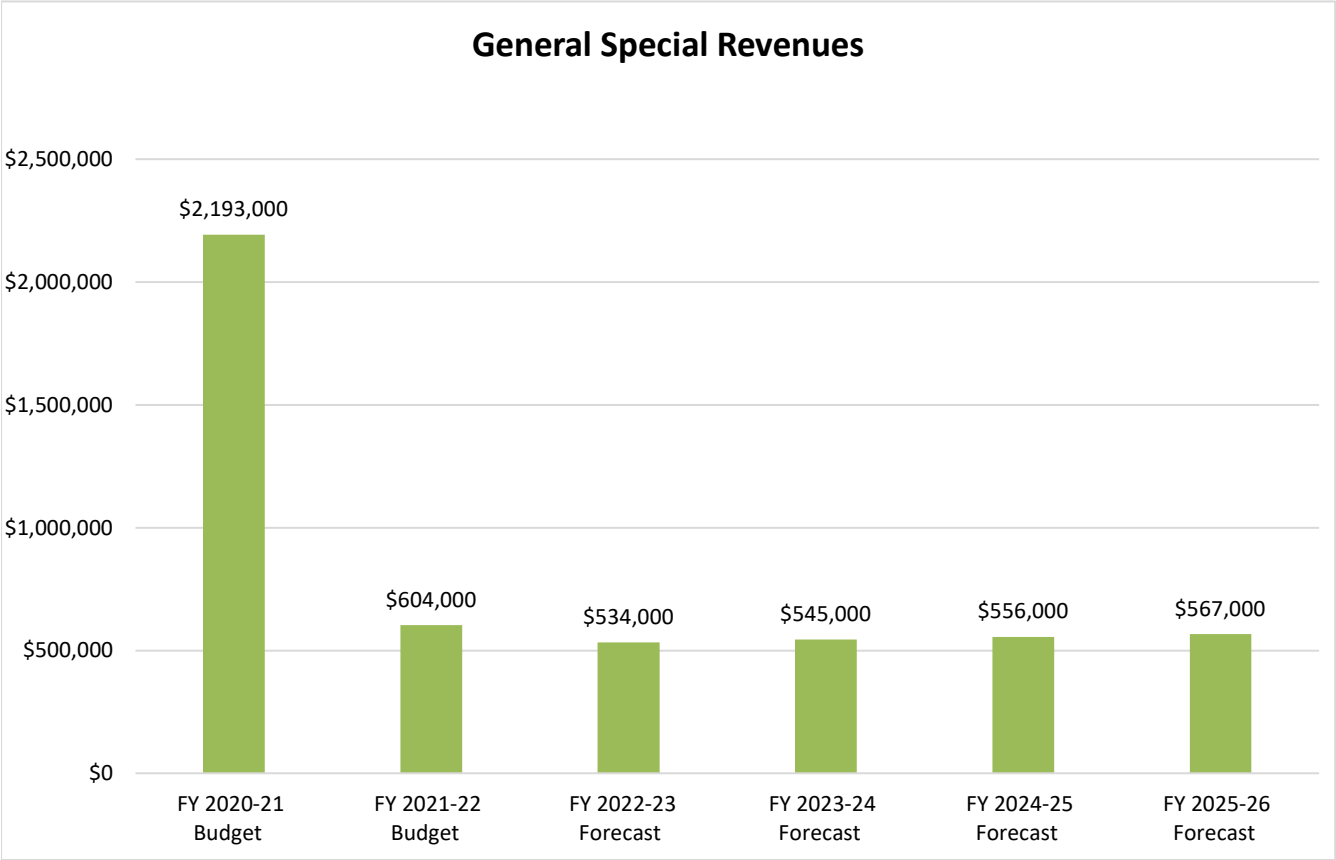


The forecast assumes that the Fire-Rescue Services fund will continue to receive donations and grants at a constant level for the five-year period. The fund is projected to increase in FY 2021-22 due to new increased funding level associated with the Urban Area Security Initiative grants and decrease due to expenditure levels increasing then remaining constant during the five-year period.

Special Revenue Funds Forecast

General Special Revenues - Fund 10090

The General Special Revenue Fund is used for activities that do not fall into a specific special revenue category.

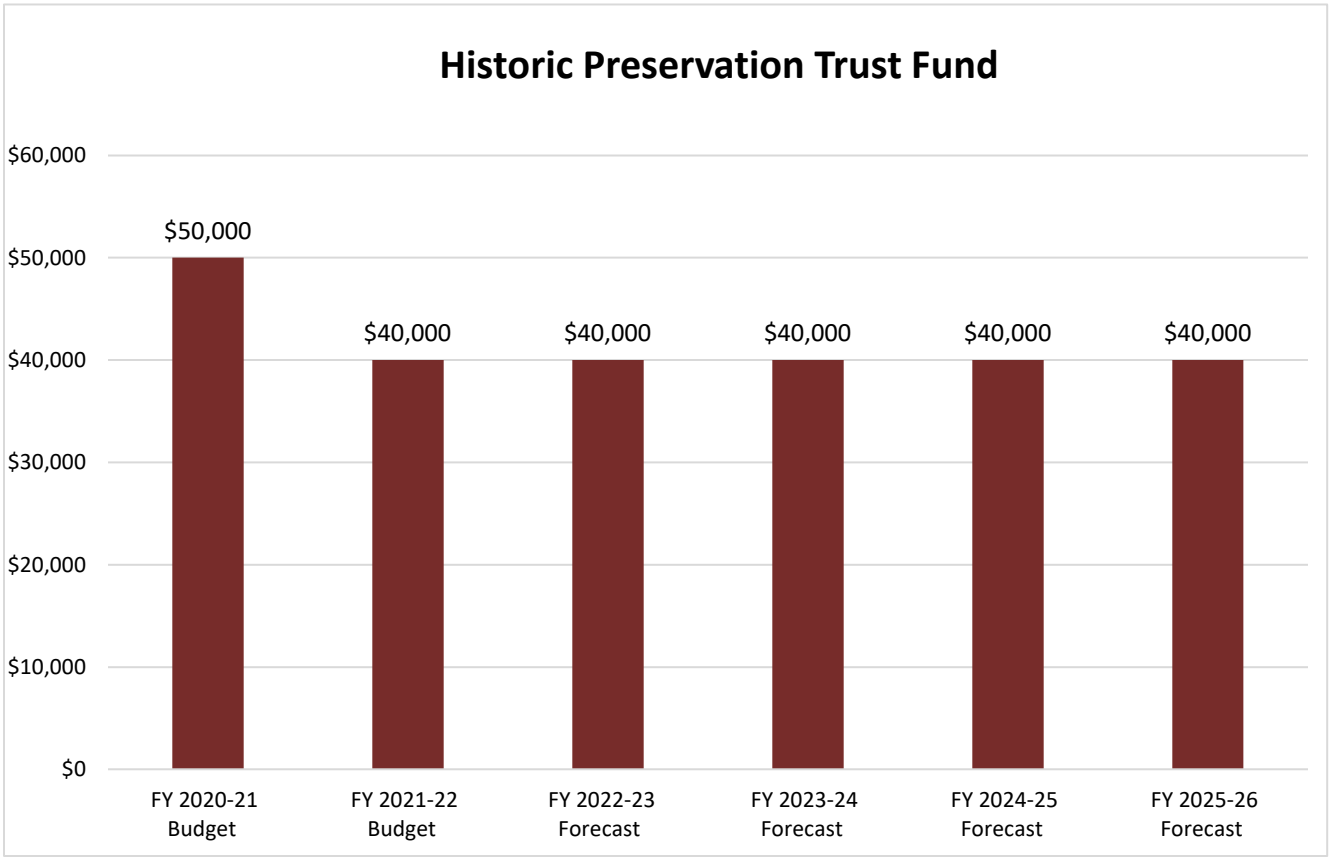


The five-year forecast shows a considerable decrease from the FY 2021-22 budget due to the expiration of grants from the Florida Department of Transportation (FDOT) for the operation of the Flagami and Liberty City Trolley Routes. The remaining revenues are generated from advertising on City trolley vehicles. The forecast projects a two percent annual increase in revenues as additional trolleys are purchased and added to the existing fleet of vehicles.

Special Revenue Funds Forecast

Historic Preservation Trust Fund - Fund 10430

The Historic Preservation Trust Fund is established for funding to be made available for improvements to qualifying homes in T3 Transects and historically designated resources pursuant to Chapter 23



The five-year projection assumes that revenues remain relatively constant as a result of a ten percent distribution of revenues received under Chapter 62 - Article XVI (Art in Public Places), with stable distribution to properties that meet the criteria for financial assistance.

Special Revenue Funds Forecast

Homeless Programs - Fund 14800

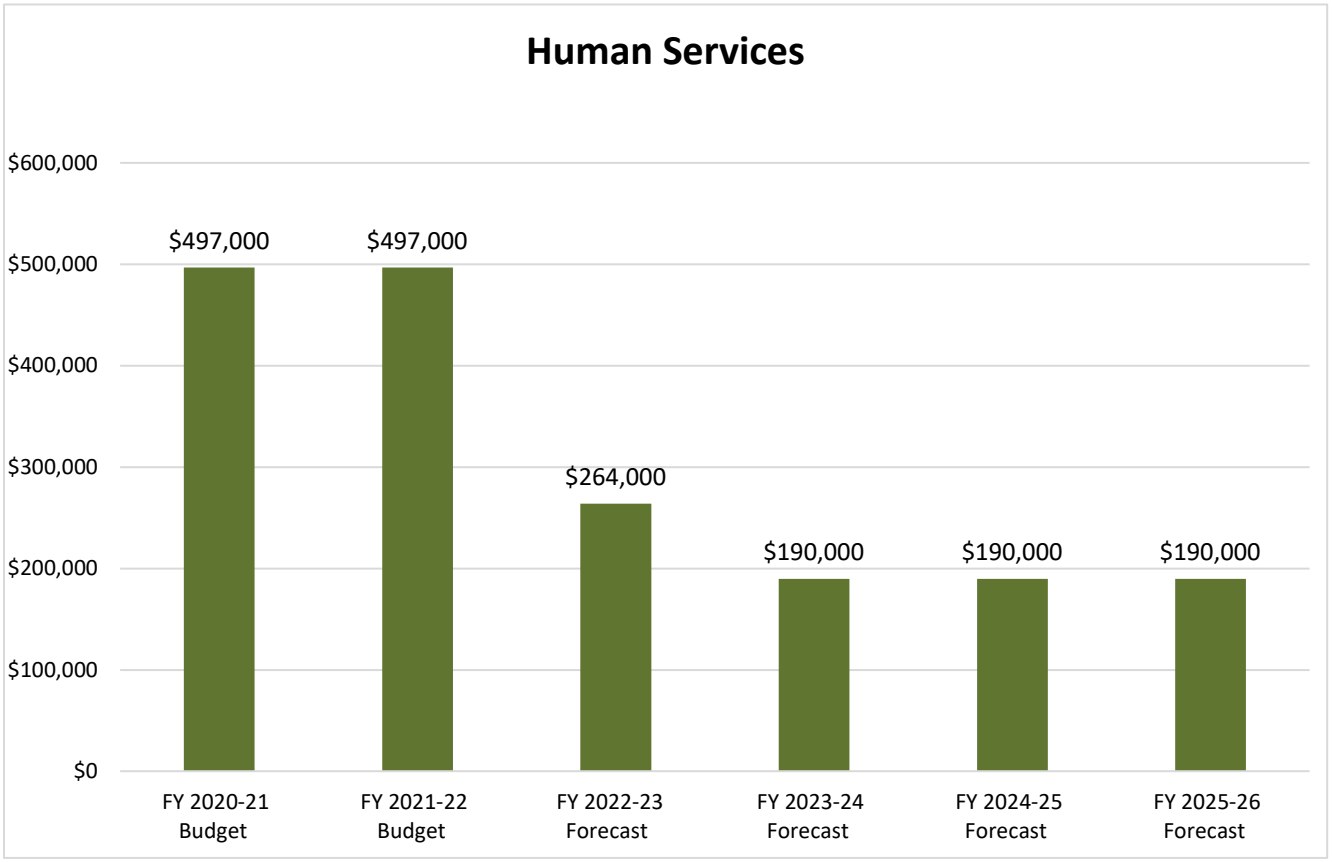
The Homeless Programs Special Revenue Fund is used for activities of the City of Miami Homeless Programs, a division of the Department of Human Services.

The five-year forecast assumes steady companion funding from a vast array of recurrent grant sources.

Special Revenue Funds Forecast

Human Services - Fund 14801

The Human Services Special Revenue Fund is a fund that will be used to account for the Child Daycare program activities and the Live Healthy Little Havana program activities in the Department of Human Services.

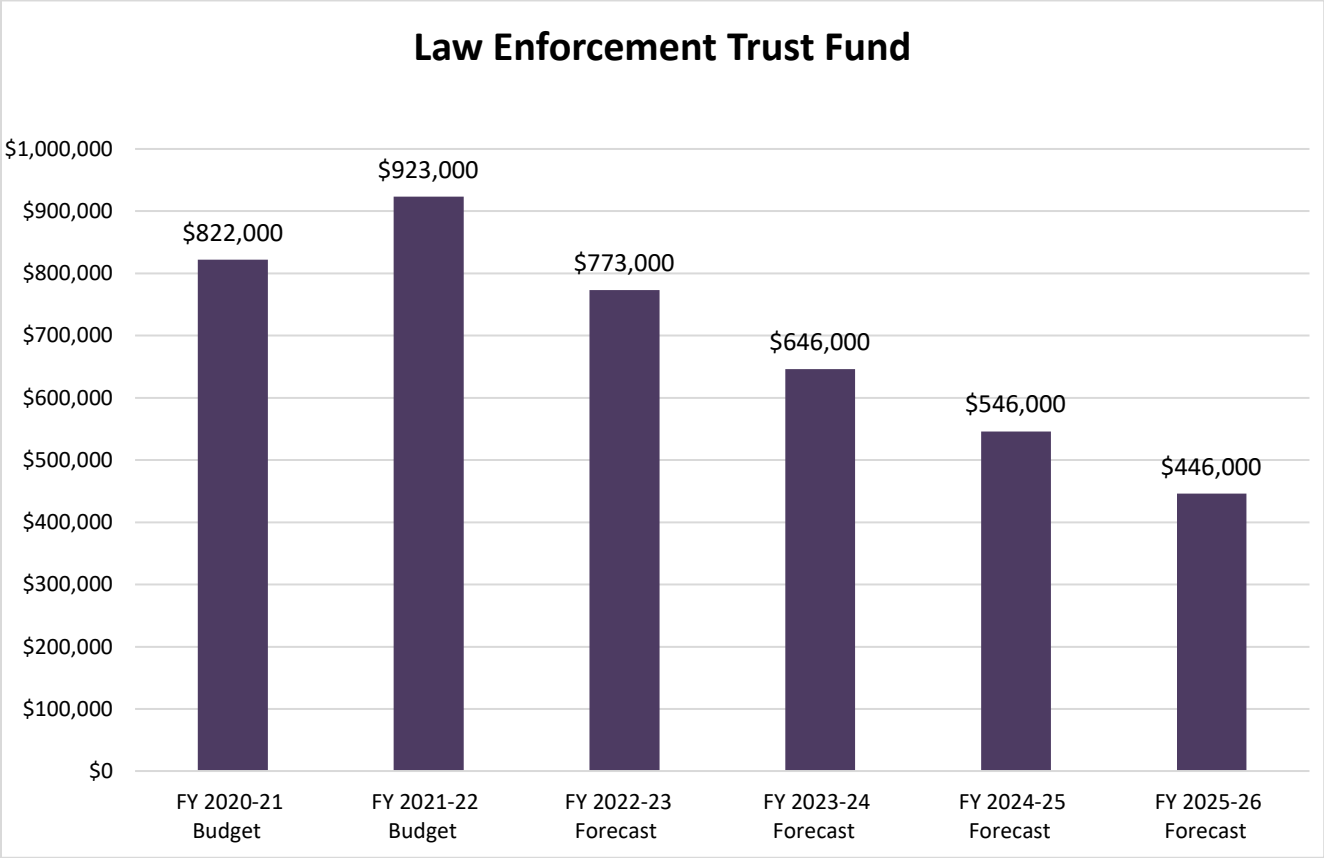


The five-year forecast assumes a depletion of prior year grant funding in FY 2021-22 with steady funding from several grant sources over the five-year period.

