

Fire Prevention Division
Clothing Allowance Agreement

It is recognized that three individuals currently receive a clothing allowance (Plans Examiner Ralph Wise, Plans Examiner Charles Allison, and Backup Plans Examiner Ron Harned) in the amount of \$90.00 per quarter. It is further recognized that these three individuals do not wear civilian clothing to work nor are they required to wear civilian clothing. Therefore, it is agreed that as the above listed individuals vacate their current assignment which entitles them to the clothing allowance, said clothing allowance shall cease and the newly assigned individual shall not be entitled to the clothing allowance. Any changes to the above shall require mutual agreement of Labor and Management.
