

City of Miami

**Museum Park Miami**  
**Public Meeting**

January 17, 2008

**I. Park**

**II. Questions, Comments**

An aerial photograph of a city skyline at dusk. The foreground is dominated by a large body of water, likely a bay or harbor, with a small island or peninsula in the middle ground. Several tall buildings are under construction, with cranes visible against the twilight sky. The city lights are beginning to glow, and the sky is a mix of blue and purple hues. The word "Introduction" is overlaid in the center of the image.