Special Revenue Funds Forecast

Law Enforcement Trust Fund - Fund 12500

The Law Enforcement Trust Fund's purpose is to account for confiscated monies awarded to the City for law enforcement related expenditures, as stipulated by state and federal statutes.

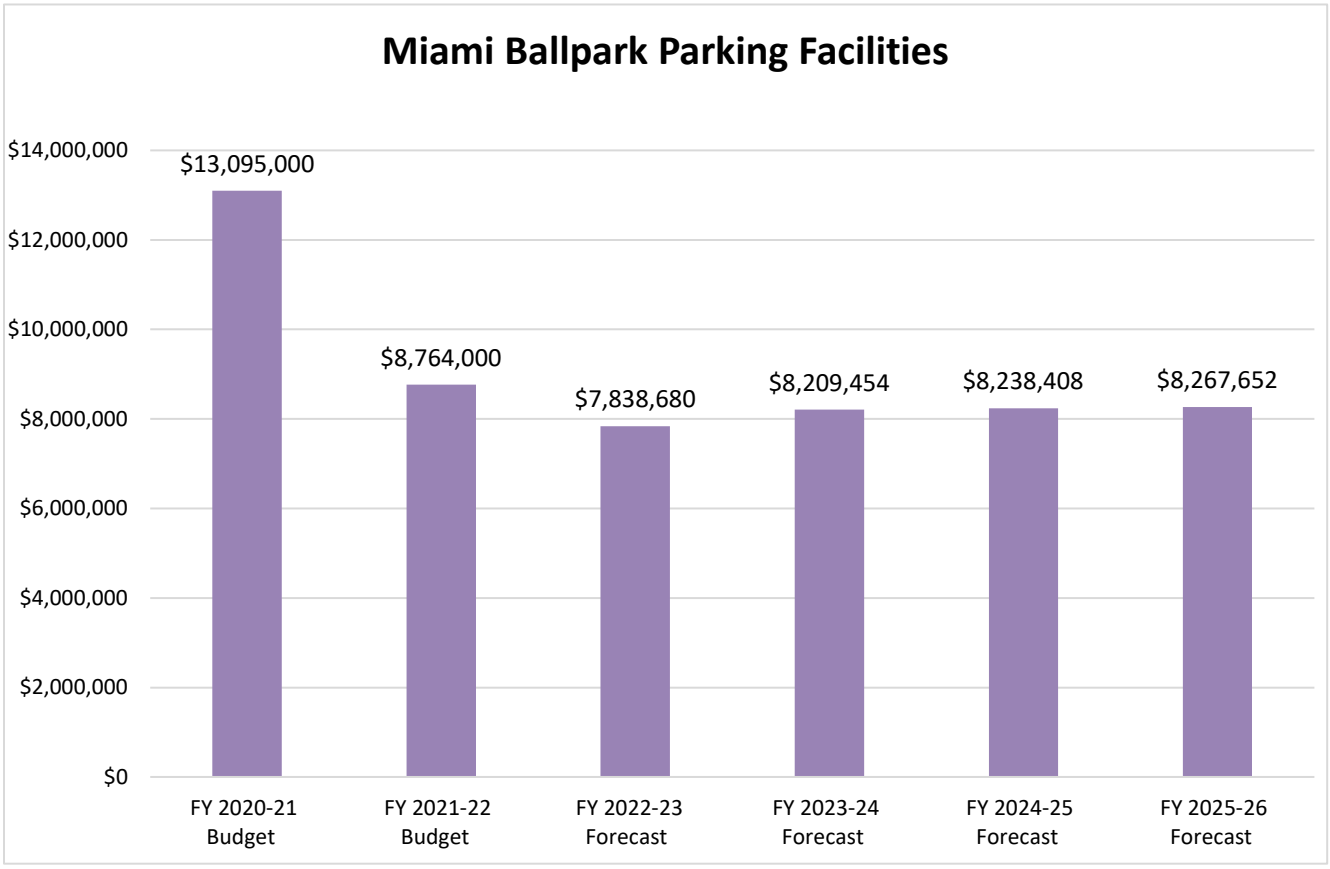


The FY 2021-22 budget reflects the rollover of prior year fund balance. The five-year forecast assumes a sizable reduction of fund balance over the period.

Special Revenue Funds Forecast

Miami Ballpark Parking Facilities - Fund 15400

To account for the operations of the Miami Ballpark Parking Facilities.

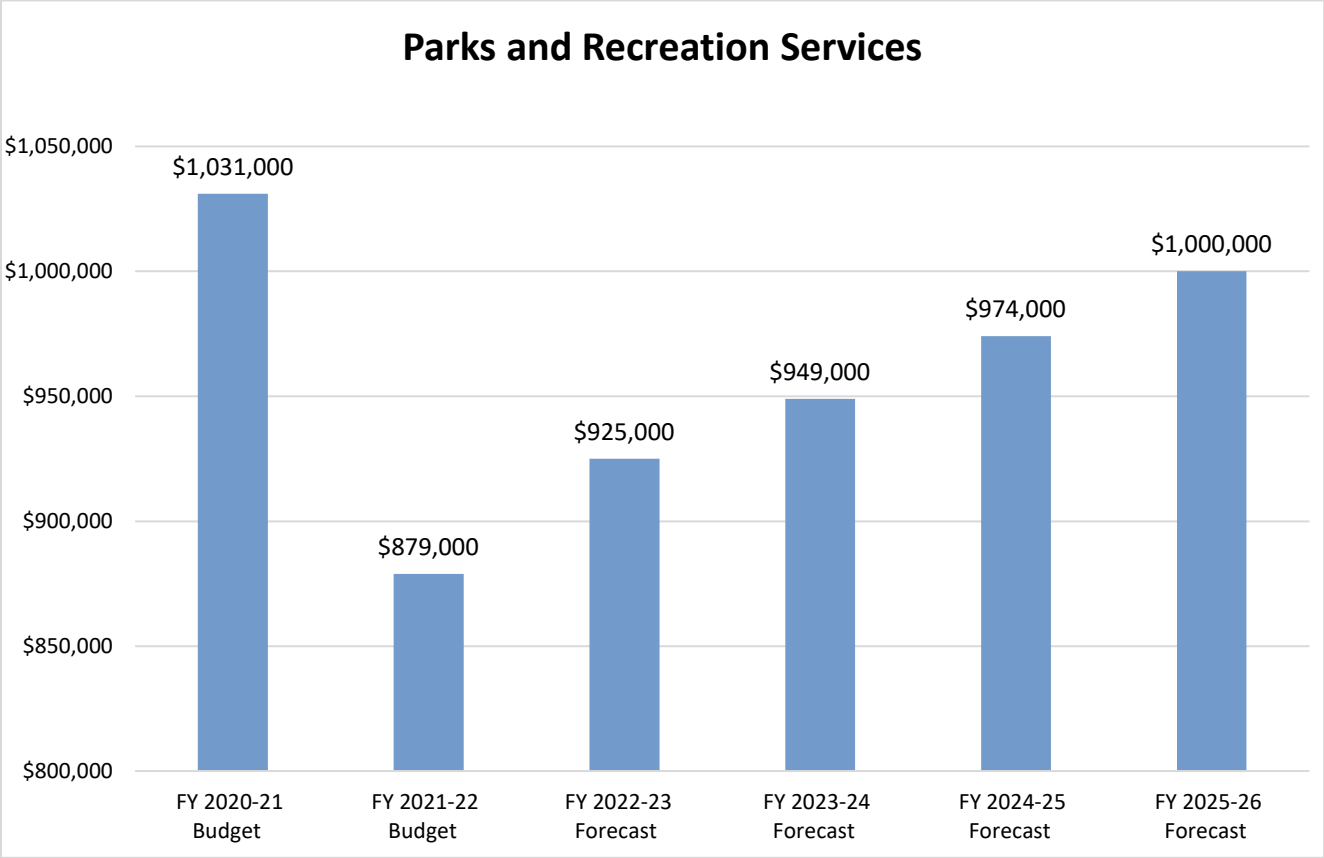


The five-year forecast includes revenue decreases in FY 2021-22 due to the COVID-19 Pandemic then increasing for the remainder of the period as contributions to debt payments and Capital improvements return to consistent levels. Fund Balance is projected to grow slightly over this period as more is used for Operating expenditures.

Special Revenue Funds Forecast

Parks and Recreation Services - Fund 11550

The Parks and Recreation Services Special Revenue Fund is used for parks and recreation activities. This fund accounts for grants from local, state, and federal agencies that are used for these activities.

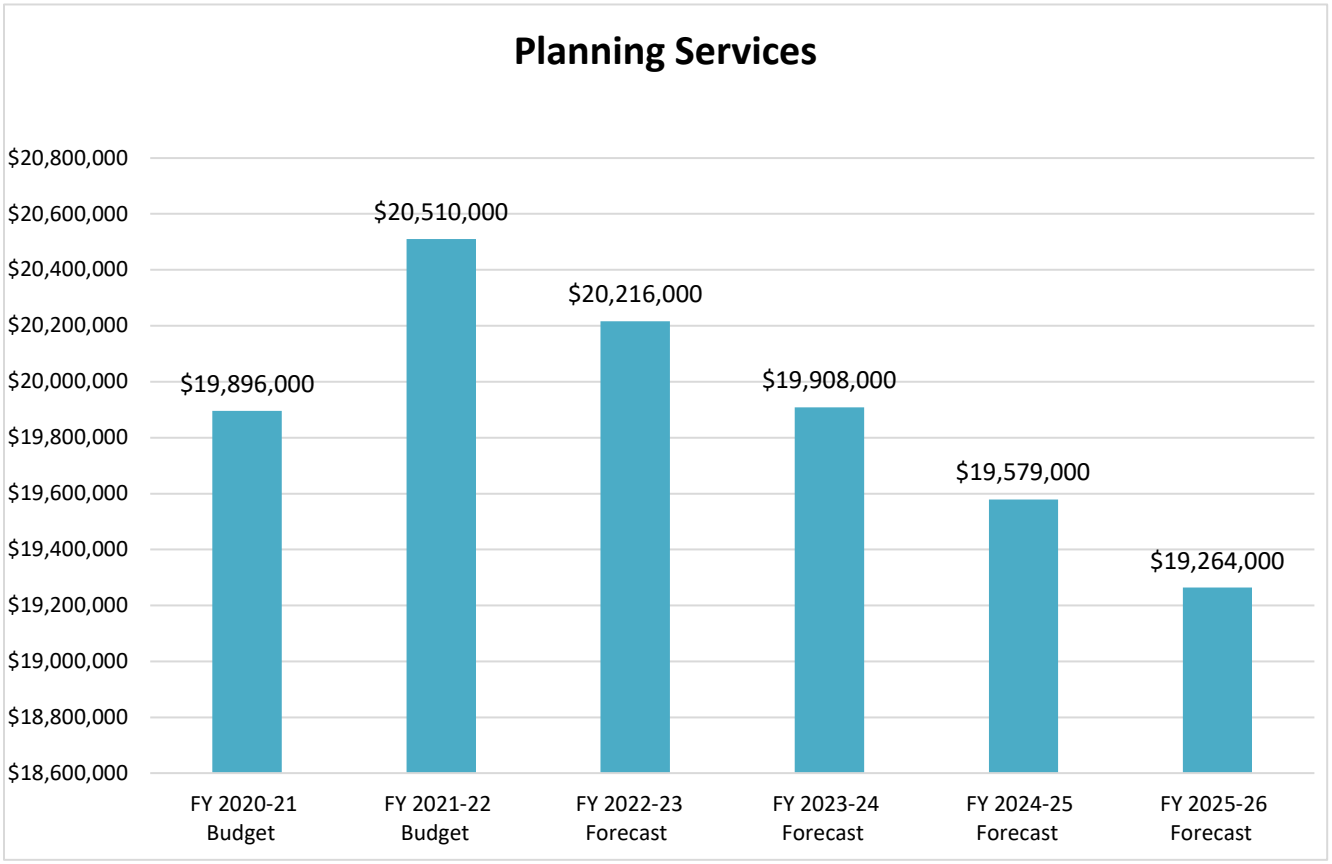


The five-year forecast assumes a decrease of prior year grant balances in FY 2021-22 primarily due to impacts from the COVID-19 pandemic. However, a stable pattern of revenues is projected over the remainder of the forecast period.

Special Revenue Funds Forecast

Planning Services - Funds 10400, 10401, 10402, and 10450

The Planning Services Special Revenue Fund is used for the operation of the Department of Planning .

