INTER-OFFICE MEMORANDUM

TO: Chief C.A. Gimenez, Director DATE: February 4, 1992 FILE:  
Fire, Rescue and Inspection Services  
SUBJECT: SA for Fire Inspector  
Course  
  
FROM: Frank Rollason, Fire Marshal REFERENCES:  
Fire Prevention Bureau  
ENCLOSURES:

Per our previous discussion, I am requesting that you approve SA time for shift personnel who have an assignment request on file to the Fire Prevention Division to attend the Fire Inspector Course.

The next course begins February 10, 1992, and will be conducted Monday through Friday from 1800 hours to 2200 hours for 10 weeks. We have obtained 12 slots for this course of which five (5) have been taken by personnel assigned to Fire Prevention. Although this policy would not guarantee replacements for Fire Prevention, it does allow us to develop a larger qualified pool from which to select.