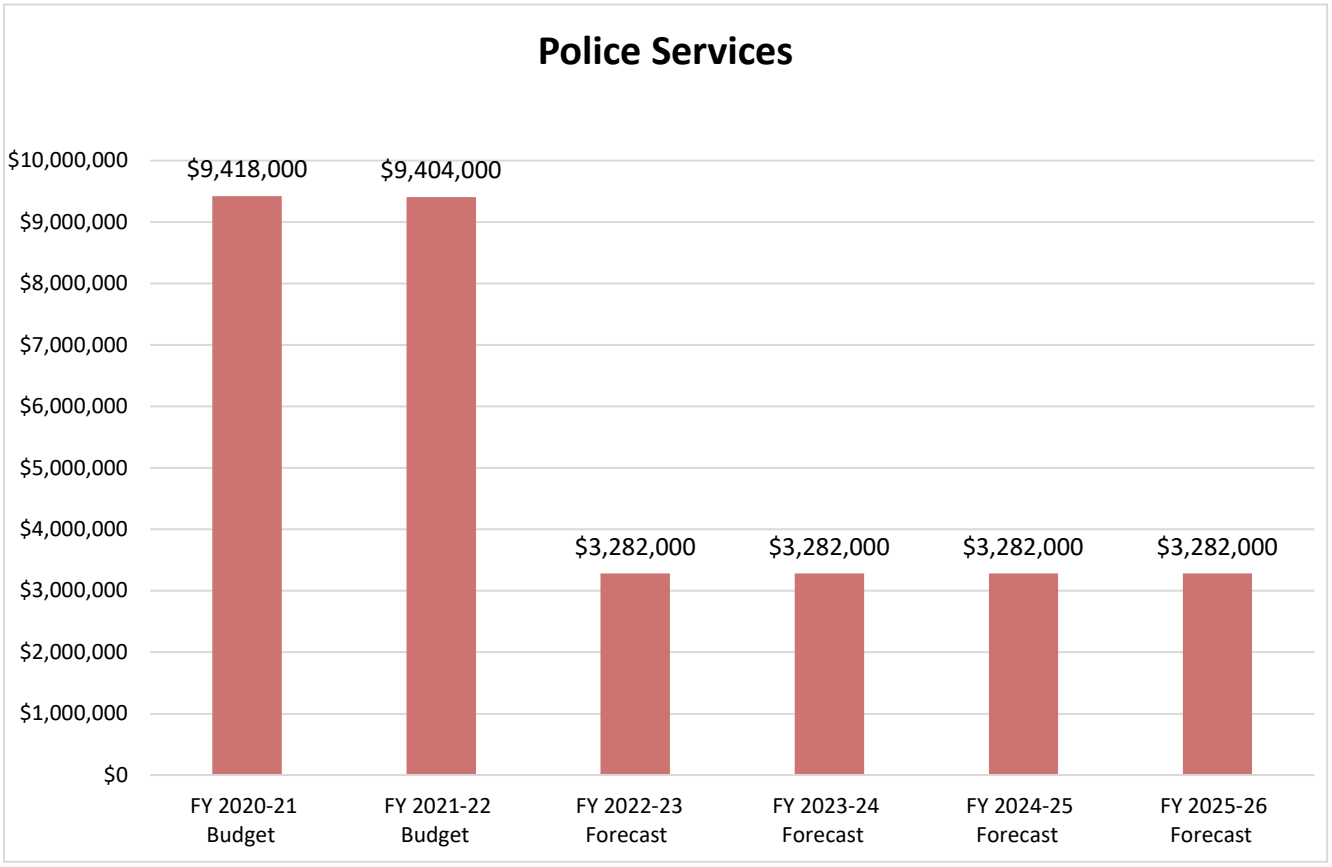


The five-year forecast assumes an increase of approximately $614,000 in fund balance for FY 2021-22. Based on current and past financial activites it is estimated that two million dollars will be collected primarily from the Downtown Development Supplemental Fee (DRI) and Southeast Overtown/Park West Development Supplemental Fee (SEOPW). Additionally, the estimated revenues are offsetted by a gradual decrease in fund balance attributed to transfers to fund capital projects through fiscal year 2025-26.

Special Revenue Funds Forecast

Police Services - Funds 12000, 12200, 12210, and 12220

The Police Services Special Revenue Fund is used for public safety activities. Additionally, this fund accounts for grants from local, state, and federal agencies.

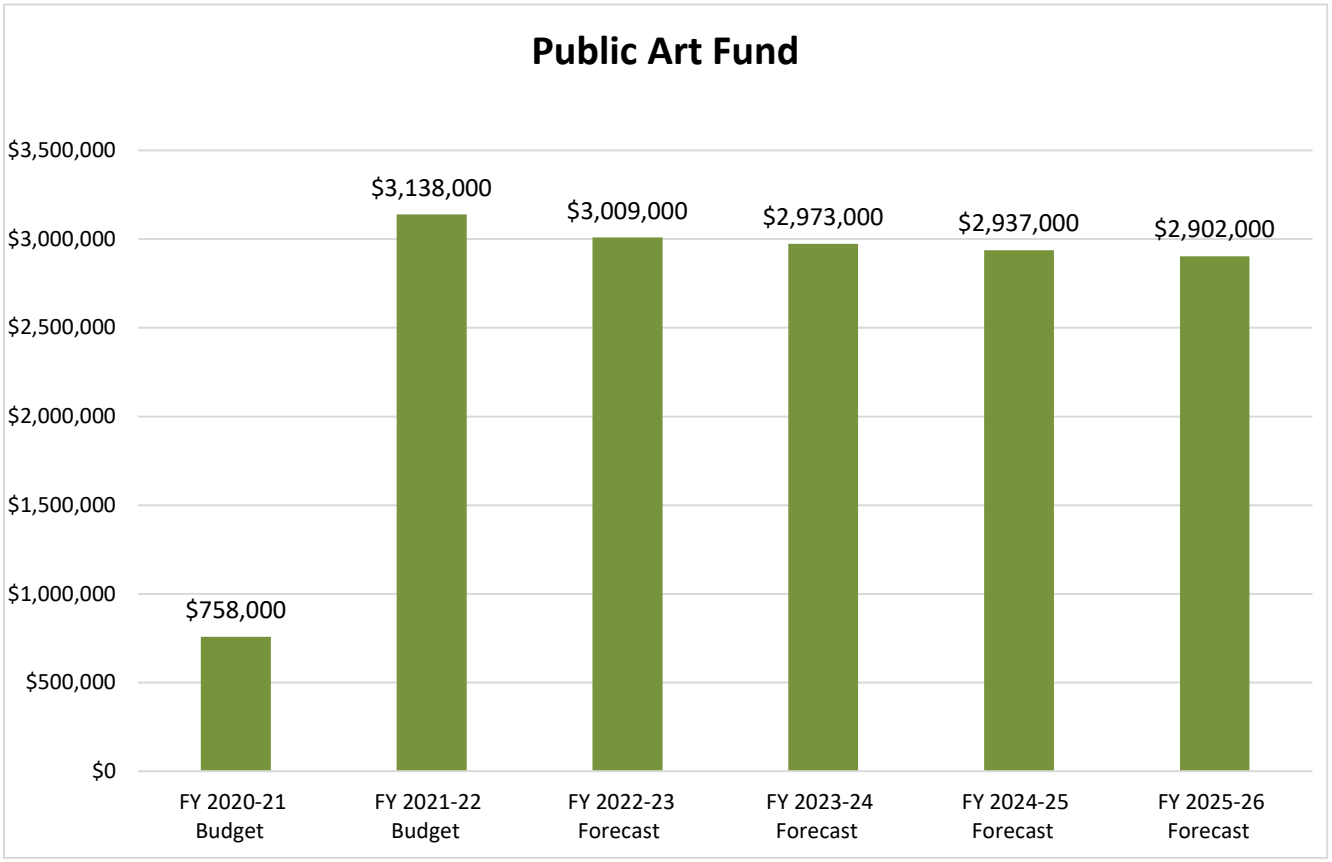


The FY 2021-22 budget reflects the last year of a series of non-recurring grants with a stable pattern of revenues over the remaining period.

Special Revenue Funds Forecast

Public Art Fund - Fund 10420

The Public Art Fund is used for the acquisition, installation, improvement, maintenance, insurance of art, arts education programming, and grants in order to promote the aesthetic diversity and character of the built environment and the cultural enrichment of the community.

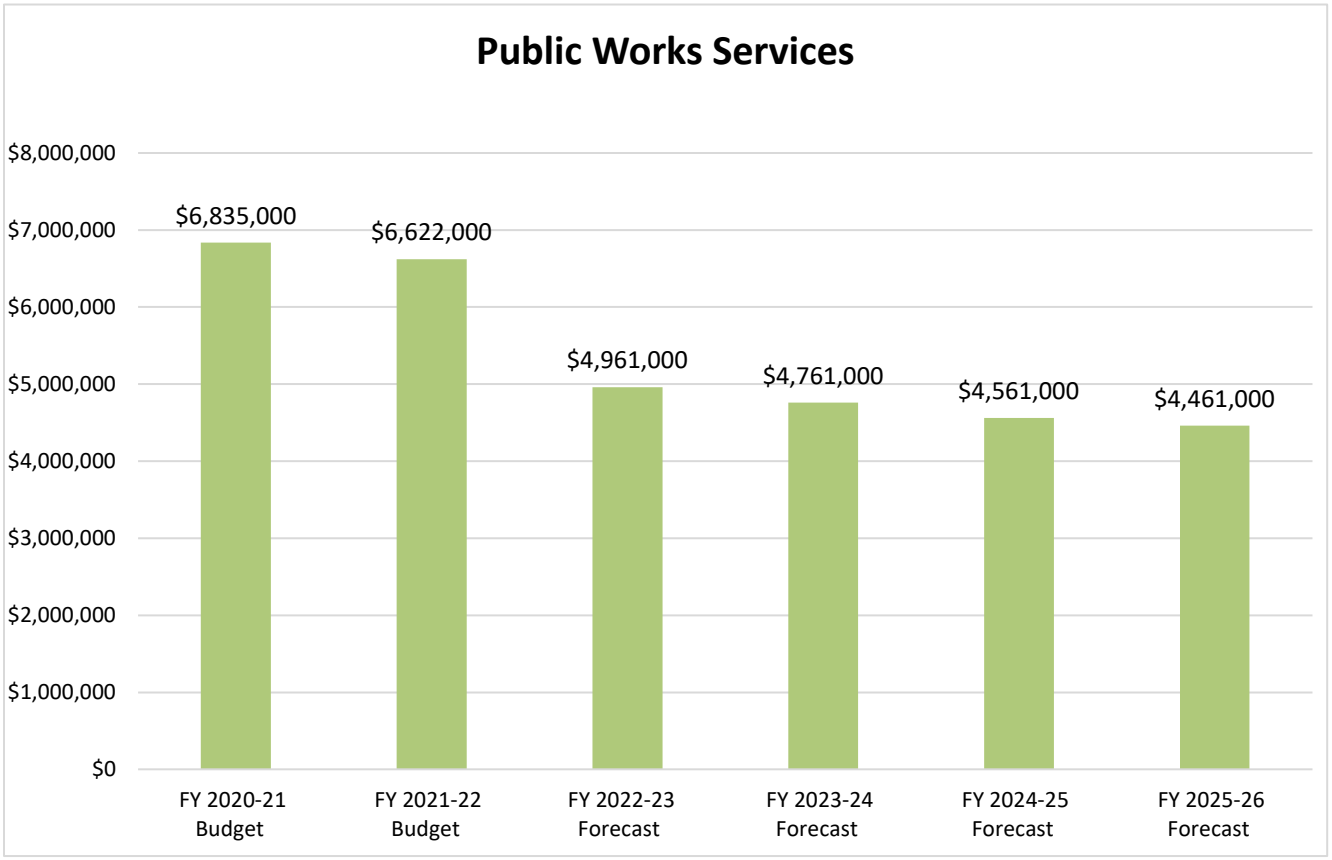


The five-year outlook shows a substantial improvement in fund balance in FY 2021-22, owing to higher-than-expected revenue collection in FY 2020, resulting in a fund balance of $1.830 million. In FY 2021, an estimated $671,000 is projected to be collected based on prior year actuals. Throughout the five-year forecast, revenues are projected to remain unchanged, with a slow reduction in fund balance as funds are invested on the public art initiative.

Special Revenue Funds Forecast

Public Works Services - Fund 13000

The Public Works Services Special Revenue Fund is used for special programs managed by the Department of Resilience and Public Works. The fund primarily consists of Lane Closure revenue collections and grants from local, state, and federal agencies. In particular, this fund contains revenue collection related to the permiting and regulation of wall murals, per an agreement between the City and the Florida Department of Transportation (FDOT).

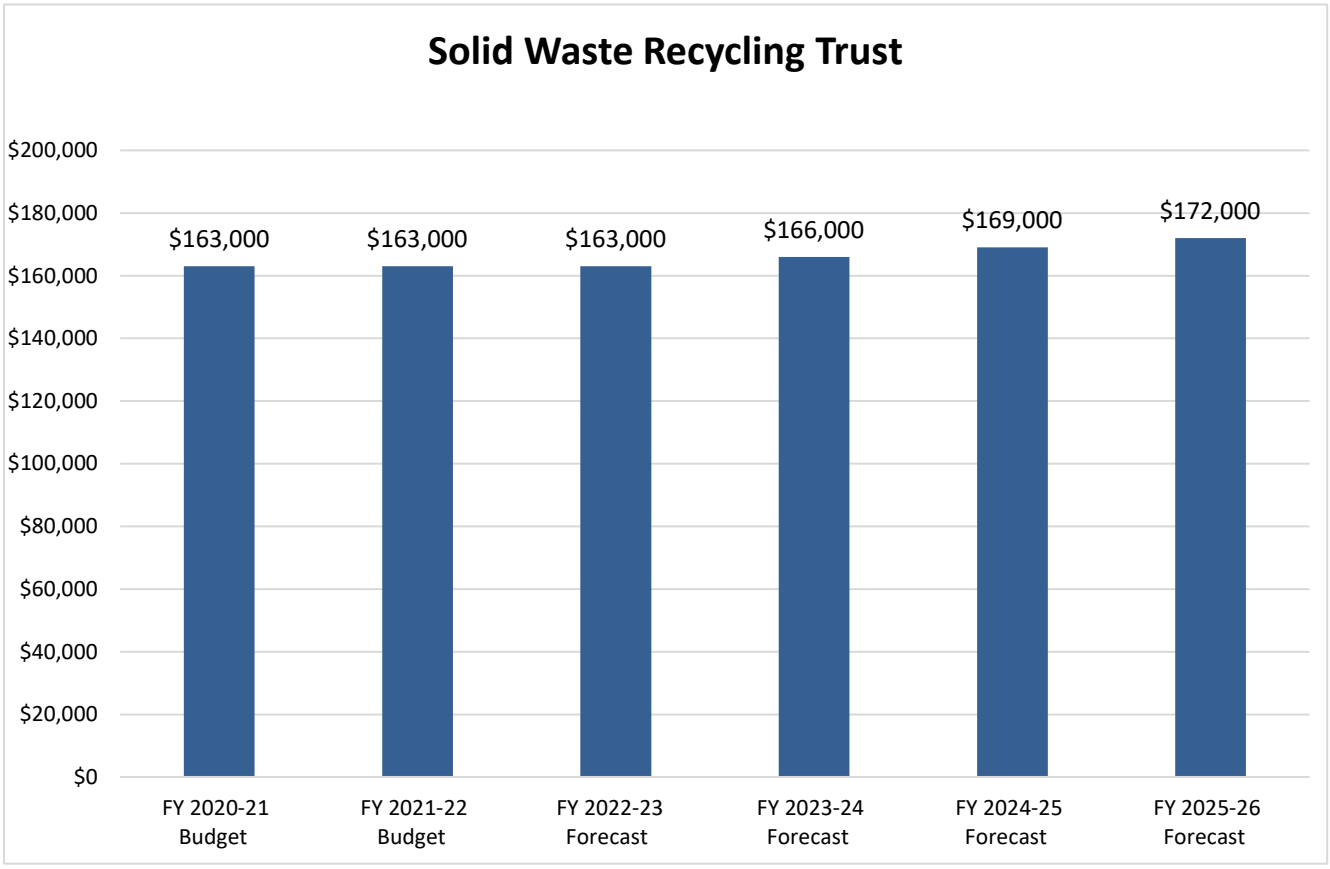


The five-year forecast assumes a steady decrease in available funding primarily due to declining fund balance from the FDOT Mural Program and the absence of any fund balance from the Lane Closure Fund.

Special Revenue Funds Forecast

Solid Waste Recycling Trust - Fund 13100

The Solid Waste Recicling Trust Special Revenue Fund is used, as specified by Ordinance No. 10654 which established an Educational Trust Fund from recycling programs, for scholarships to eligible, qualified candidates.

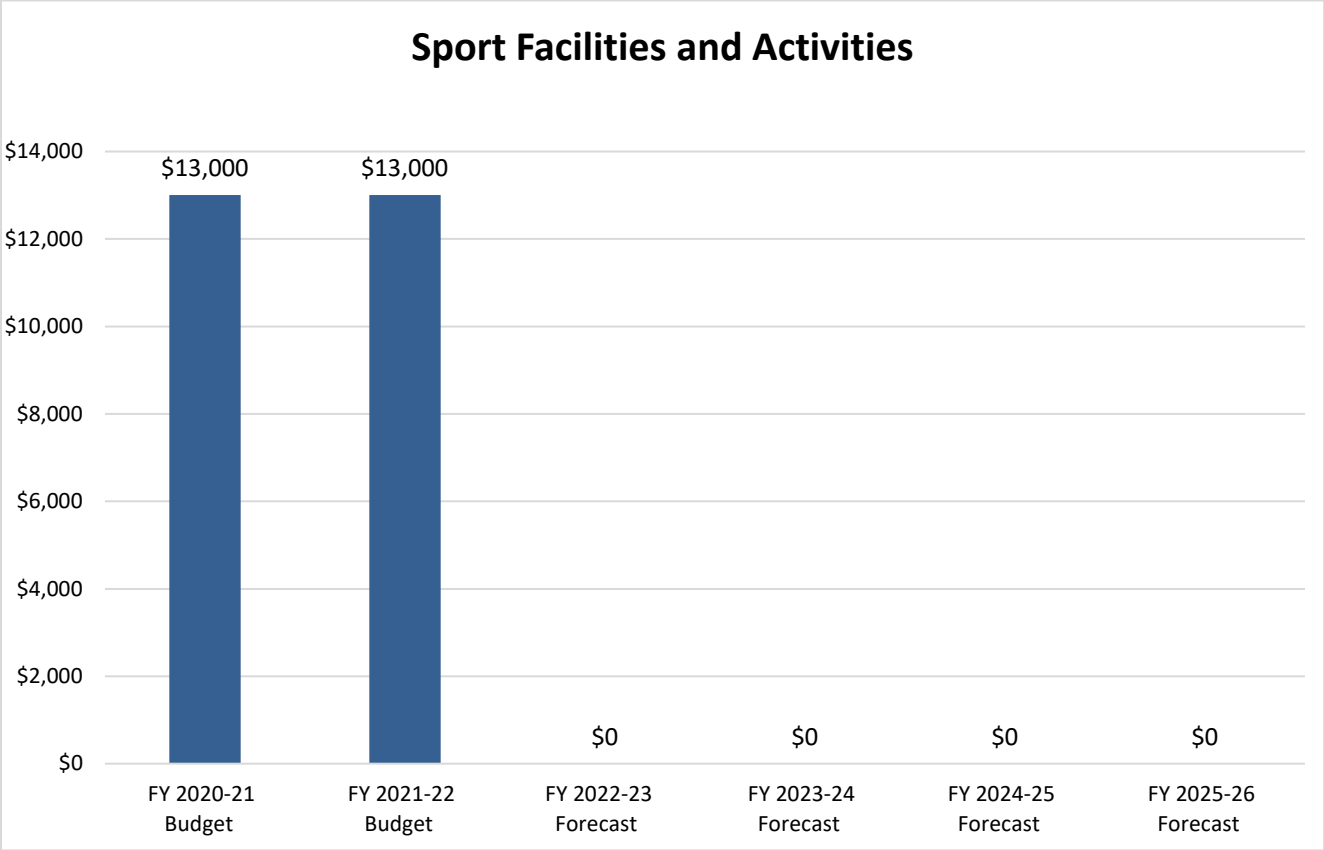


The five-year forecast assumes a steady receipt of the interest earning with a slight variation in expenditure amounts due to the annual scholarship payments to various educational institutions for employees. The fund balance allocated in FY 2021-22 represents the interest earned on the one million dollar principal.

Special Revenue Funds Forecast

Sport Facilities and Activities - Fund 10110

The Sport Facilities and Activities Special Revenue Fund is used to account for all assets and liabilities transferred from the abolished Miami Sport and Exhibition Authority (MESA), as specified by Ordinance No. 13801.

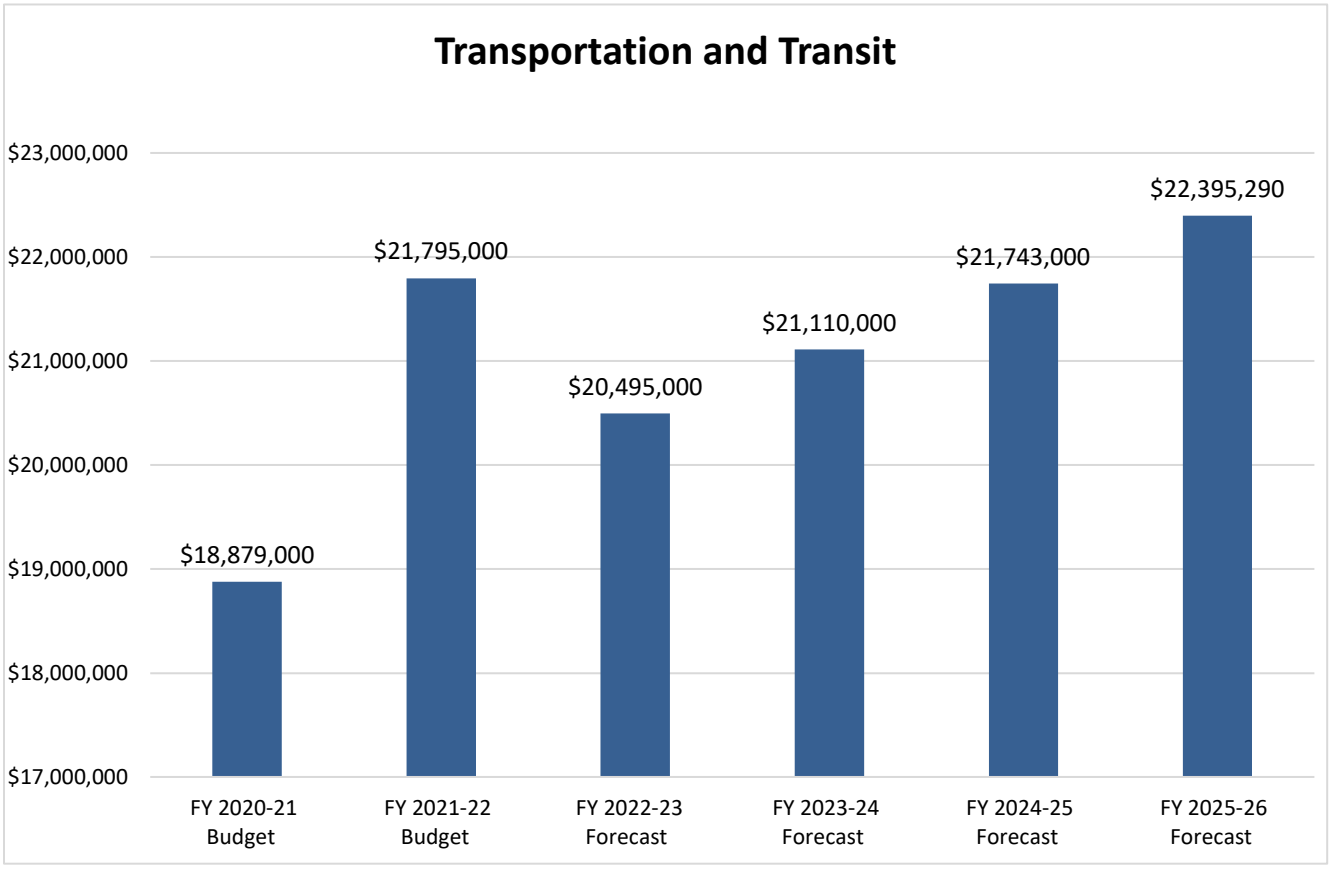


The FY 2020-21 includes a remainder of the previous year fund balance.

Special Revenue Funds Forecast

Transportation and Transit - Fund 15600

The Transportation and Transit Fund is used for the operation of City of Miami's transit and transportation projects.

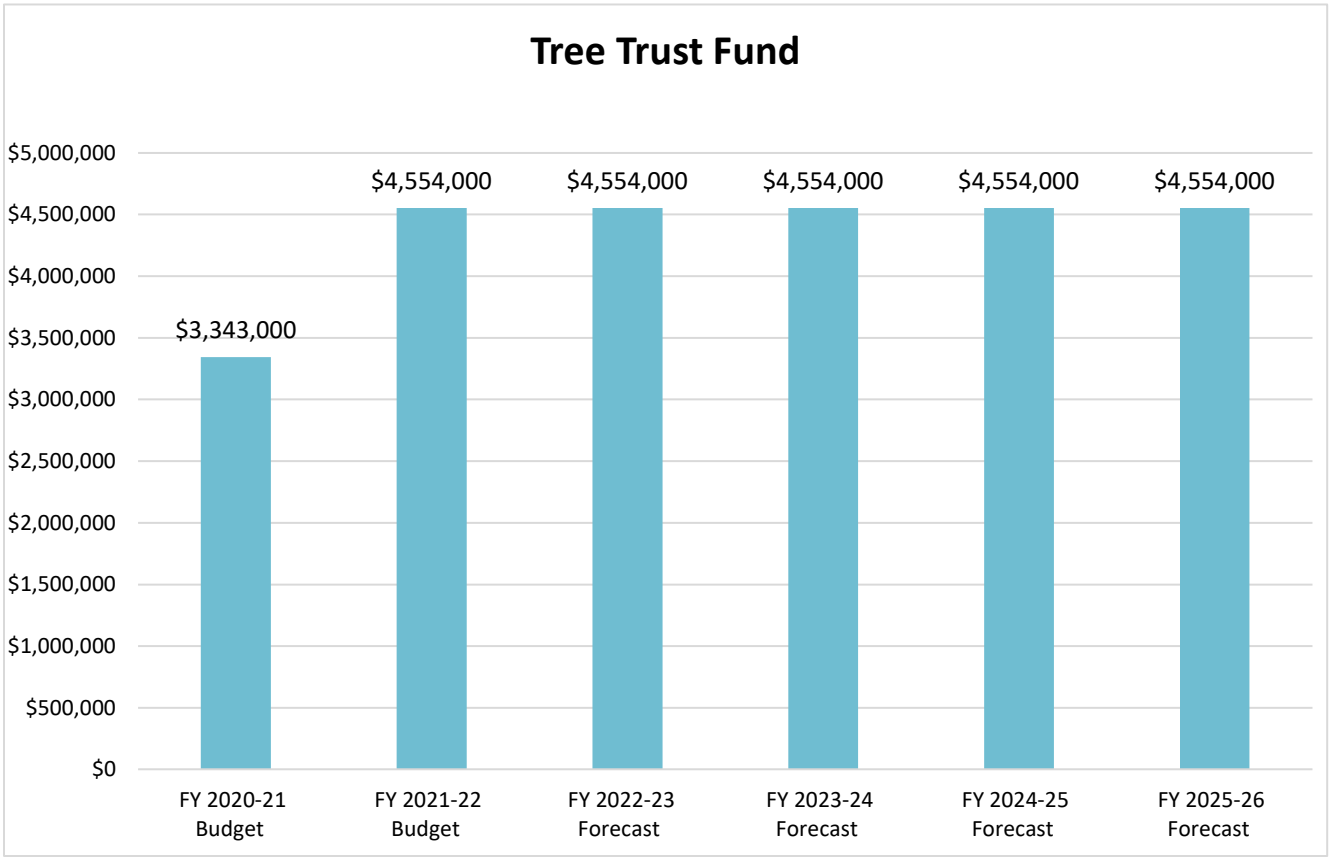


The FY 2021-22 Budget uses prior year fund balance in order to cover projected operating and capital expenditures due to lingering economic impacts of the COVID-19 Pandemic. However, it is assumed that revenues will return to pre-pandemic levels in FY 2021-22 and will increase by three percent annually through the remainder of the forecast. It is also expected that a new contract to deliver transit services will lead to increased operational costs beginning in FY 2021-22. The trolley program is projected to have a deficit beginning in FY 2024-25 and through the end of the five-year period, as shown in the Half Cent Surtax Pro-Forma located at the end of the Resilience and Public Works narrative. Contributions from the Transportation Trust Fund will be required in order to cover the funding gaps should projected revenues not cover anticipated expenditures.

Special Revenue Funds Forecast

Tree Trust Fund - Fund 10410

The Tree Trust Fund's purpose is to oversee and regulate the Trust's payments as specified in Section 8.1.6.6 of the Zoning Ordinance. It assists with the City's compliance of the U.S. Mayors Climate Protection Agreement.



The Tree Trust Fund is now managed by the Building Department, as a result of the transition of the Environmental Resource division to the Building Department. The five-year outlook projects a fund balance increase in FY 2021-22, due in part to approximately one million dollar payment collected in FY 2019-20 and an expected $1.100 million collection in FY 2020-21. It is expected that funding for capital projects will decrease fund balance and revenue will continue keep the trend balanced over the five-year period.

Debt Service Funds Forecast

DEBT SERVICE FUND

Debt Service Funds are used to account for payments of principal and interest on general obligation bonds, payments of principal and interest on special obligation bonds, and accumulated resources to fund these debt service payments.

The FY 2021-22 Debt Service Fund Budget is $67.769 million and the projected budget amounts for the FY 2022-23 through FY 2025-26 are as follows:

	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Forecast	FY 2023-24 Forecast	FY 2024-25 Forecast	FY 2025-26 Forecast
Revenues (Inflows)						
Property Taxes	23,428,000	25,118,000	13,510,000	16,232,000	16,243,000	16,256,000
Transfers-IN/Other Revenues	42,802,000	42,651,000	44,805,000	42,433,000	40,549,000	39,297,000
Total Revenues (Inflows)	66,230,000	67,769,000	58,315,000	58,665,000	56,792,000	55,553,000
Expenditures (Outflows)

Internal Service Fund Forecast

Internal Service Fund:

The City's Internal Service Fund (ISF) provides a mechanism that allows for allocating costs to the operating departments. These cost are: health care, certain information technology costs, and the property casualty insurance program which includes workers' compensation and liability claims. This fund also serves as a centralized account for payment of these expenditures. The FY 2021-22 Budget for the ISF is $88.379 million.

	FY 2020-21 Budget	FY 2021-22 Budget	FY 2022-23 Forecast	FY 2023-24 Forecast	FY 2024-25 Forecast	FY 2025-26 Forecast
Health Insurance	42,428,000	43,194,000	45,786,000	48,533,000	51,445,000	54,532,000

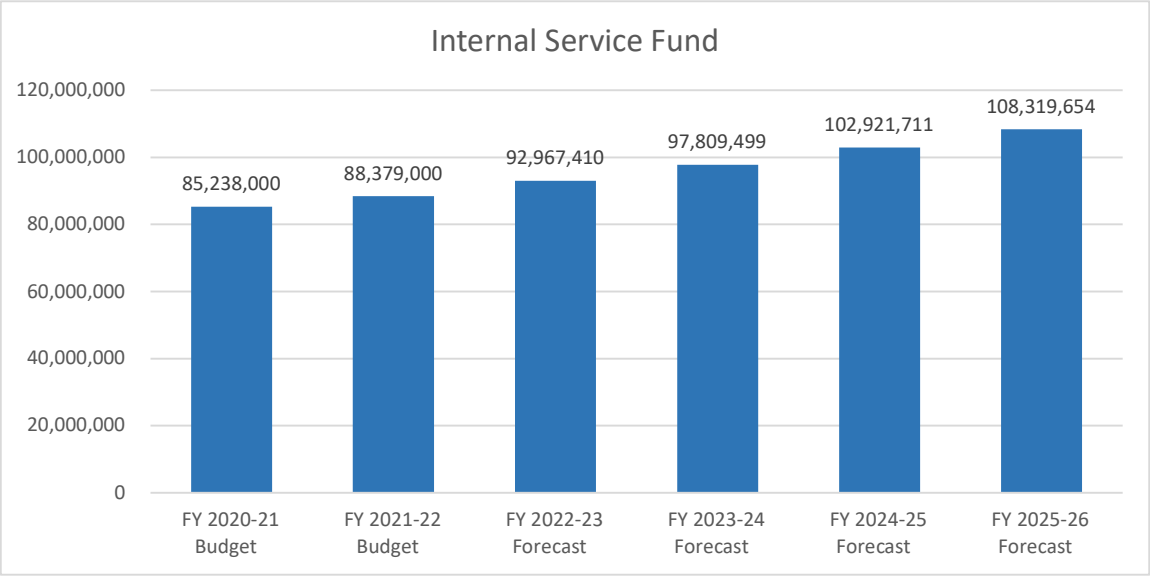
Internal Service Fund Total	**85,238,000**	**88,379,000**	**92,967,410**	**97,809,499**	**102,921,711**	**108,319,654**

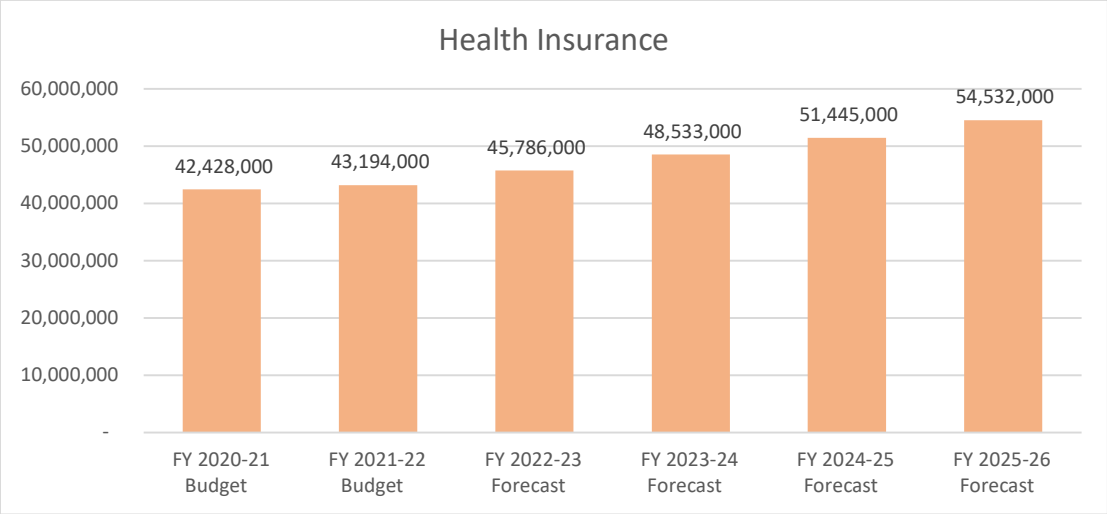
The following are the descriptions for each Internal Service Fund item, as well as the five-year financial forecast. It includes assumptions for the five-year outlook for each item.



Internal Service Fund Forecast

Health Insurance

The FY 2021-22 Budget for Health Insurance is $43.194 million. This represents an approximately 1.8 percent increase over the FY 2020-21 Budget. The increase is primarily due to a four percent growth in medical trends, as recommended by the actuary.

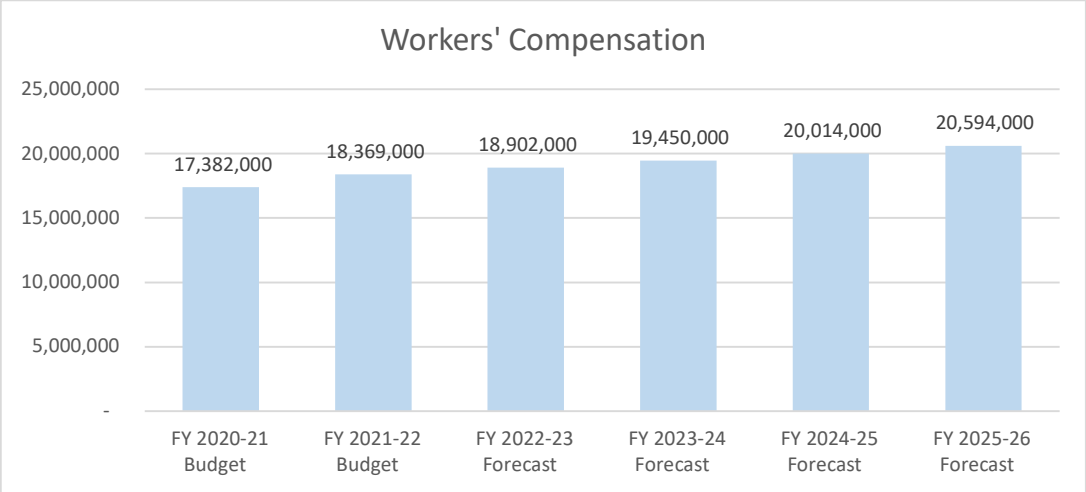


A six percent annual growth rate is actuarially projected throughout this forecast based on medical and prescription claims experience.

Internal Service Fund Forecast

Workers' Compensation

The FY 2021-22 Budget for Workers' Compensation is $18.369 million. This represents an approximately 5.7 percent increase over the FY 2020-21 Budget. This increase is primarily due to increase claims presented by COVID-19 on the job exposure.

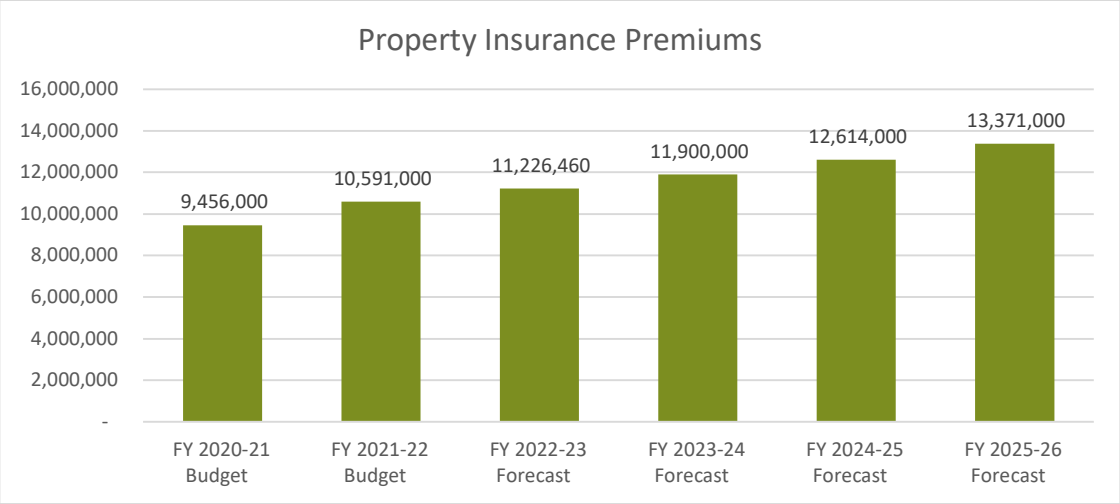


A 2.9 percent annual growth rate is actuarially projected throughout the forecast based on claims experience (frequency and severity).

Internal Service Fund Forecast

Property Insurance Premiums

The FY 2021-22 Budget for Insurance Premiums is $10.591 million. This represents an approximately 12 percent increase over the FY 2020-21 Budget. The increase is primarily due to higher property premiums charged by insurance carriers in the market place. We anticipate Law Enforcement Liability insurance will continue to see a fairly large premium increases following law enforcement activities across the country.

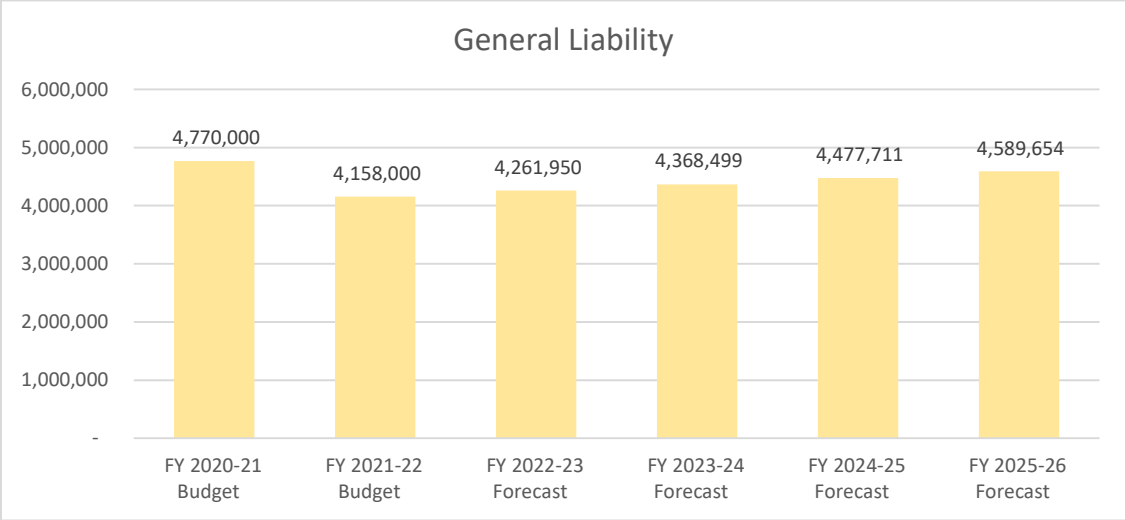


A six percent increase is projected throughout the forecast based on anticipated market conditions and resulting coverage revisions.

Internal Service Fund Forecast

General Liability

The FY 2021-22 Budget for General Liability is $4.158 million. This represents a net decrease of approximately 12.8 percent over the FY 2020-21 Budget. The net decrease is due in part to an increase in Police Torts and decreases in Vehicle Liability and General Liability Claims. The claims are actuarially projected at a 45 percent confidence level.

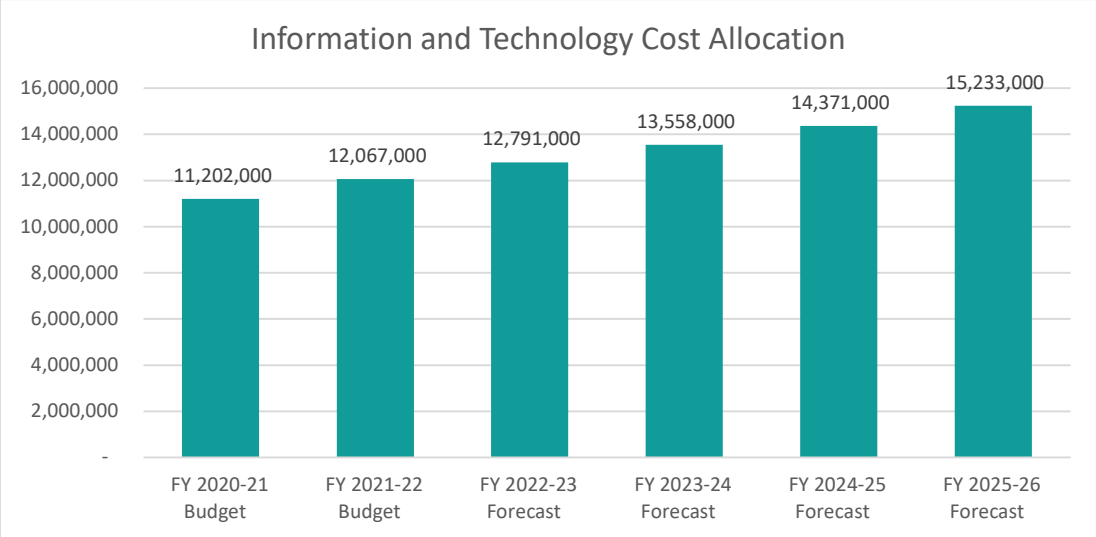


A 2.5 percent increase is projected throughout the forecast based on increases in automobile liability claims (frequency and severity), and general liability claims.

Internal Service Fund Forecast

Information and Technology Cost Allocation

The FY 2021-22 Budget for Information Technology Repair and Maintenance is $12.067 million. This represents an approximately 7.72 percent increase over the FY 2020-21 Budget. The increase is primarily due in part to increases in application and licensing, and funding for new infrastructure platforms.



A six percent annual growth rate is projected throughout the forecast based on estimated growth rate.

Annual Residents Survey

The survey helps us to uncover the key metrics driving resident satisfaction in our city. We visualized some of our survey results in an interactive data analytics tool at www.data.miamigov.com. Full reports may be requested from Strategicplanning@miamigov.com

The summary below shows the percent positive responses from the past four years. Percent positive is the combination of the top two most positive response options (i.e., "excellent" and "good," "essential" and "very important," etc.), or, in the case of resident behaviors/participation, the percent positive represents the proportion of respondents indicating "yes" or participating in an activity at least once a month.

Trend analysis defines if satisfaction since 2018 has increased, stayed the same, or decreased per a threshold of 5%.

City of Miami, Florida
Cost Allocation Methodology

OVERVIEW

The City of Miami's (the City) Cost Allocation Plan identifies the costs of indirect services provided by central service departments of the City based on actual expenditures for fiscal year ending September 30, 2020.

The Cost Allocation Plan is used by the City to claim indirect costs as charges against awards (grants) and City funds. The list of federal/state grants and awards that are charged indirect costs based on the results of this plan are located in Schedule F - Indirect Cost Rate Proposal.

The Cost Allocation Plan is a document that distributes, or allocates, City indirect costs. Indirect costs are those costs incurred by City divisions and departments that benefit other City divisions and departments. Examples of City indirect costs are personnel, purchasing, human resources and the Finance Department. The primary purpose for preparing the Cost Allocation Plan is to (1) identify the appropriate division and department indirect costs and (2) calculate corresponding indirect cost rates if needed.

The significant steps involved in preparing the Cost Allocation Plan include the following:

- Identify the City divisions and departments that provide support to other City divisions and departments. These divisions and departments are referred to as central service or allocating departments.
- Identify the City divisions and departments that receive support from other City divisions and departments. These departments are referred to as grantee or receiving departments.
- Accumulate the allowable actual expenditures of the City divisions and departments that provide support to other City divisions and departments.
- Distribute, or allocate, the allowable expenditures of the City divisions and departments that provide support to other City divisions and departments based on available, meaningful, measurable and auditable allocation statistics that match the service provided to the service received.

PROCESS

A double-step down allocation methodology is used to allocate the allowable costs of the central service divisions and departments. This methodology recognizes the cross support provided between central service divisions and departments. For example, accounting supports the information systems department by providing payroll, paying vouchers and preparing a budget. However, the information systems department also supports accounting by providing software and hardware support and by maintaining and administering various applications and systems.

The double-step down methodology requires an initial sequencing of allocating divisions and departments. In the first step of the double- step methodology, allowable costs from central service divisions and departments are allocated in the sequence selected to all City divisions, departments and funds; including to other central service divisions and departments. The second step in the double-step down methodology is made to fully account for the cross support provided between central service divisions and departments. Central service divisions and departments are closed after the second step in the double-step down allocation methodology.

FORMAT OF THE REPORT

The City's Cost Allocation Plan is organized as follows:

1. Nature and Extent of Services for the Central Service Department
2. Summary schedules
3. Detail schedules

The Nature and Extent of Services is a narrative description of the central service and each function that was identified. Also described are the allocation bases used for each function and other relevant information on expenditures.

The Summary Schedules provide a recap of the results of the cost allocation process as described below:

A table of contents is included at the beginning of the Plan. The allocation of costs has been accomplished in the same order as shown in the Table of Contents. The Table of Contents also permits the ready identification of the following summary data and sections of the Plan:

1. Schedule A - Allocated Costs by Department demonstrates for each Receiving Department the costs received from each Central Service Department. This schedule answers the question: Which Central Service Department actually allocated the costs to each Receiving Department?
2. Schedule C - Summary of Allocated Costs is the simplest report to use when balancing to the financials. This schedule demonstrates the full sequence of all departments. The Central Service Departments are listed first and in the order of their allocating sequence. Basically, this schedule demonstrates the costs to be allocated, the adjustments made to these costs, and the results of the allocations. The Receiving Departments follow the Central Service Departments with the total allocations received from all Central Service Departments.
3. Schedule D - Detail of Allocated Costs provides a view of the allocation flow of costs for each Central Service Department. This schedule allows the reader to see how the process sequentially zeroes out all the Central Service Department costs and allocates them to Receiving Departments.
4. Schedule E - Summary of Allocated Costs demonstrates for each Central Service Department the services or functions of the Central Service Department and the basis for the allocation of each function. This schedule is a convenient reference for reviewing the activities identified for each Central Service Department. This is particularly important when preparing a new plan and incorporating organizational and services changes.

5. Schedule F - Indirect Cost Rate Proposal calculates indirect cost rates for selected Receiving Departments. The indirect rate is computed as the total indirect costs allocated to the Receiving Department divided by the total Salary cost of the Receiving Department.

The detail schedules follow the summary schedules in the cost allocation plan. These schedules demonstrates the original costs being allocated by each Central Service Department. The adjustments are applied; the functions are defined; the incoming costs from other Central Service Departments are detailed; the allocation calculations for both step-downs are documented; and the results for each Central Service Department are summarized.

Enactment Number: R-21-0402

File Number: 10669 **Final Action Date:9/23/2021**

A RESOLUTION OF THE MIAMI CITY COMMISSION, WITH ATTACHMENT(S), ADOPTING A FINAL BUDGET AND MAKING APPROPRIATIONS RELATING TO OPERATIONAL AND BUDGETARY REQUIREMENTS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2021 AND ENDING SEPTEMBER 30, 2022; RATIFYING, APPROVING, AND CONFIRMING CERTAIN NECESSARY ACTIONS OF THE CITY MANAGER AND DESIGNATED CITY OFFICIALS IN ORDER TO UPDATE THE RELEVANT DEPARTMENTS, FINANCIAL CONTROLS, COMPLETED PROJECTS, PROJECT CLOSE-OUTS, ACCOUNTING ENTRIES, AND COMPUTER SYSTEMS IN CONNECTION THEREWITH AND FOR GRANTS AND OTHER FUNDING SOURCES IN PROGRESS AND FOR NECESSARY RELATED DOCUMENT NEGOTIATIONS AND EXECUTIONS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Sections 200.065(2)(a)(4) and (2)(c), Florida Statutes, the City Manager has prepared and submitted to the City Commission a proposed budget of the expenditures and revenues of all City of Miami ("City") Departments, Offices, and Boards for the Fiscal Year beginning October 1, 2021 and ending September 30, 2022 (“Proposed Budget”); and

WHEREAS, a copy of the Proposed Budget was delivered to City’s Elected Officials, posted on the City’s website, and placed on file with the Office of the City Clerk on July 12, 2021; and

WHEREAS, on September 13, 2021, the City held a public hearing as required pursuant to Section 200.065(2)(c), Florida Statutes, and the City Commission adopted the proposed budget as the tentative budget of the City pursuant to Resolution No. R-21-0354; and

WHEREAS, the General Fund Budget for Fiscal Year 2021-22 is $877,301,000 and the total Proposed Budget for all non-capital funds is $1,368,052,000; and

WHEREAS, the City's tentative general operating ad valorem millage rate and tentative millage rate for voter approved indebtedness were both approved on first reading on September 13, 2021 at the City's First Budget Meeting after the duly noticed First Budget Hearing; and

WHEREAS, the major source of revenue for the General Fund is derived from the category identified as “Property Taxes” in the amount of $453,802,000; and

WHEREAS, by separate Resolution No. R-21-0353 adopted September 13, 2021, the City is also amending its Multi-Year Capital Plan (“Plan”) and it is in the best interests of the City to authorize the City Manager to make any further other necessary changes to adjust, amend, and appropriate for the Plan to make changes corresponding to this Resolution; and

WHEREAS, it is in the best interests of the City to authorize the City Manager to make any necessary changes to adjust, amend, and appropriate the City’s Operating Budget, Five-Year Financial Plan, Strategic Plan, and Plan, all for the purposes set forth in this Resolution; and

WHEREAS, it is in the best interests of the City to ratify, approve, and confirm certain necessary actions of the City Manager and designated City Departments in order to update the relevant Departments, financial controls, completed projects, project close-outs, accounting entries, and computer systems in connection therewith and for grants and other funding sources in progress and for necessary related document negotiations and executions; and

WHEREAS, this Resolution is adopted as amended by incorporating the applicable changes listed in the memorandum dated September 22, 2021 including the attachments thereto and signed by the City Manager, attached and incorporated as Exhibit "A" ("Information for Second Budget Hearing – Fiscal Year 2021-22 Tentative Budget");

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF MIAMI, FLORIDA:

Section 1. The recitals and findings contained in the Preamble to this Resolution are adopted by reference and incorporated as if fully set forth in this Section.

Section 2. The tentative budget, as described herein, is hereby adopted as the final budget of the City as amended to include all of the applicable changes contained in Information for Second Budget Hearing – Fiscal Year 2021-22 Tentative Budget, all of which is incorporated herein.

All Sources	$	88,379,000
TOTAL INTERNAL SERVICE FUND	$	88,379,000

Section 11. This Resolution is a resolution of precedent and all other resolutions and ordinances in conflict with it are held null and void insofar as they pertain to these appropriations; however, no provision contained in this Resolution shall be construed to violate the Anti-Deficiency Act as set forth in Sections 18-500 through Sections 18-503 of the Code of the City of Miami, Florida, as amended ("City Code"). The appropriations are the anticipated expenditure requirements for the City and are not mandatory should efficient administration of City Departments and Boards or altered economic conditions indicate that a curtailment in certain expenditures is necessary or desirable for the general welfare of the City. The City Manager is specifically authorized[1] to create awards and to transfer funds between accounts and awards and to withhold any of these appropriated funds from encumbrance or expenditure should such action appear advantageous to the economic and efficient operation of the City. The City Manager is also authorized[1] to transfer any excess unrestricted moneys from other funds to the General Fund provided that those are appropriated moneys which are no longer needed to implement the original purpose of the appropriation, which are legally available at the time of such transfer, and whose expenditure is not limited to use for any other specified purpose.

Section 12. The City Manager is authorized[1] to make any necessary changes to adjust, amend, and appropriate the City's Operating Budget, Five-Year Financial Plan, Strategic Plan, and the Plan, with transfers in and/or out, as necessary and applicable, of legally available funds and to designate projects, services, components, values, amounts, and uses, as necessary and applicable, for purposes set forth in this Resolution.

Section 13. All departments and the number of employees designated therein provided for in this budget either by position summary or by the organizational chart are deemed approved by the City Commission. Any permanent change regarding same shall require City Commission ratification.

Section 14. The City Manager is authorized[1] to administer the executive pay plan and benefit package and to disburse the funds appropriated herein for said purpose in a manner he deems appropriate. The City Manager is also authorized[1] to administer and disburse the City Commission benefit package. With the exception of those positions in which the salary is established by City Commission action, the City Manager is further authorized[1] to establish the salaries of those employees in executive and staff positions in accordance with the executive and staff pay plan. These employees may receive any salary increases given in Section 15.

Section 15. The City Manager is authorized[1] to disburse any funds that may be designated by the City Commission as cost-of-living or other pay adjustments to Civil Service, executive, and staff employees as may be approved by the City Manager.

Section 16. Nothing contained in this Resolution shall be construed as to prohibit or prevent the City Manager, the administrative head of the City who is responsible for the efficient administration of all Departments, from exercising the power granted to and imposed upon him or her in the Charter of the City of Miami, Florida, as amended ("Charter"), to fix, adjust, raise, or lower salaries and to create, abolish, fill, or hold vacant, temporary, or permanent positions whenever it has been determined by the City Manager to be in the best interest of efficient and economical administration of the City and all its Departments. The authority contained in this Section shall also be applicable whenever the City Manager shall cause a Department to reorganize itself to perform its services more efficiently. Such reorganization may include reduction of budgeted positions, reclassification of positions, and alteration of the number of budgeted positions in any given classification.

Section 17. The transfer of funds between the detailed accounts comprising any separate amount appropriated by the above Sections is approved and authorized when such transfer shall have been made at the request of the City Manager and when such transfer shall have been made of any part of an unencumbered balance of an appropriation to or for a purpose or object for which the appropriation for Fiscal Year 2021-22 has proved insufficient.

Section 18. The transfer of funds between the detailed accounts comprising any separate amount appropriated by the above Sections is approved and authorized[1] when such transfer of funds is made at the request of the City Manager and when such transfer is to be made between the detailed accounts appropriated to the same office, department, or division.

Section 19. To effect salary adjustments, the City Manager is further authorized[1] to make departmental and other transfers from any reserve accounts established in the General Fund and is authorized[1] to approve transfers for any unforeseen requirements of all appropriated funds as may be required so long as such transfer is consistent with the provisions contained in Chapter 18, Article IX of the City Code.

Section 20. To facilitate effective budgetary control and sound fiscal management, the City Manager is further authorized[1] to transfer funds from departmental budget reserve accounts to the Emergency Account of Non-Departmental Accounts to other Funds and to departmental budget reserve accounts from the Emergency Account of Non-Departmental Accounts to other Funds.

Section 21. All Emergency Accounts are declared to be appropriated to meet emergency expenses and are subject to expenditure by the City Manager for any emergency purpose.

Section 22. Except as herein provided, transfers between items appropriated shall be authorized by resolution(s) or ordinance(s) amendatory hereto except that transfers from the Non-Departmental Accounts may be made by resolution and any mid-year budget amendment(s) that do not involve any changes of City Departments may be made by resolution.

Section 23. The City Manager is authorized[1] to invite or advertise for bids for the purchase of any material, equipment, physical improvement, or service provided by the aforementioned appropriations or which may be provided for in accordance with the authority of Chapter 18 of the City Code for which formal bidding is required, such bids to be returnable to the City Commission or City Manager in accordance with Charter and City Code provisions.

Section 24. Expenditure of the herein appropriated funds is authorized in the procurement of goods and services by award or contract for the same by the City Commission following the use, if applicable, of competitive negotiations unless the award of such contract by the City Manager is expressly allowed under City Code provisions.

Section 25. Certain necessary actions by the City Manager and the designated City Departments in order to update the relevant Departments, financial controls, completed projects, project close-outs, accounting entries, and computer systems in connection therewith and for grants and other funding sources in progress and for necessary related document negotiations and executions are hereby ratified, approved, and confirmed.

Section 26. The City Manager is authorized[1] to negotiate and execute any and all agreements necessary, all in forms acceptable to the City Attorney, in order to accomplish any of the appropriations and allocations stated herein.

Section 27. This Resolution shall become effective immediately upon its adoption and

signature of the Mayor.[2]

APPROVED AS TO FORM AND CORRECTNESS:

Victoria Méndez, City Attorney 9/14/2021

[1] The herein authorization is further subject to compliance with all legal requirements that may be imposed, including but not limited to, those prescribed by applicable City Charter and City Code provisions.

[2] If the Mayor does not sign this Resolution, it shall become effective at the end of ten (10) calendar days from the date it was passed and adopted. If the Mayor vetoes this Resolution, it shall become effective immediately upon override of the veto by the City Commission.

CITY OF MIAMI
INTER-OFFICE MEMORANDUM

TO: Honorable Members of the City Commission

DATE: August 31, 2021

FROM: Art V. Noriega
City Manager

SUBJECT: Information for the First Budget Hearing - FY 2021-22 Proposed Budget

The preparation of the FY 2021-22 Operating and Capital Budgets for the City of Miami continues to be a dynamic process that involves changes in information and policy, both of which ultimately affect the budget as proposed. This memorandum is prepared to provide the City Commission with the most up-to-date information, to offer proposed changes for Commission consideration of both revenues and expenditures since the issuance of the FY 2021-22 Proposed Budget on July 12, 2021, to present attachments that reflect these changes, and to provide updates to the Proposed Capital Plan.

General Fund Revenues Recommended Changes (Summary values in Attachment A)

The FY 2021-22 Proposed Budget for the General Fund revenue as of July 12, 2021 is $866.130 million. It is recommended that the budget be revised to $869.244 million to include the following changes:

- The FY 2021-22 Proposed Budget of $16.020 million as of July 12, 2021 for the "Transfer-in" category includes $10.410 million of anticipated revenue loss from the American Rescue Plan Act of 2021. It is recommended that the budget be revised to include an additional $1.214 million to cover additional positions as mentioned below in this memo.

- The *Other Revenues* category increased by $1.900 million from Building Reserve to cover the transfer to capital cost for the Enterprise Permitting Solution.

General Fund Departmental Changes (Summary values in Attachment A)

Human Resources
The FY 2021-22 Proposed Budget as of July 12, 2021 is $5.427 million. It is recommended that the budget be revised to $5.592 million to include funding for four Human Resources Generalists. The total cost of $165,000 includes computer cost ($5,000), and four months of attrition (-$80,000).

Planning
The FY 2021-22 Proposed Budget as of July 12, 2021 is $5.414 million. It is recommended that the budget be revised to $5.818 million to include seven new positions (GIS Specialist, Project Manager, Legislative/Policy Coordinator, (3) Planner II, and Planner III). The total cost of

$404,000 includes communications and computer cost ($43,000), and four months of attrition (-$181,000).

Zoning

The FY 2021-22 Proposed Budget as of July 12, 2021 is $4.709 million. It is recommended that the budget be revised to $4.889 million to include four new positions: (2) Zoning Information Specialist, and (2) Zoning Plans Examiner. The total cost of $180,000 includes computer cost ($3,000), and four months of attrition (-$89,000).

Resilience and Public Works

The FY 2021-22 Proposed Budget as of July 12, 2021 is $29.095 million. It is recommended that the budget be revised to $29.560 million to include seven new positions: Resilience Programs Manager, (2) Engineer I, Engineer II, (2) Engineering Technician III, a Professional Engineer I, and a Deputy Chief Resilience Officer. The total cost of $465,000 includes computers and equipment cost ($74,000), and four months of attrition (-$195,000).

Police

The FY 2021-22 Proposed Budget as of July 12, 2021 is $276.072 million. It is recommended that the budget be revised to $276.843 million to reflect the revised Pension required contribution ($771,000).

Fire-Rescue

The FY 2021-22 Proposed Budget as of July 12, 2021 is $178.206 million. It is recommended that the budget be revised to $178.650 million to reflect the revised Pension required contribution ($444,000).

Non-Departmental Accounts (NDA)

The FY 2021-22 Proposed Budget as of July 12, 2021 is $44.768 million. It is recommended that the budget be revised to $42.641 million to reflect the reduction of the Reserve for Uncollectable from $11.050 million to $8.923 million to account for the following changes:

- Increase in retirement cost due to the reduction of the actuarial rate of assumption from 7.34 percent to 7.0 percent for a net amount of $627,000 ($1.215 million for an additional cost and a reduction of $588,000 for the Pension Stabilization); and
- to cover the other increase in the Transfers- out section ($912,000)

Transfers-Out

The FY 2021-22 Proposed Budget as of July 12, 2021 is $64.592 million. It is recommended that the budget be revised to $67.404 million to reflect the following changes ($2.812 million):

- Increase "Transfers-Out" to the Capital Project Fund in the amount of $1.900 for the Enterprise Permitting Solution.
- Increase "Transfers-Out" to the Capital Project Fund in the amount of $500,000 for the MRC Garage Access Plan, further detailed below in the Capital Section

- Increase "Transfers-Out" to the Capital Project Fund in the amount of $1.000 million for the Oracle Cloud startup cost.
- Decrease "Transfers-Out" for Pension Stabilization Fund in the amount of $588,000 due to the revised actuarial rate assumption.

Proposed Capital Plan

The FY 2021-22 Proposed Capital Plan as of July 12, 2021, has been subsequently updated to properly reflect current statuses, completion dates of projects, and minor aesthetic changes.

It is also recommended that the capital budget be revised to reflect the following:

- Newly appropriated capital project number 40-B223120 entitled "Enterprise Permitting Solution" ($1.900 million).
- An additional contribution of $1.000 million (from $2.000 million to $3.000 million) to the City from the Omni Community Redevelopment Agency to be placed in Project 40-B183510 Museum Park Improvement pursuant to the "Global Agreement" between the City, the Community Redevelopment Agencies, and Miami-Dade County.
- An appropriation of $500,000 for the "MRC Garage Access Plan" capital project number 40-B223118 as per adopted Resolution No. 21-0221.
- An appropriation of $1.000 million for the "Oracle Cloud Startup" capital project number 40-B223119.

All these updates will have changed the overall funded amount and projects reflected in the Proposed Capital Plan due to the appropriation of new capital projects.

CITY OF MIAMI
INTER-OFFICE MEMORANDUM

TO: Honorable Members of the City Commission

DATE: September 22, 2021

FROM: Art Noriega, V
For: City Manager

SUBJECT: Information for the Second Budget Hearing - FY 2021-22 Tentative Budget

On Monday, September 13, 2021, the City of Miami Commission adopted the Tentative Operating Budget for next fiscal year with the recommendations included in the memorandum titled "Information for the First Budget Hearing- FY 2021-22 Proposed Budget." The changes recommended in this memorandum address the priorities expressed by Commissioners during the First Budget Hearing as well as the City Administration's recommendations.

City Commission Recommendations

The following amendments to the Tentative Budget are recommended to be made (as shown on Attachment A and B):

- Eliminate the filled Deputy Police Chief position and use the allocated salary dollar amount for this position to fund four new Police Officer positions.
- Deny an enhancement request for the addition of one Constitutional Policing Advisor civilian position budgeted at $163,000 (Year Salary plus Benefits: $205,000; FICA: $11,000; Attrition: -$53,000) and transfer this budget allocation to the Office of the City Attorney to fund the addition of one Assistant City Attorney position.

City Commission Directives to the City Administration

Analysis- Increases to the Hourly Pay Rate of Part-Time Positions

The City Commission asked about increasing the hourly pay rate of all part-time positions to at least $15.00 per hour. A thorough analysis was conducted by the Office of Management and Budget, and it was determined that without taking salary compression into account (that is, without increasing other employees' rates of pay that are near to these employees), this would cost an additional $4.307 million annually and would affect 552 employees that work 29.5 hours or less per week either seasonally or throughout the entire year (excluding the Mayor's Office and the Commissioners Offices).

Due to the nature of part-time expenditures, it is not recommended that the budget be adjusted by the full $4.307 million but by $1.8 million in anticipation of additional costs. This will be funded by American Rescue Plan revenue. The Office of Management and Budget will continue to monitor expenditures and will recommend appropriate adjustments in future budget amendments if necessary.

City Administration Additional Recommendations

In addition to the recommendations from the City Commission, the City Administration recommends the following additional changes:

General Fund Revenues Recommended Changes (Summary values in Attachment A)

The FY 2021-22 Proposed Budget for the General Fund revenue as of September 13, 2021 is $869.244 million. It is recommended that the budget be revised to $869.994 million to include the following changes:

- The *Other Revenues* category increased by $750,000 from Building Reserve to cover the transfer to capital cost for the Building Efficiency 305 Program.

Transfers-Out

The FY 2021-22 Proposed Budget as of September 13, 2021 is $67.404 million. It is recommended that the budget be revised to $68.229 million to reflect the following changes.

- Increase "Transfers-Out" to the Capital Project Fund in the amount of $750,000 for the Building Efficiency 305 Program.
- Increase "Transfers-Out" to Special Revenue Fund in the amount of $75,000 for the Holidays lighting and decorating initiative project in District 4 and decrease Reserve for Uncollectible for the same amount to account for this change.

Special Revenue Funds Departmental Changes

Departmental Improvement Initiatives

The FY 2021-22 Proposed Budget is $11.935 million. It is recommended that the budget be revised to $12.010 million to include a General Fund Contribution to Special Revenue to fund a Holidays lighting and decorating initiative project in District 4 ($75,000). Additionally, the allocation for the Latin Jazz in the Park will be increased from $20,000 to $40,000.

Housing and Community Development

The FY 2021-22 Proposed Budget is $62.259 million. It is recommended that the budget be revised to $64.347 million to include funding from the Florida State Housing Initiative Partnership ("SHIP") program accepted pursuant to City Resolution No. R-21-0343, adopted on September 13, 2021 ($2.088 million).

Planning Services

The FY 2021-22 Proposed Budget is $20.510 million. It is recommended a Transfer-Out to Capital in the amount of $85,000 to the I-395 Heritage Trail, Project Number 40-B193621.

Capital Plan Changes

The FY 2021-22 Capital Plan, as adopted on September 13, 2021, has been subsequently updated to properly reflect current statuses, completion dates of projects, and minor aesthetic changes.

It is also recommended that the capital budget be revised to reflect the following:

- Add new capital project number 40-B223121 entitled "Building Efficiency 305 Program" funded by General Funds ($750,000).
- A new appropriation of $85,000 for the "I-395 Heritage Trail" capital project number 40-B193621 funded by SEOPW DRI fees ($85,000).

Additional Considerations

It should also be noted that on September 23, 2021, the City Commission will discuss the Collective Bargaining Agreement between the Miami General Employees American Federation of State, County, and Municipal Employees Local 1907, AFL-CIO, for the period of October 1, 2020 through September 30, 2023. If approved, it is recommended to increase each Department's Budget to account for the fiscal impact of Year 2 (FY 2021-22) of this agreement, totaling $5.507 million. This recommendation will be funded by the American Rescue Plan Act. It is to be noted that the fiscal impact of Year 1 (FY 2020-21) under the new labor agreement will be posted in this current year and the budget will be adjusted at the year-end close out that will be presented to the City Commission on November 18, 2021.

AN ORDINANCE OF THE MIAMI CITY COMMISSION RELATED TO TAXING, DEFINING, AND DESIGNATING THE TERRITORIAL LIMITS OF THE CITY OF MIAMI ("CITY"); LEVYING AN AD VALOREM TAX ON ALL REAL AND PERSONAL PROPERTY IN THE CITY AT A TOTAL FINAL RATE OF 7.9900 MILLS ON THE DOLLAR OF THE TAXABLE VALUE OF SUCH PROPERTY FOR THE PURPOSES OF FUNDING THE GENERAL OPERATING BUDGET AND PAYMENT OF DEBT SERVICE FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2021 AND ENDING SEPTEMBER 30, 2022; CONTAINING A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, for the purpose of this Ordinance, the City of Miami ("City") is defined as all of the territory and inhabitants within the area defined in Section 2 of the Charter of the City of Miami, Florida, as amended ("City Charter"), titled "Corporate Limits", and more specifically described in Exhibit "A" of the City Charter and on file in the Office of the City Clerk; and

WHEREAS, Section 200.065, Florida Statutes (2021), sets forth the method of fixing a millage rate; and

WHEREAS, on July 1, 2021, the Miami-Dade County Property Appraiser ("PA"), pursuant to Section 200.065(1), Florida Statutes (2021), certified to the City the preliminary taxable value within the City's territorial limits at $65,835,239,651; and

WHEREAS, the City prepared a tentative budget for the fiscal year beginning October 1, 2021 and ending September 30, 2022 ("Fiscal Year") and computed a total proposed millage rate of 7.9900, which is necessary to fund the tentative budget other than the portion of the budget to be funded from sources other than ad valorem taxes; and

WHEREAS, the City Commission adopted Resolution No. R-21-0316 on July 22, 2021, wherein it directed the City Manager to submit to the PA and the Miami-Dade County Tax Collector the total proposed millage rate of 7.99000 mills together with the required information set forth in Section 200.65(2)(b), Florida Statutes (2021); and

WHEREAS, Section 200.065(5)(a)(1), Florida Statutes (2021), requires that the now final millage rate of 7.9900 mills would further require, at the time of the City's second budget hearing, a majority affirmative vote of the City Commission on the final determination to adopt such millage rate; and

WHEREAS, Section 200.065(2)(c), Florida Statutes (2021), requires the City Commission to hold a public hearing on the tentative budget and the proposed millage rate;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMISSION OF THE CITY OF MIAMI, FLORIDA:

Section 1. The recitals and findings contained in the Preamble to this Ordinance are adopted by reference and incorporated herein as if fully set forth in this Section.

Section 2. There shall be levied an ad valorem tax on all real and personal property in the City at a total final rate of 7.9900 mills on the dollar of the taxable value of such property for the Fiscal Year computed as follows:

7.6665 mills to fund the General Operating Budget,
0.3235 mills to provide for the payment of maturing principal, interest, charges, and requirements related thereto of voter approved indebtedness.

Section 3. The final millage rate herein adopted for the purpose of funding the General Operating Budget is 4.41 percent greater than the rolled-back rate of 7.3428 mills.

Section 4. If any section, part of a section, paragraph, clause, phrase, or word of this Ordinance is declared invalid, the remaining provisions of the Ordinance shall not be affected.

Section 5. This Ordinance shall be effective October 1, 2021 after final reading and adoption thereof.[1]

RE: Fiscal Year 2021-22 Proposed Operating Budget Estimating Conference Recommendations

In accordance with the City of Miami Financial Integrity Ordinance, the City conducted an annual Budget Estimating Conference on May 14, 2021 to review the assumptions used in developing the Fiscal Year 2021-22 Proposed Operating Budget.

The results of the Conference concluded with a reduction of $1.738 million of revenues from next year's proposed budget. Some revenues were estimated but are still pending outside information, including information from the Miami-Dade Property Appraiser and the State of Florida.

As required by the Ordinance, a Budget Revenue Estimating Committee was formed and consisted of at least one principal staff member from the City's Finance Department, one member of the Office of Management and Budget, and two outside professionals with public financial experience.

The members of this year's conference were as follows:

- Eugene Codner, Chief of Financial Services and Budget, Department of Regulatory and Economic Resources, Miami-Dade County
- Keith Kleiman, Assistant Finance Director, Management, Budget & Compliance, City of Coral Gables
- Michael Ruiz, Assistant Director of Administration, Department of Solid Waste Management, Miami-Dade County
- Erica Paschal, Director, Finance Department, City of Miami
- Leon Michel, Interim Director/Assistant Director, Office of Management and Budget, City of Miami

Additional support members included:

- Fernando Casamayor, Assistant City Manager/Chief Financial Officer, Office of the City Manager, City of Miami
- Xavier E. Alban, Assistant City Attorney, Office of the City Attorney, City of Miami
- Robin Jones-Jackson, Assistant City Attorney, Supervisor, Office of the City Attorney, City of Miami
- Luis Hernandez Torres, Budget Coordinator, Office of Management and Budget, City of Miami

- Yvette Smith, CIP Budget/Financial Administrator, Office of Management and Budget, City of Miami
- Pedro Lacret, Budget Coordinator, Office of Management and Budget, City of Miami
- Donovan Dawson, Senior Budget Analyst, Office of Management and Budget, City of Miami
- Rachel Quintana, Administrative Aide II, Office of Management and Budget, City of Miami

Attached is a summary of the comments and recommendations made by the Committee. It is expected that the comments and recommendations will help the City of Miami achieve and maintain its financial and strategic goals.

Sincerely,

Leon Michel
Interim Director/Assistant Director – City of Miami Office of Management and Budget

CITY OF MIAMI, FLORIDA

INTER-OFFICE MEMORANDUM

TO:	Honorable Mayor and Members of the City Commission	DATE:	July 23, 2021
		SUBJECT:	**Equal Pay Protection**
FROM:	Arthur Noriega, V City Manager	REFERENCES: ENCLOSURES:	Resolution R-17-0420 EEO Report/Chart

On September 19, 2017, the City adopted resolution R-17-0420, Equal Pay Protection. This resolution strengthens equal pay efforts and ensures the City remains in compliance with federal, state, and local laws prohibiting discrimination in hiring, promotion, compensation, and unlawful discharge. In addition to measures already in place, the resolution further directs the City to document evidence of gender pay equality and provides that such documentation be included in the budget summary.

In accordance with the resolution, the attached report serves as a valuable tool for evaluating the City's internal programs and ensuring equal employment opportunities.

The City's Office of Equal Employment Opportunity and Diversity Programs ("EODP") and the Human Resources Department advocate for equal employment and pay equity throughout the recruitment and selection process to prevent unfair employment practices, which further ensures that the City remains an equal opportunity employer, in compliance with Resolution R-17-0420.

An Act Relating to Local Government Financial Reporting

was enacted on May 23, 2019 amending sections 129.03 and 166.241 of the Florida Statutes. It requires county and municipal budget officers to submit certain information to the state Office of Economic and Demographic Research (EDR) within a specified timeframe. It also requires EDR to create a form for certain purposes by specified date.

The Statute also requires the tentative budget to be posted on the municipality's official website at least two days before the budget hearing and remain on the website for 45 days. The final adopted budget must be posted on the website within 30 days after adoption and must remain on the website for at least two years. The City of Miami has already ascribed to this practice for several years.

The specific information to be reported to the EDR, as required in Florida Statue 166.241(4) is listed below and are illustrated in the following pages.

A. Government spending per resident for the previous five years.
B. Government debt per resident for the previous five years.
C. Average municipal employee salary
D. Median income within the municipality.
E. Number of special taxing districts, wholly or partially, within the municipality.
F. Percent of budget spent on salaries and benefits for municipal employees.

Definition of Terms

Account Code: Part of a numbering system designating accounts in such a manner that the symbol used quickly reveals certain required information.

Actuarial: A process or methodology that makes future assumptions to determine present contribution requirements to achieve future funding levels that addresses current risk and time.

Ad Valorem Taxes: A tax levied on the assessed value of real and tangible personal property (also known as "property taxes").

Allocation: The amount provided by legislative action for planned purchases of goods or services.

Allotment: Part of an appropriation that may be expended or encumbered during the fiscal year.

American Rescue Plan: The American Rescue Plan Act of 2021, also called the COVID-19 Stimulus Package or American Rescue Plan, is a $1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed.

Anti-Deficiency Act: A 1998 amendment to the City of Miami Code containing regulations to ensure that departments and department directors do not obligate or spend funds in excess of what was approved in the adopted budget.

Appropriation: A legal authorization approved by the City Commission to make expenditures and incur obligations for specific purposes.

Assessed Valuation: It is the value of land, buildings, business inventory and equipment as determined annually by the County Property Appraiser in accordance with State Law and used as a basis for levying taxes.

Assigned Fund Balance: An amount a government *intends* to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority.

Balanced Budget: It is a budget in which estimated recurring revenues equal estimated recurring expenses.

Bond: A written promise to pay a specific sum of money at a specified date or dates in the future, together with the periodic interest at a specified rate.

Budget: A financial plan of programs, services, and projects that estimates anticipated revenue and projected expenses within a specific period of time (usually 12 months).

Definition of Terms

Budget Amendment: A formal action approved by the City Commission to adjust the fiscal year budget. These amendments take two forms: Transfer of an appropriation from one departmental budget to another, or the appropriation of new sources of revenue.

Budget Message: The opening section of the budget which provides a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Mayor and City Manager.

Budget Monitoring: The evaluation of a governmental unit or fund in accordance with an approved budget for the purpose of keeping expenditures within the limits of available appropriations and available revenues.

Capital Equipment: Equipment with a value in excess of $5,000 and an expected life of more than one year such as automobiles, typewriters, and office furniture.

Capital Expenditure: The funds used to acquire or upgrade a company's fixed assets, such as expenditures towards property, plant, or equipment.

Capital Improvement Budget: A plan of capital outlays and the means of financing, including those approved capital projects contained in the six-year Capital Improvement Program.

Capital Improvement Plan (CIP): Appropriations of capital projects such as street improvements, building construction, and facility maintenance which are supported by a six-year expenditure plan. This plan details funding sources and expenditure amounts, which these projects will require beyond the one-year period of the annual budget.

Capital Outlay: An expenditure category for acquiring equipment, vehicles, technology systems, or machinery, which becomes an addition to the City's fixed assets.

Civilian Position: Civilian are those positions which in the performance of their duties do not carry a firearm or have a badge and has not taken an oath of office as a solemn promise to defend the Constitution of the United States.

Civil Service: Shall comprise all positions of trust, skill or employment, including all employees whether permanent or temporary, on the service of the City, except as otherwise provided by the Charter of the City of Miami.

Classified Service: Comprises all positions not exempted by the Charter in accordance with these rules. The Charter shall be interpreted broadly to include employees in Federal grant programs whenever the Director of the Human Resources Department determines that it is feasible to select such employees in accordance with the selection requirements of these rules.

Definition of Terms

Collective Bargaining Agreement: A written agreement between an employer and a labor union setting forth the terms and conditions of employment or containing provisions in regards to rates of pay, hours of work, or other working conditions of employees.

Committed Fund Balance: Amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint.

Community Development Block Grant: A U.S. Department of Housing and Urban Development grant to support economic development projects and social services for designated low-income areas.

Comprehensive Annual Financial Report (CAFR): The official annual financial report for the City of Miami. It includes five combined statements for each individual fund and account group prepared in conformity with Generally Accepted Accounting Principles (GAAP).

Coronavirus Aid, Relief, and Economic Security: The Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act, is a $2.2 trillion economic stimulus bill passed by the 116th U.S. Congress and signed into law by President Donald Trump on March 27, 2020, in response to the economic fallout of the COVID-19 pandemic in the United States.

County Land Use Code (CLUC) 90 Properties: Properties acquired in connection with delinquent taxes.

COVID-19: COVID-19 is a disease caused by a new strain of coronavirus. 'CO' stands for corona, 'VI' for virus, and 'D' for disease. Formerly, this disease was referred to as '2019 novel coronavirus' or '2019-nCoV.

Current Taxes: Taxes that are levied and due within one year.

DR-420: A form entitled “Certification of Taxable Value” that the City submits annually to the State of Florida and contains specific details about the City’s proposed millage rate and certifying compliance with provisions of the Florida statutes.

Debt Service Requirement: The amount of money required to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Delinquent Taxes: Taxes which remain unpaid on and after the date on which a penalty for non-payment is attached.

Department: An administrative unit of the City with overall management responsibility to provide a service or an operation for a group of related operations.

Disbursement: Payment for goods and services.

Definition of Terms

Division: The second level in the City's organization in which a specific function is carried out. Several divisions may comprise a single department.

Encumbrances: An amount of committed funds to purchase a designated item or service or to cover specific contracts which are in the process of being completed.

Estimated Revenues: It is the amount of income to be collected during the fiscal year.

Executive: Executives oversee their organization. They create and review goals for the company. They work closely with a team of upper-level staff or assistants.

Exemption: A portion of the total property valuation not subject to property taxes.

Expenditure: A transaction involving the exchange of money for payment of present or future obligations.

Expenses: An event which an asset is used up or a liability is incurred.

Financial Integrity Principles: Financial responsibility, financial capacity, and history of personal integrity to operate as a contractor and to engage in the contracting business.

Fiscal Year: The time period designated as the beginning and ending period for recording financial transactions. The City of Miami's fiscal year is from October 1st to September 30th.

Fixed Assets: Long-term tangible assets such as land, buildings, machinery, furniture, and equipment.

Frozen Position: A frozen position remains a position in the personnel count, but is not funded.

Full-Time Equivalent (FTE): A numerical expression which indicates the amount of time a position has been budgeted for. A position budgeted at 40 hours per week for 12 months equals 1.0 FTE.

Fund: An accounting entity containing a set of self-balancing accounts to record all financial transactions for specific activities or government functions. Seven commonly used funds in public accounting are: general fund, special revenue funds, debt service funds, capital projects funds, enterprise funds, trust, and agency funds, and internal service funds.

Fund Balance: The amount of equity held by the City to support future operations or emergencies. It is the difference between fund assets and fund liabilities.

General Fund: The general operating fund used to account for most of the City's financial activities.

Definition of Terms

General Obligation Bonds: Voter approved bonds used to finance a variety of capital improvement projects such as streets, buildings, and improvements. These bonds are backed by the full faith and credit of the issuing government. The repayment of these bonds is usually made from ad valorem taxes based on an approved debt millage rate.

Government Accounting Standards Board (GASB): The Governmental Accounting Standards Board is the source of generally accepted accounting principles used by state and local governments in the United States.

Government Financial Officers Association (GFOA): is a professional association of approximately 19,000 state, provincial, and local government finance officers in the United States and Canada.

Grant: An agreement made by a governmental unit, foundation, or corporation to provide financial contributions for specified purposes.

Hyperion: A comprehensive financial management, web-based budget application that delivers global financial consolidation, reporting and analysis in a single, highly scalable software solution.

Impact Fee: A fee that is imposed by a local government within the United States on a new or proposed development project to pay for all or a portion of the costs of providing public services to the new development.

Indirect Cost: Elements of costs necessary to produce a product or service which is not directly traceable to the product or service provided. It is typically associated with payments made by grant-funded activities to cover the City's central service costs. In the City of Miami, a cost allocation plan is developed to recoup central service costs from grants and other sources.

Interfund Transfers: Contributions made from one fund to another fund within an organization.

Interlocal Agreement: A contractual agreement between two or more governmental entities.

Levy: To impose taxes, special assessments, or service charges for City activities.

Line-item Budget: A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately, along with the dollar amount budgeted for each category.

Local Government Half-Cent Sales Tax: The value of ½ cent on the State's sales tax, which is returned to the City on the basis of population size and use for transportation related projects.

Local Option Gas Tax (LOGT): A tax levy of up to six cents on each gallon of motor and special fuels sold, which can be imposed by Miami-Dade County in accordance with State law, and which is shared with the cities within the county.

Definition of Terms

Long-Term Debt: Debt with a maturity of more than one year after the date of issuance.

Long Term Vacant Position: A vacant position that has been vacant for one year or more.

Maintenance of Current Level of Service: The resources required to provide the same level of service as provided during the prior year. The estimate takes into account increases in the cost of providing services.

Major Fund: Funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least ten percent of corresponding totals for all governmental or enterprise funds and at least five percent of the aggregate amount for all governmental and enterprise funds.

Millage Rate: The Property Tax rate of the City. One mill equals $1.00 of tax for each $1,000 of assessed value. The millage rate is the total number of mills of tax assessed against this value.

Non-Civilian Position: Non-Civilian are those positions which in the performance of their duties carry a firearm or have a badge and has taken an oath of office as a solemn promise to defend the Constitution of the United States.

Non-Major Fund: Funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are less than ten percent of corresponding totals for all governmental or enterprise funds or less than five percent of the aggregate amount for all governmental and enterprise funds.

Non-operating expenses: Expenses incurred by a business which are outside of its main or central operations.

Non-spendable fund balance: Amounts that are not in a spendable form (such as inventory) or required to be maintained intact (such as an endowment fund).

Object Code: An account code which identifies a type of asset, liability, revenue, or expense category.

Objective: Specific measurable action that will be taken to achieve a goal.

Operating Budget: It is a financial plan for providing programs and services for a specified period.

Operating Expenses: Expenses related directly to a department's primary activities.

Performance Indicator: A measure used to identify departmental achievements in numerical or statistical terms.

Personnel Costs: An expenditure category that includes employee costs such as salary, wages, shift differential, holiday pay, etc.

Definition of Terms

Post-Traumatic Stress Disorder (PTSD): A mental health condition that's triggered by a terrifying event either experiencing it or witnessing it. Symptoms may include flashbacks, nightmares, and severe anxiety, as well as uncontrollable thoughts about the event.

Projections: Forecast of anticipated revenues, expenditures, or other budget amounts for a specific time period, usually one-year.

Property Tax Levy: The value derived by multiplying the millage rate by the net taxable assessed value of property in the City.

Property Taxes: Taxes paid on the assessed or "just" value of land, buildings, business inventory, or equipment.

Proprietary Agency: Commonly called "self-supporting", these agencies pay for all or most of their cost of operations from user fees. These agencies receive little or no general tax support.

Rate of Return: The yield obtainable on an investment based on its purchase price or its current market price.

Reconciliation: A detailed explanation of changes in financial activities from one period to another or from one accounting basis to another.

Relational Data Stream Management System: A distributed, in-memory data stream management system (DSMS) that is designed to use standards-compliant SQL queries to process unstructured and structured data streams in real-time.

Relational Database Management System: A program that creates, updates, and administers a relational database.

Restricted fund balance: Amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation.

Revenue: An increase in assets of governmental funds that do not increase liability or recovery of expenditure. It includes such items as tax payments, fees for specific services, receipts from other governments, franchise fees, fines, forfeitures, grants, shared revenues, and interest income.

Rolled-back Millage Rate: The millage rate which will provide the same property tax revenues as was levied during the previous fiscal year, exclusive of levies on new construction, additions to structures, deletions, and property added due to geographic boundary changes.

Source of Revenue: Revenues are classified according to their source or point of origin.

Definition of Terms

Special Obligation Bond: A bond secured by a limited revenue source. In Florida, a Special Obligation Bond does not require voter approval and may not be secured by Ad Valorem Revenue.

Stormwater: Stormwater, also spelled storm water, is water that originates during precipitation events and snow/ice melt. Stormwater can soak into the soil (infiltrate), be held on the surface and evaporate, or runoff and end up in nearby streams, rivers, or other water bodies (surface water).

Strategic Objectives: The object or goal of action that is measurable and attainable within a specific time frame within the strategic plan.

Strategic Perspective: The overall vision and strategy utilizing the balanced scorecard methodology.

Structured Query Language: A special-purpose programming language designed for managing data held in a relational database management system (RDBMS), or for stream processing in a relational data stream management system (RDSMS).

Strategic Themes: The principal unifying element within a strategic plan.

Tax Reserve: The portion of the property tax levy estimated to be uncollected during the fiscal year and remains uncollected 60 days beyond the close of the fiscal year.

Taxable Assessed Value: The taxable value is the end result of market value minus the homestead cap, non-homestead cap, portability, and any exemptions.

Trim Bill: An acronym referring to House Bill 4D which was an act related to taxation amending Chapter 80-274 of the Florida State Statutes.

Unassigned Fund Balance: Amounts that are available for any purpose; these amounts are reported only in the general fund.

Unclassified Service: Comprises those positions specified in Section 62 of the City Charter, which do not fall under the classified service.

Unencumbered Balance: The amount of an appropriation that is neither amended nor encumbered. It is essentially the amount of money still available for future purchases.

Unrestricted Fund Balance: The unrestricted fund balance is the amount of fund balance that a local government, itself, has placed constraints on its use (committed and assigned) and fund balance that does not have any specific purpose identified for the use of those net resources (unassigned).

ACKNOWLEDGEMENTS

The Office of Management and Budget staff would like to extend our gratitude to the Elected Officials, City Manager, Deputy City Manager, Assistant City Managers, Department Directors, and the entire City staff for their assistance and continued support through this year's budget effort.
